Hello, how are life treating you at this point an time, I hope fine. and I pray that my letter find you in the best of health. as for myself I'm maintaining taking one day at a time, I just got my paper for my appeal for my case 2019-00167, my reason for my appeal, is base on. ① Dates" meaning my first case was 2017, so in my eyes as well as the Law why did it took so long for me to be pick up. or it was to stack alot of case to make it look bad. ② CI, use someone that get high and dont care about his own moma and dont have to turn the drugs in, never got make money just cause he got a case he work to get it off, that would be a trapment. ③ that when the sled come to you and make a threat if you don't tell on someone you going to jail for a long time. tell me my address and lawyer

My Reason

- ① The CI they use
- ② plea was ~~not~~ from the jump
- ③ Threatening me, the sled matt Kennedy
- ④ lawyer let it happen so he was working for them
- ⑤ Judge went with it when I said didn't understand,
- ⑥ told me it can change if I stay out of trouble.

the same, even try to pay someone 1000 to set me up, they are dirty. even your Honorable Kristi S. Curtis was asking how she going to do that with the case she never dealt with nothing like that. ④ when you tell the judge you don't understand and he still go on with the case. cause, the head sled and R. Ferrell Cothran, Jr. are working together that why they wait for your Honorable R. Ferrell Cothran, Jr so they can do what they want and how they wish. I was charge with 1st offense but I didn't get sentenced as first offense, how do that work how can a judge let that go on I writing what GOD telling me to put on this paper at this time 1 corinthians 4-1-21. Thank you for looking into this matter, and GOD Bless you
