

The South Carolina Court of Appeals

Morgan Conley, Appellant,

v.

April Morganson, Respondent.

Appellate Case No. 2018-001924

ORDER

Appellant has served and filed a notice of appeal from an oral ruling of the circuit court. Respondent has filed a memorandum asserting she is preparing a proposed order for the circuit court, and the final, written ruling has not yet been filed. Because the final order has not yet been filed, Appellant's appeal is premature. This appeal is dismissed, and Appellant may appeal after receipt of written notice of entry of the order. *See* Rule 201(a), SCACR ("Appeal may be taken, as provided by law, from any final judgment, appealable order or decision."); Rule 203(b)(1), SCACR ("A notice of appeal shall be served on all respondents within thirty (30) days after receipt of written notice of entry of the order or judgment."). The remitter will be sent as required by Rule 221(b), SCACR.

FOR THE COURT
