Re: Judi Castro v. Bryan Walling
Appellate Case No. 2018-002134

Dear Counsel:

We are in receipt of the copy of the trial court order filed January 28, 2019 relieving you as counsel for the appellant, Judi Castro. Please be advised that if you wish to be relieved as counsel within this Court, you must serve and file a motion pursuant to Rule 240 of the South Carolina Appellate Court Rules (SCACR). It is necessary to file a motion in this Court because the notice of appeal had already been filed in this Court when the order of the trial court was entered.

Please also be advised that our records reflect that the time for serving and filing the appellant's initial brief and designation of matter has expired. Within ten (10) days from the date of this letter, you must serve and file the appellant's initial brief and designation of matter, along with a motion requesting permission to serve and file the appellant's initial brief and designation of matter outside of the filing deadlines set by Rules 208 and 209, SCACR. Your appellant's initial brief and designation of matter will not be considered by the Court if no motion is made within ten (10) days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
