RC <sup>AP</sup> ~~DeAngelo~~ left walking. I went inside and then came back outside to sit on the porch. As I came out the house I saw ~~DeAngelo~~ walk by and I asked where were he going and he stated nothing and walked towards the back of the mobile home park. Taya Rush who stays beside she told me to watch her house while she was gone. I went to the house and got something to drink and sat on the porch and I saw car lights where lot 7 is and I went to my fence I saw a white man wrestling with a tall black man over a gun. The black man told him to stop and then I heard a gunshot ~~DeAngelo~~ was standing next to the van looking at the guys wrestle. The other guy had a handgun that looked like a revolver. After the gun fired everyone ran, I ran in the house. I told my moms what I saw later on that night. I wasn't truthful to law enforcement at the beginning because I was nervous and scared, because I never saw anyone get killed before. RC

**Oral Statements and Interviews:**

**1/ 17/ 2008 @ 1534**

- Reginald Canty was brought to LEC accompanied by his aunt Ms. Glover. Reggie's mother Dorothy Canty arrived at LEC and the interview began. I started by advising Reginald of his Miranda Rights and he signed a Waiver of Rights Form in front of his mother due to the fact he was being charged at that present time. After reading him his Miranda Rights, I then advised Reginald that his story in the past was inconsistent and that he needed to be truthful from here on out. Reginald began telling the story of the events that happened on how he was at home and [REDACTED] approached him and asked him whether he wanted to make any money by robbing a pizza man and he told him "yes". Reginald then stated he asked his cousin (Desmond Cantey) to take him and [REDACTED] to the store (Cherryvale Grocery) where he stated [REDACTED] made the telephone call to Sambino's Pizza Restaurant. Reginald then stated that they went inside the store and he wanted to buy some batteries but they did not have the kind he wanted. Reginald stated that [REDACTED] brought a Debbie snack Cake and left the store. I then asked what did they do next and he stated that they went back to his house and [REDACTED] walked back to the rear of the mobile home park (OC Mobile Home Park) and he watched until the pizza man drove up in the van. He began to say he stood in his yard by the gate and saw a black male struggling with the pizza man and another black male holding a revolver. I asked him how he knew it was a revolver and it being dark with no lighting on and he said he it was a glare coming from the gun. He then stated it was not suppose to happen like that and I asked him what did he meant by that and he stated the pizza man was not suppose to get shot. He stated it was an accident, his mother then asked him how he knew it was an accident and you said you weren't there and how you know it was a revolver and it was dark outside. Reginald then began to cry and he stated that he did not shoot and kill anyone. He kept saying it was an accident and he kept saying he wasn't there. So I asked him there is no way you can say it was an accident and you weren't there and he put his head on the table and continued to cry. Reginald then stated that the suspects ran away and he ran in the house.

**1/22/2008 @1930**

- Sgt. Robert Burnish and I met with Isaac Boyd (Daniel's uncle) he led us to a mobile home off of St. Marks Circle where he took Daniel to pick up the rifle (30-30), while at the mobile home we found a pizza box and the warmer bag. There was a pizza in the box (Cheese) with one pizza missing. Sgt. Mackessy and Capt. Turner was advised and responded and photographed the scene.

**1/22/2008 @1745**

- I spoke to Ray Dickey he stated that he definitely saw two people running away from the scene. He did not see any faces nor did he see any weapons
