Re: Reyes Cabrera Pena #265665 v. SCDC  
Appellate Case No. 2018-001324

Dear Mr. Pena:

We are in receipt of a proof of service for a "Respondent's Final Brief" which was filed on January 31, 2019. This proof of service is presumed to be a response to this Court's letter dated January 18, 2019. Please be advised that you must provide a proof of service for the motion to proceed in forma pauperis. As of the date of this letter, we also have not received a proof of service for your motion to allow late filing of the respondent's initial brief and designation of matter as requested by this Court's letter dated January 8, 2019. Within ten (10) days from the date of this letter, you must provide a proof of service for your motion to proceed in forma pauperis, as well as a proof of service for the motion to allow late filing of the respondent's initial brief and designation of matter. This is the Court's second request for these corrections. Your motions will not be considered if these corrections are not made within ten (10) days from the date of this letter.

Very truly yours,

*V. Claire Allen, Deputy*
