Re: Molly Morphew v. Stephen Dudek (2)
Appellate Case No. 2018-002185

Dear Ms. Morphew:

Upon reviewing your correspondence regarding the delivery of the transcripts, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and this deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The transcript correspondence filed does not specify the date that you received the transcripts. You must provide this Court with the date that you received the transcripts so that we may set the time for serving and filing the appellant's initial brief accordingly.
- We are also in receipt of your motion for an extension of time to serve and file the appellant's initial brief. Once we receive correspondence regarding the receipt date of the transcript, this Court will act on this motion.

Very truly yours,

V. Claire Allen, Deputy
