Re: Ackbar V. SCNC

Appellate Case No. 2018-001949

Dear Ms. McDonald

After reviewing "your" order, I'm firmly convinced that you and other government officials are maliciously, sadistically and deliberately frustrating and impeding my right to access the court. I state this fact because "you" issued an order requiring me to submit notice of appeal filing fee, proof of service to the ALC and denied me access to proceed in forma pauperis.

FACTS

1. On Nov. 27, 2018, V. Claire Allen, Deputy clerk informed me via letter that my motion for extension of time was construed as a motion to proceed in forma pauperis.
2. The deputy clerk also stated the following "At this time, the court is in need of only a clean and clear copy of the order under Appeal."
3. I have provided the court with the material requested prior to "your" malicious and sadistic order filed 1-25-19.

Based upon the above facts I deny "your" order for the court with prejudice.
