Re: Shahid Majid v. Associate Warden Clayton
Appellate Case No. 2019-000296

Dear Mr. Majid:

Upon reviewing your notice of appeal for case number 2018CP2304583, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected in their entirety within ten (10) days of the date of this letter or your notice of appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, you have not provided the complete case caption and you have not provided anything filed in the circuit court showing the complete case caption.
- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal.
- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Your proof of service must name the document you are

serving and the names and contact information of all parties served with the notice of appeal.

- You have not provided the filing fee for the notice of appeal. The filing fee is \$250.00.
- You have provided an attachment that you have titled "notice of appeal". The number you have included on this filing (2018CP3533) is not a valid number. Because you have not included any additional information to support this filing, it will not be considered.

Very truly yours,

V. Claire Allen, Deputy

CLERK
