Re: Deutsche Bank v. Phyllis L. Alls  
Appellate Case No. 2019-000356

Dear Ms. Allen:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR, and must include the names and mailing addresses of all attorneys of record and the names of the party or parties represented by each.
- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal. The order provided is dated February 13, 2019. You must provide a copy of the order signed on February 1, 2019, as stated on your notice of appeal, or clarify the order that is on appeal.
- The notice of appeal fails to include a statement of the date you received written notice of entry of the order or judgment from which this appeal is taken. You must file an amended notice of appeal and include this information.

- You must provide proof that you have filed the notice of appeal with the trial court clerk.
- If you wish to make a request for injunctive or any other type of relief, you must serve and file a motion accompanied by a \$50.00 filing fee, pursuant to Rules 240 and 241, SCACR.

Very truly yours,
