?Thank you for your recent request for a transcript. Unfortunately, I did not have a case by this name being held on 12/11/18. Could it have been on another date?

I was w/Jd. Early on 12/10/18 - 12/13/18 and have searched through my notes for all of those days and do not find anything by that name. If you could provide me with more information, I'll be glad to continue to search further.

Thank you.

?Hi, Mr. Cheatham. I am contacting you again in an effort to get more information about this hearing you've requested. As I indicated in my earlier email, I have no information that this hearing was held on the date you've indicated. Some hearings were held off the record and/or in chambers, and I'm wondering if this might be one of them? -I'm copying all parties in an effort to get assistance from them as well. Thank you.

All I know is that when I got there a little after 2:00, that the Courtroom was closed and when I went to the Clerk's Office I was advised the Judge had left.

If you do not have anything, then I would assume nothing was done on the record.  
I do not have any other or further information to provide.

My client, Vivy Bone, was there and she did not hear the case called, but she has no information about anything that could add to the situation.

Best regards,

Ms. Kelly, Bone Matter C/A#2016-CP-02-2576

Since it was all done before I got there, I do not know anything other than what I was told by someone in the Clerk of Court's office.

That was Early noted I had call and informed that I was running late, and that he ruled, and I would be getting a copy of the Order.

Since you have verified you have no record, I believe no further correspondence is necessary concerning this matter.

Thanks for your assistance.
