MS. Jacqueline,

SC Court of Appeals

I spoke with you today to inquire about the letter informing you all of my return a month ago, and you let me know that you all never received the first correspondence. I hope this letter, in my second attempt, reaches you all, and we are able to move forward and close out this case from three years ago.

I hope to hear from you soon, and will also be placing a follow-up call to inquire about receipt of this letter as well as the decision of the court.

With much respect,

Hannah Kelly
