Re: Scotty Steele v. Canal Wood, LLC
Appellate Case No. 2018-002005

Dear Counsel:

Our records reflect that the time for serving and filing the appellant's initial brief and designation of matter has expired. Within ten (10) days of the date of this letter, you must serve and file the appellant's initial brief and designation of matter, along with a motion requesting permission to serve and file the appellant's initial brief and designation of matter outside of the filing deadlines set by Rules 208 and 209 of the SCACR. Your appellant's initial brief and designation of matter will not be considered if no motion is made. Failure to comply with the Court's request within ten (10) days of the date of this letter will result in the dismissal of this appeal.

Very truly yours,

V. Claire Allen, Deputy
CLERK
