I will tell you that the transcript was a little more pages than I originally quoted (just two more page). If I mail said transcript, there will be an additional \$15.50 due which includes the \$7.00 mailing fee. There is a \$40 fee if emailed. If you would like it emailed, I will waive that email fee since the transcript is a little longer and then the remaining balance due would be \$8.50. I didn't realize when I looked the transcript up that the attorneys took a break and then we went back on the record. So that's the reason in it being a little longer than quoted. Please let me know which method of delivery you would like as soon as possible so that I may get it to you.
