Ojection!

This is a Request for Sanctions against the South Carolina Supreme Court clerk Daniel Shearhouse

Please be advised I have been fwd a copy of your letter of 2-26-2019 that you sent to the Court of Appeals. Your little crooked game to delay the *Writ of Certification* is the same lame shit Jenny Kitchens and is why she is personally named in the ACLU suit for her interference in my filings. So go ahead play your games, you will get yours in the end. I am naming you personally in a amended civil rights petition for the same violations.

Be on Notice: your conduct interfering with my filings is criminal conspiracy!

Be on notice the filings captioned below:

CERTIORARI TO THE SUPREME COURT OF SOUTH CAROLINA

~~THE STATE OF SOUTH CAROLINA~~

In The Supreme Court of South Carolina
From the Court of Appeals

APPEAL FROM CHARELSTON COUNTY

~~Court of Common Pleas~~
