RE: Filing of petition for certiorari

Dear: Daniel E. Sharhouse clerk,

Please file the petition for certiorari and give me 30 days to complete the Appendix, Argument, Affidavit of indigency, proof of service of those documents on defendants and any other procedural inadequacies in filing this notice to file petition for writ of certiorari to this court, my appeal has been dismissed on the grounds of not sending a proof of service on defendants for reinstatement of my appeal and failure to pay a filing fee, both these arguments are procedural and meritless, I've been denied and obstructed by defendants to timely respond to the courts order due to being transported and transferred to another institution, mail personnel holding me mail up until the date to respond to orders, defendants confiscation and destroying of legal documents and ultimately placed in a psychiatric hospital to where I couldn't do any legal work, as well as being denied access to the law computer, law library and my rules of court of civil procedure being confiscated, I request that you file these documents and return them to me, I also advise that I'm only given 20 sheets a week of paper and I have 5 cases in the courts, due to these acts I'm constrained to never meet my filings.
