The Judge Error is known in the victim family that is Conflict Interest, because he went the school with the victim brother he said that in trial, It's in black and white in my Transcript Page 6 line 12-25 what Judge Stated, He new victim family the Judge Stated, He live in Camden South Carolina, been living there since January of '64. All right? To my knowledge I have never met Harry Edward Blakeney, I can't say that I never have, I just say to my knowledge because I am "Acquainted" with his brother, Reid Blakeney. And Camden is he was at Clemson with me not in my class, I didn't know him at Clemson other than just saw him, I think he was maybe two years behind me up there. But when he's been in Camden as far as I know the whole time that I have been there his wife and I'm not talking about Harry Edward Blakeney, I'm talking about Reid Blakeney his wife is one of the Chief COOKS for Jack Brandley who is one of our leading Caterers there and she's a (good friend of my wife's) Although they don't run together they speak to each other when they saw them. That is Conflict Interest, All day your Honor. I didn't have a fair trial, Another Error the Judge made Allowing the Jury to hear my nick name

denied of the right to a fair trial guaranteed under the Fourteenth Amendment, And Article 1 §3 of the South Carolina State Constitution. Your Honor I'm Heyward Truesdale, Request that this case be reversed and remanded to the Lower Court for a new trial. My Lawyer William Frick didn't object to the Judge Presiding over my case when Judge stated on page 7, Sentence 17, that lawyer had right to object to Judge Presiding over case. I feel that Judge Ernest Kinard, Prejudice my case, that Cause a Conflict of Interest.
