Re: Precious Angels Academy, LLC v. SCDSS
Appellate Case No. 2012-213627
Respondent's Motion to Dismiss (Corrected Page 4)

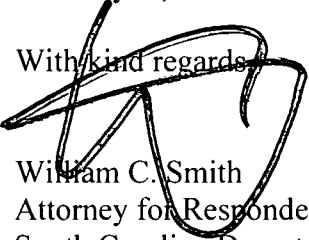

Dear Ms. Allen:

Enclosed, please find seven (7) copies of a corrected page 4 to replace the page 4 which was included in the original mailing of the Respondent's Motion to Dismiss. After submission of the original packet for mailing, it was discovered that the word "jurisdiction" had been inadvertently omitted from the last sentence on the original page 4. The replacement page 4 differs only in that the word "jurisdiction" has been added as the last word on the page.

I apologize for this oversight and would respectfully request that the corrected enclosures be substituted in the original document and copies. By copy of this letter, I am also providing a copy of the corrected page 4 to Appellant's Counsel of Record, Tucker S. Player, Esquire.

I thank you, in advance, for your understanding and assistance.

With kind regards,

William C. Smith
