I will have it to you by end of week. I fell last week and injured my foot. Going to an orthopedist this afternoon, but am at work. I was out three full days last week because of the injury; otherwise it would have been to you last week. I'm better than halfway through with typing it so I'll have it to you hopefully at some point Thursday. Sorry for the delay!!

Thanks for your understanding and have a blessed evening!!

Danette:

I hope you are doing well. I just wanted to check on the status of this transcript. I have 30 days until I need to file an appeal, and want to be able to reference statements made in the record. Thanks so much for your continued assistance.

Best,  
Lawrence

It looks like it was about an hour long, so probably 50 pages. I have two other requests that I'll begin typing tomorrow that are about the same length. It'll probably be at least three weeks before I can get it to it, but I'll try my best to get it before then. Wanda is also on vacation next week, which puts me in court all week. I'll let you know when I get started on it and when I might have it for you as I get closer to working on it.

Thanks,

Danette:

I would like to order a copy of the transcript from the hearing held on October 10<sup>th</sup>. I apologize for the delay in the request. However, the court has issued an order today that I will need to likely file a motion about. What will be the timeline for receiving a copy? Thanks in advance,

Lawrence
