Re: State v Robert Watkins
Appellate Case No. 2011-195272

Dear Mr. Shearouse.

I received your response to my letter dated January 7 2019 which was dated January 11, 2019. stating the following:

I cannot return any pro-se documents that you have submitted to this Court in this case. Instead, those documents are now part of the records of this Court.

Further, I will not assist you with obtaining any documents from the office of the South Carolina Attorney General.

Mr. Shearouse, my pro-se filing in which you kept and informed me that no pro-se action will be taken, but are now a part of the SC Supreme Court office of the clerk of Court Records, are they now public Records? meaning pursuant to SC FOIA does the public have access to ~~these~~ my pro-se filing? How can a citizen of the public obtain a copy of my pro-se filing(s) in which you took no action on, because I was represented by counsel. My Uncle is an attorney, can he obtain them? how much will it cost them or me to have a copy made and sent to me? I have discussed what as happened in reference to my family and friends.

that are citizens of this state and the United States of America. They can't believe that the Government functions like that; if no action was taken on my pro-se filing, why wasn't they returned to me with your response: How do I know they are on file, or you didn't destroy them. I've requested other documents, that I sent to the SC Supreme and you provided me a copy showing that you filed them. It appears that you've read my pro-se complaints and letters to the court, and interceded as the clerk of court and seen that my claim or complaint had merits but found a way to not file them; or whatever you did with them. You got capacity in administrative not legal execution or judicial. If I understand it right: if no action was taken on my pro-se filing, then what did you do with them? How can a copy of the record in which I filed my pro-se filing be obtained?

Thank you

Very Truly Yours

Robert Watkins 293803
