SC Court of Appeals

Karl A. Daskocil and John M. Daskocil, of whom Karl
A. Daskocil is Plaintiff-Appellant, Appellant.

v.

Patricia Gail D. Culp, Trustee of Karl V. Daskocil Trust
U/A/D December 14, 1995, Respondent.

MOTION FOR EXTENSION OF TIME

I respectfully request an extension of time for submittal of the initial brief and designation of matter to be included in the record on appeal until January 30. Grounds:

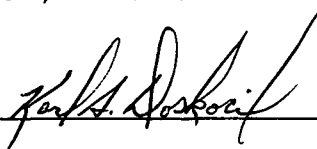

Despite diligent good-faith efforts, I have not yet received necessary file notes and documentation requested from previous counsel in the referenced case. These notes and documentation are central to this appeal.

Additionally, I am awaiting clarification of the timing and circumstances, including the roles of participants and counsel at that moment, as these relate to the Judge's instructions for significant deletions from two draft Orders that had been submitted for his signature; and which, instead, resulted in the surprise sua sponte Order for dismissal pursuant to Rule 41(b) SCRPC (all unknown to me until after the resulting Order was filed).

Unexpected medical issues leading up to and including an extended hospital stay, in November, also factor into this request.

I have enclosed the required \$25.00 filing fee for this motion, and have served a copy upon Robert G. Rikard, Attorney for Respondent, via U.S mail at the address indicated below.
