Re: *The State v. Holmes Andrew Simpson-Davis*
Appeal from Spartanburg County
Appellate Case No. 2017-001974

Dear Ms. Kitchings:

In your letter of January 17, 2019, you requested an explanation as to why certain physical exhibits should be transported for review during the appeal. In response, Respondent submits this letter.

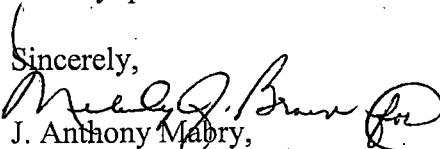

The following Exhibits were designated in explanation and in support of the evidence as discussed in the brief:

State's Exhibit #18 (cellphone)
State's Exhibits #41-46 (shell casings)
State's Exhibits #47-50 (fired shell casings)
State's Exhibit #56 (projectile)

Upon reflection, Respondent would respectfully amend the Designation, and not request the exhibits be transported. Respondent respectfully asks the Court to strike the listed exhibits from the transportation Order submitted by Ms. Hackett.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

J. Anthony Mabry,
Senior Assistant Attorney General
