Re: State of South Carolina,

Respondent,

Derell D. Wiggins,

V.

Appellate.

Appellate # 2019-000175

Dear Clerk;

Please be advised that the attached document is my very own notice of appeal timely filed in the Court where I was sentenced in Florence South Carolina on January 25, 2019 which was returned to me stating that all my correspondence shall be sent to Marion because I was in Florence only to be sentenced and that they had nothing on me in Florence. Please file it or not it means anything. And please be advised that Bradley Coy Richardson is not my attorney which records in the Florence County on or about January 10, 2019 will reflect that ~~that~~ ~~that~~ I would be representation for myself. I also have several documents and other proceeding that he was to be relieved from me as counsel. The record in Florence County will also reflect the Prejudice and Biased misconduct

of a Judge Thomas A. Russo who denied me of all my Constitutional rights throughout my whole Process, and has performed Judicial misconduct duties which records in Florence and Marion County will reflect thereof.

Furthermore, I as appellate would like no contact with the Twelfth Judicial Circuit Court, or The Court of Appeals to contact a Bradley Coy Richardson concerning my behalf unless it is to provide The Court of Appeals with discovery, records, documentation or etc. Counsel has not swung one blow to put up a fight in this matter of a capital case and has trapped me in open court so that sentence would be imposed on me. I have been my own best counsel since my incarceration. Counsel was a puppet to defraud me and posed as a counsel but worked as a organ of the body of the Twelfth Circuit and is the very reason why it wasn't in Counsel interest to identify legal issues for grounds for appeal. I find that it is very unlawful and unconstitutional for the Twelfth Circuit to hinder me any longer. I will provide court with information to be sought.

Nevertheless, appellate so object to any redactions of records and demand full records thereof for review.

Respectfully Submitted,
