Case No.: 2018-002152

Dear Ms. Kitchings:

I am in receipt of attorney Hiser's letter dated December 21, 2018, in which she questions the status of my Appeal, on behalf of the Claimant, of the decision of the Appellate Panel of the Workers' Compensation Commission.

A review of the Appellate Panel's decision, which I filed with the Notice of Appeal, will reveal that no additional testimony was taken before the Appellate Panel neither were there any additional APA submissions submitted into evidence other than the ones submitted to the Single Commissioner.

A transcription of the Appellate Panel arguments would have no probative value and would simply add to the cost of the Appeal for the Claimant. Therefore, I did not request that transcript.

I would appreciate your advising if further action on my part is required.

Yours very truly,

Thomas W. Greene
