C/A NO.: 2009-CP-41-2538
CLERK OF COURT
SUMTER COUNTY, S.C.

ORDER GRANTING IN PART AND
DENYING IN PART PLAINTIFF'S
MOTION FOR SUMMARY JUDGMENT

This matter came before the court on November 19, 2012, for a hearing on the Plaintiff's Motion for Summary Judgment. Present representing the Plaintiff was Damon C. Wlodarczyk of Columbia. Andrew S. Radeker appeared on behalf of the Defendant Brooks, who was also present.

The action commenced with the filing of a Lis Pendens, Summons and Complaint. The Defendant was personally served with the Summons and Complaint and timely filed and served an Answer. The Plaintiff filed and served a Motion for Summary Judgment.

Summary Judgment is warranted only if there is no genuine issue as to any material fact and the moving party is entitled to a judgment as a matter of law. Rule 56(c), SCRPC. "In determining whether any triable issues of fact exist, the evidence and all inferences which can be reasonably drawn from the evidence must be viewed in the light most favorable to the non-moving party." Bloom v. Ravoira, 339 S.C. 417, 529 S.E.2d 710 (2000). The moving party has the initial burden of demonstrating the absence of a genuine issue of material fact. However, once the party moving for summary judgment meets the initial burden of showing an absence of evidentiary support for the opponent's case, the opponent must come forward with specific facts showing there is a genuine issue for trial." Garvin v. Bi-Lo, Inc., 337 S.C. 436, 523 S.E.2d 481

(Ct. App. 1999). The opponent cannot merely rely upon the pleadings, but must submit some additional evidence creating a genuine issue of material fact.

In support the Motion for Summary Judgment, the Plaintiff submitted an Affidavit and counter-Affidavit of a business records custodian for the Plaintiff. The Defendant Brooks also filed and timely served an Affidavit in opposition to the Plaintiff's motion.

The Plaintiff argued at the hearing that the affidavits it filed established the debt amount owing and that Defendant Brooks is in default of the note, mortgage, and forbearance agreement (which are described below). The Plaintiff argued that, coupled with an affidavit of attorneys' fees and costs that Plaintiff's counsel stated he was ready to submit, these materials showed that the Plaintiff was entitled to judgment as a matter of law. The Plaintiff argued that Defendant Brooks' affidavit failed to show the existence of a genuine issue of material fact because, even taking the statements in that affidavit as true, Defendant Brooks was still in default of the written terms of the forbearance agreement. Defendant Brooks argued that the Plaintiff's continued acceptance for some months of payments less than the balance due under the written terms of the forbearance agreement (the balance of the loan) constituted either a modification of the terms of the note, mortgage, and/or forbearance agreement through a course of dealing and conduct between the parties, an estoppel or laches of the Plaintiff's right to declare a default under the terms of the forbearance agreement as written, or a waiver of any such default. Defendant Brooks maintained that the evidence showed at least an issue of material fact as to these matters. He provided the Court and Plaintiff's counsel with copies of Rakestraw v. Dozier Assocs., Inc., 285 S.C. 358, 329 S.E.2d 437 (1985), and King v. PYA/Monarch, Inc., 317 S.C. 385, 453 S.E.2d 885 (1995), and argued that these cases support his argument. The Plaintiff countered with an argument that the parol evidence rule precluded Defendant Brooks' arguments because the forbearance agreement was an integrated writing. Defendant Brooks countered by stating that a contract may be modified by means other than writing even if it states that modifications must be in writing and that, since the conduct at issue occurred after the execution of the forbearance agreement, it did not fall within the ambit of the parol evidence rule. Defendant Brooks contended that all ambiguities in the operative documents should be construed against the Plaintiff. The Plaintiff acknowledged that it drafted the documents at issue but denied that there are any material ambiguities in them. Defendant Brooks contended that, under the requirements of equity and the operative terms between the parties as affected by the conduct between them,

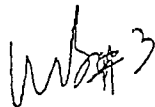

Wb#2

the Plaintiff could not treat the loan as matured and was required to let Defendant Brooks reinstate by bringing current the amount that would have been paid had he continued making \$1500 00 monthly payments to the present day, that the Plaintiff had refused to let him do that, and that the course of conduct between the parties created a fact issue as to whether he has a right to reinstate, a fact issue as to what the debt amount owed to the Plaintiff is, and a fact issue as to whether the Plaintiff is entitled to foreclosure. The Plaintiff argued that there was no genuine issue of material fact because the affidavits on file showed that Defendant Brooks was in default of the terms of the note, the terms of the mortgage, and the terms of the forbearance agreement.

After reviewing and taking into consideration the pleadings and affidavits submitted in this case as well as the arguments presented at the motion hearing, the Court makes the following findings of fact and conclusions of law:

FINDINGS OF FACT:

- 1) The Lis Pendens was filed on July 23, 2009. An Amended Lis Pendens was filed on October 30, 2009.
- 2) The Summons and Complaint were filed on October 30, 2009.
- 3) Service was made upon the Defendants as shown by the proof of service filed herein.
- 4) The Defendants filed and timely served responsive pleadings.
- 5) The Defendants and all attorneys of record were notified of the time, date, and place of the hearing in this matter.
- 6) For value received, Charles T. Brooks III made, executed and delivered a note ("Note") dated May 12, 2005, promising thereby to pay to the order of Sumter National Bank the sum of One Hundred Twelve Thousand and 00/100 (\$112,000.00) Dollars, with interest at the rate of 7.50% per annum, with a current rate of 4.2500% per annum. Other terms and conditions are stated in the Note, which is of record herein.
- 7) To better secure the payment of the Note described above, Charles T. Brooks III made, executed, and delivered to Sumter National Bank a certain real estate mortgage ("Mortgage") in writing, dated May 12, 2005, covering real property in Sumter County, which is the same as that described in the Complaint. The Mortgage provided for the anticipation of

future advances secured by the Mortgage subject to the maximum principal amount secured by the mortgage at any one time shall not exceed \$112,000.00.

8) The Mortgage was filed in the Office of the Register of Mesne Conveyances/Register of Deeds for Sumter County on May 12, 2005, in Book 980 at Page 770. Thereafter, on October 1, 2006, Sumter National Bank merged into and subsequently operated as part of Community Resource Bank, National Association; thereafter, on November 1, 2008, Community Resource Bank, National Association, merged into and subsequently operated as part of First Citizens Bank and Trust Company, Inc., leaving First Citizens Bank and Trust Company, Inc. as the surviving entity.

9) The Note and Mortgage matured on May 5, 2010.

10) On July 27, 2007, Charles T. Brooks III made, executed, and delivered to Community Resource Banks, National Association, a Note for a line of credit ("Line of Credit") in the amount of \$30,150.00.

11) To better secure the payment of the Line of Credit described above, Charles T. Brooks III agreed in writing that the Mortgage dated May 12, 2005, and more fully described above would also serve as additional security for the Line of Credit, but subject to the extent of the future advance clause limit expressed in the mortgage.

12) The Line of Credit matured on August 2, 2008.

13) The Mortgage evidences and secures the repayment of money advanced by the mortgagee to, or on behalf of, the mortgagors and constitutes a first mortgage lien on the mortgaged premises.

14) The Plaintiff is the real party in interest pursuant to SCRCF 17(a).

15) The titleholder of record of the subject property as of the filing of the Lis Pendens in this action is Charles T. Brooks III, who is the original mortgagor.

16) The loan evidenced by the Note and Mortgage is not owned, securitized or guaranteed by Fannie Mae or Freddie Mac, and is not serviced by a servicer participating in the Home Affordable Modification Program (HAMP). Therefore the Court finds that there are no HAMP issues to be resolved before foreclosure is ordered or the sale is commenced.

17) As stated in the Certification of Exemption from Administrative Order 2011-05-02-01 filed herein, the real property which is the subject of this action is not an "owner occupied dwelling" as defined in the Order.

18) The Defendant Brooks defaulted on the Note and Mortgage on or about March 2, 2009.

19) The Defendant Brooks defaulted on the Line of Credit, also secured by the Mortgage, on August 2, 2008 when the Line of Credit matured.

20) The Plaintiff and the Defendant Brooks entered into a release and settlement agreement dated April 7, 2010, which was a valid and binding agreement and also entered into a forbearance agreement which was a valid and binding agreement in which, among other things, Defendant Brooks agreed to pay the sum of \$1,500.00 per month toward arrearage beginning April 1, 2010 and ending March 1, 2011, at which time the remaining balance became due and payable. The forbearance agreement also provided for ongoing payment of the monthly payments due under the Note and Line of Credit proper, but was silent on the issue of the maturity of the original note and the post-maturity status of the line of credit note during the forbearance period.

21) The forbearance agreement contained default terms that provided for acceleration of all unpaid amounts under both the agreement and the loan documents.

22) The forbearance agreement contained a term that stated that acceptance of monies under the agreement was not an estoppel, prejudice or waiver of Plaintiff's right to proceed with the foreclosure action.

23) The forbearance agreement provided in part that Defendant Brooks would withdraw his answer in this matter and the Defendant breached the terms of the forbearance agreement by failing to withdraw his Answer in this matter but in any event, the Answer has not been withdrawn.

24) Defendant Brooks made monthly payments pursuant to the forbearance agreement which were accepted by Plaintiff for several months after the maturity date of the original forbearance agreement but has not paid the balance of unpaid amounts due under the forbearance agreement or the loan documents.

25) All payments made under the terms of the loan documents and after entry into the forbearance agreement are not accounted for in the affidavits submitted by the Plaintiff.

CONCLUSIONS OF LAW

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED.

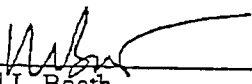

WBS #5

1) That there is no genuine issue of any material fact as to the findings setting forth in paragraphs 1 through 25 above and Defendant Brooks is prohibited from further contesting those findings in future proceedings.

2) That the Court convene a non-jury trial on February 7th 2013 at 11:00 A.M. at which time the parties will present evidence as to the following remaining issues:

- a. The balance due Plaintiff after giving credit for all payments made pursuant to the loan documents and also the forbearance agreement;
- b. The intention of the parties in Defendant Brooks' payment of and Plaintiff's acceptance of monthly forbearance payments after the March 1, 2011 maturity date of the original forbearance agreement, the relevance of the language of the forbearance agreement referring to acceptance of payments, and the effect on Plaintiff's right to proceed with foreclosure;
- c. Whether or not Plaintiff made any monthly payments as they came due under the existing loan documents after entering into the settlement and forbearance agreements, and the effect of the forbearance agreement upon the post-maturity status of the line of credit note at the inception of the forbearance agreement and the maturity of the real estate note and mortgage during the forbearance period.

3) Defendant Brooks is further ordered to file a request for protection from appearing in any court in which he is an attorney of record for the trial date above. Counsel for Plaintiff and Defendant Brooks need not file protective requests if another attorney from their respective firms will be able to attend the trial should they be required to appear before another court.

CHRIS L. LEE, SENIOR VICE PRESIDENT

PURPOSE: The purpose of this loan is RENEW AND INCREASE

SIGNATURES. I AGREE TO THE TERMS OF THIS NOTE INCLUDING THOSE ON PAGE 21. I have received a copy on today's date.

CHARLES T. BROOKS III

DEFINITIONS: As used on page 1, "I" means the terms that apply to this loan "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW: The law of the state of South Carolina will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

COMMISSIONS OR OTHER REMUNERATION: I understand and agree that any insurance premiums paid to insurance companies as part of this note will involve money retained by you or paid back to you as commissions or other remuneration.

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration.

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE: The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

ACCUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS: If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below.

MULTIPLE ADVANCE LOANS: If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

- (1) any deposit account balance I have with you;
- (2) any money owed to me on an item presented to you or in your possession for collection or exchange, and
- (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

REAL ESTATE OR RESIDENCE SECURITY: If this note is secured by real estate or a residence that is personal property, the existence of a default

and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

DEFAULT: I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make or incur any statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES: If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.
- (5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER: I give up my rights to require you to do certain things. I will not require you to:

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT: I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. Of course, you are entitled to only one payment in full. I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval. You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan.

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

Signature for Lender

MARK MOSSELL, ASSISTANT VICE PRESIDENT

PURPOSE: The purpose of this loan is 100% FOR WORKING CAPITAL

SIGNATURES I AGREE TO THE TERMS OF THIS NOTE (INCLUDING THOSE ON PAGE 2) I have received a copy on today's date.

CHARLES T. BROOKS III

DEFINITIONS: As used on page 1, "I" means the terms that apply to this loan "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agree to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW: The law of the state of South Carolina will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

COMMISSIONS OR OTHER REMUNERATION. I understand and agree that any insurance premiums paid to insurance companies as part of this note will involve money retained by you or paid back to you as commissions or other remuneration.

In addition, I understand and agree that some other payments to third parties as part of this note may also involve money retained by you or paid back to you as commissions or other remuneration.

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal if you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity) if any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE: The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

ACCRUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS. If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below.

MULTIPLE ADVANCE LOANS: If this is a multiple advance loan, you and I expect that you will make more than one advance of principal if this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:
 (1) any deposit account balance I have with you,
 (2) any money owed to me on an item presented to you or in your possession for collection or exchange, and
 (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance the due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

REAL ESTATE OR RESIDENCE SECURITY If this note is secured by real estate or a residence that is personal property, the existence of a default

and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

DEFAULT: I will be in default if any one or more of the following occur:
 (1) I fail to make a payment on time or in the amount due;
 (2) I fail to keep the property insured, if required;
 (3) I fail to pay, or keep any promise, on any debt or agreement I have with you;
 (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings;
 (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due);
 (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided;
 (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you;
 (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority;
 (9) I change my name or assume an additional name without first notifying you before making such a change;
 (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops;
 (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES: If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET-OFF" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.

(5) You may use any remedy you have under state or federal law. By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER: I give up my rights to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (presentment),
- (2) obtain official certification of nonpayment (protest), or
- (3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT: I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at any option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval. You may, without notice, fail to perfect your security interest in, impair, or release any security and I will still be obligated to pay this loan.

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

NOTICE: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. 10. **TRANSFER OF AN INTEREST IN THE MORTGAGOR.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if (1) a beneficial interest in Mortgagor is sold or transferred; (2) there is a change in either the identity or number of members of a partnership or similar entity; or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity. However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Mortgage.
11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Mortgagor is an entity other than a natural person (such as a corporation or other organization), Mortgagor makes to Lender the following warranties and representations which shall be continuing as long as the Secured Debt remains outstanding:
- Mortgagor is an entity which is duly organized and validly existing in the Mortgagor's state of incorporation (or organization). Mortgagor is in good standing in all states in which Mortgagor transacts business. Mortgagor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Mortgagor operates.
 - The execution, delivery and performance of this Mortgage by Mortgagor and the obligation evidenced by the Evidence of Debt are within the power of Mortgagor, have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law, or order of court or governmental agency.
 - Other than disclosed in writing Mortgagor has not changed its name within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Mortgagor does not and will not use any other name and will preserve its existing name, trade names and franchises until the Secured Debt is satisfied.
12. **PROPERTY CONDITION, ALTERATIONS AND INSPECTION.** Mortgagor will keep the Property in good condition and make all repairs that are reasonably necessary. Mortgagor will give Lender prompt notice of any loss or damage to the Property. Mortgagor will keep the Property free of noxious weeds and grasses. Mortgagor will not initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restriction limiting or defining the uses which may be made of the Property or any part of the Property, without Lender's prior written consent. Mortgagor will notify Lender of all demands, proceedings, claims, and actions against Mortgagor or any other owner made under law or regulation regarding use, ownership and occupancy of the Property. Mortgagor will comply with all legal requirements and restrictions, whether public or private, with respect to the use of the Property. Mortgagor also agrees that the nature of the occupancy and use will not change without Lender's prior written consent

No portion of the Property will be removed, demolished or materially altered without Lender's prior written consent except that Mortgagor has the right to remove items of personal property comprising a part of the Property that become worn or obsolete, provided that such personal property is replaced with other personal property at least equal in value to the replaced personal property, free from any title retention device, security agreement or other encumbrance. Such replacement of personal property will be deemed subject to the security interest created by this Mortgage. Mortgagor shall not partition or subdivide the Property without Lender's prior written consent. Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Any inspection of the Property shall be entirely for Lender's benefit and Mortgagor will in no way rely on Lender's inspection.

13. **AUTHORITY TO PERFORM.** If Mortgagor fails to perform any of Mortgagor's duties under this Mortgage, or any other mortgage, deed of trust, security agreement or other lien document that has priority over this Mortgage, Lender may, without notice, perform the duties or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the Property. This may include completing the construction.

Lender's right to perform for Mortgagor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Mortgage. Any amounts paid by Lender for insuring, preserving or otherwise protecting the Property and Lender's security interest will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect from time to time according to the terms of the Evidence of Debt.

14. **ASSIGNMENT OF LEASES AND RENTS.** Mortgagor assigns, grants, bargains, conveys and mortgages to Lender as additional security all the right, title and interest in the following (Property).

- Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases).
- Rents, issues and profits, including but not limited to, security deposits, minimum rents, percentage rents, additional rents, common area maintenance charges, parking charges, real estate taxes, other applicable taxes, insurance premium contributions, liquidated damages following default, cancellation premiums, "loss of rents" insurance, guest receipts, revenues, royalties, proceeds, bonuses, accounts, contract rights, general intangibles, and all rights and claims which Mortgagor may have that in any way pertain to or are on account of the use or occupancy of the whole or any part of the Property (Rents)

In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement.

Mortgagor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Mortgagor may collect, receive, enjoy and use the Rents so long as Mortgagor is not in default. Mortgagor will not collect in advance any Rents due in future lease periods, unless Mortgagor first obtains Lender's written consent. Upon default, Mortgagor will receive

any Rents in trust for Lender and Mortgagor will not commingle the Rents with any other funds. When Lender so directs, Mortgagor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Mortgagor agrees that this Security Instrument is immediately effective between Mortgagor and Lender and effective as to third parties on the recording of this Assignment.

As long as this Assignment is in effect, Mortgagor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants. Mortgagor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Mortgagor or any party to the Lease defaults or fails to observe any applicable law, Mortgagor will promptly notify Lender. If Mortgagor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance.

Mortgagor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent. Mortgagor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent. Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect or preserve the Property, except for losses and damages due to Lender's gross negligence or intentional torts. Otherwise, Mortgagor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases.

15. CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. If the Property includes a unit in a condominium or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.

16. DEFAULT. Mortgagor will be in default if any of the following occur:

- A. Any party obligated on the Secured Debt fails to make payment when due;
- B. A breach of any term or covenant in this Mortgage, any prior mortgage or any construction loan agreement, security agreement or any other document evidencing, guarantying, securing or otherwise relating to the Secured Debt;
- C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that is false or incorrect in any material respect by Mortgagor or any person or entity obligated on the Secured Debt;
- D. The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to, Mortgagor or any person or entity obligated on the Secured Debt;
- E. A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired;
- F. A material adverse change in Mortgagor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt; or
- G. Any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

17. REMEDIES ON DEFAULT. In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure, mediation notices or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Mortgage in a manner provided by law if this Mortgage is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the Evidence of Debt, other evidences of debt, this Mortgage and any related documents. All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether expressly set forth or not. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

18. EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS. Except when prohibited by law, Mortgagor agrees to pay all of Lender's expenses if Mortgagor breaches any covenant in this Mortgage. Mortgagor will also pay on demand all of Lender's expenses incurred in collecting, insuring, preserving or protecting the Property or in any inventories, audits, inspections or other examination by Lender in respect to the Property. Mortgagor agrees to pay all costs and expenses incurred by Lender in enforcing or protecting Lender's rights and remedies under this Mortgage, including, but not limited to, attorneys' fees, court costs, and other legal expenses. Once the Secured Debt is fully and finally paid, Lender agrees to release this Mortgage and Mortgagor agrees to pay for any recordation costs. All such amounts are due on demand and will bear interest from the time of the advance at the highest rate in effect, from time to time, as provided in the Evidence of Debt and as permitted by law.

19. ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES. As used in this section, (1) "Environmental Law" means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance, and (2) "Hazardous Substance" means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has

(page 4 of 8)

characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste" or "hazardous substance" under any Environmental Law. Mortgagor represents, warrants and agrees that, except as previously disclosed and acknowledged in writing:

- A. No Hazardous Substance has been, is, or will be located, transported, manufactured, treated, refined, or handled by any person on, under or about the Property, except in the ordinary course of business and in strict compliance with all applicable Environmental Law.
- B. Mortgagor has not and will not cause, contribute to, or permit the release of any Hazardous Substance on the Property.
- C. Mortgagor will immediately notify Lender if (1) a release or threatened release of Hazardous Substance occurs on, under or about the Property or migrates or threatens to migrate from nearby property; or (2) there is a violation of any Environmental Law concerning the Property. In such an event, Mortgagor will take all necessary remedial action in accordance with Environmental Law.
- D. Mortgagor has no knowledge of or reason to believe there is any pending or threatened investigation, claim, or proceeding of any kind relating to (1) any Hazardous Substance located on, under or about the Property; or (2) any violation by Mortgagor or any tenant of any Environmental Law. Mortgagor will immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any such pending or threatened investigation, claim, or proceeding. In such an event, Lender has the right, but not the obligation, to participate in any such proceeding including the right to receive copies of any documents relating to such proceedings.
- E. Mortgagor and every tenant have been, are and shall remain in full compliance with any applicable Environmental Law.
- F. There are no underground storage tanks, private dumps or open wells located on or under the Property and no such tank, dump or well will be added unless Lender first consents in writing.
- G. Mortgagor will regularly inspect the Property, monitor the activities and operations on the Property, and confirm that all permits, licenses or approvals required by any applicable Environmental Law are obtained and complied with.
- H. Mortgagor will permit, or cause any tenant to permit, Lender or Lender's agent to enter and inspect the Property and review all records at any reasonable time to determine (1) the existence, location and nature of any Hazardous Substance on, under or about the Property; (2) the existence, location, nature, and magnitude of any Hazardous Substance that has been released on, under or about the Property; or (3) whether or not Mortgagor and any tenant are in compliance with applicable Environmental Law.
- I. Upon Lender's request and at any time, Mortgagor agrees, at Mortgagor's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Lender. The choice of the environmental engineer who will perform such audit is subject to Lender's approval.
- J. Lender has the right, but not the obligation, to perform any of Mortgagor's obligations under this section at Mortgagor's expense.
- K. As a consequence of any breach of any representation, warranty or promise made in this section, (1) Mortgagor will indemnify and hold Lender and Lender's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages, cleanup, response and remediation costs, penalties and expenses, including without limitation all costs of litigation and attorneys' fees, which Lender and Lender's successors or assigns may sustain; and (2) at Lender's discretion, Lender may release this Mortgage and in return Mortgagor will provide Lender with collateral of at least equal value to the Property secured by this Mortgage without prejudice to any of Lender's rights under this Mortgage.
- L. Notwithstanding any of the language contained in this Mortgage to the contrary, the terms of this section shall survive any foreclosure or satisfaction of this Mortgage regardless of any passage of title to Lender or any disposition by Lender of any or all of the Property. Any claims and defenses to the contrary are hereby waived.

20. CONDEMNATION. Mortgagor will give Lender prompt notice of any action, real or threatened, by private or public entities to purchase or take any or all of the Property, including any easements, through condemnation, eminent domain, or any other means. Mortgagor further agrees to notify Lender of any proceedings instituted for the establishment of any sewer, water, conservation, ditch, drainage, or other district relating to or binding upon the Property or any part of it. Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims and to collect and receive all sums resulting from the action or claim. Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Mortgage. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

21. INSURANCE. Mortgagor agrees to maintain insurance as follows:

- A. Mortgagor shall keep the Property insured against loss by fire, theft and other hazards and risks reasonably associated with the Property due to its type and location. Other hazards and risks may include, for example, coverage against loss due to floods or flooding. This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding three sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld. If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Mortgage.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "lender loss payee clause." Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Mortgagor.

Unless Lender and Mortgagor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the Secured Debt, whether or not then due, with any excess paid to Mortgagor. If Mortgagor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay the Secured Debt whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Mortgagor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of scheduled payments or change the amount of the payments. If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.

- B. Mortgagor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.
- C. Mortgagor agrees to maintain rental loss or business interruption insurance, as required by Lender, in an amount equal to at least coverage of one year's debt service, and required escrow account deposits (if agreed to separately in writing), under a form of policy acceptable to Lender.

22. **NO ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

23. **FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem necessary. Mortgagor warrants that all financial statements and information Mortgagor provides to Lender are, or will be, accurate, correct, and complete. Mortgagor agrees to sign, deliver, and file as Lender may reasonably request any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Mortgage and Lender's lien status on the Property. If Mortgagor fails to do so, Lender may sign, deliver, and file such documents or certificates in Mortgagor's name and Mortgagor hereby irrevocably appoints Lender or Lender's agent as attorney in fact to do the things necessary to comply with this section.

24. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Mortgage are joint and individual. If Mortgagor signs this Mortgage but does not sign the Evidence of Debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. Mortgagor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or the Evidence of Debt without Mortgagor's consent. Such a change will not release Mortgagor from the terms of this Mortgage. The duties and benefits of this Mortgage shall bind and benefit the successors and assigns of Mortgagor and Lender.

If this Mortgage secures a guaranty between Lender and Mortgagor and does not directly secure the obligation which is guaranteed, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation including, but not limited to, anti-deficiency or one-action laws.

25. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Mortgage is governed by the laws of the jurisdiction in which Lender is located, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Mortgage is complete and fully integrated. This Mortgage may not be amended or modified by oral agreement. Any section or clause in this Mortgage, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section or clause of this Mortgage cannot be enforced according to its terms, that section or clause will be severed and will not affect the enforceability of the remainder of this Mortgage. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Mortgage are for convenience only and are not to be used to interpret or define the terms of this Mortgage. Time is of the essence in this Mortgage.

26. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Mortgage, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.

27. **WAIVER OF HOMESTEAD.** Except to the extent prohibited by law, Mortgagor waives all homestead exemption rights relating to the Property.

28. **U.C.C. PROVISIONS.** If checked, the following are applicable to, but do not limit, this Mortgage:

- Construction Loan.** This Mortgage secures an obligation incurred for the construction of an improvement on the Property.
- Fixture Filing.** Mortgagor grants to Lender a security interest in all goods that Mortgagor owns now or in the future and that are or will become fixtures related to the Property.
- Crops; Timber; Minerals; Rents, Issues and Profits.** Mortgagor grants to Lender a security interest in all crops, timber, and minerals located on the Property as well as all rents, issues, and profits of them including, but not limited to, all Conservation Reserve Program (CRP) and Payment in Kind (PIK) payments and similar governmental programs (all of which shall also be included in the term "Property")

(page 6 of 8)

- Personal Property.** Mortgagor grants to Lender a security interest in all personal property located on or connected with the Property. This security interest includes all farm products, inventory, equipment, accounts, documents, instruments, chattel paper, general intangibles, and all other items of personal property Mortgagor owns now or in the future and that are used or useful in the construction, ownership, operation, management, or maintenance of the Property. The term "personal property" specifically excludes that property described as "household goods" secured in connection with a "consumer" loan as those terms are defined in applicable federal regulations governing unfair and deceptive credit practices.
- Filing As Financing Statement.** Mortgagor agrees and acknowledges that this Mortgage also suffices as a financing statement and as such, may be filed of record as a financing statement for purposes of Article 9 of the Uniform Commercial Code. A carbon, photographic, image or other reproduction of this Mortgage is sufficient as a financing statement.

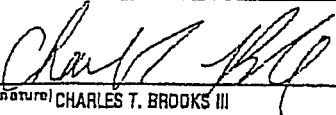

29. OTHER TERMS. If checked, the following are applicable to this Mortgage:

- Line of Credit.** The Secured Debt includes a revolving line of credit provision. Although the Secured Debt may be reduced to a zero balance, this Mortgage will remain in effect until released
- Waiver of Appraisal Rights.** The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may, within thirty days after the sale of the mortgaged property, apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. **THE UNDERSIGNED HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.**
- Separate Assignment.** The Mortgagor has executed or will execute a separate assignment of leases and rents. If the separate assignment of leases and rents is properly executed and recorded, then the separate assignment will supersede this Security Instrument's "Assignment of Leases and Rents" section.
- Additional Terms.**

WHEREAS, Brooks and First Citizens now desire to settle, compromise, and resolve the foreclosure action pursuant to the terms and conditions hereinafter set forth in this settlement agreement.

NOW, THEREFORE, in consideration of the premises and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

- Settlement Terms.** Brooks shall (1) sign a separate forbearance agreement on the Office Mortgage to resume payments plus arrearage for a period of 12 months, at the conclusion of which a balloon payment will be due for the entire amount due; (2) give deeds in lieu of foreclosure to First Citizens for the properties serving as collateral for Mortgage 1, Mortgage 2, Mortgage 3 and Mortgage 4 (collectively referred to herein as the "Investment Properties"); (3) sign a confession of judgment for the deficiency, if any, resulting from each sale of the Investment Properties; (4) refinance the Office Mortgage to include the deficiency amounts once all Investment Properties have sold and the deficiency amounts are fixed; (5) sign this Settlement Agreement; and (6) sign a Stipulation of Dismissal for the foreclosure actions of the Investment Properties; in consideration for First Citizens to (1) hold the foreclosure on the Office Mortgage as long as the Court will allow or until Brooks defaults on any portion of this Agreement; (2) dismiss the foreclosures on the Investment Properties.
- General Release of Claims by Brooks.** In consideration of the settlement terms outlined in Paragraph 1 of this Agreement, Brooks hereby releases and forever discharges FIRST CITIZENS BANK AND TRUST COMPANY, INC., its subsidiaries, business units, affiliates, parent companies, past and present, its predecessors and successors and their respective officers, directors, employees, agents, mortgage servicers, legal counsel, successors and assigns, past and present (collectively "FIRST CITIZENS BANK AND TRUST COMPANY, INC.") from any and all known and unknown claims, demands and causes of action that Brooks may have as of this date against FIRST CITIZENS BANK AND TRUST COMPANY, INC. arising from or in connection with the Mortgage. This release includes any future claim for attorney's fees.
- Covenant Not To Sue.** Brooks agrees to withdraw his Answers in the current litigation (Case #'s 2009-CP-43-2620, 2009-CP-43-2525, 2009-CP-43-2526, 2009-CP-43-2527, & 2009-CP-43-2538), and agrees to take any actions necessary to facilitate the dismissal of the foreclosure. Brooks agrees not to file, commence or initiate any suits, demands or causes of action against FIRST CITIZENS BANK AND TRUST COMPANY, INC. based upon or relating to any of the claims released and forever discharged pursuant to Paragraph 2 of this Settlement Agreement. If Brooks breaches this covenant, he hereby agrees to pay all of the reasonable costs and attorneys' fees actually incurred by FIRST CITIZENS BANK AND TRUST COMPANY, INC. in defending against the claims, demands or causes of action, together with such and further damages as may result, directly or indirectly, from the breach. Moreover, Brooks agrees that he will not cooperate with or encourage any person to file a suit or claim against FIRST CITIZENS BANK AND TRUST

COMPANY, INC. or voluntarily provide documents or information in support of such an action, unless compelled to do so by process of law.

4. **No Admission of Wrongdoing or Liability.** Nothing contained in this Settlement Agreement shall constitute, or be construed as or is intended to be an admission concerning the validity or invalidity of any claim or defense by any party, or an acknowledgment by any party of any wrongdoing or liability, all such wrongdoing and liability being expressly denied, except as the same may result from a breach of any provision of this Agreement. Both parties understand and agree that this Agreement shall not be admissible before any tribunal in any proceeding for any purpose, except in a proceeding to enforce its terms.

5. **Confidentiality.** Brooks agrees that he will keep the terms and conditions of this Agreement confidential and that he will not, without compulsion of legal process, disclose, publish, or disseminate the terms and conditions of this Agreement to any person or any entity, except family, financial advisers, or attorneys, on a "need to know" basis, all of whom shall be advised of and bound by this confidentiality provision.

6. **Warranties/Representations.** The parties to this settlement agreement hereby warrant and represent that:

A. They have carefully read and fully understand the comprehensive terms and conditions of this Settlement Agreement and the releases set forth herein;

B. They are executing this Settlement Agreement knowingly and voluntarily, without any duress, coercion or undue influence;

C. They have been advised to consult with an attorney before signing this Agreement and have had ample opportunity to consult with legal counsel of their own choice before executing this Agreement and, in fact, have done so;

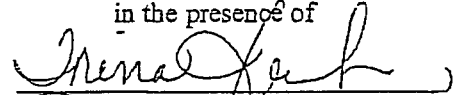

D. They have filed no charge, claim, complaint (other than these actions, Case #'s 2009-CP-43-2620, 2009-CP-43-2525, 2009-CP-43-2526, 2009-CP-43-2527, & 2009-CP-43-2538) or any document with any federal or state agency or any court complaining of unlawful treatment by the other party;

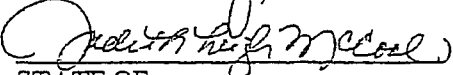

E. They are fully satisfied with the terms and conditions of this Settlement Agreement including, without limitation, the consideration paid to them as part of this comprehensive settlement;

F. They are receiving payment and other consideration under this Agreement that they would not otherwise be entitled to.

7. **Severability of Terms.** If any provision of this Settlement Agreement is determined to be invalid or otherwise unenforceable, then that invalidity or unenforceability shall not affect any other provisions of this Settlement Agreement, which shall continue and remain in full force and effect.

FORBEARANCE AGREEMENT - IN FORECLOSURE

OBGOR: 232259 OBGAT: 1232370

OBGOR: 232259 OBGAT: 1232545

This Agreement, made as of the ____ day of March, 2010, by First Citizens Bank and Trust Company, Inc., (hereinafter referred to as "Lender"), and Charles T. Brooks III (hereinafter collectively referred to as "Borrower").

WITNESSED THAT:

WHEREAS, Lender is the owner and holder of a certain note dated May 12, 2005, executed and delivered by Borrower in the original principal amount of \$112,000.00 and a second note dated July 27, 2007 executed and delivered by Borrower in the original principal amount of \$30,150.00 ("the Notes"), both of which are secured by that certain mortgage (the "Mortgage") on property located at 309 Broad Street, Sumter, SC 29150 (the "Premises") (the Notes and Mortgage any other documents executed in connection therewith are hereinafter collectively referred to as the "Loan Documents");

WHEREAS, Borrower is in default in the payment of monthly installments of principal, interest, escrow, and other payments called for under the Loan Documents (the "Payments") for the period commencing on May 10, 2009 (the "Arrears")

WHEREAS, as a result of the Arrears, Lender has the right to require that Borrower make immediate payment in full of all monies remaining unpaid under the Loan Documents, and has already commenced foreclosure proceedings to foreclose the Mortgage;

WHEREAS, Borrower is not currently involved in a bankruptcy proceeding at any place in the United States;

WHEREAS, Borrower has advised Lender that he has suffered financial setbacks and has requested Lender's forbearance in exercising its rights and remedies under the default provisions of the Loan Documents and with regard to the ongoing foreclosure action, as well as requested certain debt relief; and

WHEREAS, Lender is willing to honor Borrower's requests by granting forbearance on the terms set forth herein.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the Parties hereto agree as follows:

1. Lender's Forbearance. Lender shall forbear from exercising any and all of its rights and remedies presently existing or arising during the term of this Agreement under the Loan Documents, the ongoing foreclosure action or this Agreement, provided that there exists no Event of Default as such term is defined herein at Paragraph 5;

2. Borrower's Admissions. Borrower admits the amounts owing to Lender under the Loan Documents as indicated in this Agreement, and represents and acknowledges that there are no defenses, offsets or counterclaims of any nature whatsoever to any of the Loan Documents. Borrower acknowledges valid service of the Summons and Complaint in the foreclosure action, that Borrower does not intend to enter any answer or defenses therein, and specifically waives any rights Borrower might otherwise have to do so. If Borrower has already answered, Borrower hereby withdraws its answer and defenses with prejudice;

3. Borrower's Payment of the Arrears. THIS FORBEARANCE AGREEMENT IS NOT DESIGNED TO CURE THE ARREARAGE. The intent of this agreement is to provide time for the Lender to sell other properties deeded to it from Borrower as part of a separate Settlement and Release Agreement dated March __, 2010. At the conclusion of this agreement the Loan shall be refinanced to include any deficiency from the sale of the other properties. This must be accomplished no later than March 1, 2011. Borrower shall comply with this agreement in the following manner:

- a. By paying to Lender the sum of \$5,000.00, in certified funds, no later than March 15, 2010; this payment is to be applied to the arrearage;
- b. By paying to Lender the sum of \$1,500.00, in certified funds, due the first day of each month beginning April 1, 2010, and ending March 1, 2011.
- c. On March 1, 2011 the balance of the loan will become immediately due and payable, should Borrower and Lender fail to enter a separate agreement by that date to cure the arrearage or pay off this loan. The balance of the loan will include the capitalization of all accrued interest on the principal, fees, and other amounts as they become due during the course of this Agreement because the payments specified hereunder are not designed to cure the arrearage.
- d. If this is an escrowed loan, the regular monthly payment amount may change during the term of this agreement. If so, the Borrower will be required to pay the new regular monthly payment amount in addition to the monthly amount designed to cure the arrearage.
- e. By paying to Lender any additional default and/or foreclosure costs which may be incurred by Lender during the course of this Agreement.

4. Borrower's Payment of Payments Coming Due. Commencing with the regular payment due (next regular payment date), Borrower shall make all future Payments as they become due, which Payments may change in accordance with the terms of the Notes and Mortgage.

5. Events of Default. If Borrower fails to make any of the payments of the Arrears as specified herein on the due date thereof; if the Borrower fails to make any of the Payments pursuant to the terms of the Notes and Mortgage; or if Borrower fails to keep a promise or agreement or perform or discharge any agreement, covenant, obligation or undertaking created or agreed to by Borrower in the Loan Documents and this Agreement, same shall constitute an event of default ("Event of Default") hereunder and under the Loan Documents.

6. Lender's Rights and Remedies Upon Events of Default. Upon and after the occurrence of an Event of Default all amounts then remaining unpaid under the Loan Documents and this Agreement shall be immediately due and payable and Lender shall be free to exercise any or all rights and remedies provided for under the Loan Documents, including, but not limited to, continuance of the foreclosure action, which rights and remedies are incorporated herein by reference as if fully set forth herein. By entering into this Agreement, Lender shall in no way be considered to have waived or have been estopped from exercising any or all of its rights and remedies under the Loan Documents. Noting contained herein shall constitute a waiver of any or all of the Lender's rights or remedies including the right to proceed with the foreclosure action. This Agreement shall not be construed as a discontinuance of the foreclosure action and any forbearance by the Lender and acceptance of monies hereunder shall not be deemed an estoppel, prejudice or waiver of Lender's right to proceed with the foreclosure action.

It is also agreed that the Lender, may without further notice to the Borrower, proceed ex parte with all further proceedings in the foreclosure action, inclusive of the order of reference, appointment of a referee, preparing a referee's oath and report and entering final judgment of foreclosure and sale, except that the Lender agrees to forbear in scheduling the foreclosure sale as long as an Event of Default does not exist. In the event there is an Event of Default, the Premises will be sold at a foreclosure sale for the unpaid balance of the monies due Lender. In such event, notice of sale and notice of surplus monies shall be given to the Borrower.

7. Limited Modification. Except as modified herein, the Loan Documents are ratified and confirmed and shall remain in full force and effect.

8. Method of Making Payments and Arrears Payments. All Payments and payments of Arrears payable to Lender by Borrower hereunder and under the loan documents shall be made by bank check or certified check payable to the order of First Citizens Bank and Trust Company, Inc., attn: Dave Davies, 1314 Park Street, P. O. Box 29, Columbia, SC 29202.

9. Application of Payments. Unless the law requires otherwise, Lender may, apply all sums received from Borrower during the term hereof, whether on account of payments of Arrears or Payments, to any sums of money due Lender from Borrower hereunder or under the Loan Documents, in any order, at its sole discretion.

10. Assignment by Borrower Prohibited. This Agreement shall be non-transferable by the Borrower.

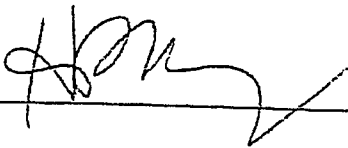

11. Entire Agreement. This Agreement sets forth all of the promises, covenants, agreements, conditions and understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and understandings, inducements or conditions, express or implied, oral or written, with respect thereto, except as contained or referred to herein. This Agreement may not be amended, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of such amendment, waiver, discharge or termination is sought.

12. Severability. If any term or provision of this Agreement or the application thereof to any person or circumstance, shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

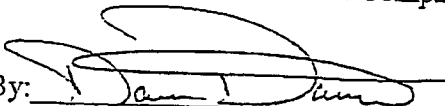

13. Reinstatement. In the event Borrower cures the Arrears by making all payments required under paragraphs 3, is current with the Payments then due, and no Event of Default exists under the Loan Documents and this Agreement, Lender shall reinstate the Notes and Mortgage according to its original terms and conditions.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

AFFIDAVIT OF
CHARLES T. BROOKS, III

Personally appeared before me Charles T Brooks, III, who, first being duly sworn, deposes and says as follows:

1. My name is Charles T. Brooks, III. I have personal knowledge of the facts set forth in this affidavit and am competent to testify about them.
2. Up to around Christmas of 2011, I continued to make the monthly forbearance payments to First Citizens in the monthly payment amounts. First Citizens always accepted those payments.
3. After I fell behind in those payments, I asked First Citizens, through its counsel, to provide me with a reinstatement figure to bring those payments current. As the attached emails show, First Citizens would not provide that to me.
4. At the time I requested the reinstatement figure, I could have brought the monthly payments current; however, First Citizens would not provide me with a reinstatement figure, much less accept a payment to bring the loan current.

FURTHER AFFIANT SAYETH NOT.

The bank wants you to pay the entire loan off. The only exception would be if you could make a significant payment to principal (at least \$10,000). Is that something you can do?
