Appellate Case No.: 2018-001161

SC Court of Appeals

Dear Ms. Kitchings:

Enclosed please find Respondent's Brief and fifteen copies for filing in the case cited above. Please return a file-stamped copy of each in the enclosed envelope.

We recently received correspondence from the Court indicating that the deadline for the parties to submit their final briefs was January 17, 2019, which was based on service of the Record on Appeal. However, the initial Record on Appeal inadvertently failed to include all material that our client had designated for inclusion. The Appellant subsequently supplemented the record with the omitted material, but that supplement was not served until January 14, 2019.

Because the original Record had to be supplemented, we understand that our enclosed filing is timely based on service of the supplement. If, however, the Court requires a motion to accept this filing, please do not hesitate to let us know. Additionally, if we can provide the Court with any additional materials or information, please do not hesitate to call on us.

Very truly yours,

M. Todd Carroll
