RE: Trey Williams v. State
Appellate case No. 2016-001553

Dear Clerk of Court, Judge panel and Justices, I have written this Court on various occasions from November, 2018 up until this above date on concerns of me Requesting to know who the attorney General of record is in this case. Up to five or six Attorney Generals have been on this case since the PCR commenced November 18, 2014. I have a letter that was forwarded to me from the Attorney General office that letter head date of December 27, 2018. The letter is directed to MS. Kitchings and it is requesting that A.G. Janell Gregory, Esquire be removed as Counsel of record of the state and be replaced with V. Henry Gunter Jr. I am being prevented from verification of the status of that request and the status of my case, the motions for my records, motions to conform to the evidence on appeal etc. I also motioned the court and Attorney General with proof of service to timely file requests for extensions in good faith instead of discriminative undue delay. I request due process and equal protection in this case, please inform me of the status of this case and my motions. *Trey Williams*
