Im writting to inform you all of the mishaps of my case. It happen on June 7th of 2016 it was ruled a murder by Aiken SC. Do to this all happening I was arrested on July 1st was not DNA Swabed or gun powder tested. There was no Eye wittness. I was picked up in Wal-Mart park n lot. I was not told nor inform what I was being detain for or arrested. I was beeing brough in on a video that was me using the Card that I got from somebody else. I sat in Aiken Den. Center for 2 years without a motion for my case. I was not satifaction with my Lawyer. I ~~also~~ also tryed to fire him of my case. I was promise 30 to 40 years. And got a life sentence. I also said I didnt go in the house nor

did I shot anyone. There was another person involed in this case was not locked up. He leid to law ento. and ~~had~~ a poly-graph. I have so many Loop wholes in my case. I ask for my true bill and didnt get also my indiciements. Its also alot of things the police did wrong that need to be looked into. I also have a life to live and I dont think this was done the right way, as in sentences. Im also filing for my 6th & 14 Amendment because I feel was violated. I Have a lot of Section Codes that Aiken Co. didnt go by. If I knew I was going to get life I would never sign nor agreed to this. I was Coerced into pleaty guilty because I didnt hurt nobody nor a Burglary. In Section Code 17-25-45 a person should get a life sentence if that person has been convicted of a Most Serious charge or two serious offense. Can you let me know something about my appeal. Thank You
