

THE STATE OF SOUTH CAROLINA
In The Court of Appeals

Case No.: 2012-GS-09-00017 & 2012-GS-09-00020

THE STATE OF SOUTH CAROLINA,
V.
TERRY DAMIEN WHISENHUNT #343850
APPELLANT.

EXPLANATION OF FILING OF APPEAL

This is in response to the legal mail I recieved on January 12th that was addressed wrong by Attorney Glenn Walters, asking that I Write any arguable basis that there are issues preserved for Appeal. I pleaded guilty to Armed Robbery and Burglary 2nd. I feel there are grounds to appeal because of Attorney Glenn Walters ineffective council. He didnt represent me to an acceptable extent. He didnt know the facts of my case and didnt visit or write to speak with me about the case or to update me of the progress being made except on possibly three occasions in which he proved his incompetance, and lack of understanding of my case. Further evidence more visible to the court of Appeals is the fact that he has blatantly lied to you in telling that he informed me that I was pleading to accessory to Armed Robbery and burglary. That is incorrect and a lie I will not confirm and become a part of. I have sent a letter to the Appellant Defense Office previously and informed them that he is not representing me further in my case because he proved to be ill representation. He told me it was in my best interest to take this plea bargain and urged me to take it when I had information for the solicitors office, and said he would give it to him and let him know and upon further investigation it turned out he didnt. As well I was not given proper time to consider the plea nor informed by Mr. Glenn Walters that Id be going to court to take the plea days later. Therefor im appealing because of my old Attorneys ineffectiveness and lack of effort that was put into my defense.
