

# The South Carolina Court of Appeals

Glenn E. Vanover, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2016-001917

---

## ORDER

---

This matter is before the court on a petition for a writ of certiorari following the denial of Petitioner's application for post-conviction relief (PCR). Based on the vote of the panel, the petition for a writ of certiorari is granted as to the following issue:

Did the PCR court err by finding trial counsel was not ineffective for failing to investigate claims that the victim previously made unfounded allegations of a sexual nature against a former teacher?

The petition is otherwise denied. The parties shall proceed to serve and file the appendix and briefs as provided by Rule 243(j), SCACR.
