Dear Mr. Khamnei:

Upon further review, this Court recognizes that the letter dated January 14, 2019 regarding the appellant's initial brief and designation of matter was sent in error. The appellant's initial brief has been received.

Furthermore, upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The initial brief contained designated material that will be needed to prepare future filings. Therefore, the designated material is being returned to you. The appellant's initial brief must be accompanied by a designation of matter in accordance with Rule 209, SCACR.
- The initial brief shall contain under appropriate headings and in the order here indicated: table of contents, statement of issues on appeal, statement of the case, standard of review, argument, and conclusion.

Very truly yours,

V. Claire Allen, Deputy
