IN THE APPELLATE COURT

RE: QUESTION OF FACT OR QUESTION OF LAW?

This matter came before the court (Judge James R. Barber, III) by way of an application and motion to Rule 60(b)(3) SCRPC. On October 25th, 2016. BUT stamped filed MAY 31st, 2016 at 3:39 p.m.

In section 17-28-40 (A)(B)(C)(1) is identifying the proceedings, Terrance Adams claiming he's innocent of this offense, Burglary in the First Degree and challenging his convictions pursuant to South Carolina of Laws, in section 17-28-30 (A) and section 16-11-311 (A)(1)(2)(B).

On 4-19-2005 The Government Agents forged their signature to a false record made by Affiant Dale Hunt, Jr. in this official document(s) # 1971881, 1971882, 1971883, 1971884, 1971824, 1971825, 1971827, 1971828, 1971835, 1971836, 1971837, 1971838, 1972162, 1972164 etc.

What is the time to demonstrate innocence of a sentence on the Administration of Justice?

What is the Government denying defendant the opportunity to be heard pursuant to section 17-28-90 (A)?

Is it not written in South Carolina Law - NO person shall be punished until until convicted?
