RE: Appellate Case No. 2016-001553

It has been a couple of weeks since I filed a motion in this court and I need to know the status on it in good faith so that I can timely resolve issues. I filed the respondents final brief and motion to conform to evidence on appeal in the S.C. Court of Appeals along with other recent filings. I have not gotten any replies, notices, updates, verifications of any filings, replies nor have I been notified who the actual attorney general of record is in this case. I request a copy of the motion I filed in this court as well please, for my records in good faith and federal due process and due diligence!
