SC Court of Appeals

ORDER

Respondent's motion to dismiss is denied. Appellant shall serve and file Appellant's initial brief and designation of matter within thirty days of the date of this order. Due to the arduous procedural nature of this case, no further extensions will be granted absent a showing of extraordinary circumstances. Failure of Appellant to serve and file the brief and designation of matter within thirty days may result in the dismissal of this appeal.

This court will not entertain Appellant's fourth and fifth motions for leave to file a Rule 60(b) motion and for clarification. *See* Rule 240(i), SCACR ("The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal."). This court has already ruled on the arguments contained in the motions, and this court will not consider any further motions addressing these issues.
