V. Claire Allen,

To try to address this letter sent from your office. We meaning my husband Joe David and myself Candace Stokes, should have never been named in any lawsuit that deals with this. We were never represented by my mans attorney Glenn Walters at anytime. My mother Angie Stokes has fought for her house for 5 years now. Spent money she did not have and wasted time in all this. Her house that is of this appeal is again trying to be stolen from her. This address that my mother resides in is her only residence. She did a reverse mortgage on this home in 2012. This man in pursute of this lawsuit was found to be a fraud by judge Benjamin. The judge took 2 years to research this lawsuit

that her conclusion was my mother
be at peace and reside in her home
until her death with at that time the
home will go back to Champion Mortgage Co.
This company holds title to the home.

Which the judge said was not to ever
be undone again except by Champion Mortgage.

My mother is in the 2nd stages of
alzheimer's. She cannot be dragged
through this anymore. She needs to be
left alone to die in her home in peace.

The judge last time agreed. My mother
is 79 and did a reverse mortgage on
her home to be at peace. This man
has forged documents, deeds, anything
he can to torture my mother to see
her homeless. This I beg of you has to
stop at some point. My mom is not
able to have an attorney or to know how
to be in court for an appeal. Please
stop this. This man needs to be
stopped. Enough of this scam. The court
house should have never allowed papers
to be filed to change a forged Deed.

Please take mine and my husband's name out of this.

Thank You

Candace Stoker
