Re: Initial request under Canon 3
Appellate Case numbers: 2018-000056 / 2018-000174

Judge Lockemy, Chief Judge,

As an intermediate step related to my initial letter from mid January, I would like to request disclosure under Canon 3, relative to any written or oral communications of the Court of Appeals in reference to the above captioned cases and/or 2014-CP-10-05407 / 2017-CP-10-04031.

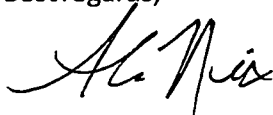

Specifically, a copy of any written communications related to these proceedings, or in the event the communications were oral or otherwise not written, as accurate as possible a written overview of any such communications including, but not limited to, such information as follows, which occurred outside of the communications served upon all parties.

1. The date and, in the event the communication was not in writing, the start time and duration.
2. A listing of all parties involved (to include law clerks and other members of judicial staff, Clerk of Court, Clerk of Court personnel, etc.
3. The name of the party that initiated the communication. The form (oral in person, oral telephone call, email, etc.)
4. Location of the parties in the event the communication was oral or otherwise not written.

Based on the documents produced, I will, as fairly and quickly as possible, decide if any further discovery request appears necessary.

Thank you for your assistance.

Best regards,

Alan Nix
