As of today, I received a letter from the S.C. court of appeals stating they need the order I was appealing and the name of my trial counsel. when I filed my notice with your office I sent the only copy of my sentencing sheet.

my plea lawyer was Hemphil pride of Columbia. I am humbly asking that your office send the copy of my sentencing sheet to the S.C. court of appeals and the information about Hemphil pride. I need this or my appeal may be dismissed.
