SC Court of Appeals Date: 1-30-19

Dear Ms. Kitching,

I'm to inform you that once again I have received this letter from your office late "dated 1-23-19 and received on 1-29-19". I wrote the letter over and am sending a copy to all the correct places. I waiting on these Officer here at Greenville County Detention to make the copies of letter to be sent out. As always they are dragging their feet on doing things. I was able to get the transcript paid for but Ms. Hollie Jenkins ended up sending the transcript to my mother ~~is~~ instead of me. My mother sent the transcript to the detention center, but the detention center ~~a~~ will not allow me to get them (because we can't receive mail from home no matter what it is). So they said "S. Bradford Administration" that the mail will be sent back home. So ~~there~~ there will be a wait on the transcript to be sent to your office. I don't have copies of the transcript for myself. Therefore I don't even know what the transcript says or have in them. I ~~is~~ would like to be able to read my transcript ~~is~~ so that I may be able to point out fact in my case.

Thank You,
David Green Jr.

Dear Whom It May Concern,

I'm writing to inform you that the payment was made to Court Reporter for Greenville Circuit court "Hollie Jenkins" from transcript of Forfeiture hearing. The appeal court is/will be sent copies of the transcript once I receive them from Ms. Jenkins. I am aware that she has sent these/the transcript to my house and I'm waiting to receive them from home. This is if the detention center of Greenville County allows me to receive them. They have informed me that I may not even receive legal paper that's sent from home at the detention center. This/These legal paper "transcript" was already sent off and should be here tomorrow "1-31-19". I've wrote to the Administration concerning the transcript being sent to the wrong address and that It should have been to me. With this new rule of us not receiving mail from home and it being sent ^{to a} third party for mail to be ~~done~~ put on the kiosk. To me this is a violation of me having complete access to the courts, legal papers, etc. Thank you for your time and concern.

Yours Truly,
David Dreech.
