

2.25.19

Dear Mr. Shearouse

I'm writing in regards to an extension. For the past 2 weeks, it's has been difficult for me to get to the law library to work on my brief. It has been difficult for me to look up case laws to put in my brief. The purpose of this letter is that I'm in a lock-down dorm still and the schedule that we have doesn't permit me enough time to do the legal research that is needed in preparing a pro se brief. I'm asking in the interest of justice for an extension of time so that I can properly prepare for my pro se brief.

Thank you very much for your time and patience in the matter at hand. May God continue to bless you in your walk in life.

For the last 2 weeks, I wasn't able to come to the law library due to the moving to RHU for the process of L.C.I. putting door flaps in the unit, which was week before last. Last week, I wasn't able to come because our law library day fell on a holiday (Monday). I'm writing in regards for help showing that I need an extension. In the order dated Jan. 11, 2019, it states; For good cause shown, the request for an extension to serve and file the Johnson pro se brief response is granted and extended until March 07, 2019. In the order dated on Dec. 4, 2018, it states; any further extension request must be based on a showing of good cause.
