S.C. SUPREME COURT

RE:

Dear Honorable Shearouse:

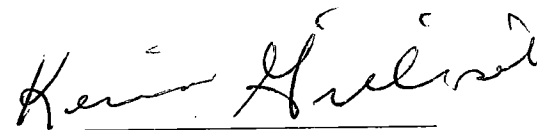

I am writing you in regards of some very vital documents that I have been trying to obtain for several years. Approximately April 25, 2009, I submitted an application with the clerk-of-court of Anderson County, requesting a preliminary hearing. A date was set for June 5, 2009, in which I was transferred from the detention center to the court house for said hearing in which upon my arrival, for reasons unbeknoweth, I was informed that it was being waived. My issues here is that for the past prior years I have been writing the clerk-of-court, public defender Kurt Tavarnier who was my attorney at the time of my preliminary hearing, and the solicitor's office in regards of obtaining: (1) a copies of the application submitted to the clerk-of-court's office on foresaid date; (2) a copy of the login tag-out sheet used by the court on June 5th to sign-in sign-out the pre-trial detainees transferred from the jail to the courthouse on said date; and (3) a disposition of the magistrates determination of finding of probable cause in the case. To no avail, have I ever received any response whatsoever. This request has been made numerous times.

At this time Mr. Shearouse if you would intervene in this matter. I would be greatly appreciative. I am currently on my Federal Habeas and I've already been prejudiced by the fact that I wasn't able to obtain these numerous requested documents in support of my post-conviction arguments.

Mr. Shearouse, I would like to thank you in advance for your time and cooperation in this matter.

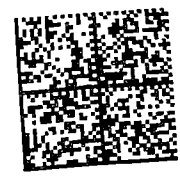

Done this 28th day of February, 2019

Respectfully submitted,
