Re: Terry Edward McCall vs. Barnes Towing
Appellate Case No: 2018-001020

Dear Clerk of Court,

In regards to respondents letter dated December 17, 2018. As to the C.D. transcript of the Magistrate trial. It was my understanding that the Magistrate Courts duty was to send down the C.D. to the Circuit Court, when I started my appeal, as they do the written transcript, why didn't they? However, when I was at the Circuit Court Appeal hearing, I ^{requested} ~~moved~~ to enter this C.D. of the Magistrate Court transcript. And it was objected to, by respondent, arguing the 'Authenticity'. Because it did not come directly from the Court, then it could have been tampered with. So if he is going to tell facts, he needs to be honest and tell the truth in full. And the Court suppressed it. wouldn't let it be entered at Circuit Appeal hearing.

Thank you
Mr. Terry McCall
