

Supreme Court, Appellate Case
No 2018-001871

v.

Bradley Carter Aldrich

RECEIVED

Pro Se Petitioner

S.C. SUPREME COURT

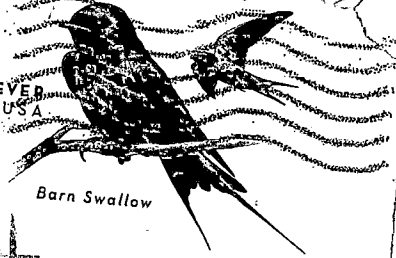

I would like another PCR hearing on the grounds I had ineffective counsel. He never visited before the hearing and during the hearing he asked no questions. During said proceedings it looked apparent that he worked for the prosecution not the defense. I'm not sure of all the legalities of the situation, I do however know the facts, I have been stiffed twice with two bad lawyers. The fact that I have only seen Rodney Richey one time, the day of the hearing clearly shows that he never attempted to defend me.
