Hello,

How are you doing at this point in time I hope fine. I pray that my letter find you in the best of health, as for myself I'm trying to make it by taking one day at a time, the reason for my letter, it's about my case. The reason for my appeals is in my heart I no my case is not right, by the law I got charge 1st offense I should have got time for 1st offense time, my arguable, is that, ① my frist case was 8-8-18, should of lock me up before hand just to let me get more charge and it make me look bad in the court eyes, ② they use someone that get "high" and didn't turn the drugs in, I took the plea to be out for 2 mes and new year to be with my family they told me "they" my lawyer told me it can change when I come back, ③ to ms Honorable Kristi F. Curtis, look me in the eyes and really was telling me that it not right what they doing. → over

as for the sled he told me I had to tell  
on someone to make my case go away, he told  
me, my girlfriend, and my lawyer the same thing  
before I took the plea he sent me a threat  
if I don't take it he going to do that and  
this, I just want to be deal with fair,

Thanks ~~for~~ <sup>for</sup> your helping hand  
also to ~~you~~ <sup>you</sup>

Montson

GOD

Bless

you.

"Dates" How long it took to lock me up just  
letting charge get stuck on top each other
