Table II:

Use this table when processing MIAP applications for hospital admissions on January 1, 1986 through April 30, 1986.

POVERTY SCALE		
Family Size	100% Gross Annual Income	200% Gross Annual Income
One (1)	\$ 5,250.00	\$ 10,500.00
Two (2)	\$ 7,050.00	\$ 14,100.00
Three (3)	\$ 8,850.00	\$ 17,700.00
Four (4)	\$ 10,650.00	\$ 21,300.00
Five (5)	\$ 12,450.00	\$ 24,900.00
Six (6)	\$ 14,250.00	\$ 28,500.00
Seven (7)	\$ 16,050.00	\$ 32,100.00
Eight (8)	\$ 17,850.00*	\$ 35,700.00

For families with more than eight (8) persons, add \$1,800 for each additional family member.

Table III:

Use this table when processing MIAP applications for hospital admissions on or after May 1, 1986.

POVERTY SCALE		
Family Size	100% Gross Annual Income	200% Gross Annual Income
One (1)	\$ 5,380.00	\$ 10,760.00
Two (2)	\$ 7,240.00	\$ 14,480.00
Three (3)	\$ 9,120.00	\$ 18,240.00
Four (4)	\$ 11,000.00	\$ 22,000.00
Five (5)	\$ 12,880.00	\$ 25,760.00
Six (6)	\$ 14,760.00	\$ 29,520.00
Seven (7)	\$ 16,640.00	\$ 33,280.00
Eight (8)	\$ 18,520.00*	\$ 37,040.00

For families with more than eight (8) persons, add \$1,880 for each additional family member.

Table IV:

Use this table when processing MIAP applications for hospital admissions after May 1, 1987.

POVERTY SCALE		
Family Size	100% Gross Annual Income	200% Gross Annual Income
One (1)	\$ 5,500.00	\$ 11,000.00
Two (2)	\$ 7,400.00	\$ 14,800.00
Three (3)	\$ 9,300.00	\$ 18,600.00
Four (4)	\$ 11,200.00	\$ 22,400.00
Five (5)	\$ 13,100.00	\$ 26,200.00
Six (6)	\$ 15,000.00	\$ 30,000.00
Seven (7)	\$ 16,900.00	\$ 33,800.00
Eight (8)	\$ 18,800.00*	\$ 37,600.00

For families with more than eight (8) persons, add \$1,900 for each additional family member.

Table V:

Use this table when processing MIAP applications for hospital admissions on or after May 1, 1988.

POVERTY SCALE		
Family Size	100% Gross Annual Income	200% Gross Annual Income
One (1)	\$ 5,770.00	\$ 11,540.00
Two (2)	\$ 7,730.00	\$ 15,460.00
Three (3)	\$ 9,690.00	\$ 19,380.00
Four (4)	\$ 11,650.00	\$ 23,300.00
Five (5)	\$ 13,610.00	\$ 27,220.00
Six (6)	\$ 15,570.00	\$ 31,140.00
Seven (7)	\$ 17,530.00	\$ 35,060.00
Eight (8)	\$ 19,490.00*	\$ 38,980.00

For families with more than eight (8) persons, add \$1,960 for each additional family member.

Table VI:

Use this table when processing MIAP applications for hospital admissions on or after May 1, 1989.

POVERTY SCALE		
Family Size	100% Gross Annual Income	200% Gross Annual Income
One (1)	\$ 5,980.00	\$ 11,960.00
Two (2)	\$ 8,020.00	\$ 16,040.00
Three (3)	\$ 10,060.00	\$ 20,120.00
Four (4)	\$ 12,100.00	\$ 24,200.00
Five (5)	\$ 14,140.00	\$ 28,280.00
Six (6)	\$ 16,180.00	\$ 32,360.00
Seven (7)	\$ 18,220.00	\$ 36,440.00
Eight (8)	\$ 20,260.00*	\$ 40,520.00

For families with more than eight (8) persons, add \$2,040 for each additional family member.

Table VII:

Use this table when processing MIAP applications for hospital admissions on or after May 1, 1990

POVERTY SCALE

INTRODUCTION

The Clear Springs Plan

Baxter is the first Village within a 6,200-acre master plan referred to as Clear Springs, in northern York County, South Carolina. The long-term buildout of Clear Springs may ultimately consist of up to six mixed-use villages centered around small retail and commercial areas. It may take up to 20 years to develop all six villages and when complete could add 18,000 residents to the area surrounding Fort Mill.

Location

Baxter is located about 10 minutes south of the South Carolina and North Carolina state line, at the crossroads of Interstate 77 and Highway 160. The Charlotte / Douglas International Airport is about 15 miles and downtown Charlotte is about 20 miles away.

Fort Mill Historic District

Both restful and vibrant, Fort Mill is a town where citizens place strong value on the heritage of their past and their plans for the future. Surprisingly progressive for a small town, Fort Mill offers all the business advantages of the Charlotte Region blended with a quality of life that harkens back to simple pleasures and community values.

Traditional Neighborhood District

In keeping with the York County code for development standards, the Baxter master plan follows the guidelines for creating a Traditional Neighborhood District (TND). The district's purpose is to encourage a mix of uses and housing types and create the sense of community common in neighborhoods planned using traditional design principles.

Developer

Clear Springs Development Company is based in Fort Mill and is a wholly owned subsidiary of The Springs Company. The Springs Company is a holding company owned by the Close Family of Fort Mill, South Carolina.

Project Team

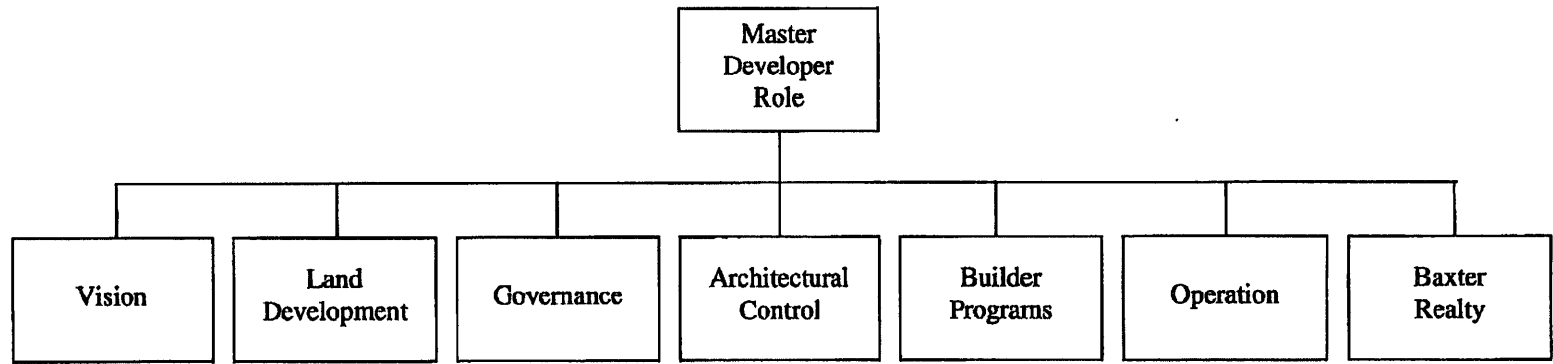

- Project Manager: James Traynor, Clear Springs Development Company LLC
- Master Planner: Land Design, Inc.
- Architectural Guidelines: Urban Design Associates
- Engineering: Land Design Engineering Services, Inc.
- Development Consultants: Celebration Associates, Inc.
- Construction Management: Charter Properties, Inc.
- Commercial Development: Childress-Klein Properties, Inc.
- Community Associations: Hyatt and Stubblefield P.A.
- Legal Counsel: Kennedy, Covington, Lobdell & Hickman, LLP

ClearSprings.0293
PET-EX018.0007

The Master Developer

The role of Clear Springs Development Company is that of master developer:

The role consists of:

- Planning complimentary land uses, obtaining development entitlements and developing community infrastructure.
- Establishing the community governance structure and the protective covenants, conditions, and restrictions (CCR's).
- Selecting builders who will deliver the high quality product in the manner they promise.
- Managing the community association which will provide various community services, i.e. landscape, common area, facility and recreation area maintenance.

- Maintaining coherent community image through controlling dissemination of consistent messages from all parties involved with the community.
- Establishing and enforcing specific design standards to maintain selected themes and compatibility of residential product.
- Coordinating sales and marketing effort

Development Objectives

- Develop responsibly and profitably while preserving the environment and the quality of life in Fort Mill. Builders will be encouraged to use "Green" approaches and energy efficient materials and processes.
- Develop a community which will integrate key principles of traditional town planning, including "inward oriented" neighborhoods, alleys, and parks.
- Develop a wide range of residential and commercial product types and densities. Upcountry architecture found in South Carolina will serve as the main architectural vocabulary. Designing a neighborhood with this architecture while remaining affordable to the consumer is a key objective.

ClearSprings.0295
PET-EX018.0009

-
- Create a pedestrian-oriented community where bike paths, hiking trails and jogging paths connect the numerous parks and civic spaces.
 - Include **indigenous plants** and traditional landscape treatments found in historic upcountry towns.
 - Build a community where activities at the health campus and programs offered by Leroy Springs enhance the quality of life.
 - Permanently preserve a major portion of the land within Baxter, land that could have been developed if the owner desired.
 - Achieve a reasonable return on investment.

ClearSprings.0296
PET-EX018.0010

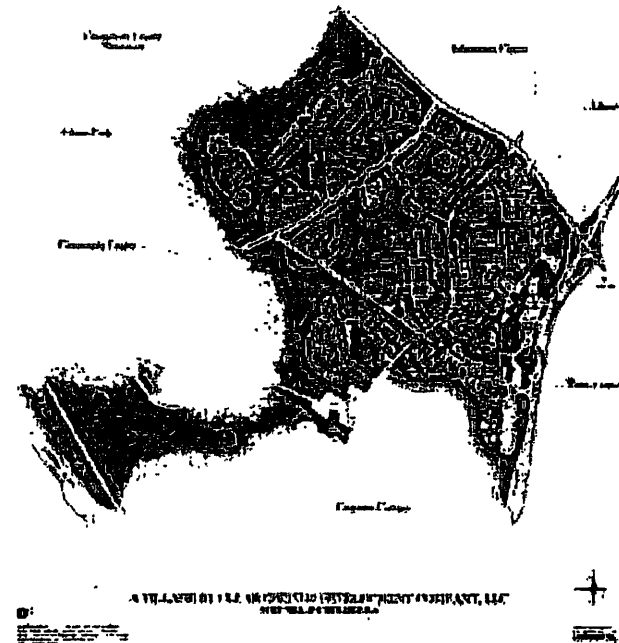

PROJECT OVERVIEW

Village of Baxter

Baxter is located on the southwest quadrant of the Interstate 77 and Highway 160 interchange. It is the first residential village to be built in Clear Springs. Baxter's master plan includes a broad mix of residential and commercial land uses.

The overall concept for Baxter is based upon "livability". This term expresses what the Close family and the design team feel to be the most important goal of all future development – to develop *livable* communities for people of all ages and income levels. Valuable lessons have been learned by studying the negative results of growth in other areas; conversely, there is much to be learned by studying successful small towns in order to understand what makes them good places in which to live. The best small towns have a real sense of place and contribute to a larger, regional identity. They have a sustainable, interdependent economy. Community ties are strengthened and promoted through frequent contacts in a centrally located, pedestrian-oriented commercial and civic town center. A variety of housing types is provided, allowing people of different lifestyles and income levels to participate equally in the town's community life. Workplaces and shopping areas are within walking distance of one another, and residential neighborhoods are integrated into these retail and workplace areas. Thus, children, the elderly, and other non-drivers are not denied access to shops, parks and other community amenities. The need for frequent automobile trips is

BAXTER ILLUSTRATIVE MASTER PLAN

ClearSprings.0297

PET-EX018.0011

lessened, and traffic congestion and pollution are reduced. Also contributing to lessened traffic and a walkable community is the use of a grid of smaller connecting streets.

The Vision

- Blend preservation and progress
- Create traditional neighborhood
- Family-focused
- Pedestrian-oriented
- Easy access to educational opportunities
- Outdoor recreation
- Build true sense of community

Community Partnerships

- Leroy Springs & Co., Inc.
- The Fort Mill Branch of the York County Library
- Fort Mill Telephone Company
- Info Avenue
- Palmetto Cable Company
- York County Electric Cooperative, Inc.
- York County Natural Gas Authority

Clear Springs Plan Economic Benefits

- Projected \$6 billion in direct and indirect benefits, 1999-2019
- Increased revenues from property taxes
- School impact fees
- Sewer and water fees
- \$1.4 billion invested in construction, management and development
- 2,220 new jobs created
- \$4.4 billion in indirect impact from the Clear Springs Plan

Project Status

The Baxter property is 946 acres in size and includes 50% open spaces and parks. Each residential area will have its own distinct character formed by the rolling topography, woodlands, the homes, parks and civic spaces.

Phase One began construction in January of 1998 and the first phase lots commenced model home construction December 1998. As pictured below, a sneak preview for 375 Charlotte Area Brokers and 600 interested prospects was held in March 1999. Sales began immediately thereafter and as of April 1, 1999 there were 49 contracts to purchase homes.

With a few exceptions, the lots will be delivered fully graded with all utilities in place. The exception relates to lots adjacent to sloped woodlands where a pad is prepared and the balance of the lot is left undisturbed.

Baseline Residential Program And Absorption

Based on our market research, we believe that there is strong demand for a broad mix of housing in the Fort Mill area over the next decade. Celebration Associates developed the following "base case program" using a market driven mix targeted to primary buyers, existing and relocating in the MSA.

Re: Village of Baxter Health Campus

Dear Charlie:

We appreciate the participation of your organization in the Request for Proposal ("RFP") process related to the Health Campus at the Village of Baxter.

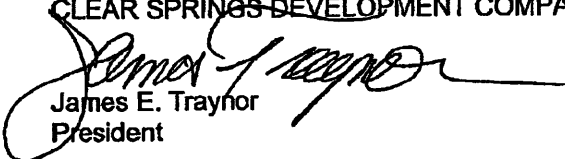

We have reviewed Piedmont's response to the RFP and we are very impressed with it. The purpose of this letter is to confirm that we have selected Piedmont as the candidate to be the health care provider to assist us in implementing the Baxter Health Campus and ultimately, a comprehensive healthcare delivery system for the Clear Springs Plan. In that regard, we believe that we have had excellent discussions to date regarding the principal terms and conditions of our proposed strategic alliance and that we have come to a general meeting of the minds on the proposed terms and conditions that would be embodied in a definitive Alliance Agreement between the parties. Accordingly, this letter will confirm our mutual intent to proceed in good faith to complete our negotiations and to finalize the definitive Alliance Agreement as soon as practicable. However, neither party will be legally bound until the execution and delivery of the definitive Alliance Agreement.

We would appreciate you signifying Piedmont's agreement in principle and its willingness to proceed in good faith to negotiate the definitive Alliance Agreement as soon as practicable by signing below.

We are very excited about the opportunity to work with Piedmont in developing and implementing the Baxter Health Campus.

Sincerely,

CLEAR SPRINGS DEVELOPMENT COMPANY, LLC

James E. Traynor
President

Mr. Zachary J. Zapack
 Senior Vice President, Corporate Services
 Carolinas Healthcare System
 P. O. Box 32861
 Charlotte, NC 28232-2861

Dear Messrs. Trammell & Zapack:

William Taylor and I both want to thank you for taking time to visit us in Fort Mill. As we discussed, I have enclosed a copy of the economic study conducted by the Center for Applied Real Estate Education and Research of the University of South Carolina. The economic benefit of The Clear Springs Plan development activities surprised even those of us working with it day-to-day. As William mentioned, our first step was to recruit corporations and the associated employment base as opposed to starting with residential development. To date, our corporate activity is as follows:

COMPANY	TYPE FACILITY	\$\$ INVESTED	NUMBER OF EMPLOYEES	SIZE OF FACILITY IN SQ. FT.	STATUS
US Foodservice, Inc.	Regional HQ	\$55MM	800	555,000	Occupied
Northern Hydraulics, Inc.	Distribution				
Willamette Industries, Inc.	East Coast HQ Building	\$10 MM	130	76,000	Occupied
Belden, Inc.	Manufacturing	\$20 MM	300	250,000	Under construction for 11/98 occupancy
Allegiance Corporation	Assembly & Distribution	\$15MM	600	230,000	Soon to be publicly announced—6/99 occupancy
TOTAL		\$111MM	2,035	1,496,000	

Also, we have recently reached an agreement with First Citizens Bank on a four-acre site in Kingsley Park.

The economic study assumes a 20-year buildout. Of course, no one's crystal ball is accurate enough to know the exact development timetable. However, I would like to point out some target dates on development either under way or soon to begin:

<u>DEVELOPMENT ACTIVITY</u>	<u>TARGET DATE</u>
• Finished Lots in Phase I	December 1998
• First Residents Move in Baxter	May 1999
• Library Opening	March 1999
• Four Lane Hwy 160 East From I-77 to Hwy 21 Bypass	March 1999
• Four Lane/Five Lane Hwy 160 West from I-77 to Pleasant Road	March 2000
• Targeted Opening of Elementary School Within Baxter*	August 2000
• Hwy 160 West from Pleasant Road to Gold Hill Road	June 2003
• Completion of Development of Baxter	7 - 10 Years

*Discussions are well under way.

P.O. Box 1777, Fort Mill, South Carolina 29716 • Phone (803) 548-8606 • Fax (803) 548-8833

THIS ALLIANCE AGREEMENT (this "Agreement") is made as of the ____ day of _____, 2000 by and between Clear Springs Development Company, LLC, a North Carolina limited liability company ("CSDC") and AmiSub of South Carolina, Inc., a South Carolina corporation, d.b.a. "Piedmont Health System" ("Piedmont").

RECITALS

A. CSDC is the development arm of Close Family Real Estate Partnership No. 1 (the "Close Family"), and as Manager of Clear Springs - Baxter, LLC ("Baxter"), Clear Springs - Kingsley, LLC, ("Kingsley") and Clear Springs - Springfield, LLC ("Springfield"), CSDC has the responsibility of managing the development of certain real estate lying in Fort Mill Township, York County, South Carolina, owned by those entities under a common plan of development into villages of mixed residential and commercial uses (the "Clear Springs Plan") known or to be known as the Village of Baxter, the Village of Kingsley, and the Village of Springfield (collectively the "Clear Springs Villages").

B. As of the date of this Agreement, the Clear Springs Villages are comprised of the tracts of real estate described in the aggregate on Exhibits A-1, A-2 and A-3, but it is understood that the boundaries of each of the Clear Springs Villages may change during the implementation of the Clear Springs Plan.

C. CSDC has selected Piedmont as the limited-exclusive health care system provider for the Clear Springs Villages, as their boundaries may change from time to time.

D. Within the boundaries of the Village of Baxter is a tract of land consisting of approximately 15.5 acres, more or less, lying on North Sutton Road, Fort Mill Township, York County, South Carolina, more particularly described in the attached Exhibit A-4, (the "Property"), which is to be developed as an innovative health care campus that will integrate health care, diagnostic services, wellness, fitness facilities, and education resources in a central location (the "Baxter Health Campus") to serve the needs of the residents of the Clear Springs Villages, as well as other areas of the Larger Fort Mill Community. Piedmont, individually and/or through its third-party Developer, intends to develop, design, and equip an urgent care center, diagnostic center, ambulatory surgery center, and rehabilitation center and will staff, operate, and manage each of these facilities, subject to required approvals by applicable Governmental Authorities in accordance with the provisions of this Agreement.

E. CSDC and Piedmont, as the limited-exclusive health care provider selected by CSDC, desire to memorialize their agreements and understandings regarding certain health care services to be offered and facilities to be constructed under the Clear Springs Plan and in particular the manner in which the Baxter Health Campus will be developed and operated in this Alliance Agreement.

NOW THEREFORE, for and in consideration of the recitals and the mutual covenants and conditions contained in this Alliance Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Piedmont.20324

PET-EX022.0006

RECORD 004894

1. Goals of Alliance between CSDC and Piedmont.

- a. The parties desire to collaborate on the development of innovative health care facilities that will provide convenient community access to quality medical and diagnostic services, while also fostering the concepts of wellness and health enhancement in the Clear Springs Villages. This common vision will seek to blend preservation and progress in land development, while encouraging careful growth.
- b. The parties agree that one of their common goals will be to promote community interaction by pedestrian-scale planning and architecture. With this goal in mind, the parties agree that the Buildings in the Baxter Health Campus, as well as other health care facilities, will be sited in relationship to one another, along a pedestrian-scaled "main street," which will be organized around a common "central green." The parties will seek to create a development that will instill reliance among the stakeholders in the Clear Springs Villages and in the other areas of the Larger Fort Mill Community, which will include residents, merchants, educators, healthcare providers, governmental and civic bodies, recreation providers and worship centers.
- c. The parties desire to integrate the operation of the Baxter Health Campus with the balance of the Village of Baxter, and the operation of any other health care facilities with the particular Clear Springs Village in which such other site is located, using the Clear Springs Plan as a model for how a program designed to enhance health can be used to improve the overall well-being of the Larger Fort Mill Community and its residents.
- d. The parties are committed to an on-going investigation of opportunities to leverage the talents and resources of the Clear Springs Development Team, Leroy Springs and Company, the Springs Foundation, Inc., and their strategic community alliances.

2. Definitions. For purposes of this Agreement, the following terms shall have the following meanings, unless the context clearly indicates or requires a different meaning. All capitalized terms not specifically defined in this Section 2 shall have the meanings assigned to such terms in this Agreement.

- a. "Agreement" shall mean this Alliance Agreement, together with any and all Exhibits attached hereto and incorporated by reference, along with any amendments which may be agreed to by both parties, from time to time.
- b. "Approved Design Architect" shall have the meaning assigned to such term in Section 6, Paragraph b of this Agreement.
- c. "Baxter" shall mean Clear Springs - Baxter, LLC, a North Carolina limited liability company.

8/23/00 8:25 AM

0116575.12
LIB: RH

- d. "Baxter Health Campus" shall have the meaning assigned to such term in Paragraph D of the Recitals of this Agreement.
- e. "Building" shall mean a building to be constructed in a Phase pursuant to the provisions of this Agreement.
- f. "Building Site" shall mean the parcel of land upon which a Building and other facilities will be constructed and developed in any Phase pursuant to the provisions of this Agreement.
- g. "Clear Springs Development Team" shall mean collectively the professionals and support staff who are employees or members of either CSDC or of other entities who are consultants to or independent contractors of CSDC, charged with specific duties in the design and implementation of the Clear Springs Plan.
- h. "Clear Springs Plan" shall have the meaning assigned to such term in Paragraph A of the Recitals of this Agreement.
- i. "Clear Springs Villages" shall mean collectively the Village of Baxter, the Village of Kingsley and the Village of Springfield.
- j. "Commencement of Construction" shall mean the time when the actual erection of a Building on a Building Site is begun.
- k. "Completion of Construction" shall have the meaning assigned to such term in Section 7, Paragraph o of this Agreement.
- l. "Conceptual Plans" shall have the meaning assigned to such term in Section 6, Paragraph b, subparagraph i of this Agreement.
- m. "Consistency Standard" shall have the meaning assigned to such term in Section 6, Paragraph c of this Agreement.
- n. "Construction Commencement Date" shall mean the date required for commencement of construction of the Required Improvements as shown on the respective Exhibit for each Phase.
- o. "Construction Contract" shall mean a contract for construction of Improvements which a Developer has entered into with a General Contractor, and which has been approved by CSDC.
- p. "Critical Path Schedule" shall have the meaning assigned to such term in Section 7, Paragraph j of this Agreement.

8/22/00 8:25 AM

0116575.12
LIE, RH

- q. "CSDC" shall mean Clear Springs Development Company, LLC, a North Carolina limited liability company.
- r. "Design Development Plans" shall have the meaning assigned to such term in Section 6, Paragraph d of this Agreement.
- s. "Designation Notice" shall have the meaning assigned to such term in Section 4, Paragraph d of this Agreement.
- t. "Developer" shall mean either Piedmont or another entity selected by Piedmont, subject to the approval of CSDC, charged with the responsibility of overseeing the development of any Building Site pursuant to the terms of this Agreement, provided, however, that CSDC's response to a request for approval shall not be unreasonably delayed.
- u. "Exhibit" shall mean any of the Exhibits attached to this Agreement, each of which is incorporated by reference.
- v. "Exclusivity Waiver Notice" shall have the meaning assigned to such term in Section 5, Paragraph a of this Agreement.
- w. "Featured Provider" shall mean a health service provider that is recognized and featured by CSDC to the residents of the Clear Springs Villages as providing quality medical and diagnostic services.
- x. "Final Plans" shall have the meaning assigned to such term in Section 6, Paragraph e of this Agreement.
- y. "General Contractor" shall mean any South Carolina licensed general contractor chosen by a Developer for construction of any Required Improvements and approved by CSDC, provided, however, that CSDC's response to a request for approval shall not be unreasonably delayed.
- z. "Governmental Authority" shall mean any federal, state, or local governmental entity, body, agency or department.
- aa. "Hospital Ownership Company" shall have the meaning assigned to such term in Section 5, Paragraph f, subparagraph ii(a) of this Agreement.
- bb. "Hospital Ownership Company Related Physician's Office" shall have the meaning assigned to such term in Section 5, Paragraph f, subparagraph ii(b) of this Agreement.
- cc. "Improvements" shall mean the Buildings, landscaping, walkways, parking areas, driveways, Utilities, and any and all other improvements which are to be

8/22/00 8:25 AM

constructed and operated as facilities pursuant to the provisions of this Agreement.

- dd. "Inspector" shall mean the construction consultant or consultants employed by CSDC, at CSDC's cost and expense, to perform the services set forth in Section 7, paragraph n of this Agreement
- ee. "Land Use Program" shall mean the overall land use plan for each Phase as set forth in Section 4 of this Agreement.
- ff. "Larger Fort Mill Community" shall mean the Town of Fort Mill and its environs in Fort Mill Township, including but not limited to the exclusion of other areas of the Clear Springs Villages.
- gg. "Leroy Springs" shall mean Leroy Springs and Company, a South Carolina non-profit corporation.
- hh. "Limited Exclusivity Rights" shall mean the limited exclusivity provider rights granted to Piedmont by CSDC subject to Piedmont's performance of its obligations under this Agreement, as more fully defined in Section 5 of this Agreement.
- ii. "Master Declaration" shall mean that certain Declaration of Covenants, Conditions and Restrictions for Baxter dated November 6, 1998, recorded November 6, 1998, in Record Book 2463, Page 242, re-recorded December 16, 1998 in Record Book 2513, Page 119, in the Office of the Clerk of Court, York County, South Carolina, as amended and supplemented from time to time.
- jj. "Permitted Uses" shall mean the uses of a Building Site which are permitted pursuant to the terms of this Agreement and which are specified with respect to each Phase in the applicable Exhibit for such Phase.
- kk. "Permitted Services" shall mean the services which may be offered and conducted on a Building Site pursuant to the terms of this Agreement and which are specified with respect to each Phase in the applicable Exhibit for such Phase.
- ll. "Phase" or "Phases" shall mean one or more of the phases of development of the health care and wellness facilities contemplated under this Agreement.
- mm. "Phase I" shall mean the Phase of development of the health care facilities contemplated under this Agreement which is described in Section 5, Paragraph a of this Agreement and is further explained in Exhibit C.
- nn. "Phase II" shall mean the Phase of development of the health care facilities contemplated under this Agreement which is addressed in Section 5, Paragraph b, subparagraph i of this Agreement and is further explained in Exhibit D.

- oo. "Phase III" shall mean the Phase of development of the health care facilities contemplated under this Agreement which is addressed in Section 5, Paragraph b, subparagraph ii of this Agreement and is further explained in Exhibit E.
- pp. "Phase IV" shall mean [INTENTIONALLY LEFT BLANK].
- qq. "Phase V" shall mean the Phase of development of the medical facilities contemplated under this Agreement which is addressed in Section 5, subparagraph iv of this Agreement and is further explained in Exhibit G.
- rr. "Piedmont" shall mean AmiSub of South Carolina, Inc., a South Carolina corporation.
- ss. "Plans" shall mean collectively the Conceptual Plans, the Schematic Plans, the Design Development Plans, and the Final Plans.
- tt. "Preliminary Site Plan" shall mean the preliminary site plan entitled "Baxter Health Campus Master Plan" dated August 16, 2000, which is attached hereto as Exhibit B and incorporated herein by this reference.
- uu. "Production Architect" shall mean the production architect selected by the Developer to provide architectural services, including providing the Final Plans, that are described in Section 6 of this Agreement.
- vv. "Projected Completion Date" shall mean the latest date projected for completion of construction of the Required Improvements on a particular Building Site as set forth on the relevant Exhibits D, E and G or as otherwise provided in Section 4, Paragraph f of this Agreement.
- ww. "Projected Construction Commencement Date" shall mean the latest date projected for commencement of construction of the Required Improvements on a particular Building Site as set forth on the relevant Exhibits C, D, E and G or as otherwise provided in Section 4, Paragraph f of this Agreement.
- xx. "Property" shall mean that tract of land that will be developed as Baxter Heath Campus as contemplated under this Agreement and is more particularly described on Exhibit A-4 hereto.
- yy. "Purchase Contract" shall mean an agreement of Purchase and Sale of Real Estate of a Building Site between Baxter and Piedmont, in substantially the form attached hereto as Exhibit L and incorporated herein by this reference.
- zz. "Required Completion Date" shall mean the latest date required for completion of construction of the Required Improvements in Phase I as shown on Exhibit C.

8/22/00 8:25 AM

0116575.12
LIB: RH

- aaa. "Required Improvements" shall mean those Improvements which the parties have agreed are required to be constructed in each Phase, subject to the applicable approvals of Governmental Authorities.
- bbb. "Schematic Plans" shall have the meaning assigned to such term in Section 6, Paragraph c of this Agreement.
- ccc. "Utilities" shall have the meaning assigned to such term in Section 7, Paragraph 1 of this Agreement.
- ddd. "Village of Baxter" shall mean one of the three Clear Springs Villages to be developed pursuant to the Clear Springs Plan, whose boundaries are presently described on Exhibit A-1.
- eee. "Village of Kingsley" shall mean one of the three Clear Springs Villages to be developed pursuant to the Clear Springs Plan, whose boundaries are presently described on Exhibit A-2.
- fff. "Village of Springfield" shall mean one of the three Clear Springs Villages to be developed pursuant to the Clear Springs Plan, whose boundaries are presently described on Exhibit A-3.

3. Piedmont's Commitment to Purchase.

- a. Piedmont has committed to purchase all Building Sites upon the terms and conditions contained in the Purchase Contract, the form of which is attached hereto as Exhibit L, and incorporated herein by this reference (the "Purchase Contract"). From time to time, CSDC will give written notice to Piedmont that the next Building Site is available for purchase, and Piedmont shall have ten (10) days from the receipt of that written notice to obtain execution of and deliver to CSDC of the Purchase Contract for the Building Site, signed either by Piedmont or Piedmont's subsidiary or third-party Developer, which shall have been approved by CSDC; provided, however, notwithstanding anything to the contrary stated herein, Closing on the acquisition of the Building Site must occur no later than ninety (90) days from the date such written notice is delivered to Piedmont under this Section 3, Paragraph a, but in no event shall Piedmont be obligated to close on a Building Site earlier than one hundred fifty (150) days prior to the Projected Construction Commencement Date of the Required Improvements as shown on the relevant Exhibit attached to this Agreement for that particular Building Site. The basic terms of each transaction of a purchase of a Building Site shall be as follows:
 - i. The Purchase Price per acre shall be as set forth in Exhibit K.
 - ii. Piedmont or its selected Developer shall pay a rolling deposit in the amount of \$100,000 upon the execution of the first Purchase Contract.

8/22/00 8:25 AM

0116575.12
LIB: RJM

- iii. Piedmont or its selected Developer shall be responsible for the payment of all closing costs.
 - iv. The parties shall prorate taxes and assessments as of the Closing Date. Prorations on the closing date shall be based on prior year estimates and adjusted when final tax information is available to the parties.
 - v. Piedmont will provide all roadways, drives, sidewalks, parking areas and utility infrastructure required within the bounds of the Property to serve Phase I, including all such infrastructure to be installed within the bounds of Phase I itself. Utility connections for Phase I will be stubbed by CSDC up to the boundary line of the Property on North Sutton Road. With regard to Phase II and all subsequent Phases, CSDC will provide all roadways, drives, sidewalks and parking areas up to the boundary line of the Building Site and utility connections from the roadways stubbed up to the boundary line of the Building Site within those Phases.
- b. In the event that Piedmont or its Developer fails to close on the acquisition of a Building Site in Phase I or any subsequent Phase, Piedmont shall lose its Limited Exclusivity Rights for all of Baxter Health Campus. Provided, however, that in the event (i) any part of the Property shall have been designated by the parties for the site of the Rehab Facility mentioned in Section 13 of this Agreement and (ii) Piedmont and Leroy Springs fail to reach agreement with regard to the development of the Rehab Facility after reasonable and good faith attempts at negotiations on the part of Piedmont, then Piedmont shall not lose its Limited Exclusivity Rights for all of Baxter Health Campus if Piedmont fails to closing on the Building Site designated for the Rehab Facility.

4. Land Use Program and Permitted Uses – Services.

a. Phase I and Subsequent Phases. Following its acquisition of any Building Site in any Phase, the Developer shall enter into a Construction Contract with a General Contractor, to be approved by CSDC, which approval shall not be unreasonably delayed or denied, to construct on the respective Building Site those Improvements described on the Exhibit to which such Phase refers (the "Required Improvements") to provide the Permitted Uses listed on the applicable Exhibit, as generally depicted on the "Preliminary Site Plan" attached as Exhibit B, or such other site plan submitted by Piedmont to CSDC as may be approved by CSDC from time to time, which approval by CSDC shall not be unreasonably withheld or delayed. Unless another date is mutually agreed to by CSDC in writing, Piedmont either shall commence the construction or shall have caused the Developer to commence the construction of each of the Required Improvements in that relevant Phase not later than the Projected Construction Commencement Date designated on Exhibits C, D, E and G, respectively, which term shall be

8/22/00 8:25 AM

0116575.12
LMB. RH

incorporated into the Construction Contract that the Developer enters into with the General Contractor for that Building Site. From time to time, CSDC and Piedmont may mutually agree to revise the attached Exhibits C, D, E and G, whereupon such revised Exhibits, and the dates contained therein, shall become applicable to this Section. Unless otherwise agreed by the parties or provided under this Section 4, Paragraph f of this Agreement, Piedmont shall cause the construction of each of the Required Improvements to have been substantially completed and opened for business to the general public for regular hours not later than the "Required Completion Date" or the "Projected Completion Date" as described in the applicable Exhibit. For purposes of this Agreement, Piedmont shall be deemed to have met the Projected Construction Commencement Date if all of the following have occurred:

- i. Piedmont or its selected Developer has satisfied all of the obligations of the Design Review and Approval Section (Section 6 and Exhibits H, I and J) and Construction Section (Section 7) of this Agreement;
- ii. The Developer has obtained all of the permits that are necessary to commence construction of the Required Improvements;
- iii. The Developer has retained a General Contractor which has been approved by CSDC and has entered into a valid and binding Construction Contract;
- iv. Piedmont, the Developer and its General Contractor have satisfied all of the insurance requirements in Section 7, Paragraph q; and
- v. The construction of the Required Improvements is actively underway.

In the event that CSDC refuses to approve any Plans submitted to CSDC by Piedmont pursuant to the Design Review and Approval Section (Section 6 and Exhibits H, I and J), despite good faith efforts to comply therewith, Piedmont shall be entitled to a reasonable time extension of the Construction Commencement and Required Completion Dates, in order to allow for the additional time necessary for revision and re-submittal of its Plans for approval by CSDC and/or any applicable Governmental Authority. CSDC shall be commercially reasonable in reviewing and acting on all submittals from Piedmont requiring CSDC's approval.

- b. Cost and Fees. Subject to Piedmont's indemnification obligations under this Agreement, Developer shall be solely responsible, at its sole cost and expense, for all costs, expenses, fees and charges associated or incurred in connection with planning and construction of the Required Improvements on each respective Building Site.

8:22:00 8:25 AM

0116375.12
LIB: RH

- c. **Due Diligence.** Piedmont or its third-party Developer shall be solely responsible for making its own independent investigation and verifying during its due diligence period that it can obtain all permits and approvals necessary to construct the Required Improvements, on each respective Building Site.
- d. **Designation Notice.** In order to preserve the Limited Exclusivity Rights granted to Piedmont by CSDC in Section 5 of this Agreement, Piedmont must evidence its commitment with respect to each Phase, not later than one hundred fifty (150) days after receiving written notice that a subsequent Phase is ready for development, by delivering written notice to CSDC (the "Designation Notice"), specifying the following:
- i. which of the Permitted Uses listed on the attached Exhibit applicable to such Phase that Piedmont intends to provide;
 - ii. Piedmont's projected opening schedule; and
 - iii. the preliminary construction budget for the proposed Improvements in such Phase.
- e. Notwithstanding anything contained in Section 4 of this Agreement, CSDC shall have the right to grant to third parties, the exclusive right to engage in any Permitted Use (a) not being engaged in by Piedmont in the Required Improvements for that Phase; or (b) not contained within the Designation Notice for that Phase; or (c) although contained in the Designation Notice for that Phase, but either (i) not subsequently implemented by Piedmont in the Required Improvements by the Projected Completion Date for those Required Improvements, subject, however, to the qualifications set forth in Paragraph f of this Section 4; or (ii) thereafter discontinued to be provided by Piedmont in that Phase so long as the discontinuance of a service is not temporary due to necessary repairs, replacement of or installation of new equipment.
- f. Notwithstanding Paragraph e of this Section 4, if Piedmont is required to apply to the South Carolina Department of Health and Environmental Control (DHEC) for a Certificate of Need ("CON") for any Required Improvements or Permitted Uses upon any Building Site and if Piedmont has taken all reasonable measures by submitting to DHEC, within thirty (30) days after having received written notice from CSDC that a subsequent Phase is ready for development, a substantially complete CON application concerning development of a Required Improvement or Permitted Use and prior to the applicable Projected Construction Commencement Date, final approval of such application is either pending by DHEC, has been denied by DHEC, or is being contested in a state or federal court of competent jurisdiction (collectively, the "Approval Period"), provided that during the Approval Period Piedmont (i) responds to requests and submits all required information and documentation within the time limitations prescribed by statute, rule or regulation, except for such limitations as are extended, continued

8/22/00 8:25 AM

0116372.12
L.B. RH

or waived by DHEC, administrative or judicial bodies or adverse litigants pursuant to customary practice, (ii) at the time it is submitted has no reason to know that the CON application would be deferred or denied based upon one of the unacceptable reasons for disapproval listed in Subparagraph i.(e) of Paragraph b of Section 5, (iii) does not withdraw its CON application during the Approval Period and (iv) submits to CSDC monthly reports on the status of the CON application, then CSDC agrees to the following:

- (a) The Limited Exclusivity provided to Piedmont shall not lapse during the Approval Period as a result of Piedmont's failure to meet a Projected Construction Commencement Date or Required Completion Date or Projected Completion Date.
- (b) The Approval Period shall expire upon Piedmont's receipt of written notice of a final approval by a Governmental Authority that is not contested or, if an action is filed contesting such approval, upon written notice of a final judicial order from which no appeal is taken.
- (c) If the Projected Construction Commencement Date for a Required Improvement in a Phase occurs on a date before or not less than one hundred twenty (120) days after the expiration of the Approval Period for such Required Improvement, the Projected Construction Commencement Date ("Original Projected Construction Commencement Date") and Projected Completion Date ("Original Completion Date") for such Required Improvement shall be void and unenforceable, and shall be replaced by the following:
 - (1) The replacement Projected Construction Commencement Date ("Replacement Construction Commencement Date") for the Required Improvement shall be 120 days after the expiration of the Approval Period.
 - (2) The replacement Projected Completion Date ("Replacement Completion Date") for the Required Improvement shall be computed by adding to the Replacement Construction Commencement Date the total number of days from the Original Construction Commencement Date to the Replacement Construction Commencement Date.

It is expressly understood and agreed that during the Approval Period, Piedmont must diligently pursue the approval of any necessary CON, shall not voluntarily withdraw such CON application without the express written permission of CSDC, and shall perform all measures reasonably required of it to obtain approval of the required CON at the earliest practicable time, and failing the same, Piedmont shall forfeit all of its Limited Exclusivity Rights as to all the Property.

8/22/08 8:33 AM

0116575.12
LIB: RM

If CSDC grants under this Section 4, paragraph f exclusive rights to a party other than Piedmont to engage in any Permitted Use and provides written notice of such fact to Piedmont, thereafter such use shall no longer be deemed to be a Permitted Use, provided that CSDC shall not grant such exclusive rights to a third party to engage in any Permitted Use that Piedmont has established and continues to operate in a prior Phase subject to the conditions of this Agreement. This Agreement shall not be construed to require Piedmont to construct any of the Required Improvements or implement any of the Permitted Uses contained in the Designation Notice; provided, however, that the failure to construct such Required Improvements or implement such Permitted Uses shall result in Piedmont's loss of its Limited Exclusivity Rights.

5. Limited Exclusivity Of Piedmont.

- a. Phase I Uses. With respect to Building Site No. 1 and Building Site No. 2 which are both to be acquired by either Piedmont or its selected Developer no later than December 31, 2000, CSDC agrees that, subject to the exclusions and limitations set forth in Paragraphs c and d of this Section, any sale or lease of any portion of CSDC's Property located in the Village of Baxter and within the Clear Springs Plan, to any party other than Piedmont or an entity designated by Piedmont, shall bar such purchaser/tenant from using such property for any of the Permitted Uses specified on Exhibit C, for the term of this Agreement. Notwithstanding the immediately preceding sentence, if CSDC receives a request subsequent to the Required Completion Date to allow a party other than Piedmont or an entity designated by Piedmont (a "Requesting Party") to use any portion of CSDC's Property for any Permitted Use described in Exhibit C, but Improvements in Phase I are not being used for that Permitted Use ("Inactive Use"), CSDC will be free to permit the Requesting Party to implement such Inactive Use free and clear of the Limited Exclusivity Rights restrictions if, following delivery of written notice to Piedmont of the Requesting Party's desire to use property in the Clear Springs Plan for such Inactive Use ("Exclusivity Waiver Notice"), Piedmont fails to do one of the following within thirty (30) days following receipt of the Exclusivity Waiver Notice:
- i. Piedmont or its selected Developer, as applicable, offers to lease to the Requesting Party space, which is adequate in the reasonable judgment of the Requesting Party, within (a) Improvements acquired or leased by Piedmont or its selected Developer, or (b) any Required Improvements then under construction or committed by Piedmont or its selected Developer to be constructed pursuant to a Designation Notice, which will permit the Requesting Party to implement the Inactive Use; provided, however, if the Requesting Party has offered to lease or purchase space from CSDC, Piedmont's or the Developer's offer to lease must be on terms and conditions reasonably equivalent to the terms and conditions under which the Requesting Party could then lease space from CSDC, either in an existing Building within the Property or another CSDC

development in the Fort Mill Community, but consistent, however, with all applicable requirements of Governmental Authority; or

- ii. If, at the time Piedmont receives the Exclusivity Waiver Notice, Piedmont or its selected Developer has no suitable space left available to lease to the Requesting Party in the existing Improvements acquired or leased by Piedmont, but Piedmont gives a written commitment to CSDC that Piedmont intends to exercise its right to acquire additional land or Building Sites within the Property.

b. Limited Exclusivity Rights in Phase II and Subsequent Phases. With respect to each Building Site that Piedmont acquires within the Property in Phase II or any subsequent Phase, CSDC agrees that, subject to the exclusions and limitations set forth in Paragraphs c and d of this Section 5, any sale or lease to any party other than Piedmont or its selected Developer of any portion of CSDC's Property located within the Property which is subject to the Clear Springs Plan, shall bar such purchaser/tenant from using such property for any of the Permitted Uses specified on the attached Exhibits which applies to that Phase. The Limited Exclusivity Rights of Piedmont set forth in this subparagraph shall lapse and have no further force and effect as follows:

i. As to Phase II:

- (a) The Limited Exclusivity Rights shall lapse as to all of the Permitted Uses specified on Exhibit D if Piedmont fails to deliver a Designation Notice for Phase II to CSDC by July 1, 2001.
- (b) If Piedmont delivers the Designation Notice for Phase II to CSDC on or before July 1, 2001, the Limited Exclusivity Rights shall lapse as to those Permitted Uses specified on Exhibit D which are not designated on such Designation Notice.
- (c) With respect to any of the Permitted Uses specified on Exhibit D that are included on any Designation Notice for Phase II delivered by Piedmont to CSDC not later than July 1, 2001, after the earlier to occur of: (1) the date on which Piedmont opens the Phase II Improvements to the public; or (2) January 1, 2003, if CSDC receives a request to allow a Requesting Party the right to use any portion of CSDC's Property for a Permitted Use specified by Piedmont in the Designation Notice for Phase II, but the Improvements constructed by Piedmont are not being used for such Permitted Use, although such Improvements could be used for such use (e.g., a same day surgery facility is constructed but no surgery is currently being conducted at such facility), CSDC will be free to allow such use free and clear of the aforementioned restrictions if, following delivery to Piedmont of the Exclusivity

Waiver Notice for such Inactive Use, Piedmont fails to satisfy either of the requirements set forth in Section 5, Paragraphs a, subparagraphs i and ii, within thirty (30) days following receipt of the Exclusivity Waiver Notice.

- (d) If Piedmont has delivered the Designation Notice for Phase II to CSDC not later than July 1, 2001 and in such Designation Notice Piedmont has specified a use that Piedmont intends to provide from the Permitted Uses listed on Exhibit D, but as of January 1, 2003, Piedmont has not constructed the Required Improvements in order to provide one or more of the Permitted Uses contained in the Designation Notice for Phase II (e.g., a same day surgery facility is specified in such Designation Notice, but no Improvements are constructed containing the necessary facilities to provide same day surgical care), from and after January 1, 2003, those Permitted Uses for which Piedmont failed to construct the Required Improvements shall no longer be deemed subject to the provisions of this Subparagraph.
- (e) The relinquishment under this Paragraph b of Section 5 of Piedmont's Limited Exclusivity Rights under Phase II shall not apply, however, to any Required Improvement or Permitted Use for which approval by a Governmental Authority is required, provided that Piedmont has taken all the measures required of it under Section 4, Paragraph f above to obtain such approval unless such approval has been denied in whole or in part because of a final determination that Piedmont failed to demonstrate its ability to provide the proposed services in a manner acceptable to DHEC, based upon, but not to the exclusion of any other basis, substandard quality of care, insufficient financial resources, inadequate staffing or support services, inexperienced management, prior track record of providing health care services, other past deficiencies and a history of citations. It is expressly understood and agreed by Piedmont that in the event the stated grounds for the denial of such approval by DHEC include the insufficient demonstration of Piedmont's capability to provide such Required Improvements or Permitted Use as aforesaid, Piedmont's Limited Exclusivity Rights under Phase II shall immediately lapse, subject to Piedmont's exercise of its rights of administrative and judicial review commenced by Piedmont in good faith; provided, however, that Piedmont will diligently and promptly exercise such review rights and will meet all time limitations prescribed by statute or judicial rule.

ii. As to Phase III:

8/22/00 8:25 AM

0116575.12

- (a) The Limited Exclusivity Rights shall lapse as to all of the Permitted Uses specified on Exhibit E if Piedmont fails to deliver a Designation Notice for Phase III to CSDC by November 1, 2002.
- (b) If Piedmont delivers the Designation Notice for Phase III to CSDC on or before November 1, 2002, the restrictions shall lapse as to those Permitted Uses specified on Exhibit E which are not designated on such Designation Notice.
- (c) With respect to any of the Permitted Uses specified on Exhibit E that are included on any Designation Notice for Phase III delivered by Piedmont to CSDC not later than November 1, 2002, after the earlier to occur of: (1) the date on which Piedmont opens the Phase III Improvements to the public; or (2) June 1, 2004, if CSDC receives a request to allow a Requesting Party the right to use any portion of CSDC's Property for a Permitted Use specified by Piedmont in the Designation Notice for Phase III, but the Improvements constructed by Piedmont are not being used for such Permitted Use, although such Improvements could be used for such use (e.g., a same day surgery facility is constructed but no surgery is currently being conducted at such facility), CSDC will be free to allow such use free and clear of the aforementioned restrictions if, following delivery to Piedmont of the Exclusivity Waiver Notice for such Inactive Use, Piedmont fails to satisfy either of the requirements set forth in Section 5, Paragraphs a, subparagraphs i and ii, within thirty (30) days following receipt of the Exclusivity Waiver Notice.
- (d) If Piedmont has delivered the Designation Notice for Phase III to CSDC not later than November 1, 2002 and in such Designation Notice Piedmont has specified a use that Piedmont intends to provide from the Permitted Uses listed on Exhibit E, but as of October 1, 2004, Piedmont has not constructed Required Improvements in order to provide one or more of the Permitted Uses contained in the Designation Notice for Phase III (e.g., a same day surgery facility is specified in such Designation Notice, but no Improvements are constructed containing the necessary facilities to provide same day surgical care), from and after October 1, 2004, those Permitted Uses for which Piedmont failed to construct the Required Improvements shall no longer be deemed subject to the provisions of this Subparagraph.
- (e) The relinquishment under this Paragraph b of Section 5 of Piedmont's Limited Exclusivity Rights under Phase III shall not apply, however, to any Required Improvement or Permitted Use for which approval by a Governmental Authority is required,

provided that Piedmont has taken all the measures required of it under Section 4, Paragraph f above to obtain such approval unless such approval has been denied in whole or in part because of a final determination that Piedmont failed to demonstrate its ability to provide the proposed services in a manner acceptable to DHEC, based upon, but not to the exclusion of any other basis, substandard quality of care, insufficient financial resources, inadequate staffing or support services, inexperienced management, prior track record of providing health care services, other past deficiencies and a history of citations. It is expressly understood and agreed by Piedmont that in the event the stated grounds for the denial of such approval by DHEC include the insufficient demonstration of Piedmont's capability to provide such Required Improvements or Permitted Use as aforesaid, Piedmont's Limited Exclusivity Rights under Phase III shall immediately lapse, subject to Piedmont's exercise of its rights of administrative and judicial review commenced by Piedmont in good faith; provided, however, that Piedmont will diligently and promptly exercise such review rights and will meet all time limitations prescribed by statute or judicial rule.

iii. As to Phase IV:

Except as set forth in Paragraphs b, c, d, e and f of this Section 5, Piedmont shall have no Limited Exclusivity Rights or obligations regarding Phase IV, and CSDC is free to develop and market Phase IV as it deems fit in its sole and absolute discretion.

iv. As to Phase V:

- (a) Acute Care Beds. Piedmont shall have Limited Exclusivity Rights to develop and operate an acute care facility licensed by DHEC in Phase V until the earlier to occur of: (A) 10 years from the issuance by York County of a Certificate of Occupancy for the Improvements containing such acute care beds; or (B) December 31, 2009, provided that all of the following conditions are met:
- (i) Piedmont is not in default of any of its obligations set forth in this Agreement; and
 - (ii) Piedmont has properly delivered its Designation Notice for Phase V to CSDC by January 1, 2007, which commits to including all the acute care beds licensed by DHEC to it for the acute care facility within the Phase V Improvements; and

8/22/00 8:25 AM

0116575.12
LIE: RH

(iii) Piedmont completes construction, not later than January 1, 2012, of Improvements that contain the required number of acute care beds and provides acute care services with such beds.

(b) The relinquishment under this Paragraph b of Section 5 of Piedmont's Limited Exclusivity Rights under Phase V shall not apply, however, to any Required Improvement or Permitted Use for which approval by a Governmental Authority is required, provided that Piedmont has taken all the measures required of it under Section 4, Paragraph f above to obtain such approval unless such approval has been denied in whole or in part because of a final determination that Piedmont failed to demonstrate its ability to provide the proposed services in a manner acceptable to DHEC, based upon, but not to the exclusion of any other basis, substandard quality of care, insufficient financial resources, inadequate staffing or support services, inexperienced management, prior track record of providing health care services, other past deficiencies and a history of citations. It is expressly understood and agreed by Piedmont that in the event the stated grounds for the denial of such approval by DHEC include the insufficient demonstration of Piedmont's capability to provide such Required Improvements or Permitted Use as aforesaid, Piedmont's Limited Exclusivity Rights under Phase V shall immediately lapse, subject to Piedmont's exercise of its rights of administrative and judicial review commenced by Piedmont in good faith; provided, however, that Piedmont will diligently and promptly exercise such review rights and will meet all time limitations prescribed by statute or judicial rule.

v. As to Phases Subsequent to Phase V:

The parties agree that as to any other Phases not specifically described in this Agreement, this Agreement will be supplemented in writing to specify the Permitted Improvements, Required Improvements, if any, Projected Construction Commencement Dates, Projected Completion Dates and Permitted Uses and Services, as well as the specified dates for delivery of the respective Designation Notices with respect to such additional respective Phases and the lapse of restrictions and Piedmont's Limited Exclusivity Rights under this Agreement, in the same manner as is provided for Phase II and other Phases, as may be applicable, described in this Paragraph b of Section 5 above.

c. Total Exclusions from Exclusivity. Notwithstanding anything contained in Section 5, Paragraphs a or b of this Agreement, CSDC has the right to allow any portion of the Property to be used by third parties for any non-medical use or for

any of the following uses even if such uses are listed on Exhibits C, D, E, F, and/or G hereof:

- i. One or more pharmacies
 - ii. Conference and exhibit space not primarily being used for medical purposes.
 - iii. Community parks and recreation facilities.
 - iv. The retail sale of health related items.
 - v. Restaurants and other food services.
 - vi. Support services, other than medical laboratories.
 - vii. Housing Facilities for Senior Citizens, including without limitation, skilled nursing, assisted living, or independent living units.
- d. Expiration of Restrictions. Except as set forth in Paragraph e of this Section 5 below, these Limited Exclusivity Rights shall lapse and be of no further force and effect on the tenth (10th) anniversary of the date of this Agreement; provided, however, that if a CON is required as a condition precedent to the construction of a Required Improvement and such CON is not issued by the Original Construction Commencement Date for such Improvement, then the applicable Limited Exclusivity Rights shall remain in effect ten (10) years following the Replacement Construction Commencement Date for such Required Improvement, unless Piedmont has not met all of the requirements set forth in Section 4, Paragraph f regarding its diligent pursuit of the CON.. Thereafter, there shall be no restrictions imposed by this Agreement on CSDC's right to allow the use of its Property by third parties for any use.
- e. Ambulatory Surgery. Piedmont shall have Limited Exclusivity Rights to provide ambulatory surgery facilities within the Property until February 1, 2007, provided that all of the following conditions are fulfilled:
- i. Piedmont is not in material default under any of its obligations set forth in this Agreement; and
 - (c) ii. Piedmont establishes an ambulatory surgery facility and opens such facility for business not later than the Projected Completion Date for the Phase III Improvements as more particularly described in Exhibit E. Piedmont will be deemed to be in compliance of this Paragraph e if Piedmont has taken all the measures required of it under Section 4, Paragraph f above to obtain such approval by DHEC unless such approval has been

8/22/00 8:25 AM

LIB: RH

denied in whole or in part because of a final determination that Piedmont has failed to demonstrate its ability to provide services in a manner acceptable to DHEC, based upon, but not to the exclusion of any other basis, the insufficient demonstration of Piedmont's capability to provide such Required Improvements or Permitted Use as aforesaid. It is expressly understood and agreed by Piedmont that in the event the stated grounds for the denial of such approval by DHEC include the insufficient demonstration of Piedmont's capability to provide such Required Improvements or Permitted Use as aforesaid, Piedmont's Limited Exclusivity Rights under Phase III shall immediately lapse, subject to Piedmont's exercise of its rights of administrative and judicial review commenced by Piedmont in good faith; provided, however, that Piedmont will diligently and promptly exercise such review rights and will meet all time limitations prescribed by statute or judicial rule.

f. Physicians' Offices.

- i. With regards to physician's or medical offices, CSDC has agreed that for so long as the Limited Exclusivity Rights are applicable, Piedmont shall have the exclusive right to be the only "Hospital Ownership Company" having the right to own, having a profit participation in, or having its employees own or operate a Hospital Ownership Company Related Physicians' Office.
- ii. For purposes of this Agreement, the following terms shall have the following meaning:
 - (a) a "Hospital Ownership Company" shall mean any corporation, partnership or other entity, including any subsidiary or affiliate of such entities, that operates or owns a controlling interest in a full service hospital facility in the State of South Carolina.
 - (b) A "Hospital Ownership Company Related Physician's Office" shall mean any physician's office which meets any of the following conditions:
 - (i) is owned, controlled or operated by physicians who are employees of a Hospital Ownership Company; or
 - (ii) is owned, operated or controlled by physicians who own an equity interest in a Hospital Ownership Company, other than an ownership interest in a Hospital Ownership Company that is publicly traded on a recognized national stock exchange;

8/22/00 8:25 AM

0116575.12
LIB: RH

(iii) pursuant to a binding contract or agreement with a Hospital Ownership Company, is either operated by such Hospital Ownership Company or has an agreement to allow a Hospital Ownership Company to participate in the profits and losses of the medical practice conducted in such physician's office, or has an agreement which otherwise allows a Hospital Ownership Company to participate in the management or operation of such physician's office; provided however, the mere fact that a physician has admitting privileges with one or more hospital facilities operated by a Hospital Ownership Company, shall not, in and of itself, be deemed to constitute an equity or profit participation relationship between such physician's practice and the Hospital Ownership Company.

(c) The provisions of Section 5, Paragraph f are not intended to restrict CSDC from allowing any physician(s) to own, lease, or operate any physician(s) offices within the Clear Springs Plan, so long as such physician(s) offices are not Hospital Ownership Company Related Physicians' Offices and such physician(s) has (have) an ownership interest(s) in a single-family residential unit(s), which is (are) actually occupied by such physician(s), located in the Clear Springs Plan and spend(s) the majority of his (their) time in the Clear Springs Plan (the "Clear Springs Unaffiliated Physicians"). However, CSDC agrees to adhere to the following process if and when a Clear Springs Unaffiliated Physician approaches CSDC about owning, leasing or operating a physician's office within the Clear Springs Plan:

(i) CSDC will explain to the inquiring Clear Springs Unaffiliated Physician that it has entered into an alliance agreement with Piedmont to assure the best quality of medical service to be provided in the Clear Springs Plan, hereunder Piedmont is the Limited Exclusivity Provider, and will refer the inquiring Clear Springs Unaffiliated Physician to Charles Miller or his successor at Piedmont. CSDC will also inform Piedmont of the inquiry.

(ii) Piedmont then will screen the inquiring Clear Springs Unaffiliated Physician and determine whether to extend to him some type of affiliation with Piedmont, whether that be membership in a Hospital Ownership Company Related Physician's Office affiliated with Piedmont and/or medical staff privileges at Piedmont's Main Campus. If both Piedmont and the inquiring Clear

8/22/00 8:25 AM

0116575.12
LJB: RH

Springs Unaffiliated Physician agree on an affiliation, the physician is free to own, lease or operate a physician office within the Clear Springs Plan.

- (iii) If Piedmont and the inquiring Clear Springs Unaffiliated Physician can not after a reasonable period of time reach agreement on that kind of affiliation, the inquiring Clear Springs Unaffiliated Physician is free to own, lease or operate a facility within the Clear Springs Plan but not as a member of a Hospital Ownership Company Related Physician's Office, so long as the Clear Springs Unaffiliated Physician resides in the Clear Springs Plan.

It is understood and acknowledged by CSDC that in the event the Clear Springs Unaffiliated Physician is allowed to own, lease or operate a facility in the Clear Springs Plan after the above-stated process has been completed through subparagraph (iii) above and is not able, after a reasonable period of time and effort, to change CSDC's decision in that regard, Piedmont shall have the right to terminate this Agreement, and neither party shall have any further rights or obligations to the other with regard to the Limited Exclusivity Rights granted under this Section 5.

6. Design Review and Approval of Improvements.

- a. **Aesthetics.** Both Piedmont and CSDC desire that the aesthetic aspects of the Baxter Health Campus and any other health care facilities to be developed pursuant to the provisions of this Agreement reflect the character of the surrounding Improvements within the respective Clear Springs Villages. Piedmont shall work closely with CSDC during all phases of conceptual, schematic, design development, and preparation of final plans, to ensure that the aesthetic aspects of the Baxter Health Campus and the other facilities developed pursuant to this Agreement are consistent with all other improvements constructed within the Clear Springs Plan. CSDC shall have the right to approve all aesthetic aspects of development of all health care facilities developed pursuant to this Agreement, including but not limited to the Baxter Health Campus, and CSDC may reject any aspect of development purely on aesthetic grounds. CSDC's decision on aesthetic matters shall be final. In addition, as the Schematic Plans phase moves forward to the Design Development phase and the production of working drawings, CSDC shall have the right to provide design input and design solutions to maintain and enhance the concepts and goals addressed in Section 1 of this Agreement.
- b. **Conceptual Plans and Use.**
 - i. For each Phase, Piedmont shall submit to CSDC for its approval conceptual plans of the proposed Improvements (the "Conceptual Plans").

0116575.12
LIB: RH

8:22:00 8:25 AM

The Conceptual Plans shall include a general rendering of the layout, size, appearance and uses of the proposed Improvements. Piedmont's selection of a Design Architect shall be subject to the prior written approval of CSDC in its sole and absolute discretion, and following CSDC's approval shall be referred to in this Agreement as the "Approved Design Architect." Piedmont will consult with and reasonably consider Production Architects suggested by CSDC, but Piedmont shall not be required to obtain CSDC's approval of the Production Architect. The Conceptual Plans shall contain such information and shall be in such format, as CSDC shall reasonably require. CSDC shall respond to Piedmont's submission of the proposed Conceptual Plans within sixty (60) days of CSDC's receipt of the proposed Conceptual Plans. CSDC's review may take into account the type, kind, nature, design, style, shape, size, height, width, Improvements, both in their entirety and as to their individual component parts, in relation to and their compatibility and harmony with the Baxter Health Campus or such other site and facilities where the Improvements are to be located, the topography and physical characteristics of the land, as well as in relation to the overall theme, concept, atmosphere and quality associated with the Clear Springs Plan. CSDC may accept, reject, or accept with conditions, the proposed Conceptual Plans in CSDC's sole and absolute discretion. Such sole and absolute discretion shall include, without limitation, the right to reject or condition acceptance of the proposed Conceptual Plans on purely subjective aesthetic grounds. In the event the proposed Conceptual Plans are rejected by CSDC or are approved subject to conditions, Piedmont shall re-submit the proposed Conceptual Plans for reconsideration by CSDC under the same terms as are set forth in this subsection.

ii. Upon CSDC's approval of the proposed Conceptual Plans for an Improvement, both CSDC and Piedmont shall date and initial the approved Conceptual Plans. Piedmont shall thereafter be obligated to complete the design process and to construct the Required Improvements as set forth in this Section 6.

c. Schematic Plans. Following CSDC's approval of the Conceptual Plans, Piedmont shall commence preparation of the schematic plans for the Improvements (the "Schematic Plans"). The Schematic Plans shall be consistent with the approved Conceptual Plans and shall be designed to implement the Permitted Uses for that Phase (the "Consistency Standard"). Piedmont shall, as soon as practicable, but in no event later than ninety (90) days from the date of CSDC's approval of the Conceptual Plans, submit to CSDC the proposed Schematic Plans. (The proposed Schematic Plans shall be submitted with three sets of blue line and one set of reproducible plans, Mylar or sepia). The proposed Schematic Plans, which shall be drawn by either the Approved Design Architect or Production Architect, in consultation with CSDC, shall include all of those items described on the attached Exhibit H, which is incorporated herein by this reference. CSDC shall have thirty

0116575.12
LTB:RH

Springs Unaffiliated Physician agree on an affiliation, the physician is free to own, lease or operate a physician office within the Clear Springs Plan.

- (iii) If Piedmont and the inquiring Clear Springs Unaffiliated Physician can not after a reasonable period of time reach agreement on that kind of affiliation, the inquiring Clear Springs Unaffiliated Physician is free to own, lease or operate a facility within the Clear Springs Plan but not as a member of a Hospital Ownership Company Related Physician's Office, so long as the Clear Springs Unaffiliated Physician resides in the Clear Springs Plan.

It is understood and acknowledged by CSDC that in the event the Clear Springs Unaffiliated Physician is allowed to own, lease or operate a facility in the Clear Springs Plan after the above-stated process has been completed through subparagraph (iii) above and is not able, after a reasonable period of time and effort, to change CSDC's decision in that regard, Piedmont shall have the right to terminate this Agreement, and neither party shall have any further rights or obligations to the other with regard to the Limited Exclusivity Rights granted under this Section 5.

6. Design Review and Approval of Improvements.

- a. Aesthetics. Both Piedmont and CSDC desire that the aesthetic aspects of the Baxter Health Campus and any other health care facilities to be developed pursuant to the provisions of this Agreement reflect the character of the surrounding Improvements within the respective Clear Springs Villages. Piedmont shall work closely with CSDC during all phases of conceptual, schematic, design development, and preparation of final plans, to ensure that the aesthetic aspects of the Baxter Health Campus and the other facilities developed pursuant to this Agreement are consistent with all other improvements constructed within the Clear Springs Plan. CSDC shall have the right to approve all aesthetic aspects of development of all health care facilities developed pursuant to this Agreement, including but not limited to the Baxter Health Campus, and CSDC may reject any aspect of development purely on aesthetic grounds. CSDC's decision on aesthetic matters shall be final. In addition, as the Schematic Plans phase moves forward to the Design Development phase and the production of working drawings, CSDC shall have the right to provide design input and design solutions to maintain and enhance the concepts and goals addressed in Section 1 of this Agreement.
- b. Conceptual Plans and Use.
- i. For each Phase, Piedmont shall submit to CSDC for its approval conceptual plans of the proposed Improvements (the "Conceptual Plans").

0116575.12
LIB: RH

8/22/00 8:25 AM

(30) days to review the proposed Schematic Plans following their receipt and shall give Piedmont written notice of its approval, rejection or approval with conditions consistent with the requirements of this Section 6. In the event that CSDC determines that the proposed Schematic Plans do not meet the Consistency Standard, Piedmont shall have the proposed Schematic Plans revised to comply with the Conceptual Plans previously approved by CSDC and shall re-submit the revised proposed Schematic Plans within thirty (30) days following receipt of written notice from CSDC.

d. Design Development Plans. Immediately following CSDC's approval of the Schematic Plans, Piedmont shall commence preparation of the design development plans for the Improvements (the "Design Development Plans"). The Design Development Plans shall be consistent with the approved Conceptual Plans and Schematic Plans described above. Piedmont shall, as soon as practicable, but in no event later than ninety (90) days from the date of CSDC's approval of the Schematic Plans, submit to CSDC the proposed Design Development Plans. (The proposed Design Development Plans shall be submitted with three sets of blue line and one set of reproducible plans, Mylar or sepia). The proposed Design Development Plans shall be prepared by either the Approved Design Architect or Production Architect in consultation with CSDC, and shall include all of those items described on the attached Exhibit I, which is incorporated herein by this reference. CSDC shall have thirty (30) days to review the proposed Design Development Plans following their receipt. and shall give Piedmont written notice of its approval, rejection or approval with conditions consistent with the requirements of this Section 6. The Design Development Plans shall be reviewed by CSDC for the sole purpose of confirming that they comply with the Consistency Standard and are a direct development of the approved Conceptual Plans and Schematic Plans described above. In the event that CSDC determines that the proposed Design Development Plans do not meet the Consistency Standard, Piedmont shall have the proposed Design Development Plans revised to bring such plans into compliance with the Conceptual Plans and Schematic Plans as previously approved by CSDC and shall re-submit the revised proposed Design Development Plans within thirty (30) days following receipt of written notice from CSDC.

e. Final Plans.

i. Within one hundred eighty (180) days after CSDC has given written notice to Piedmont of its approval of the Design Development Plans, Piedmont shall submit to CSDC the proposed Final Plans for such Improvements. (The proposed Final Plans shall be submitted with three sets of blue line and one set of reproducible plans, Mylar or sepia.) The proposed Final Plans shall conform to, and be a direct development of the Approved Conceptual Plans, Schematic Plans and the Design Development Plans, and shall be prepared, signed and sealed by the Production Architect (along with such landscape architects and engineers

RECORD 004917

licensed in the State of South Carolina as Piedmont shall select, subject to CSDC's reasonable approval), and shall include the matters set forth in the attached Exhibit J, which is incorporated herein by this reference (the "Final Plans").

- ii. CSDC shall have thirty (30) days to review the proposed Final Plans and notify Piedmont of its approval, rejection or approval with conditions, consistent with the requirements of this Section 6. If, in CSDC's reasonable, good faith judgment, the proposed Final Plans are not acceptable, because CSDC has determined that the proposed Final Plans do not conform to, or are not a direct development of the Approved Conceptual Plans, Schematic Plans, and the Design Development Plans, CSDC shall give Piedmont written notice of any questions or objections which CSDC has with respect to such Final Plans. In the event that CSDC determines that the proposed Final Plans do not meet the Consistency Standard, Piedmont shall have the proposed Final Plans revised and shall re-submit the revised proposed Final Plans within thirty (30) days following written notice from CSDC.
 - iii. Nothing contained herein shall be deemed to require CSDC to respond to or approve any proposed Final Plans until all Schematic Plans and Design Development Plans have been submitted to and approved by CSDC.
- f. Ownership of Plans; Exclusive Rights to Design. CSDC shall be furnished with a complete set of "record" drawings upon the completion of construction of the Improvements; provided, however, notwithstanding the Architect's proprietary claims thereto, Piedmont or its third-party Developer shall be deemed the owner of the Final Plans for the Improvements for the purposes of this Agreement. CSDC shall not have any responsibility for the adequacy of such Final Plans or any liability whatsoever in the event that the Final Plans, or the design represented thereby, is deficient in any manner.
- g. Compliance Guidelines. In addition to the foregoing requirements, the proposed Final Plans submitted by Piedmont shall comply with all of the following guidelines:
- i. the rules and regulations of any architectural review board having jurisdiction over the Property;
 - ii. any site or design development guidelines promulgated by CSDC prior to the Closing Date provided for in the applicable Purchase Contract and approved by Piedmont, which approval shall not be unreasonably withheld;
 - iii. any requirements of any property owners association having jurisdiction over the Property; and

8/22/00 8:25 AM

0116375.12
LIB: RH

- iv. any requirements of any Development Agreement issued and/or executed with respect to CSDC's Property by either (a) CSDC and York County, or (b) CSDC and the Town of Fort Mill, provided the Development Agreement does not have a material adverse effect upon Piedmont or the Property. (The term "Development Agreement" shall mean and refer to any agreement complying with the South Carolina Local Government Development Agreement Act, as set forth in the Code of Laws of South Carolina 1976, as amended, Section 6-31-10, et seq.)
- h. No Liability. Except as otherwise set forth in this Agreement, neither CSDC, nor CSDC's affiliates shall be either jointly or severally liable or accountable for damages or otherwise to Piedmont or other person or party by reason or on account of any decision, approval or disapproval of any Plans, specifications or other materials required to be submitted for review and approval pursuant to the provisions of this Agreement. Additionally, Plans, specifications and other materials submitted to and approved by CSDC shall not be reviewed or approved for their compliance with any applicable Laws or Governmental or Environmental Permits, including, without limitation, any applicable building or zoning laws, ordinances, rules or regulations. By the approval of any such Plans, specifications or materials, including the Preliminary Site Plan attached as Exhibit B, neither CSDC nor CSDC's affiliates nor their respective representatives, officers, directors, employees or agents of any of them, shall have, assume or incur any liability or responsibility whatsoever for any violation of Laws or, in any action by Piedmont, any defect in the design or construction of any Building, structure or other aspect of the Improvements, constructed, erected, placed or installed pursuant to or in accordance with any such Plans, specifications or other materials approved pursuant to this Agreement, nor shall such approval by CSDC be deemed to constitute a representation or warranty by CSDC that such Improvements, parking facilities, intersections, or other components of Piedmont's proposed development can or will be approved by applicable governmental entities having jurisdiction thereof. It shall be solely Piedmont's obligation to verify the availability of such approvals and to obtain same at Piedmont's expense.
- i. Modifications. Neither Piedmont nor CSDC shall materially modify, change, supplement, materially alter or amend the approved Final Plans, or in any way alter the exterior appearance of the Improvements depicted therein, without the mutual prior written consent of CSDC.
- j. Extension of Deadlines. Notwithstanding anything contained in this Section 6 to the contrary, in the event that CSDC fails to notify Piedmont of its approval or disapproval of the Conceptual Plans, Schematic Plans, Design Development Plans, or Final Plans, within the respective time periods specified in this Agreement, all of the dates specified for the delivery of subsequent stages of the Plans for the construction of the Required Improvements and all of the dates set

8/22/00 8:25 AM

0116375.12
LIB: RH

forth in the respective Exhibit for such Phase for the Commencement and Required or Projected Completion Date of Construction for the respective Phase whose plan review was delayed, shall be extended on a day by day basis by the number of days for which CSDC's review and decision was delayed.

- k. When Developer is an Entity other than Piedmont. When Piedmont has selected another entity to be the Developer of any Phase or Building Site, such Developer must be approved by CSDC in its sole and exclusive discretion, and the obligations stated to be the Developer's under this Section 6 and the following Section 7 shall be expressly transferred to and assumed in writing by such Developer. CSDC will not unreasonably delay its response to a request from Piedmont for approval of its selected Developer.
- l. Dispute Resolution. Any dispute regarding CSDC's decision to not approve the Schematic Plans, Design Development Plans or Final Plans on grounds that such Plans do not conform to the Consistency Standard, shall be submitted to mediation, and if the parties are unable to resolve their dispute through such process, either party may submit the issue to non-binding arbitration; provided, however, that this subsection shall not apply to CSDC's decision with respect to the Conceptual Plans, since CSDC has the sole and absolute discretion to reject or condition acceptance of Conceptual Plans on purely subjective aesthetic grounds.

7. Construction and Alteration of Improvements.

- a. The Improvements. With respect to Phase I and all subsequent Phases, Piedmont or its selected Developer shall construct the Improvements upon the Property in accordance with the approved Final Plans (and the specifications based thereon) at the sole cost and expense of Piedmont or its selected Developer. Any changes or revisions to the Final Plans shall be at Piedmont's sole cost and expense, and provided that such changes or revisions are consistent with the approved Conceptual Plans, Schematic Plans, and Design Development Plans, such changes or revisions shall be subject only to CSDC's reasonable review and approval for continued compliance with the Consistency Standard with respect to such prior approved Plans. If any proposed changes or revisions are material and inconsistent with such prior approved Plans or in any way materially alter the exterior appearance of the Improvements, such changes or revisions shall be subject to the prior written approval of CSDC in each instance, in CSDC's sole discretion. Piedmont or its selected Developer shall commence construction of the Improvements for each Phase not later than the required commencement date set forth in the respective Exhibit(s) which apply to such Phase.
- b. General Contractor. The General Contractor selected by the Developer shall be a reputable general contractor licensed by the State of South Carolina with substantial experience in the construction of facilities of the type required by this Agreement. The Developer shall submit to CSDC a list of potential contractors for CSDC's consideration, and the Developer shall have the right to thereafter

8/22/00 8:25 AM

0116575.12
LIB: RM

contract with any of the contractors that CSDC has approved from the list of names previously submitted to CSDC. The Construction Contract shall be on one of the standard AIA forms of Construction Contract between Owner and Contractor, and CSDC shall be given a copy of such fully executed Construction Contract for its files.

- c. Permits and Approvals. Developer shall be responsible for obtaining all federal, state and local governmental permits and approvals, whether foreseen or unforeseen, required for the construction and operation of the Required Improvements. Developer shall keep CSDC generally apprised of Developer's future progress in seeking Environmental and Governmental Permits. In this regard, Developer shall do all of the following: (i) notify CSDC of all public hearings with respect thereto; (ii) furnish CSDC with copies of all applications for all Environmental and Governmental Permits and approvals prior to submittal to the appropriate agency; (iii) not submit such applications to such agencies until and unless CSDC has approved the permit applications, which approval shall not be unreasonably delayed or withheld; (iv) provide CSDC with copies of all Environmental and Governmental Permits; and (v) comply with the terms of all Environmental and Governmental Permits.
- d. Coordination. Developer recognizes that there may be other construction activities on adjacent property owned or being developed by CSDC and, if so, Developer shall make a good faith effort to coordinate its construction activities with such other construction activities so as not to materially interfere with such other ongoing construction activities. Further, Piedmont shall make a good faith effort to assure that the performance of any construction hereunder shall not materially disrupt or interfere with business activities or traffic on adjacent property owned or being developed by CSDC. CSDC may, from time to time, promulgate reasonable construction rules and regulations concerning, among other things, the coordination, safety and appearance of the Baxter Health Campus or other health care facilities in the Clear Springs Villages during construction activities, to which Developer and its General Contractor shall comply. To the extent reasonably possible without adversely impacting CSDC's construction and development schedule for the Property and other selected sites for health care facilities in the Clear Springs Villages, CSDC shall not materially interfere with the construction by Developer of the Improvements.
- e. Quality of Construction. Developer represents and warrants to CSDC that it shall cause its General Contractors to perform all Construction in a good and workmanlike manner, and warranties on materials and workmanship of no less than one (1) year following completion of construction of the applicable Improvement shall be obtained by Developer from its General Contractor.
- f. Prerequisites to Commencement of Construction. Prior to the Commencement of any Construction, Piedmont shall satisfy all of the following requirements:

8/22/00 8:25 AM

0116575.12
LIB: RH

27

Confidential

Piedmont.20336

PET-EX022.0033

RECORD 004921

- i. CSDC shall have approved the Final Plans in writing as provided for herein;
 - ii. The Final Plans shall be filed, in addition to required applications and representations, by Developer with and approved by all applicable Governmental Authorities having or claiming jurisdiction over any Improvement that is the subject of such Final Plans, and any required governmental impact fees shall have been paid by Developer to the appropriate governmental agency;
 - iii. If required by CSDC, Developer shall, at Developer's sole cost and expense, erect and install a temporary enclosure approved by CSDC, which shall enclose the portion of the Property under construction, and which shall meet all state and local fire codes and any standards required by CSDC's insurers;
 - iv. Before entering upon the Developer for performance of Developer's construction, Piedmont shall furnish, or cause its General Contractor to furnish CSDC appropriate payment, performance and completion bonds in an amount reasonably satisfactory to CSDC and written by a surety company reasonably acceptable to CSDC, which guarantee the full and faithful completion of Developer's construction in accordance with this Agreement and free of all liens; and which bonds are endorsed to reflect that CSDC is a dual obligee; and
 - v. Developer shall provide CSDC with evidence that Developer has obtained all insurance required by this Agreement, including, but not limited to, builders' risk insurance.
- g. Cost of Construction. For Phase I and all subsequent Phases, Developer shall submit a preliminary construction budget for CSDC's approval, which approval shall not be unreasonably withheld or delayed, and shall fully comply with the terms of this Section 7, Paragraph g as they apply to each Phase. Any material deviation (defined as a reduction in cost of more than ten percent (10%), in the aggregate) in such construction budget must have CSDC's prior written approval. Reductions in the construction budget due to value engineering will not be deemed a material deviation. CSDC agrees that it shall not unreasonably withhold its consent to budget changes resulting from changes in the design of the Improvements that do not affect the quality of construction, the aesthetics of the Improvements or the scope of the programs to be provided from the Improvements. As soon as practicable after the completion of the Improvements and the opening of the Baxter Health Campus and any other sites of health care facilities in the Clear Springs Villages to the public, Developer shall deliver to CSDC a written certification before a notary public which contains all of the following information:

8/22/00 8:25 AM

0116575.12
LIB: RH

- i. setting forth the total cost to complete the Improvements, including architectural, engineering, legal and other professional fees and costs; and
 - ii. stating that the Improvements and the particular Building Sites are free and clear of all liens and encumbrances, and agreeing to indemnify, defend, and hold harmless CSDC and Baxter in the event that any liens or encumbrances relating to the construction of the Improvements are subsequently filed.
- h. Expansion of Baxter Health Campus. Developer may, consistent with the Permitted Uses, alter or expand any Improvements hereafter constructed by Developer on the Property, following completion of such Improvements by Developer in accordance with the Final Plans therefore, provided that Developer obtains CSDC's approval to aesthetic and design changes to the Improvements. The provisions of this subparagraph are not intended to apply to interior alterations to the Baxter Health Campus, unless such alterations also have the effect of materially changing the Permitted Use of the Premises in a manner not contemplated by this Agreement, nor are they intended to apply to expansions of the Improvements that were depicted on previously approved site plans for such Phase or Improvements.
- i. Removal of Trash. Developer shall cause, at its sole cost and expense, the prompt removal from the Baxter Health Campus of all trash which may accumulate in connection with any construction or other activities by Piedmont.
- j. Construction Schedules. Developer shall cause to be furnished to CSDC copies of the periodic projected and actual construction progress, critical path and materials and equipment purchasing schedules (collectively, "Critical Path Schedules") prepared, from time to time, in connection with the planning and construction of the Improvements. The purpose of the Critical Path Schedules shall be to keep CSDC apprised of Developer's best estimates of the construction schedule for the Improvements and the times at which any plan modifications could be effected without increased cost or at the least possible increased cost.
- k. Quality. The quality of all materials and workmanship incorporated into the Baxter Health Campus and the other health care and wellness sites developed under this Agreement shall be at least equal to the quality of materials and workmanship used in constructing other improvements open to the public at the Village of Baxter and consistent with the Clear Springs Plan. Developer shall cause the Improvements to be constructed in accordance with the Final Plans and with the Critical Path Schedules and cause all Improvements contemplated by this Agreement, including without limitation grading and all other on and off-site improvements, to be made and completed in a manner equal to the quality of materials and workmanship used in constructing other improvements open to the public at the Village of Baxter and consistent with the Clear Springs Plan.

8/22/00 8:25 AM

0116575.12
LJB:RH

- l. Utilities. CSDC shall be responsible for, at CSDC's expense, bringing potable water lines, irrigation quality water irrigation water lines, sanitary sewer lines, electricity and storm drainage connections (the "Utilities"), up to the boundary line of the Property along the main roadway with adequate capacities for the Improvements to be constructed by Developer by the Construction Commencement Date for each Phase. Thereafter, it shall be the responsibility of the Developer and/or Piedmont to have the Utilities extended to serve each Building Site in Phase I and all subsequent Phases. Notwithstanding anything else contained in this subsection, if CSDC is delayed in its attempts to install such Utilities along the main road into the Property, CSDC shall have no liability to Piedmont therefor, and Piedmont's only remedy therefor shall be that the Construction Commencement Date and the Required Completion Date for the Improvements in such Phase shall be extended by one (1) day for each day that delivery of such lines and services is delayed. The Utilities shall enter the Property through the beds of public streets and/or through easements or rights-of-way which shall be granted by CSDC to the relevant utility companies. With regard to Phase I or any subsequent Phase where Piedmont has assumed the responsibility of providing utility connections to the Building Sites from the Property boundary lines, CSDC shall cause Baxter to grant free of charge to Piedmont or its selected Developer easements for connections from the stubs of such Utilities to the particular Building Sites; provided, however, that Piedmont or its selected Developer shall be responsible for the expense of designing, installing and, beyond the point where any utility service provider has agreed to accept the maintenance of the lines and equipment, the maintenance of any such connections from the stubs installed by CSDC to the particular Building Site. The parties shall endeavor to cooperate with each other and to coordinate their efforts in providing for the supply of the Utilities.
- m. Impact Fees. The Developer shall be responsible for payment of all tap fees or impact fees.
- n. Inspections. CSDC may employ, on such basis as CSDC may elect, and at CSDC's sole expense, a construction consultant or consultants (collectively, the "Inspector"), chosen by CSDC in its sole discretion. The Consultant will be retained to render the following services: (i) to review, in such detail as may be required by CSDC, the Schematic Plans, Design Development Plans and Final Plans and all modifications and amendments thereto and to suggest such alterations, modifications, changes or amendments thereto as the Inspector may deem appropriate; (ii) to review and inspect the Improvements during the course of construction and certify to CSDC that the Improvements are being constructed in accordance with the Final Plans; (iii) to periodically certify to CSDC the extent to which construction of the Improvements has been completed; and, (iv) to render such other services in connection with the inspection and supervision of the construction of the Improvements as CSDC shall deem necessary or desirable. The Inspector shall perform these services from time to time and at such intervals as CSDC may require. Piedmont expressly acknowledges and agrees that the

8/22/00 8:25 AM

0116575.12
LIB: RH

Inspector shall be employed solely for the benefit of CSDC and that neither the Inspector nor CSDC shall assume or incur, or be deemed to have assumed or incurred, any liability or obligation whatsoever to Piedmont or any other party. Without limiting the generality of the foregoing, (a) CSDC makes no representations and assumes no obligations or liabilities to Piedmont or to any other party with respect to the quality of construction of the Improvements or the absence of defects therefrom, and (b) CSDC has retained the Inspector as a consultant to CSDC only, the Inspector shall review the Plans and Specifications and the progress of construction of the Improvements solely for the benefit of CSDC and neither the Inspector nor CSDC shall be deemed to have assumed any liability to Piedmont or other party in connection with such review. As often as CSDC may reasonably require, (but upon not less than twenty four (24) hours prior notice except in an emergency), Piedmont shall permit the Inspector or any other person designated by CSDC, at reasonable times during normal working days, to enter upon and inspect the Baxter Health Campus and all materials to be used in the construction of the Improvements, and to examine the Critical Path Schedules and Final Plans, along with all detailed plans and shop drawings which may be kept at the construction site, and to discuss the progress of construction with and to be advised as to the same by the General Contractor, the Architect and Piedmont.

- o. Completion of Construction. "Completion of Construction" shall have occurred only upon the satisfaction of all of the following conditions:
- i. the Required Improvements, including any equipment, fittings and fixtures required to be installed by the Final Plans, shall have been substantially completed and installed in accordance with the Final Plans on or before the respective Required Completion Date set forth on the attached Exhibit which applies to that Phase;
 - ii. the final unconditional certificate of occupancy shall have been issued to Piedmont by the appropriate Governmental Authority, and a true and correct copy of which shall have been delivered to CSDC;
 - iii. all other certificates, licenses, permits, authorizations, consents, and approvals necessary for the full use and occupancy of the Required Improvements for their Permitted Use, as required by any Governmental Authority having or claiming to have jurisdiction respecting the Baxter Health Campus, shall have been issued to Piedmont by the respective Governmental Authority, and a true and correct copy of which shall have been delivered to CSDC; and
 - iv. Piedmont shall have delivered or caused to be delivered to CSDC a written certificate of the Architect, in form and substance to CSDC, certifying to the following matters: (a) the square footage of the Improvements; (b) that the construction of the Improvements, including all equipment,

8/22/00 8:25 AM

0116575.12
LIB: RH

fittings and fixtures required to be installed by the Final Plans, have been substantially completed and installed in accordance with the Final Plans and in accordance with all applicable Laws relating to the construction of the Improvements; and (c) that direct connection has been made to all abutting Utilities, including, without limitation, water, electricity, gas, storm and sanitary sewer and telephone; and

v. the Improvements have been adequately staffed to begin operation and substantially all of such Improvements are open on a full time basis for business to the general public for such Improvement's Permitted Uses.

p. Minimize Interference. At all times during construction of the Improvements (including pre-construction activities, such as clearing, grubbing, fencing and grading), Piedmont shall do or cause to be done such acts or things as shall be necessary or desirable to insure that such construction and related activities causes the least practicable interference with (a) other construction activities at the Clear Springs Villages by CSDC and others, and (b) the residents of the Village of Baxter. Such acts or things may include, without limitation, erection and maintenance of sight and sound barriers, temporary landscaping, and/or specific measures required by the Architectural Review Board for Baxter or the other pertinent Clear Springs Villages to minimize such interference.

q. Insurance Requirements.

i. Piedmont shall obtain and maintain, or require its General Contractor to provide and maintain the following insurance coverages. Such insurance may be written by one or more insurance companies licensed to do business in South Carolina with rating by A.M. Best of A-VII or better; provided, however, in the case of Piedmont, such insurance may be provided via self insurance, a captive or some combination thereof. The required insurance coverages are:

- (a) workers' compensation insurance in minimum statutory amounts required in the State of South Carolina;
- (b) commercial general liability insurance, written on an occurrence basis, with combined single limit coverage amounts of no less than \$1,000,000.00 per occurrence and \$3,000,000.00 aggregate coverage bodily injury and property damage to third parties and including products/completed operations blanket contractual liability and personal/advertising injuries
- (c) builders risk insurance in an amount equal to the actual replacement cost of the Improvements.

8/22/00 8:25 AM

0116575.12
LB: RH

- ii. Following completion of construction of the Required Improvements for each Phase, Piedmont shall obtain and maintain the following insurance coverages. Such insurance may be written by one or more insurance companies licensed to do business the South Carolina with ratings by A.M. Best of A-VII or better; provided, however, in the case of Piedmont, such insurance may be provided via self insurance, a captive or some combination thereof. The required insurance coverages are:
- (a) workers' compensation insurance in minimum statutory amounts required in the State of South Carolina;
 - (b) commercial general liability insurance, written on an occurrence basis, with combined single limit coverage amounts of no less than \$1,000,000.00 per occurrence and \$3,000,000.00 aggregate coverage bodily injury and property damage to third parties and including products/completed operations blanket contractual liability and personal/advertising injuries; and
 - (c) Piedmont shall or it shall cause the Developer if the Developer is an uninsured third party "all risk" property damage insurance against loss or damage resulting from fire and other insurable casualties, written on a replacement cost basis.
- iii. CSDC shall be named as an additional insured or loss payee, as applicable, on each such policy and each such policy shall be endorsed to provide that CSDC shall be given no less than thirty (30) days prior written notice in the event of cancellation, expiration, non-renewal or reduction in coverage. All policies of insurance shall contain a waiver of subrogation of Piedmont's rights against CSDC or CSDC's employees, members, servants, and/or representatives as related to any or all losses, expenses, demands, claims or suits caused by, attributed to, or arising out of any negligent acts or omissions or willful misconduct on the part of CSDC or CSDC's employees, members, servants and/or representatives.
- iv. Effect of Failure to Insure. If, for any reason, Piedmont fails to provide and keep in force any or all of the insurance coverage required of Piedmont under this Section 7, Paragraph q, Piedmont shall indemnify, defend and hold harmless CSDC from and against any loss which would have been covered by the insurance Piedmont fails to provide or keep in force.
- r. CSDC's Right to Complete Construction. In the event Piedmont is in material breach of this Agreement in respect of its duties or obligations under this Section 7, by virtue of having failed to commence or complete construction of the Required Improvements for each Phase (other than Phase I) by the applicable

8/22/00 3:25 AM

0116575.12
LIB: RH

dates set forth in the applicable Exhibit, then CSDC, at its sole option and in conformance with applicable law, may take any or all of the following remedies:

- i. take possession of the Improvements being constructed by Piedmont on the Baxter Health Campus, together with all materials, equipment, improvements and personal property thereon, whether or not affixed to the Baxter Health Campus; and/or
 - ii. perform or cause to be performed any and all construction and labor and supply or cause to be supplied any and all materials, equipment and improvements for the following purposes: (a) protecting the Property and Improvements; (b) securing the Property and Improvements; (c) pursuing development and construction of the Improvements; or (d) for any other purpose which CSDC, in CSDC's reasonable judgement and discretion, may deem reasonably advisable in connection with the Property and Improvements. In the event that CSDC pursues development and construction of the Improvements, such pursuit shall be substantially in accordance with the Final Plans.
- s. Repurchase Option. In addition to, and not by way of exclusion of any other remedy to which CSDC is entitled, CSDC shall also have the right and option to repurchase a Building Site and Improvements thereon by reason of Piedmont's material breach of this Agreement under this Section 7, as is more fully set forth in Section 18, Paragraph d.
- t. When Developer is an Entity other than Piedmont. When Piedmont has selected another entity to be the Developer of any Phase or Building Site, such Developer must be approved by CSDC, and Piedmont's obligations under this Section 7 shall be expressly transferred to and assumed in writing by such Developer.

8. Alterations by Piedmont.

- a. Routine maintenance, repair and replacement operations with respect to the Required Improvements on each Building Site which is undertaken by Piedmont, shall not require CSDC's consent. However, Piedmont shall not have the right to do any of the following without the prior written consent of CSDC:
 - i. any material changes, alterations, additions or improvements to the exterior of the Improvements; and/or
 - ii. any material changes, alterations, or improvements to the interior of the Improvements, if the result of such interior alterations is to change the nature of, the Minimum Required Permitted Use Areas of, or eliminate Required Permitted Uses previously provided from the Improvements.

PET-EX022.0040

RECORD 004928

All alterations, changes, additions and improvements to the Baxter Health Campus or any other health care site to be developed under this Agreement made by Piedmont shall become a part of the Baxter Health Campus or the particular other health care facility, respectively, and shall be surrendered to CSDC upon a repurchase by CSDC of the Baxter Health Campus, or the other health care facility, as applicable, as more particularly provided for in Section 18 of this Agreement.

- b. Piedmont's operations and activities on the Baxter Health Campus and any other health care sites to be developed under this Agreement shall be conducted in material compliance with all applicable statutes, ordinances, laws and governmental rules and regulations. Piedmont shall materially comply promptly with all federal, state and local statutes and ordinances and with all regulations, orders and directives of all applicable governmental agencies, as such statutes, ordinances, regulations, orders and directives now exist or may hereafter be enacted concerning the use, operation and safety of the Baxter Health Campus and, at its sole expense, Piedmont shall make any repairs, changes, alterations, or modifications in or to the Improvements required by any of the foregoing;
- c. Any alterations to any of the Improvements, except as otherwise permitted in this Agreement, shall not weaken or impair the structural strength of the Improvements, or alter their exterior design or appearance, or alter the interior design or appearance of the lobby or of any other areas, other than non-public areas, materially impair the use of any of the service facilities, or fundamentally affect the character or suitability of the Improvements for the Permitted Uses described herein;
- d. Except as otherwise permitted in this Agreement, no alterations shall be commenced until Piedmont shall have obtained all certificates, licenses, permits, authorizations, consents and approvals necessary for such alterations from all applicable Governmental Authorities having jurisdiction with respect to the Baxter Health Campus or such alterations. CSDC agrees that it shall fully cooperate with Piedmont in obtaining any such certificate, license, permit, authorization, consent or approval, provided that any and all costs associated with such cooperation are the sole cost and expense of Piedmont;
- e. Piedmont shall cause all alterations to be made and completed with materials that are at least equal in quality to the materials and workmanship used in the construction of other improvements open to the public in the Clear Springs Plan, and in a good, substantial and workmanlike manner, and in compliance with all Laws, and shall cause all alterations to be diligently prosecuted to completion;
- f. Piedmont shall promptly pay all costs and expenses incurred for any alterations, and Piedmont shall at all times maintain the Baxter Health Campus and any other health care sites to be developed under this Agreement free and clear of all liens

8/22/00 8:25 AM

0116575.12
LIB: RH

for services or labor performed or rendered, or for materials delivered, supplied or furnished, to or in connection with any alterations; and

- g. Piedmont shall obtain and maintain in full force and effect comprehensive, general public liability insurance covering all construction in connection with all alterations, in accordance with the provisions of this Agreement.
- h. When Piedmont has selected another entity to be the Developer of any Phase or Building Site, such Developer must be approved by CSDC, and Piedmont's obligations under this Section 8 shall be expressly transferred to and assumed in writing by such Developer.

9. Development Agreement and Lease Agreement Between Piedmont and CSDC Affiliate. With respect to any Phase, Piedmont may hereafter elect to enter into a development agreement and/or lease agreement with an affiliate of CSDC or third-party Developer, in connection with Piedmont's construction of the Required Improvements. If Piedmont and an affiliate of CSDC or a third-party developer enter into such an agreement, such fact shall not excuse Piedmont from compliance with all of the time deadlines set forth in this Agreement.

10. Promotional Rights and Obligations

- a. Signage. CSDC intends to implement a signage program for various portions of the Property, the Village of Baxter and the other Clear Springs Villages as such property is developed, in order to enhance the character and identity of the Clear Springs Plan. Piedmont and CSDC will work together to attempt to develop a mutually acceptable signage program for the Baxter Health Campus and any other health care site developed under this Agreement which conforms to CSDC's signage program. Any sign or lettering affixed, displayed, printed, inscribed or maintained by Piedmont on the Property or on the exterior of any of the Improvements, or on the inside of any Improvements so as to be clearly visible from the outside of the Improvements, shall conform to CSDC's signage program and shall be subject to CSDC's prior written approval, which approval shall not be unreasonably withheld.
- b. Village of Baxter or Clear Springs Literature. Reference to Piedmont shall be included in promotional literature, marketing, and other promotional opportunities regarding the Village of Baxter or the other Clear Springs Villages. Piedmont shall make available to CSDC photography, brochures, video footage, prints, merchandising materials and signage previously or hereafter created by Piedmont relating to the Improvements developed under this Agreement within the Clear Springs Villages. CSDC shall have the right to use Piedmont's name in connection with promotional materials and promotional scripts used in connection with the Baxter Health Campus, the Village of Baxter, the other Clear Springs villages or the Clear Springs Plan. Piedmont shall have the right to approve any use of Piedmont's name (such approval not to be unreasonably withheld or

8/22/00 8:23 AM

0116575.12
LIB: RH

delayed), if used for other than promotional purposes or in materials where other Featured Providers are not mentioned in the same manner as is Piedmont. CSDC and its Affiliates shall have the right, without obtaining the approval of Piedmont, to use Piedmont's name or other identification on directional signs placed in and about any Information Center, in pamphlets and other sales, promotional and informational literature distributed by CSDC to visitors, potential purchasers, vendors, contractors, media representatives, professional, and trade groups, and representatives at or concerning the Village of Baxter, and for any other incidental purpose in the normal course of business of CSDC or an affiliate on the Clear Springs Development Team; provided, however, any such use shall not cause Piedmont or its parent company to be in violation of any applicable federal or state law including, without limitation, marketing regulations or SEC regulations.

- c. Promotional Events. CSDC shall provide opportunities for Piedmont to be included in media, brokerage and other professional promotional events and opportunities, from time to time.
- d. Piedmont's Identification in Advertising and Promotional Materials. Piedmont shall have the right, in advertising, promotional and merchandising materials (collectively, "Promotional Materials"), to: (i) refer to itself as a Featured Provider; (ii) use the CSDC and Village of Baxter names, marks and symbols that CSDC hereafter licenses, in writing, to Piedmont (without charge to Piedmont); and (iii) use certain stock video, print and other promotional footage, plans, photos and other promotional materials that CSDC hereafter licenses, in writing, to Piedmont (without charge to Piedmont). The names, marks, symbols, artwork, photographs, films or other representations and designations which may be licensed to Piedmont hereunder are hereinafter referred to collectively as the "Licensed Materials". Notwithstanding anything contained in this Section, Piedmont shall be the owner, for all purposes, of the Promotional Materials, and shall have the right to obtain copyright, trade mark, and service mark protection for all or any portion of such Promotional Materials. However, CSDC shall retain all intellectual property rights as to any of the components of the Promotional Materials provided by CSDC to Piedmont for its use therein, and Piedmont agrees to mark all such components in the Promotional Materials with the appropriate copyright, trade name and other service mark symbols of CSDC.
- e. Manner of Piedmont's Use. The Licensed Materials (including, without limitation, the Village of Baxter and CSDC names) shall be used only in the exact form, style and type prescribed by CSDC from time to time (except that if the names or marks are used within the body of ordinary copy then they may be in the same form, style and type as the copy). CSDC shall have the right to alter, modify or discontinue the use of any of the above-mentioned Licensed Materials or the form, style or type thereof, provided that if CSDC shall have previously given its approval to the use thereof hereunder, Piedmont shall be permitted to complete the use of any such Licensed Materials in its original form in accordance with the terms of such approval.

8/22/00 8:25 AM

0116575.12
LIB: RH

- f. CSDC's Approval. Piedmont shall not implement any activity or program utilizing any Promotional Materials, (whether or not such Promotional Materials are also Licensed Materials), without first obtaining CSDC's approval as provided herein in each instance, which approval shall not be unreasonably withheld or delayed. Piedmont shall submit to CSDC for approval all prototype (i.e., rough draft) Promotional Materials (including, but not limited to, publicity copy, artwork and layout) together with a brief statement setting forth the proposed use to which such Promotional Materials will be put (including, but not limited to, the media through which and the period of time during which such Promotional Materials will be distributed) and all other background and supporting material.

11. Naming of Facilities. The parties have used the name "Baxter Health Campus" in this Agreement for convenient reference. However, both parties recognize that each must come to a final agreement on a suitable name that will appropriately reflect the character and identity of that particular development on the Property, and that once the name is agreed upon, it will be included within the Licensed Materials referred to in Section 10 of this Agreement.

12. Community Association Obligations.

- a. Piedmont acknowledges that the Baxter Health Campus will be an integral part of a master planned community known as the Village of Baxter. The Village of Baxter is subject to a Declaration of Covenants, Conditions and Restrictions for Baxter dated November 6, 1998, recorded November 6, 1998, in Record Book 2463, Page 242, re-recorded December 16, 1998, in Record Book 2513, Page 119, as amended by First Amendment to the By-Laws of Baxter Community Association, Inc. dated May 20, 1999, recorded May 21, 1999 in Record Book 2712, Page 271, and by First Amendment to the Declaration of Covenants, Conditions and Restrictions for Baxter dated May 20, 1999, recorded May 21, 1999, in Record Book 2712, Page 274, Office of the Clerk of Court, York County, South Carolina, and as supplemented from time to time (the "Master Declaration"). The nature and extent of the rights and obligations of Piedmont in acquiring and owning property in the Development will be controlled by and expressly subject to all of the following, as each of the foregoing documents may be amended, from time to time:
- i. the Master Declaration, to be imposed on the Property by supplemental declaration(s) prior to acquisition thereof by Piedmont;
 - ii. the Articles of Incorporation, the By-Laws, and the rules and regulations of the Baxter Community Association, Inc. (the "Association");
 - iii. the Design Guidelines and Architectural Review Standards, as set forth or incorporated by reference into the Master Declaration; and

8/22/90 8:25 AM

0116575.12
LIB: RH

- iv. the requirement that all Plans for construction of all Improvements be approved by CSDC.
- b. CSDC agrees that it will not amend the Master Declaration in such a way as to have a material adverse effect upon Piedmont or the Property, without Piedmont's express written consent thereto.
- c. Piedmont agrees to comply with and be bound by all of the terms, conditions, and obligations set forth in the documents listed in this Section 12, Paragraph a above. Piedmont hereby agrees that Piedmont, its agents, employees, General Contractor and subcontractors will comply fully with the Master Declaration and the By-Laws of the Association, as such documents may be amended from time to time, provided that any such amendment shall not have a material adverse effect upon Piedmont or the Property.
- d. Piedmont shall not impose any additional protective covenants, deed restrictions or similar restrictions on all or any part of the Property hereafter owned or purchased by Piedmont in the Clear Springs Plan, without CSDC's prior written approval.
- e. Upon conveyance of title to any portion of the Property to Piedmont, Piedmont shall automatically become a member of the Association and shall be subject to the assessment obligations and all other provisions set forth in the Master Declaration.

13. Leroy Springs - Shared Programs And Services.

It is contemplated that Piedmont will itself develop or construct a rehabilitation facility or facilities (a "Rehab Facility") or will select a third-party Developer to construct and operate a Rehab Facility in Baxter Health Campus or another site in the Clear Springs Villages. In such event, Piedmont covenants and agrees to collaborate with Leroy Springs to provide through Leroy Springs health wellness programs and exercise programs for residents of the Larger Fort Mill Community who are at risk for certain cardiac diseases. In particular, Piedmont or its selected Developer will lease space in the Rehab Facility to Leroy Springs at market rental rates in conjunction with such wellness and other programs, and upon such other terms and conditions as shall be reasonable to both Piedmont or its selected Developer and Leroy Springs.

14. Covenants and Representations of Piedmont. Piedmont hereby represents and warrants to CSDC as follows:

- a. Piedmont shall keep, observe or perform any covenant, agreement, term of provision of this Agreement to be kept, observed or performed by Piedmont.
- b. Piedmont is, as of the effective date of this Agreement, and will be at all times during the term of this Agreement, in material compliance with all applicable

8/22/00 8:25 AM

0116575 12
LIB: RH

laws, regulations, statutes, consent order and decrees or directives of any Governmental Authority.

- c. Piedmont is a corporation duly organized, validly existing and in good standing under the laws of the State of South Carolina, and has all requisite corporate power and authority to enter into this Agreement.
- d. Since the date of the Financial Statements with year end date of May 31, 1999 provided to CSDC on July 13, 1999, there has been no material change in the financial position, results of operations or the assets of Piedmont, the effect of which changes have been materially adverse to the business of Piedmont.
- e. There is no action, suit, or proceeding by or before any court, arbitrator, administrative agency or Governmental Authority now pending, or to the best of Piedmont's knowledge, threatened which involves the transactions contemplated by this Agreement, or which seeks to prohibit, restrict or delay the consummation of any of the transactions contemplated by this Agreement.
- f. Piedmont has obtained an opinion or has independently determined that there is no need to obtain any approval, consent, permit, order or license from any Governmental Authority to enter into this Agreement or to consummate any of the transactions contemplated by this Agreement.
- g. Piedmont shall deliver to CSDC, upon the anniversary of the Effective Date of this Agreement, and at such other times as CSDC may reasonably request in writing throughout the term of this Agreement, unaudited internal financial statements of Piedmont certified by its Chief Accounting Officer that the said unaudited internal financial statements fairly represent the Piedmont Financials that roll up into the Consolidated Financial Statements of Tenet HealthSystem, the present parent company of Piedmont, demonstrating to the reasonable satisfaction of CSDC that the financial operations and net worth of Piedmont are adequate to insure Piedmont's complete and timely performance of every covenant, agreement, term and provision of this Agreement to be kept, observed or performed by Piedmont. In the event that Piedmont is sold by its parent company or is spun off as a stand-alone entity, then the financial information and documentation to be furnished by Piedmont hereunder after such event shall be certified by a certified public accountant. CSDC acknowledges that any and all internal financial information or documentation provided by Piedmont to CSDC pursuant to this Section 14, Paragraph g is proprietary and confidential and CSDC will so treat same and maintain its utmost confidentiality.

15. Covenants and Representations of CSDC.

- a. CSDC shall keep, observe or perform any covenant, agreement, term of provision of this Agreement to be kept, observed or performed by CSDC.

RECORD 004934

- b. CSDC is a limited liability company duly organized, validly existing and in good standing under the laws of the State of North Carolina, and has all requisite limited liability company power and authority to enter into this Agreement.
- c. There is no action, suit, or proceeding by or before any court, arbitrator, administrative agency or Governmental Authority now pending, or to the best of CSDC's knowledge, threatened which involves the transactions contemplated by this Agreement, or which seeks to prohibit, restrict or delay the consummation of any of the transactions contemplated by this Agreement.
- d. The Close Family has the financial wherewithal to implement the Clear Springs Plan.

16. Compliance with Laws.

a. Generally. Piedmont shall, at its sole cost and expense, promptly and materially comply with all laws or legal requirements affecting its use of any Building Site or its participation in the development of the Property as Baxter Health Campus. The phrase, "law or legal requirements" shall mean and include all applicable laws and other requirements of any applicable Governmental Authority including, without limitation, building codes, land use ordinances, zoning ordinances, use restrictions, fire codes or requirements, OSHA requirements, environmental requirements, health requirements, safety requirements, requirements for accommodating the physically challenged (including, without limitation, the Americans with Disabilities Act), Medicare or Medicaid requirements, regulatory requirements, or SEC requirements.

b. Special Provisions Regarding Environmental Matters.

i. Definitions.

(1) "Substances," as used herein, shall be deemed and construed to mean pollutants or other toxic, infectious or hazardous substances, materials or wastes, including, without limitation, any solid, liquid, gaseous or thermal irritant or contaminant, such as smoke, vapor, soot, fumes, acids, alkalis, chemicals or wastes (including materials to be recycled, reconditioned or reclaimed), petroleum, petroleum derivatives and petroleum products, asbestos and asbestos-containing materials, radon gas, methane gas, polychlorinated biphenyls ("PCBs") [including PCBs in the form of electrical transformers, fluorescent light fixtures with ballasts, cooling oils or any other device or form] and any other substance, material or waste, which Substances may be regulated or prohibited by, or may support a cause of action, claim or proceeding under, any Statutes and Laws.

8/23/00 8:25 AM

0116575.12
LIB: RHH

(2) "Statutes and Laws," as used herein, shall be deemed and construed to mean all federal, state and local environmental statutes, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, the Superfund Amendments and Reauthorization Act, the Resource Conservation and Recovery Act, the Toxic Substances Control Act, the Hazardous Materials Transportation Act, the Clean Air Act, the Federal Water Pollution Control Act, the Safe Drinking Water Act, the Occupational Safety and Health Act, the Federal Underground Storage Tank Regulations and the following South Carolina state statutes: the Pollution Control Act, the S.C. Pollution Control Act and the State Underground Petroleum Environmental Response Bank Act; together with any other law, ordinance, regulation, rule, requirement or right or remedy existing under common law or in equity.

ii. Piedmont's Indemnification. Piedmont shall indemnify, defend and hold harmless CSDC, Baxter, Kingsley, Springfield, the Close Family, the Close Family's general partners and the partners of each of those general partners, all of whom are all related to the eight children of Anne Springs Close, The Springs Company (and the members, partners, shareholders, officers, directors, agents, employees, representatives, successors and assigns of each) (collectively "CSDC's Indemnified Parties"), from and against any and all claims, demands, judgments, damages, actions, causes of action, liens, injuries, administrative orders, consent agreements and orders, liabilities, penalties, costs, fees and expenses (including, without limitation, court costs, attorneys' fees and expenses, engineers' fees and expenses and the fees and charges of any contractor or expert retained or consulted by CSDC) or any kind whatsoever, including claims arising out of loss of life, injury to persons, property or business or damage to natural resources or remediation thereof, arising directly or indirectly from or in connection with, with respect to, or as a direct or indirect result of:

(1) the presence in, on, under or about the Property resulting from the acts or omissions of (i) Piedmont or an affiliate of Piedmont in which Piedmont has a controlling interest ("Piedmont Affiliate") when Piedmont or the Piedmont Affiliate is an owner or Developer of any portion of the Property or (ii) any tenant who leases office space on the Property directly from Piedmont or Piedmont's Affiliate ("Piedmont Tenant"), or (iii) any Piedmont employee, including a member of a Hospital Ownership Company Related Physician's Office in which Piedmont has a controlling interest ("Piedmont Employee") (collectively, "Piedmont Responsible Parties"), or discharge in or from the Property of any Substances caused by any of the Piedmont Responsible Parties or any of the Piedmont Responsible Parties' use, analysis, storage, removal, transportation, disposal, release, discharge or generation of Substances to, in, on, under, about or from the Property; or

Piedmont.20351

PET-EX022.0048

RECORD 004936

(2) the failure by any of the Piedmont Responsible Parties to comply with any federal, state, county, municipal, local or other law, rule, ordinance and regulation now or hereafter in effect relating to the industrial hygiene, environmental protection, use, analysis, generation, manufacture, purchase, transportation, storage, removal and disposal of Substances.

Notwithstanding anything to the contrary stated herein, when Piedmont has selected a third-party Developer to purchase and develop any of the Building Sites as provided hereinabove, so that Piedmont would not have responsibility for the indemnifications as set out above, at or before closing on the acquisition of the Building Site Piedmont shall cause that Developer to enter into an agreement in writing indemnifying the CSDC's Indemnified Parties in exact accordance with and to the full extent of Piedmont's indemnifications set out above. Piedmont's obligations hereunder shall not relate, however, to any Substances present in, on, under or about any Building Site prior to the closing of the acquisition by Piedmont of that Building Site under this Agreement (the "Pre-existing Substances"), unless the Pre-existing Substances were deposited on the particular Building Site by Piedmont or any of Piedmont's Physicians prior to Closing on that Building Site. Other than as to the Pre-Existing Substances, Piedmont's obligations hereunder shall include, without limitation and whether foreseeable or unforeseeable, all costs of any required or necessary testing, repair, cleanup, removal costs, detoxification or decontamination of the Property and the preparation and implementation of any closure, remedial action, site assessment costs or other required plans in connection therewith. Piedmont agrees to cause to be conducted a Phase I Environmental Site Assessment of the Property during the "Inspection Period" for each Building Site for each Phase. Piedmont will provide CSDC with a copy of said Environmental Site Assessment at no charge within ten (10) days of receipt thereof from the entity conducting the same. Further, Piedmont's obligations hereunder shall survive the expiration or earlier termination of this Agreement. For purposes of this Section 16, Paragraph b, any acts or omissions of Piedmont whereby employees, agents, assignees, contractors or subcontractors of Piedmont or other parties acting for or on behalf of Piedmont, (whether or not they are negligent, intentional, willful or unlawful), will be strictly attributable to Piedmont.

17. Indemnification by Both Parties.

- a. Disclaimer. NOTWITHSTANDING ANYTHING CONTAINED HEREIN TO THE CONTRARY, NO PROVISION IN THIS AGREEMENT IS INTENDED OR SHOULD IN ANY WAY BE CONSTRUED TO VEST IN CSDC THE RIGHT OR POWER TO DIRECT PIEDMONT AS TO THE METHODS, DIAGNOSES, MEDICATION, TREATMENT, EQUIPMENT OR STAFFING THAT SHOULD OR SHOULD NOT BE MADE OR MAINTAINED WITH REGARDS TO ANY MATTERS RELATING TO PROVIDING MEDICAL CARE. IT IS ACKNOWLEDGED THAT PHYSICIANS PRACTICING IN

THE CLEAR SPRINGS PLAN SHALL HAVE THE EXCLUSIVE RIGHT AND OBLIGATION TO DETERMINE THE METHODS, DIAGNOSES, MEDICATION AND TREATMENT, AND THAT PIEDMONT SHALL HAVE THE EXCLUSIVE RIGHT AND OBLIGATION TO DETERMINE EQUIPMENT AND MOST STAFFING ISSUES AND ANY OTHER MATTERS DETERMINATIVE ON PROVIDING PROPER AND ADEQUATE MEDICAL CARE TO INDIVIDUALS WHICH WOULD NOT BE WITHIN THE EXCLUSIVE PURVIEW OF PHYSICIANS. ANY RIGHTS RESERVED TO CSDC HEREIN TO APPROVE PERMITTED USES, AND THE MINIMUM REQUIRED PERMITTED USE AREAS, TO BE CONDUCTED FROM AND ON THE PROPERTY, SHALL NOT BE DEEMED TO GIVE CSDC THE RIGHT OR OBLIGATION TO DETERMINE WHETHER OR NOT A PARTICULAR USE IS NECESSARY OR DESIRABLE TO INSURE THAT PIEDMONT IS ABLE TO DELIVER APPROPRIATE MEDICAL CARE TO ITS PATIENTS. IT IS PIEDMONT'S OBLIGATION TO NOTIFY CSDC IN WRITING IF, IN PIEDMONT'S REASONABLE OPINION, DECISIONS BY CSDC TO DISALLOW CERTAIN PERMITTED USES, AND THE MINIMUM REQUIRED PERMITTED USE AREAS ON THE PROPERTY, TO BE CONDUCTED FROM OR ON THE PROPERTY COULD IN ANY WAY ADVERSELY IMPACT THE QUALITY OF MEDICAL CARE PIEDMONT OR OTHER HEALTH CARE PROVIDERS ARE ABLE TO DELIVER TO ITS PATIENTS. IN THE ABSENCE OF SUCH NOTICE, CSDC SHALL BE ENTITLED TO RELY ON THE LACK OF SUCH NOTICE AS CONCLUSIVE EVIDENCE THAT NONE OF CSDC'S DECISIONS RELATIVE TO THE PROPERTY COULD HAVE ANY DETRIMENTAL IMPACT ON THE DELIVERY OF MEDICAL CARE TO PATIENTS OF PIEDMONT.

- b. Piedmont's Obligations. Piedmont shall pay and discharge, and shall defend, indemnify and hold all of the CSDC's Indemnified Parties harmless from, against and in respect of all obligations, settlements, liabilities, losses, damages, injunctions, suits, actions, proceedings, fines, penalties, claims, liens, demands, costs, charges and expenses of every kind or nature, including, without limitations, reasonable fees of attorneys and other professionals, and disbursements which may be imposed on, incurred by or asserted against the CSDC's Indemnified Parties (but not against any of the same to the extent that a willful act or negligent act or omission of the CSDC's Indemnified Parties was the sole cause of same (individually, a "Piedmont's Liability", and collectively, the "Piedmont's Liabilities"), arising directly or indirectly from or out of:
- i. any failure by Piedmont to perform any of the agreements, terms, covenants or conditions on Piedmont's part to be performed under this Agreement;
 - ii. any accident, injury or damage arising out of the acts or omissions of any of the Piedmont Responsible Parties, which shall happen in or on the Property, however occurring, and any matter or thing growing out of the

condition, occupation, maintenance, alteration, repair, use or operation by any such person or entity of such Property, Building, or their furnishings or any part of any of them, during the period of time the Property is owned or developed by Piedmont or by one of Piedmont's Affiliates;

- iii. any wrongful act or negligence on the part of the Piedmont Responsible Parties relating to the Property, and any failure of the Piedmont Responsible Parties to comply with any laws, ordinances, requirements, orders, directions, rules or regulations of any Governmental Authority relating to the Property;
- iv. any work construction, demolition or other thing done by Piedmont or any of the other Piedmont Responsible Parties, or at request of a Piedmont Responsible Party, or as an agent of a Piedmont Responsible Party, on or about the Property, during the period of time owned or developed by Piedmont or one of Piedmont's Affiliates, or any part thereof, or any, alley, sidewalk, garden, passageway or space adjacent thereto (including, without limitation, any work of any of the Piedmont Responsible Parties in connection with the construction of the Required Improvements);
- v. any claims arising out of, or in any way related to the provisions of medical or other care, treatment, diagnosis, programs, activities, or services by any of the Piedmont Responsible Parties, or otherwise under the direction of, referred by or in any way related to the Piedmont Responsible Parties, regardless of whether such claims arise out of events occurring on the Property, or elsewhere, including, but not limited to, any claims that allege that CSDC has any responsibility or liability for any care, treatment, diagnosis, methods, equipment, medication or other matters related to providing any form of medical advice, assistance, treatment or care from or on the Property or under the auspices or direction of CSDC;
- vi. any use, non-use, possession, occupation, condition, operation, maintenance or management by one of the Piedmont Responsible Parties of the Property, or any part thereof or any Building, alley, sidewalk, garden, curb, passageway or space constructed by one of the Piedmont Responsible Parties; and
- vii. any other provision of this Agreement which provides that Piedmont shall indemnify and/or hold harmless CSDC in respect of the matters contained in such provision.

Notwithstanding anything to the contrary stated herein, when Piedmont has selected a third-party Developer to purchase and develop any of the Building Sites as provided hereinabove, so that Piedmont would not have responsibility for the indemnifications as set out above, at or before closing on the acquisition of the

RECORD 004939

Building Site Piedmont shall cause that Developer to enter into an agreement in writing indemnifying the CSDC's Indemnified Parties in exact accordance with and to the full extent of Piedmont's indemnifications for Piedmont's Liabilities set out above. In the event that any Piedmont Employee is responsible for the acts or omissions set out in this Paragraph b resulting in loss to any of the CSDC's Indemnified Parties as aforesaid and such Piedmont Employee is not a Piedmont Responsible Party, then CSDC shall have the right to terminate whatever relationship CSDC or one of its affiliates may have with such Piedmont Employee and/or terminate this Agreement, including all of Piedmont's Limited Exclusivity Rights hereunder, unless within thirty (30) days' after written notice of such intention of CSDC to terminate is given by CSDC to Piedmont, Piedmont agrees in writing to indemnify the CSDC's Indemnified Parties for any loss as set out above from the aforesaid acts and omissions of such Piedmont's Employee.

- c. Actions Against CSDC. In the event that any action or proceeding is brought against CSDC and/or CSDC's affiliates by reason of any or all of Piedmont's Liabilities, Piedmont, upon written notice from CSDC, will, at Piedmont's sole cost and expense, resist or defend such action or proceeding utilizing a lawyer reasonably acceptable to CSDC, which approval shall not be unreasonably withheld or delayed. Piedmont shall satisfy, pay and discharge any and all judgments, orders and decrees which may be recovered against CSDC's Indemnified Parties or the Property in any such actions, suits or proceedings. The provisions of this paragraph shall be subject to Paragraph e of this Section 17.
- d. Cooperation. Each of the CSDC's Indemnified Parties shall reasonably cooperate with Piedmont in the defense of any such action or proceeding, and will not settle such action, provided that Piedmont gives to such of CSDC's Indemnified Party satisfactory assurances that it can and will satisfy, pay and discharge any and all judgments which can be recovered in such action or proceeding as provided in this Section 17 and Piedmont is defending the action on behalf of the CSDC's Indemnified Parties. Notwithstanding the foregoing, such Indemnified Party shall have the right to settle any such action or proceeding at any time, provided that it releases Piedmont from any further indemnification obligation hereunder with respect to such settlement.
- e. Limitation Upon Indemnification. Notwithstanding any provision in this Agreement to the contrary, Piedmont shall not pay, discharge, defend, indemnify or hold harmless CSDC or CSDC's Indemnified Parties if:
1. An act or omission of CSDC or CSDC's Indemnified Parties was a materially contributing factor to a Claim asserted against CSDC or CSDC's Indemnified Parties.
 2. CSDC or CSDC's Indemnified Parties fail to give Piedmont reasonable notice of a Claim and such failure materially compromises Piedmont's ability to protect its interests against the Claim.

3. CSDC or CSDC's Indemnified Parties fail to cooperate reasonably with Piedmont in its investigation of a Claim and such failure materially compromises Piedmont's ability to protect its interests against the Claim.

- f. CSDC's Obligations. CSDC shall pay and discharge, and shall defend, indemnify and hold Piedmont and Piedmont's parent company, Tenet HealthSystem, and their related, affiliated and subsidiary companies (and the members, partners, shareholders, officers, directors, agents, employees, representatives, successors and assigns of each) (collectively "Piedmont's Indemnified Parties"), harmless from, against and in respect of all obligations, settlements, liabilities, losses, damages, injunctions, suits, actions, proceedings, fines, penalties, claims, liens, demands, costs, charges and expenses of every kind or nature, including, without limitations, reasonable fees of attorneys and other professionals, and disbursements which may be imposed on, incurred by or asserted against the persons hereby required to be indemnified ("Piedmont's Indemnified Parties") (but not against any of the same to the extent that a willful act or negligent act or omission of the Indemnified Parties was the sole costs of same (individually, a "CSDC Liability", and collectively, the "CSDC's Liabilities"), arising directly or indirectly from or out of:
- i. any failure by CSDC to perform any of the agreements, terms, covenants or conditions on CSDC's part to be performed under this Agreement;
 - ii. any wrongful act or negligence on the part of CSDC or its affiliates, or their respective agents, employees or contractors, and any failure of CSDC to comply with any laws, ordinances, requirements, orders, directions, rules or regulations of any governmental authority;
 - iii. any other provision of this Agreement which provides that CSDC shall indemnify and/or hold harmless CSDC in respect of the matters contained in such provision.
- g. Actions Against Piedmont. In the event that any action or proceeding is brought against Piedmont or Piedmont's affiliates by reason of any or all of the CSDC's Liabilities, CSDC, upon written notice from Piedmont, will, at CSDC's sole cost and expense, resist or defend such action or proceeding utilizing a lawyer reasonably acceptable to Piedmont, which approval shall not be unreasonably withheld or delayed. CSDC shall satisfy, pay and discharge any and all judgments, orders and decrees which may be recovered against Piedmont, Piedmont's affiliates, or the Property in any such actions, suits or proceedings. The provisions of this paragraph shall be subject to Paragraph i of this Section 17.
- h. Cooperation. Each of the Piedmont's Indemnified Parties shall reasonably cooperate with CSDC in the defense of any such action or proceeding, and will not settle such action, provided that CSDC gives to such Indemnified Party

satisfactory assurances that it can and will satisfy, pay and discharge any and all judgments which may be recovered in such action or proceeding as provided in this Section 17 and CSDC is defending the action on behalf of Piedmont's Indemnified Parties. Notwithstanding the foregoing, such Indemnified Party shall have the right to settle any such action or proceeding at any time, provided that it releases CSDC from any further indemnification obligation hereunder with respect to such settlement.

- i. Limitation Upon Indemnification. Notwithstanding any provision in this Agreement to the contrary, CSDC shall not pay, discharge, defend, indemnify or hold harmless Piedmont or Piedmont's Indemnified Parties if:
 1. An act or omission of Piedmont or Piedmont's Indemnified Parties was a materially contributing factor to a Claim asserted against Piedmont or Piedmont's Indemnified Parties.
 2. Piedmont or Piedmont's Indemnified Parties fail to give CSDC reasonable notice of a Claim and such failure materially compromises CSDC's ability to protect its interests against the Claim.
 3. Piedmont or Piedmont's Indemnified Parties fail to cooperate reasonably with Piedmont in its investigation of a Claim and such failure materially compromises CSDC's ability to protect its interests against the Claim.

18. Default.

- a. Pre-Closing Events of Default. The following events shall constitute "Events of Default" by Piedmont prior to acquisition by Piedmont of the Building Sites:
 - i. If Piedmont defaults hereunder at or prior to Closing by failing to complete Closing in accordance with the terms of this Agreement or in any other respect (Provided that in such event CSDC has given Piedmont written notice of such default and same has not been cured by Piedmont by the Closing Date), then the Deposit, and all interest deemed thereon, shall be retained by CSDC as liquidated damages. The retention of the Deposit, and all interest accrued thereon, shall be CSDC's only remedy in the event of Piedmont's default at or prior to Closing (other than as set forth in Sections 4 and 5 as to the lapse of Piedmont's Exclusivity Rights if relevant). Upon CSDC's retention of the Deposit as liquidated damages and delivery of written notice of such fact to Piedmont from CSDC, this Agreement shall be terminated and all copies will be surrendered to CSDC for cancellation. Nothing in this Section shall limit CSDC's rights against Piedmont, or Piedmont's liability to CSDC, by reason of either a failure by Piedmont to fulfill Piedmont's indemnification obligations under Sections 16 and 17 of this Agreement with respect to events that occur prior to termination, either before or after Closing, or in the event of a default by

8/22/00 8:25 AM

0116575.12
LIB: RH

Piedmont under any of its other obligations under this Agreement which survive Closing.

- ii. If CSDC defaults hereunder at or prior to Closing for any reason, Piedmont's remedies (except as otherwise provided for herein in the event of title defects) shall be either: (i) to terminate this Agreement and to have the Deposit and interest deemed accrued thereon pursuant to Section 3, Paragraph b hereof, paid to Piedmont, at which time this Agreement shall be and become null and void and neither party shall have any further rights or obligations hereunder; or (ii) elect either (A) to bring an action for specific performance of CSDC's obligations hereunder or (B) to bring an action to recover actual damages (but not consequential, damages, lost profits, or other similar types of damages) proximately caused by Seller's default hereunder, provided, however, that Seller's maximum liability to Buyer in any such action shall not exceed \$100,000. Nothing in this Section shall limit Piedmont's rights against CSDC, or CSDC's liability to Piedmont, by reason of either a failure by CSDC to fulfill CSDC's indemnification obligations under Sections 16 and 17 of this Agreement with respect to events that occur prior to termination, either before or after Closing, or in the event of a default by CSDC under any of its other obligations under this Agreement which survive Closing.

b. Post Closing Events of Default. The following events shall constitute "Events of Default" by Piedmont subsequent to Closing by Piedmont:

- i. if Piedmont shall fail to pay when due any payment of money to be made by Piedmont to CSDC hereunder and shall not cure such failure within five (5) working days after Piedmont received from CSDC written notice thereof (provided, however, that Piedmont shall be entitled to notice and opportunity to cure on account of any Event of Default of the type described in this Subparagraph (a) only twice during any twelve (12) calendar month period, and any subsequent failure of the type described in this Subparagraph (a) during such twelve (12) calendar month period shall constitute an event of default without the giving by CSDC of any notice or opportunity to cure whatsoever);
- ii. if Piedmont shall materially violate or breach, or shall materially fail to observe, keep, satisfy, perform and comply with, any material agreement, term, covenant, condition, requirement, restriction or provision of this Agreement (other than any payment to be made by Piedmont), and shall not substantially cure such Events of Default within thirty (30) days after Piedmont receives from CSDC written notice thereof, or, if such Event of Default shall be incapable of cure within thirty (30) days, if Piedmont shall not commence to cure such default within such thirty (30) day period for substantially similar events of default and continuously prosecute the

performance of the same to completion with due diligence (but in no event greater than ninety (90) days) (provided, however, that Piedmont shall be entitled to notice and opportunity to cure on account of any default of the type described in this clause (b) only twice during any twelve (12) calendar month period for substantially similar Events of Default, and any subsequent Event of Default of the type described in this clause ii during such twelve (12) calendar month period shall constitute an Event of Default without the giving by CSDC of any notice or opportunity to cure whatsoever); or

- iii. if Piedmont becomes insolvent as defined in the South Carolina Uniform Commercial Code or makes an assignment for the benefit of creditors; or if any action is brought by Piedmont seeking its dissolution or liquidation of its assets or seeking the appointment of a trustee, interim trustee, receiver or other custodian for any of its property; or if Piedmont commences a voluntary proceeding under the Federal Bankruptcy Code; or if any reorganization or arrangement proceeding is instituted by Piedmont for the settlement, readjustment, composition or extension of any of its debts upon any terms; or if any action or petition is otherwise brought by Piedmont seeking similar relief or alleging that it is insolvent or unable to pay its debts as they mature; or if action is brought against Piedmont seeking its dissolution or liquidation of any of its assets, or seeking the appointment of a trustee, interim trustee, receiver or other custodian for any of its property, and any such action is consented to or acquiesced in by Piedmont or is not dismissed within sixty (60) days after the date upon which it was instituted; or if any proceeding under the Federal Bankruptcy Code is instituted against Piedmont and (i) an order for relief is entered in such proceeding or (ii) such proceeding is consented to or acquiesced in by Piedmont or is not dismissed within thirty (30) days after the date upon which it was instituted; or if any reorganization or arrangement proceeding is instituted against Piedmont for the settlement, readjustment, composition or extension of any of its debts upon any terms, and such proceeding is consented to or acquiesced in by Piedmont or is not dismissed within sixty (60) days after the date upon which it was instituted; or if any action or petition is otherwise brought against Piedmont seeking similar relief or alleging that it is insolvent, unable to pay its debts as they mature or generally not paying its debts as they become due, and such action or petition is consented to or acquiesced in by Piedmont or is not dismissed within thirty (30) days after the date upon which it was brought; or
- iv. if Piedmont, following completion of each Required Improvement, thereafter fails to actively and continually operate such Improvement, either itself or through its Piedmont Affiliate or Developer if Piedmont is not the owner of such Required Improvement, in the manner contemplated

herein but in accordance with all other conditions and stipulations of this Agreement; or

- v. If Piedmont fails to take reasonable measures to obtain all required State of South Carolina and other regulatory approvals and licenses necessary to operate the Improvements for the Permitted Uses, including, but not to the exclusion of any other reasonable measures, all measures required of it under Section 4, Paragraph f above to obtain any required CON, or hereafter fails to maintain licenses related thereto or fails to engage in Permitted Uses in material compliance with all applicable statutes, rules or regulations of Governmental Authorities relating to health care and safety.

c. Remedies for Post Closing Events of Default.

- i. Following the occurrence of an Event of Default, as hereinafter defined, if Piedmont or CSDC fail to take any action when and as required under this Agreement, and such failure constitutes an Event of Default, as hereinafter defined, following expiration of any notice and cure periods specified below, if any, and the expiration, without resolution of such matter, of any mediation period invoked by Piedmont or CSDC pursuant to Paragraph e of this Section 18 hereof, the non-defaulting party may, without further demand upon the defaulting party and without waiving or releasing the defaulting party from any duty, obligation or liability under this Agreement, take such action required of the defaulting party. The actions which CSDC may take shall include, but are not limited to, the performance of maintenance or repairs and the making or replacements to the Property, the payment of insurance premiums which Piedmont is required to pay under this Agreement and the payment of Taxes and Assessments which Piedmont is required to pay with respect to the Property. The defaulting party shall pay all incidental costs and expenses incurred by the non-defaulting party in exercising its rights hereunder, including, without limitation, reasonable attorneys' fees and expenses. Penalties, re-instatement fees, late charges, and interest. All amounts paid by the non-defaulting party pursuant to this Section, and all costs and expenses incurred by such party in exercising its rights under this Section (including, without limitation, any applicable sales or use taxes thereon), shall bear interest at the Default Rate from the date of payment by the non-defaulting party and shall be payable by the defaulting party upon demand.
- ii. Upon the occurrence of any Event of Default subsequent to the Closing, Piedmont and CSDC may, in addition to any of the other remedies set forth herein also have the right to exercise any other remedy otherwise available at law or in equity; provided, however, that unless otherwise provided for herein, in all events, prior to initiating any action at law or in equity, the parties hereto shall first attempt to resolve any dispute through the mediation provision of Paragraph e of this Section 18 hereof.

d. Repurchase Option for Construction Default.

- i. Construction Default. If Piedmont fails to commence construction of the Required or Permitted Improvements by the Construction Commencement Date set forth in the applicable Exhibits and corresponding provisions of this Agreement, or substantially complete construction of such Required Improvements by the Required Completion Date specified herein, such failure shall constitute a "Construction Default". Upon the occurrence of a Construction Default, CSDC may, at its option (the "Construction Default Repurchase Option"), repurchase, subject to Section 18, Paragraph d, Subparagraph ii, any portion of the Property not containing Improvements as to which a Certificate of Occupancy has been issued by York County in accordance with Section 7, Paragraph o, Subparagraph iii. If any portion of the Property to be repurchased through an exercise of the Construction Default Repurchase Option utilizes any of the Ponds for stormwater drainage, CSDC shall also be entitled to obtain an easement from Piedmont, subject to reasonable restrictions governing water quality and similar matters, for the use and, at CSDC's option, maintenance of such Ponds for stormwater drainage purposes; provided, however, that Piedmont shall not be required to grant a drainage easement for any volume of stormwater drainage that would require modification of the Ponds, taking into consideration the stormwater drainage from Piedmont's remaining Property, unless CSDC lawfully modifies such Ponds to increase their capacity to accommodate all stormwater drainage from the Property.
- ii. Exercise. If CSDC concludes that a Construction Default has occurred and desires to exercise its Construction Default Repurchase Option, CSDC shall (i) provide written notice to Piedmont specifying the alleged Construction Default accompanied by a description of the portion of the Property CSDC intends to repurchase, and (ii) initiate mediation proceedings pursuant to Paragraph e of this Section 18 hereof to discuss CSDC's contention that a Construction Default has occurred and its right to exercise the Construction Default Repurchase Option. If, following conclusion of the mediation proceeding, CSDC still desires to exercise its Construction Default Repurchase Option, it shall initiate non-binding arbitration to seek a determination of whether CSDC is entitled to exercise the Construction Default Repurchase Option. On and after the thirtieth day following conclusion of the non-binding arbitration, CSDC may exercise its Construction Default Repurchase Option by providing written notice to Piedmont; provided that Piedmont has not then completed all Required Improvements, which shall also specify a date, which date shall be not more than ninety (90) days thereafter, on which CSDC shall acquire all of Piedmont's right, title and interest in and to that portion of the

8/23/00 8:25 AM

0116575.12
LB:RH

Property specified in CSDC's initial notice, subject to the other limitations and provisions of this Section 18.

- (1) If Piedmont has cured the alleged Construction Default by commencing or completing construction, whichever is applicable to the alleged default, thirty (30) days before the expiration of the ninety (90) day period provided in this subparagraph and thereafter Piedmont continuously and diligently prosecutes the completion of the construction and complies with all of the requirements of Section 7 of this Agreement, CSDC's repurchase rights shall be deemed to have been waived as to such Construction Default. CSDC's repurchase rights of Improvements for which Piedmont has attained Certificate of Need shall be subject to prior written approval by the South Carolina Department of Health and Environmental Control in accordance with applicable law
- (2) Notwithstanding subparagraph (1) of this Paragraph d.ii of this Section 18, if the alleged Construction Default relates to Phase V, Piedmont shall be entitled to cure such default at any point in time until CSDC has exercised its repurchase rights; provided, however, that if Piedmont cures the Construction Default within thirty (30) days of the expiration of the ninety (90) day notice period, Piedmont shall pay CSDC reasonable attorneys fees and costs CSDC incurred in preparation for CSDC's repurchase of the Phase V Improvements.

iii. Repurchase Price. The Repurchase Price to be paid by CSDC for the Property shall be computed as follows:

(1) Unadjusted Price. The unadjusted Repurchase Price shall be equal to the sum of:

(A) the amount originally paid to CSDC (by Piedmont) for the portion of the Property being repurchased (on a per acre basis, determined by dividing the Purchase Price hereunder by the actual number of acres contained within the Property when acquired by Piedmont); plus

(B) the amount of any completed or partially completed Improvements located on the Property, the then fair market value (as determined by a mutually agreed upon appraiser; provided, however, that if Piedmont is unwilling to approve CSDC's appraiser within fifteen (15) days after CSDC proposes an appraiser to Piedmont for approval, Piedmont may designate a second appraiser not later than thirty (30) days after receipt of CSDC's notice designating CSDC's appraiser and if Piedmont exercises such right then the two appraisers designated by Piedmont and CSDC shall meet and appoint a third appraiser whereupon

PET-EX022.0059

RECORD 004947

all three appraisers shall independently appraise the values of the Improvements and the average of the three appraised values shall be deemed to equal the fair market value of the Improvements; and provided further that if Piedmont fails to designate a second appraiser within the aforementioned thirty (30) day period, the appraisal of CSDC's designated appraiser shall control) of any such Improvements (not including the value of the Property without Improvements) (the "Improvement Value"); less

(C) an amount equal to 10% of the Improvement Value with respect to the Phase V Acute Care Facility and an amount equal to 20% of the Improvement Value with respect to all other completed or partially completed Improvements on the Property, which amount the parties have agreed constitutes an appropriate liquidated damage adjustment to the repurchase price in light of possible liens, damage to CSDC's projected sales at CSDC's Property, and other damages, the actual damages which would be sustained by CSDC being impossible to determine as of the Execution Date.

(2) Minimum Repurchase Price. Notwithstanding the provisions of Subparagraph (B) above to the contrary, in no event will the Repurchase Price to be paid by CSDC to Piedmont be less than the amount required to pay or discharge any debt then outstanding which has been incurred by or on behalf of Piedmont, in order to finance the acquisition of the Property of the construction of the Improvements, including, without limitation, the amount required to pay any revenue bonds issued by any Governmental Authority for the benefit of Piedmont for such purpose or, if payment is not contractually permitted under the issue creating such bonds, the amount required to advance refund of the same to the date on which they may first be call for redemption.

e. Mediation.

- i. If discussions between the parties fail to resolve a dispute within thirty (30) days of notice from either party that an event has occurred which this Agreement provided will first be submitted to mediation (a "Dispute Notice"), the parties shall appoint a mutually acceptable neutral third party to act as a mediator. If the parties are unable to agree upon a mediator, the party requesting mediation will request appointment of a mediator by the Administrative Judge of the Sixteenth Judicial Circuit of South Carolina in and for York County, South Carolina. The mediation contemplated by this Paragraph e of this Section 18 is intended to be an informal and non-adversarial process, with the objective of helping the parties reach a mutually acceptable and voluntary agreement. The decision making shall rest solely with the parties. The mediator shall assist the parties in identifying issues, fostering joint problem solving, and exploring settlement alternatives.

RECORD 004948

- ii. If the parties are unable to reach a settlement within thirty (30) days of the mediator's appointment, but in no event more than sixty (60) days following the date of the Dispute Notice, either party may terminate the settlement discussions by written notice to the other party, and thereafter pursue other rights or remedies afforded by this Agreement.

19. Condemnation.

- a. For purposes of this Section, the term "taking" shall mean any condemnation or exercise of the power of eminent domain by any Governmental Authority vested with such power, or any taking in any other matter for public use, in lieu of condemnation by a public authority vested with such power.
- b. In the event of a taking of all or substantially all of any Building Site shown on the Preliminary Site Plan, Piedmont's commitment to acquire such Building Site shall be excused, and the other terms and conditions of this Agreement shall remain in full force and effect.
- c. In the event of a taking of a portion of any Building Site shown on the Preliminary Site Plan, the parties agree to work together to redefine the Permitted Uses and Required Improvements appropriate for such Building Site, given the circumstances of the taking.

20. Liens. Piedmont shall indemnify, defend and hold harmless CSDC, Baxter, Kingsley and Springfield from and against any and all claims, demands, liens, causes of action, or suits (including, without limitation, costs, expenses, and reasonable attorneys' fees) arising out of the services, labor or materials furnished by the General Contractor and its subcontractors, materialmen, and suppliers. In the event that any liens of any nature are filed against all or any portion of the Property, Piedmont shall cause such liens to be discharged by payment, satisfaction or posting of a bond, within thirty (30) days after such lien is filed. In the event that the lien is not discharged within the required time frame, such failure shall be an event of default under this Agreement and shall entitle CSDC to pursue any or all of the remedies contained in Section 18.

21. Brokers.

- a. CSDC represents and warrants to Piedmont that there are no claims for brokerage commissions or finder's fees in connection with this Agreement incurred by or alleged to have been incurred by CSDC, and CSDC agrees to indemnify, defend and hold harmless Piedmont from and against any and all loss, costs, expenses, or liabilities arising from any such claims.
- b. Piedmont represents and warrants to CSDC that there are no claims for brokerage commissions or finder's fees in connection with this Agreement incurred by or alleged to have been incurred by Piedmont, and Piedmont agrees to indemnify,

24. **Amendment.** This Agreement may only be amended or modified by a writing signed by both parties.
25. **Force Majeure.** If either party's performance of its respective non-monetary functions under this Agreement is delayed or prevented, in whole or in part by acts of God, fire, flood, storm, hurricane, tornado, snowfall, explosions, accidents, epidemics, war, civil disorder, strikes or other labor difficulties, communication failure, blackout, or any law, rule, regulation, order or other action adopted or taken by any federal, state or local Governmental Authority, or any other cause not reasonably within a party's control, whether or not specifically mentioned herein, such party shall be excused from performance to the extent its performance is delayed or prevented by such force majeure event. The party affected by such force majeure event must give written notice and full particulars of the force majeure event within forty-eight (48) hours of its occurrence, and for purposes of this paragraph alone, notice may be given by facsimile transmission or electronic mail, in addition to the methods of notice described in Section 22 of this Agreement. The obligation to perform of the party affected by such force majeure event shall be suspended only during the continuance of any inability to perform caused by the occurrence of the force majeure event.
26. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of South Carolina, without regard to its conflicts of law rules and where applicable, United States federal law.
27. **No Partnership.** Nothing in this Agreement shall be deemed to constitute the creation of a joint venture or a partnership relationship between CSDC and Piedmont.
28. **Waiver.** Either party may, at its option, waive in writing any or all of the conditions contained in this Agreement which must be fulfilled to its reasonable satisfaction. The failure of either party at any time or times to require performance of any provision of this Agreement shall in no manner affect the right of such party at a later time to enforce the same or any other provision of this Agreement. No waiver by either party of any term, covenant, agreement, representation or warranty contained in this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of any other condition or of the breach of any other term, covenant, agreement, representation or warranty contained in this Agreement, except to the extent a writing executed by such party shall expressly so provide.
29. **Confidentiality.** Except as otherwise required by Law, the parties agree that they will keep the terms of this Agreement confidential and will not disclose them to any third parties, other than its employees, agents, advisors, attorneys, accountants, or consultants who have a bona fide reason to know such information.
30. **Time is of the Essence.** The parties agree that Time is of the Essence in connection with this Agreement and the consummation of the transactions contemplated by this Agreement.

31. **Survival.** Except as otherwise provided herein, all representations, warranties, and covenants of the parties contained in this Agreement shall survive for a period of two (2) years after the date of termination of this Agreement.
32. **Counterparts.** This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
33. **Binding Effect: Assignment.** This Agreement and the various rights and obligations arising hereunder shall inure to the benefit of and be binding upon the parties and their respective successors and permitted assigns. This Agreement may not be assigned by either party without the prior written consent of the other party hereto.
34. **Captions.** The captions and headings contained in this Agreement are inserted only for convenient reference and in no way define, limit or describe the scope of this Agreement or any provisions hereof.
35. **No Recording.** This Agreement may not be recorded by either party. In the event that either party desires to record a short form memorandum of this Agreement, both parties must agree on the content of that short form memorandum.
36. **Gender: Plural.** The masculine pronoun shall be deemed to include the feminine and the neuter, as the context may require, and the singular shall be deemed to include the plural, and vice versa, as the context may require.
37. **Effective Date of this Agreement.** The Effective Date of this Agreement is the date handwritten by or at the direction of the parties in the appropriate blanks in the first paragraph of this Agreement. However, this Agreement and the obligations of Piedmont hereunder are conditioned upon the approval of the Tenet HealthCare Corporation Board of Directors not later than thirty (30) days after the Effective Date, which approval shall be evidenced by a written Secretary's Certificate to be attached to this Agreement as Exhibit M.
38. **Entire Agreement.** This Agreement contains the entire agreement of the parties with respect to its subject matter and supercedes any and all other prior or contemporaneous agreements, whether oral or written, between the parties with respect to its subject matter.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives, as of the date first above written.

STATE OF SOUTH CAROLINA

COUNTY OF YORK

AGREEMENT OF PURCHASE AND
SALE OF REAL PROPERTY

THIS CONTRACT FOR PURCHASE OF PROPERTY (the "Purchase Contract") is made and entered into this ____ day of _____, 2000 by and between CLEAR SPRINGS - BAXTER, LLC., a North Carolina limited liability company ("Seller"), and AMISUB OF SOUTH CAROLINA, INC. a South Carolina corporation d.b.a. PIEDMONT HEALTH SYSTEM("Buyer").

STATEMENT OF PURPOSE

Seller is the owner of that certain tract of land and related improvements located in York County, South Carolina, as more particularly described below. Buyer desires to acquire from Seller the Property, as hereafter defined, upon the terms and conditions contained in this Purchase Contract and subject to the terms and conditions set forth in that certain "Alliance Agreement" executed between Buyer and Seller on _____, 2000, the terms and conditions of which are incorporated herein by reference. Seller is willing to sell and convey the Property, as hereafter defined, pursuant to the terms and conditions of this Purchase Contract and the Alliance Agreement.

NOW, THEREFORE, subject to the terms and conditions of this Purchase Contract, and in consideration of the premises and the respective agreements hereinafter set forth, Seller and Buyer agree as follows:

1. Description of Subject Property. The property now owned by Seller which is the subject of this Contract is as follows:

a. All that certain parcel of land located in York County, South Carolina, containing in the aggregate approximately _____ acres, more or less, and which is designated as _____ Building Site, Phase _____ in the Alliance Agreement and as more particularly described on Exhibit A attached hereto and made a part hereof by reference (the "Property").

b. Except as expressly set forth in herein, the Property is being sold and acquired "AS IS, WHERE IS", including, without limitation, with respect to its physical condition, environmental condition, value, suitability, fitness, due diligence and investigatory documents, ordinances, regulations, and title (except as to Seller's limited warranty of title in the deed to be provided pursuant to Section 5 below), and Buyer acknowledges, except as specifically provided herein, that no such representations or warranties have been made or will be made by Seller, its agents, representatives, or employees regarding the same.

c. The Property shall be sold subject to the covenants and restrictions which have been filed by Seller in the Office of the Clerk of Court, York County, South Carolina. In

PET-EX022.0092

RECORD 004980

particular, the Property is subject to (1) the Declaration of Covenants, Conditions and Restrictions for Baxter dated November 6, 1998, recorded November 6, 1998 in Record Book 2463, page 242, re-recorded December 6, 1998, in Record Book 2513, Page 119 in the Office of the Clerk of Court, York County, South Carolina, as amended; (2) the Articles of Incorporation, the By-Laws and the rules and regulations of the Baxter Community Association, Inc.; (3) the Design Guidelines and Architectural Review Standards, and; (4) the requirement that all plans for construction of all improvements to the Property be approved by Seller.

2. Purchase Price. The purchase price (the "Purchase Price") to be paid by Buyer for the Property shall be _____ Dollars (\$ _____) calculated on the basis of \$ _____ per acre for the year of _____ as set forth in Exhibit L attached to the Alliance Agreement. The Purchase Price shall be payable as follows:

a. Pursuant to the terms of the Alliance Agreement, Buyer will pay a rolling deposit in the amount of One Hundred Thousand and no/100 (\$100,000.00) Dollars (the "Binder") upon the execution of the first purchase contract contemplated thereunder. The Binder shall be paid by Buyer to Escrow Agent (as hereinafter defined) no later than 5:00 p.m. on the third (3rd) business day (the "Delivery Date") following the date upon which all parties have fully executed this Purchase Contract if this is the first contract contemplated under the Alliance Agreement. The Escrow Agent shall deposit the Binder in an insured interest bearing account with a financial institution reasonably acceptable to Seller and Buyer. The Binder shall be applied only to the purchase price of the final transaction contemplated under the Alliance Agreement or refunded to Buyer pursuant to Section 6, Paragraph f, as applicable; and

b. The Purchase Price shall be payable in cash or other readily available funds or by federal wire transfer at Closing, subject to price adjustments and prorations as hereinafter provided.

3. Survey. Buyer shall, at Buyer's sole expense, cause a current or updated boundary and physical survey of the Property (the "Survey") to be prepared by a registered land surveyor. Buyer shall provide Seller with a copy of the Survey at the earliest practicable time after completion of same, and a description of the Property contained in the deed required in this Purchase Contract shall be prepared from the Survey.

4. Closing Date. The closing of the sale and purchase of the Property (the, "Closing") shall take place on the date which is fifteen (15) days after the expiration of the "Inspection Period" (as hereinafter defined). The Closing shall take place at a location mutually acceptable to Buyer and Seller. The date of the Closing shall be referred to herein as the "Closing Date." Buyer may elect to close prior to the date indicated above upon five (5) days advance written notice to Seller, but in no event shall the Closing take place prior to the expiration of the Inspection Period.

5. Title to the Property. At the Closing, Seller shall deliver to Buyer a limited warranty deed in form and content for recording, containing a complete description of the Property. Title shall be conveyed to the Buyer free and clear of any and all liens, security agreements, pledges and other encumbrances, except for ad valorem taxes for the year of closing and which are not yet due and payable, easements which do not materially interfere with the

contemplated use of the property, and those matters listed in Section 1, Paragraph c of this Purchase Contract

6. Inspections and Examinations.

a. For purposes hereof, "Inspection Period" shall be the period commencing on the Delivery Date and end at 11:59 p.m. E.S.T. on the 60th day following such date.

b. Buyer with Seller's reasonable cooperation shall make all such inspections as it deems desirable within the Inspection Period. Buyer agrees to indemnify and hold Seller harmless from all liabilities, claims, damages, liens, costs and expenses (including reasonable attorneys' fees) in connection with its inspection of the Property and Improvements. Buyer is authorized to conduct customary environmental inspections and subsurface soil tests, (including without limitation a "Phase I" and a "Phase II" environmental investigation).

c. Within five (5) days after the full execution of this Purchase Contract, Seller shall provide Buyer copies of all title information in Seller's possession or reasonably available to Seller, including, but not limited to, title insurance policies, attorneys' opinions on title, copies of all documents relating to all title exceptions, surveys, site plans, deeds, deeds of trust, promissory notes, loan agreements relating to the Property, plus plans, drawings, studies, environmental reports and studies, soil tests and subsurface evaluations, and zoning letters, certificates or other information.

d. Buyer may, at its sole expense, during the Inspection Period examine the title and obtain an ALTA commitment for title insurance issued by a nationally recognized title insurance company insuring title to the company. Before the expiration of the Inspection Period, Buyer shall notify Seller in writing of any matters of title to which Buyer objects.

e. It is understood that during the Inspection Period Buyer will use good faith efforts to satisfy the following contingencies to Buyer's obligations under this Contract:

i. verifying that it can take all measures required of the Developer under the Alliance Agreement to obtain all permits and approvals necessary to construct the Required Improvements on the Property ("Developer" and "Required Improvements" shall have the respective meanings ascribed to them in the Alliance Agreement). The parties acknowledge that to the extent a particular Required Improvement cannot be developed and operated without a Certificate of Need ("CON"). Buyer's obligation to construct such Required Improvements shall be satisfied by taking all of the measures required of Piedmont to obtain the CON under Section 4, Paragraph f of the Alliance Agreement.

ii. obtaining the results of all of its inspections with regard to environmental matters, engineering issues, and all other feasibility issues with regard to the Contemplated Use of the Property, as defined in Paragraph E of the Recitals in the Alliance Agreement.

Piedmont.20397

PET-EX022.0094

RECORD 004982

f. If during the Inspection Period, Buyer is not satisfied with any of the matters inspected, examined or reviewed by it with respect to the Property, or any other matter respecting the Property or the Contemplated Use thereof, Buyer may elect in its sole and absolute discretion to terminate the Purchase Contract by giving written notice of such decision to Seller. Upon such notification, the full amount of the Binder (plus interest earned thereon) shall be refunded to Buyer within ten (10) days after demand for same, whereupon the parties hereto shall have no further rights, obligations or liabilities with respect to each other hereunder. Failure to provide notice prior to the end of the Buyer's Inspection Period shall be deemed a waiver of the Buyer's rights to such termination hereunder.

g. If Buyer notifies Seller of its title objection(s) before the end of the Inspection Period, the Inspection Period will be extended not more than sixty (60) days for Seller to cure such title objections to Buyer's reasonable satisfaction or until five (5) days after Seller notifies Buyer in writing that Seller cannot or will not cure the same, whichever occurs later.

7. Closing Costs. Buyer shall pay all closing costs including, but not limited to recording costs, survey and title examination fees and the title insurance premiums, the cost to prepare the deed to the Property, the South Carolina Deed Recording Fee due with the filing thereof (transfer tax) and the cost of discharging any mortgage, lien or title encumbrance other than those permitted hereunder. Except as otherwise provided herein, each party shall be responsible for its own attorneys' fees.

8. Settlement Adjustments. Unless otherwise specified in this Purchase Contract, all Taxes and assessments related to the Property shall be prorated as of the day Closing actually occurs, (the "Effective Closing Date") as follows:

a. Seller shall pay all ad valorem property taxes respecting the Property for that portion of the calendar year through the day before the Effective Closing Date, and Buyer shall pay the remaining portion of the ad valorem property taxes; in the event either the tax assessment or tax rate for the year in which the Closing occurs is not known as of the Effective Closing Date, the parties shall prorate at Closing on the basis of 100% of the prior year's assessment and adjusted when final tax information is available to the parties. Buyer shall pay all deferred or "roll back" taxes respecting the Property that may be applicable for calendar years prior to the year of Closing.

9. Brokerage Commission. Seller and Buyer mutually acknowledge and represent that they have dealt with no broker in connection with this transaction. Each party agrees to indemnify and hold the other harmless from and against any and all other claims, demands or the cost and expense thereof, including reasonable attorneys' fees arising out of any brokerage commission, fee or other compensation due or alleged to be due in connection with the transaction contemplated by this Contract based upon an agreement alleged to have been made or other action alleged to have been taken by the indemnifying party.

10. Eminent Domain. If, prior to the Closing Date, all or any material part of the Property is taken by eminent domain or if condemnation proceedings are commenced, Buyer shall have the option, by giving written notice to Seller, to terminate this Purchase Contract, and Buyer shall receive an immediate refund of the full amount of the Binder plus interest earned

thereon if the Purchase Contract is for the final transaction contemplated under the Alliance Agreement or if the whole or in Buyer's sole but reasonable opinion a material part of all the "Property" as defined in the Alliance Agreement. If the eminent domain proceedings take all or a material part of the Property, but do not take all or a material part of the remaining property which is described in the Alliance Agreement as reasonably determined by Buyer, the Binder shall not be returned but shall "roll over" to the next transaction. If Buyer does not so elect to terminate this Purchase Contract, the Purchase Contract shall remain in full force and effect, and Seller shall assign, transfer and set over to Buyer at the Closing all of Seller's right, title and interest in and to any awards that may be made for such taking.

11. Representations and Warranties of Seller. In addition to the other warranties and representations set forth herein, Seller hereby makes the following representations and warranties to Buyer, each of which shall be deemed material and shall survive past the Closing Date:

a. To the best of Seller's knowledge and belief without independent investigation, the Property does not contain any hazardous wastes, hazardous substances, hazardous materials, toxic substances, hazardous air pollutants or toxic pollutants as those terms are used in the Resource Conservation and Recovery Act, the Comprehensive Environmental Response, Compensation and Liability Act, the Hazardous Materials Transportation Act, the Toxic Substances Control Act, The Clean Air Act and the Clean Water Act, and in any amendments thereto, or in any regulations promulgated pursuant thereto, or in any applicable federal, state or local law, regulation or ordinance (collectively, "Hazardous Substances"). Seller has not introduced, nor allowed any other party to introduce, any Hazardous Substances to the Property during Seller's period of ownership of the Property.

b. Seller currently owns or will own at the Closing Date fee simple title to the Property, subject only to those exceptions permitted under Paragraph 1 above, free and clear from all other liens and encumbrances.

c. Seller is not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code of 1986, as amended.

d. All representations and warranties of Seller contained in this Purchase Contract are true and correct as of the date hereof and will be true and correct as of the Closing Date.

e. Seller is a limited liability company, duly created and validly existing pursuant to the law of the jurisdiction of its organization and is duly qualified to do business in the jurisdiction in which the Property is situated.

12. Representations, Warranties and Covenants of Parties at Closing. All representations, warranties and covenants of Buyer and Seller contained in this Purchase Contract are conditions precedent to the performance by them of their obligations hereunder and shall be true in all material respects at Closing, as though such representations, warranties and covenants were made at Closing.

13. Conditions Precedent to Seller's Obligation to Sell and to Buyer's Obligation to Buy.

The obligation of Seller to sell the Property and to perform the other covenants and obligations to be performed by Seller on the Closing Date shall be subject to the following conditions precedent (which conditions precedent shall inure solely to the benefit of Seller, and no other person or entity, including, without limitation, Buyer, shall have any right to waive or defer any of such conditions):

a. At or before the Closing, Buyer shall tender to Seller the full amount of the Purchase Price (taking into consideration the Binder for the final transaction contemplated under the Alliance Agreement, and all prorations, credits and adjustments made pursuant to this Purchase Contract), together with any and all other sums that are to be paid by Buyer in connection with the closing of its purchase of the Property, and any other amounts shown as payable by Buyer on a settlement statement to be prepared in connection with the transactions contemplated hereby and approved and signed by Buyer or its Agent.

b. Buyer shall tender to Seller each and all of the Buyer Closing Documents fully executed and acknowledged where appropriate.

c. Buyer shall have performed in all material respects its covenants and obligations required by this Purchase Contract to be performed or complied with by on or before the Closing Date.

The obligation of Buyer to buy the Property and to perform the other covenants obligations to be performed by Buyer on the Closing Date shall be subject to the following conditions precedent (which conditions precedent shall inure solely to the benefit of Buyer, and no other person or entity, including, without limitation, Seller, shall have any right to waive or defer any of such conditions):

a. At or before Closing Seller shall tender each and all of the Seller Closing documents referenced in Section 15, Paragraph a.

b. Seller shall provide Buyer free of charge to Buyer a copy of any drainage plans for the area of Baxter Village in the vicinity of the Property that Seller may have, with no representation or warranty by Seller to Buyer of the accuracy of any such furnished drainage plans, and Buyer shall have satisfied itself prior to the expiration of the Inspection Period regarding all issues of storm water drainage.

d. Seller and Buyer shall have agreed upon the location and boundary lines of the Baxter Health Campus and the Building Site (which constitutes the Property being sold pursuant to this Purchase Contract).

e. Seller shall obtain and furnish free of charge to Buyer a certificate from the applicable governmental jurisdiction that the Property is located in a zoning classification that permits the Contemplated Use.

f. As to Phase II and all subsequent Phases defined in the Alliance Agreement, Seller shall have commenced construction of all roadways, drives, sidewalks, and parking areas up to the boundary line(s) of the Building Site constituting the Property being sold pursuant to this Purchase Contract and utility connections from the roadway stubbed up to the boundary line of the Property and completed so much of such construction so as not to interfere with Developer's ability to meet applicable construction commencement and completion deadlines set forth in the Alliance Agreement. As to Phase I, Seller shall have stubbed water and sewer connections to the boundary line of the Baxter Health Campus abutting North Sutton Road..

g. Seller shall provide Buyer free of charge to Buyer a copy of any utility and roadway plans for the area of Baxter Village in the vicinity of the Property that Seller may have, and Buyer shall have satisfied itself prior to the expiration of the Inspection Period that the roadways and utility systems that will serve the Baxter Health Campus are adequately designed and have sufficient reserved capacities to service the Baxter Health Campus and the Required Improvements, as defined in the Alliance Agreement, to be built on the Property.

h. Buyer shall have received the CON from DHEC to construct the Required Improvements and operate the Permitted Uses on the Property, as set forth in the Alliance Agreement, to the extent CON approval is required for such Required Improvements and Permitted Uses; provided, however, that Buyer must take all measures to obtain such CON required of it under Section 4, Paragraph f of the Alliance Agreement.

14. Default and Remedies.

a. In the event Buyer defaults or fails to perform any of the conditions or obligations of Buyer under this Purchase Contract or the Alliance Agreement or in the event any of the representations and warranties contained herein are not true and correct as of the date hereof and as of the Closing Date, Seller shall have the right to retain the Binder and all interest deemed thereon as liquidated damages. The retention of the Binder and all interest accrued thereon, shall be Seller's only remedy in the event of Buyer's default at or prior to Closing. If Seller shall retain the Binder, as liquidated damages, upon delivery of written notice of such fact to Buyer from Seller, this Purchase Contract shall be terminated and all copies will be surrendered to Seller for cancellation.

b. In the event Seller defaults or fails to perform any of the conditions or obligations of Seller under this Purchase Contract or the Alliance Agreement or in the event any of the representations and warranties contained herein are not true and correct as of the date hereof and as of the Closing Date, Buyer shall have the right to either (i) to terminate this Purchase Contract and to have the Binder and interest accrued thereon paid to Buyer, at which time this Purchase Contract shall be and become null and void and neither party shall have any further rights or obligations hereunder; or (ii) elect either (A) to bring an action for specific performance of Seller's obligations hereunder, or (B) to bring an action to recover actual damages (but not consequential damages, lost profits or other similar damages) proximately caused by Seller's default hereunder, provided, however that Seller's maximum liability to Buyer in any such suit shall not exceed \$100,000.

15. Closing Documents.

a. At Closing, the Seller shall deliver to Buyer the following documents which shall herein be referred to as the "Seller Closing Documents:"

i. a duly executed and acknowledged limited warranty deed in recordable form conveying good, fee simple and marketable title to the Land with full warranties, free and clear of all liens and encumbrances, except as provided in this Contract;

ii. a duly executed lien affidavit warranting and holding Buyer and the Title Company harmless against unpaid laborers' and materialmen's liens and claims of third parties to rights of possession of the Property;

iii. Any information with respect to Seller in connection with the conveyance of the Real Property by Seller to Buyer required by either (i) IRC Sec. 6045 or Treas. Regs. Sec. 1.6045, or (ii) Treas. Form 1099 or its instructions. If required thereby, the Escrow Agent shall timely (x) prepare and file a Form 1099 in accordance with the provisions of Treas. Regs. Sec. 1.6045, and (y) furnish the Parties with copies.

iv. a certificate given under penalty of perjury and on a form approved under temporary regulations promulgated under Section 1445 of the Internal Revenue Code of 1986, as amended, that Seller is not a foreign person;

v. such other documents as Buyer's counsel or the Title Company may reasonably request to evidence Seller's authority to execute and perform under this Purchase Contract and to execute and deliver all documents conveying the Property to Buyer;

b. At Closing, Buyer shall deliver to Seller:

i. the full Purchase Price minus any prorations or attorneys' fees attributable to Seller; provided, however that the Purchase Price for the final transaction contemplated under the Alliance Agreement shall be reduced by the Binder and interest accrued thereon; and

ii. such other documents and papers which may be necessary to the consummation of the transaction described in this Purchase Contract or as may be reasonably requested by Seller or Seller's counsel to evidence Buyer's authority to execute and perform under the Purchase Agreement and to execute and deliver all Buyer's closing documents (herein the "Buyer's Closing Documents").

16. Escrow of Binder. The Binder shall be held in escrow (the "Escrow") by Kennedy Covington Lobdell & Hickman, L.L.P. (the "Escrow Agent") subject to the terms and provisions of this Purchase Contract. The Escrow Agent shall hold and disburse the Binder in accordance with the terms and provisions hereof and invest said funds in an interest-bearing account as mutually agreed by Seller and Buyer until payment or disbursement. The parties to this Purchase Contract agree that Escrow Agent may resign or withdraw as escrow agent and

designate a successor escrow agent in the event a controversy or dispute arises in connection with this Purchase Contract. After such resignation or withdrawal by Escrow Agent, the parties hereto agree that Escrow Agent may provide Seller with legal services and so represent Seller in any dispute with Buyer, including litigation, that arises in connection with this Purchase Contract.

At Closing, in accordance with the terms of this Purchase Contract and the Alliance Agreement, the full amount of the Binder shall be held by the Escrow Agent and rolled over to be applied to the deposit due by Buyer in subsequent transactions as contemplated under the Alliance Agreement. In the event of default by Buyer or Seller, the deposit shall be applied as contemplated under Section 14 of this Purchase Contract. In the event of Closing of the last transaction contemplated under the Alliance Agreement, the Binder and all interest accrued thereon shall be paid to Seller with a credit against the balance of the Purchase Price due from Buyer at Closing.

If the Escrow shall be terminated by the mutual agreement of the Seller and Buyer or if the Escrow Agent shall be unable to determine at any time to whom the Binder should be paid or if a dispute should develop between Seller and Buyer concerning to whom the Binder should be paid, then in any such event, the Escrow Agent shall pay the same in accordance with the joint written instructions of the Seller and Buyer. In the event that such written instructions shall not be received by the Escrow Agent within ten (10) days after the Escrow Agent shall have served written requests for instructions upon Seller and Buyer, the said Escrow Agent shall have the right to pay all or any portion of the Binder into any state or federal court located in York County, South Carolina and interplead Seller and Buyer in respect thereof, and thereafter the Escrow Agent shall be discharged of any obligations in connection with the Binder, with the non-prevailing party (i.e., either Seller or Buyer) paying the Escrow Agent its reasonable costs and expenses incurred. The Escrow Agent's address for purposes of mailing or delivery of documents and notices is as follows:

17. Assignment. This Purchase Contract shall not be assigned by Seller. This Purchase Contract shall be assignable by Buyer without the consent of Seller provided that the assignee shall be liable for performance of Buyer's obligations hereunder.

18. Entry. Buyer shall have the right to enter upon the Property at any time after the date of this Purchase Contract for any purpose including but not limited to site planning, surveying and environmental inspections. Such entry right shall be exercised so as to not unreasonably interrupt any business activities of Seller upon the Property.

19. Attorney's Fees. In the event suit is brought to enforce or interpret all or any portion of this Purchase Contract, or if suit is brought for liquidated damages or for any other remedy or relief permitted hereunder, the party, if any, awarded costs in such suit shall be

entitled to recover, as an element of such costs, and not as damages, reasonable attorney's fees incurred in connection therewith.

20. Miscellaneous.

a. Survival of Provisions. All the warranties, representations and indemnities contained herein shall, as applicable, survive the Closing and the delivery of the deed and other documents.

b. Notices. Any notice required or permitted to be given under this Purchase Contract shall be in writing and shall be deemed to have been given when deposited in Federal Express (or any other national "next day" delivery service) or in the United States mail via registered or certified mail, postage prepaid, return receipt requested, and addressed as follows:

Subject: Healthcare Alliance Agreement
Clear Springs Development Corporation

A major portion of Piedmont Healthcare System's (PHS) strategic plan for the last decade has been centered on initiatives to reduce out-migration from York County to Charlotte based facilities. These initiatives have been primarily service related to eliminate the clinical reasons for patients to leave the market. With the completion in the last three years of the open heart, neurosurgery, and neonatology services, PHS can provide the clinical services required by 98 percent of the patients from this market. Therefore, future volume growth initiatives will need to be centered on increasing market share for the services available at PHS.

The health care alliance between PHS and Clear Springs Development Corporation (CSDC) is a major initiative in an area of the county with the highest level of out-migration. This agreement is the cornerstone for improving access to PHS affiliated physicians and outpatient services to the residents of Fort Mill. The following provides a brief summary of the background, strategy, and agreement for your review.

Background

Fort Mill is located in the NE section of York County. This area is located approximately halfway between Rock Hill and Charlotte, NC. The area has the highest level of growth for York County and highly favorable demographics for population and income. Unfortunately, many of the residents of this area, particularly the newcomers, are oriented to Charlotte from a work, shopping, entertainment, and also health care standpoint. This, combined with a lack of presence by PHS and its affiliated physicians in this area, has resulted in a high level of out-migration to Charlotte physicians and hospitals.

In 1998, PHS' market share in Fort Mill was only 43.3 percent compared to 70.7 percent in the remainder of York County. This resulted in a total of 1,413 admissions to Charlotte facilities from residents of the Fort Mill area. The primary facilities that these patients utilized were Carolinas Medical Center (16 miles from Fort Mill), Presbyterian Hospital (17 miles from Fort Mill), and Mercy South (10 miles from Fort Mill). This market is located approximately 9 miles from PHS.

Strategic Overview

To redirect the out-migration from the Fort Mill market, PHS must first create a relationship between those residents and PHS associated physicians and outpatient services such as diagnostic testing and outpatient surgery. This strategy is designed to overcome the natural tendency of residents in this area to look to Charlotte for health care. Once a patient is tied into PHS' affiliated physicians, they will more likely choose PHS facilities in Rock Hill for more advanced diagnostic testing or inpatient care that would not be available in Fort Mill.

As part of its FY00 Business Plan, PHS proposed to assist physicians in locating space and developing practices in the Fort Mill area. At the same time that PHS was reviewing its options to implement this initiative,

Piedmont.Levitt.2688

CONFIDENTIAL

RECORD 004994

PET-EX023

Clear Springs Development Corporation sent out a RFP to health care providers for the provision of health care services in villages it was developing in the Fort Mill market. PHS responded to the RFP and was chosen by CSDC to provide these services on an exclusive basis under the terms of the Healthcare Alliance Agreement. PHS has developed a long range plan utilizing the base it would generate in the initial village (Baxter) developed by CSDC to move forward with its Fort Mill initiative. Outlined below is the time frame and capital requirements for this plan.

Phase	Construction Start	Services to be Provided	Capital
I	January/2001	Urgent Care Center/MOB	\$1,524,082
II	February/2002	Imaging Center/MOB	5,376,406
III	July/2003	Amb. Surgery Center/MOB	5,150,156
IV	TBD	Acute Care Hospital	TBD
V	TBD	Additional MOB's	TBD

PHS has placed particular importance on completing Phase I as it provides the base presence needed in the Fort Mill market. Please note that the alliance agreement gives Piedmont the option to utilize a developer to construct the above facilities. The capital outlined above assumes a developer model and includes the NPV of anticipated leases. Attached is an outline of how this initiative (Phases I-III) interrelates to the other out-migration initiatives that PHS has undertaken.

Clear Springs Development Corporation

This corporation is a privately owned company of the Close family set up to develop its property in Fort Mill. The family has voting control and a major ownership position in Springs Industries, Inc., a NYSE traded, \$2.2 billion world-wide home furnishings and textile company. The family owns 6,200 acres of land in Fort Mill, which it will be developing under CSDC. The first village to be developed, Baxter Village, is the location of the medical campus. This village is located adjacent to I-77 and is in the approximate center of the Fort Mill area.

The Close family has developed a multi-year vision for the development of the 6,200 acres, which will effectively become the centerpiece for development in Fort Mill. CSDC has retained Celebration Associates, whose principals developed the town of Celebration in Orlando, FL, as their development consultants for these villages. Baxter Village is currently under development with the initial three phases of homes under construction.

Alliance Agreement

The agreement between PHS and CSDC is the framework for PHS to be the exclusive provider of health care services in all of the villages that will be developed in the Fort Mill area. The agreement outlines the services and facilities to be developed during the 10-year term of the agreement. The actual execution of the agreement does not obligate PHS to the capital expenditures, but does outline the time frames for the various services and facilities to be developed by PHS. If these deadlines are not met, the exclusivity is lost and the \$100,000 rolling deposit is forfeited by PHS. PHS has the right to assign the land purchase and construction obligations to a third party developer.

Summary

PHS has proposed this agreement as a method of aligning its out-migration redirection strategy with the premier developer in Fort Mill. This strategy will lead to the redirection of a significant level of business from the Charlotte facilities to PHS. In addition, it will solidify PHS' presence in the fast growing area of York County with significant growth opportunities for the next 15 years. I recommend approval of the proposed agreement.

Piedmont.2285

This **FIRST AMENDMENT TO ALLIANCE AGREEMENT** (this "First Amendment") is made this 4th day of February, 2005, by and between **Clear Springs Development Company, LLC**, a North Carolina limited liability company ("CSDC"), on behalf of itself and as manager and on behalf of **Clear Springs-Baxter, LLC**, **Clear Springs-Kingsley, LLC**, and **Clear Springs Springfield, LLC** (individually the owners of the respective Clear Springs Developments except for those parcels that have been conveyed to third parties on or before the Effective Date of this First Amendment), and **AmiSub of South Carolina, Inc.**, a South Carolina corporation, d/b/a "Piedmont Health System" and also d/b/a "Fort Mill Medical Center" ("Piedmont").

RECITALS

A. CSDC and Piedmont entered into an Alliance Agreement dated August 22, 2000, which was supplemented by a First Addendum dated December 20, 2000 (collectively the "Alliance Agreement"), whereunder CSDC selected Piedmont as the limited-exclusive health care system provider for the Clear Springs Developments, as their boundaries may change from time to time.

B. Under the terms of the Alliance Agreement, Piedmont was to develop, design and equip an urgent care center, diagnostic center, ambulatory surgery center, and rehabilitation center, and to staff, operate and manage each of these facilities within the boundaries of the Baxter Development upon a tract of land consisting of approximately 15.5 acres known as "Baxter Health Campus."

C. Pursuant to and in compliance with the Alliance Agreement, Piedmont gave its Designation Notice to CSDC and purchased or caused an approved third-party Developer to purchase from Clear Springs - Baxter, LLC, an affiliate of CSDC ("Baxter"), five (5) Building Sites in Baxter Health Campus for Phases I, II and a portion of Phase III described on Exhibits C, D and E of the Alliance Agreement.

D. Prior to the Effective Date of this First Amendment, CSDC extended the due dates of Piedmont's obligations under Section 3 of the Alliance Agreement regarding its purchase of the Building Sites in Baxter Health Campus for Phase III as set forth in Exhibit E of the Alliance Agreement and the due date of its Designation Notice to CSDC regarding those Building Sites pursuant to Section 4 of the Alliance Agreement. As of the date hereof, Piedmont is in full compliance with the terms and conditions of the Alliance Agreement.

E. Simultaneously with the execution of this First Amendment, Clear Springs - Kingsley, LLC, an affiliate of CSDC ("Kingsley"), has granted to Piedmont an exclusive option to purchase, with a term of two (2) years commencing October 7, 2004 (the "Option to Purchase"), a tract of approximately 41 acres located in the Kingsley Development as defined in paragraph eee of Section 2 of the Alliance Agreement, which tract is more particularly described on the attached Exhibit A (the "Kingsley Tract"), upon a portion of which Piedmont intends to develop, design and equip various health care facilities, including but not limited to, an acute care hospital as Part of Phase V as shown on Exhibit G attached hereto.

Piedmont.2286

170841.11
LIB: Rock Hill

PET-EX024.0003

RECORD 004999

F. Pursuant to the Option to Purchase, Piedmont shall receive a credit against the purchase price of the Kingsley Tract in exchange for Piedmont's re-conveyance to Baxter of all of the Building Sites in Baxter Health Campus that Piedmont has or will acquire from Baxter pursuant to the Alliance Agreement, as amended hereby, except for the Building Site upon which Piedmont has caused to be constructed an urgent care center.

G. Also pursuant and as a condition precedent to the Option to Purchase, at its closing Piedmont and The New Peach Stand, Inc., a South Carolina corporation, an affiliate of Kingsley, shall enter into a lease, whereunder Piedmont, as landlord, grants, leases and demises to The New Peach Stand, Inc., as tenant, a portion of the Kingsley Tract at the intersection of S.C. Highway 160 and U.S. Highway 21 By-Pass containing approximately 1.1 acres, as depicted on an exhibit to the Option to Purchase (the "Old Peach Stand Parcel"), for a term of ninety-nine (99) years and for annual rent of One Dollar and No/100 (\$1.00) and containing such other terms and conditions as set forth in the Option to Purchase (the "Lease").

H. The Parties intend by this First Amendment to memorialize their agreements and understandings regarding the health care services to be offered and facilities to be constructed upon the Kingsley Tract, less the Old Peach Stand Parcel, and to modify certain provisions of the Alliance Agreement that affect certain of the Building Sites in Baxter Health Campus.

I. Tenet Healthcare Corporation, a Nevada corporation ("Tenet Parent"), an indirect parent of Piedmont, has agreed to guarantee the performance by Piedmont of its obligations under the Alliance Agreement and the Option to Purchase ("Tenet Parent's Guarantee"), and Tenet Parent's Guarantee is a condition precedent to both CSDC's entering into this First Amendment and Kingsley's grant of the Option to Purchase.

NOW, THEREFORE, for and in consideration of the recitals and the mutual covenants and conditions contained in this First Amendment, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to amend the Alliance Agreement, as follows:

1. **Reaffirmation of Goals of Alliance between CSDC and Piedmont.** The parties hereby reaffirm the goals of their alliance as set forth in Section 1 of the Alliance Agreement.
2. **Definitions.** For purposes of this First Amendment, capitalized terms used herein shall have the meanings ascribed to them in the Alliance Agreement unless otherwise defined herein.
3. **Piedmont's Commitment to Purchase.**
 - a. Piedmont or an approved third-party Developer has already purchased the Building Sites for Buildings #1 and #2 as set forth in Exhibit C to the Alliance Agreement, the Building Sites for Buildings #3 and #4 as set forth in Exhibit D to the Alliance Agreement, and the Building Site for Building #5 as set forth in Exhibit E to the Alliance Agreement. The lot number designation, acreage size, present ownership and present uses of each of the Building Sites acquired directly by Piedmont or by an approved third party are as follows:

Piedmont.2287

<u>Baxter Lot No.</u>	<u>Acreage</u>	<u>Date Acquired</u>	<u>Purchase Price</u>	<u>Present Owner</u>	<u>Present Use</u>	<u>Phase</u>	<u>Building Number</u>
359	1.250	10/19/01	\$250,000	Crosland affiliate	Urgent Care Medical Office	I	#1
441	0.794	10/21/01	\$148,766	Piedmont	Vacant	I	#2
442	1.928	12/21/01	\$361,234	Piedmont	Vacant	I	#2
461	3.000	11/22/02	\$850,500	Piedmont	Vacant	II	#3
497	2.500	12/30/03	\$765,500	Piedmont	Vacant	II	#4
700	<u>3.028</u>	01/19/05	\$1,001,360	Piedmont	Vacant	III	#5
Total	12.500						

- b. The legal descriptions of the 6 parcels of land comprising five (5) Building Sites referenced in subsection 3.a of this First Amendment, together with the associated Building # and the particular Phase, referenced to the relevant Exhibit to the Alliance Agreement, are set forth on Exhibits C-1, C-2, D-1, D-2, and E-1 to this First Amendment.
- c. Piedmont is still obligated to purchase the Building Site for Building #6 as set forth in Exhibit E to the Alliance Agreement, with the lot number designation, acreage size, purchase price, amended outside closing date for acquisition, the associated Building # and particular Phase of each Building Site, being as follows:

<u>Baxter Lot No.</u>	<u>Acreage</u>	<u>Date to be Acquired</u>	<u>Purchase Price</u>	<u>Phase</u>	<u>Building Number</u>
498	1.880	01/31/2006	\$ 671,536	III	#6
496	<u>1.120</u>	01/31/2006	\$ 400,064	III	#6
Total	3.000				

- d. Exhibits C, D and E of the Alliance Agreement, indicating amended information regarding the Required and Permitted Improvements, Projected Construction Commencement Dates and Projected Completion Dates, are hereby amended and superseded by Exhibits C, D, and E attached to this First Amendment.
- e. Exhibit B of the Alliance Agreement, being the Preliminary Site Plan for Baxter Health Campus, is hereby amended and superseded by Exhibit B attached to this First Amendment.
- f. Exhibit G of the Alliance Agreement is hereby amended and superseded by Exhibit G attached to this First Amendment.
4. Further Amendments to Alliance Agreement if Option to Purchase is Exercised.

- a. As a condition precedent to Piedmont's exercise of its Option to Purchase pursuant to its terms, the following conditions shall have been met, which both parties agree to diligently pursue, and cooperate with, as applicable:
- (i) Piedmont must have received all necessary permits to build on the Kingsley Tract, less the Old Peach Stand Parcel, its initial phase of its new acute care hospital, pursuant to its Application for a Certificate of Need that has already been filed (the "CON Application"), which is part of the contemplated Fort Mill Medical Center, as is more fully described on Exhibit G hereto. The parties acknowledge that the CON Application provides that the initial phase of its new acute care hospital will contain 64 beds, and that Piedmont intends for such facility to contain not less than approximately 150,000 square feet and to have a projected cost estimated to be in excess of \$82,000,000.00 to construct and equip.
 - (ii) CSDC must have received assurances satisfactory to CSDC that Piedmont will furnish to CSDC the construction completion bond further explained in subsection 4.d(ii) of this First Amendment.
 - (iii) Piedmont must have received CSDC's architectural review and approval of the proposed Improvements pursuant to Section 6 of the Alliance Agreement, as modified or supplemented by the Option to Purchase.
 - (iv) Piedmont must have timely purchased Baxter Lots Nos. 498, and 496 in accordance with the terms set forth in subsection 3.c of this First Amendment and the applicable provisions of the Alliance Agreement, and if this condition is not met, Piedmont will forfeit all of its rights under the Alliance Agreement and the Option to Purchase.
 - (v) CSDC and Piedmont must have agreed upon and finalized all of the terms and conditions of the Lease for the Old Peach Stand Parcel, as more particularly set forth in the Option to Purchase.
- b. Simultaneously with the closing of the acquisition of the Kingsley Tract by Piedmont, Piedmont shall re-convey to Baxter marketable and insurable fee simple title to Baxter Lots Nos. 441, 442, 461, 497, 700, 498, and 496, in the same condition as the Lots existed at the time Piedmont purchased them and free of all liens and encumbrances other than those existing on the Lots at the time Piedmont purchased them, or those agreed upon by CSDC, with closing costs, prorations and other obligations and rights allocated or assigned between the parties set forth in the Option to Purchase. Piedmont will be entitled to a credit against its purchase price of the Kingsley Tract equal to approximately \$3,723,525.00 [computed on the basis of 14.25 acres (the presently estimated acreage to be reconveyed) times \$261,300.00 per acre].
- c. If Piedmont exercises the Option to Purchase:

Piedmont.2289

- (i) Piedmont will continue to operate Baxter Lot No. 359 as an urgent care center and medical office pursuant to the terms of the Alliance Agreement and also pursuant to the additional terms and provisions that were imposed upon Baxter Lot No. 359 when it was sold by Baxter to the Crosland affiliate, so long as Piedmont's lease to occupy and operate Baxter Lot No. 359 remains in effect with the understanding that Piedmont will not cause or agree to an early termination of that lease for the term of this Alliance Agreement, as amended hereby.
- (ii) As of the time of Piedmont's transfer of title to Baxter of Baxter Lots Nos. 441, 442, 461, 497, 700, 498, and 496 as set forth in subsection 4.b of this First Amendment, those re-conveyed lots in Baxter Health Campus shall no longer be subject to and shall be specifically released from the restrictions and conditions of the Alliance Agreement, as amended hereby, and the other conditions and restrictions applicable to Piedmont or a Developer that were imposed upon those re-conveyed lots when they were acquired by Piedmont from Baxter; notwithstanding, however, that the provisions of Section 5 of the Alliance Agreement, as amended hereby, regarding Piedmont's Limited Exclusivity Rights with respect to all of the Clear Springs Developments, shall remain in full force and effect.
- (iii) The Kingsley Tract, less the Old Peach Stand Parcel, shall be subject to the conditions of approval of construction and of alterations of improvements set forth in Section 7 (except for paragraph 1 of Section 7 which is applicable only to Baxter Health Campus) and Section 8 of the Alliance Agreement, the conditions of Exhibit G of the Alliance Agreement, as amended hereby, and the promotional rights and obligations of Section 10 of the Alliance Agreement, all as specifically modified or supplemented by the Option to Purchase.
- (iv) The phrase "and Kingsley Development" shall be inserted directly after the term "Village of Baxter" wherever that term appears in Sections 1, 3, 5, 7, and 10 of the Alliance Agreement.
- (v) The phrase "and/or Kingsley Tract" shall be inserted directly after the term "Baxter Health Campus" wherever that term appears in Sections 1, 3, 6, 7 (except paragraph 1 of Section 7 which is applicable only to Baxter Health Campus), 8, 10, 11, and 13 of the Alliance Agreement.
- (vi) The term "Kingsley Development" shall be inserted in the place of "Village of Kingsley" wherever that latter term appears in the Alliance Agreement.
- (vii) The term "Clear Springs Developments" shall be inserted in the place of "Clear Springs Villages" wherever that latter term appears in the Alliance Agreement.

- (viii) With respect to the Kingsley Tract, less the Old Peach Stand Parcel, Piedmont shall have all the rights and obligations and shall be deemed subject to the same covenants and liabilities of Piedmont applicable to the Baxter Health Campus under the Alliance Agreement, except as set forth specifically in this First Amendment or in the Option to Purchase.
- (ix) With respect to the Kingsley Tract, CSDC and Piedmont will collaborate on the rezoning and replatting process which may be with either the Town of Fort Mill or with York County depending on further research by both parties. CSDC will pay for the rezoning and replatting expenses, including planning, preliminary engineering and legal review of applicable ordinances. Piedmont will pay the expenses of its own architects, planners, engineers, consultants and attorneys related to the development of the Kingsley Tract, less the Old Peach Stand Parcel.
- (x) With respect to the Kingsley Tract, CSDC will bring water, sewer and electricity service to the edge of the highway right of way (at a location mutually agreeable to both parties) at its sole expense. In addition, Kingsley will grant to Piedmont at no expense to Piedmont an easement over property owned by Kingsley adjacent to the Property for installation and operation, at the sole expense of Piedmont, of storm water control pipes and other devices, the location, the extent and other conditions of which shall be subject to the reasonable discretion of Kingsley, to the storm water detention pond located on Kingsley's property. The internal roadway system on the Kingsley Tract, less the Old Peach Stand Parcel, will be constructed by Piedmont at its sole expense and there will be no other infrastructure expenses borne by CSDC or Kingsley related to the Kingsley Tract.
- (xi) Paragraph a of Section 8 of the Alliance Agreement is amended to read as follows:

"Routine maintenance, repair and replacement operations with respect to the Required Improvements on each Building Site, and any changes, alterations, or improvements to the interior of the Improvements, which are undertaken by Piedmont, shall not require CSDC's consent. However, Piedmont shall not have the right to make any changes, alterations, additions or improvements to the exterior of the Improvements without the prior written consent of CSDC, except those Piedmont is required to make by applicable law. All alterations, changes, additions and improvements to the Baxter Health Campus, the Kingsley Tract or any other health care site to be developed under this Alliance Agreement made by Piedmont shall become a part of the particular health care facility and shall be surrendered to CSDC upon a repurchase by CSDC of the particular health care facility, as more particularly provided in Section 18 of this Alliance Agreement, except to the extent those improvements constitute trade fixtures or personal property."

(xii) Section 12 of the Alliance Agreement is amended to add the following new paragraph f thereto:

- f. Piedmont acknowledges that the Kingsley Tract will be an integral part of the Kingsley Development. The Kingsley Development, less the Old Peach Stand Parcel, will be subjected by Kingsley to a Declaration of Covenants, Conditions and Restrictions for Kingsley Development to be recorded in the Office of the Clerk of Court, York County, South Carolina, as supplemented from time to time (the "Kingsley Master Declaration"). The nature and extent of the rights and obligations of Piedmont in acquiring and owning property in the Kingsley Tract, less the Old Peach Stand Parcel, will be controlled by and expressly subject to all of the following, as each of the foregoing documents may be amended, from time to time:
- i. the Kingsley Master Declaration, for imposition on the Kingsley Tract, less the Old Peach Stand Parcel, to be delivered to Piedmont no later than July 7, 2005;
 - ii. the Articles of Incorporation, the By-Laws, and the rules and regulations of the Kingsley Community Association, Inc. (the "Kingsley Association");
 - iii. the Design Guidelines and Architectural Review Standards, as set forth or incorporated by reference into the Kingsley Master Declaration; and
 - iv. the requirement that all Plans for construction of all Improvements be approved by CSDC.

CSDC agrees that the Kingsley Master Declaration will not be drafted in such a way as to have a material adverse effect upon Piedmont or the Kingsley Tract, without Piedmont's express written consent thereto. Piedmont agrees to comply with and be bound by all of the terms, conditions, and obligations set forth in the documents listed in Section 12, Paragraph f of this Alliance Agreement. Piedmont hereby agrees that Piedmont, its agents, employees, General Contractor and subcontractors will comply fully with the Kingsley Master Declaration and the By-Laws of the Kingsley Association, as such documents may be amended from time to time, provided that any such amendment shall not have a material adverse effect upon Piedmont or the Kingsley Tract. Piedmont shall be permitted to impose limitations or restrictions on permitted types or scope of medical business activity to be conducted on any portion of the Kingsley Tract, less the Old Peach Stand Parcel, hereafter owned or purchased by Piedmont in the Clear Springs Plan, by leases or other similar agreements with its tenants or assignees without any approval required of CSDC. However, Piedmont shall not impose any other additional protective covenants, deed restrictions or similar restrictions on

all or any part of the Kingsley Tract hereafter owned or purchased by Piedmont in the Clear Springs Plan without CSDC's prior written approval. Upon conveyance of title to any portion of the Kingsley Tract to Piedmont, Piedmont shall automatically become a member of the Kingsley Association and shall be subject to the assessment obligations and all other provisions set forth in the Kingsley Master Declaration.

- (xiii) Subparagraph 18.a.ii of the Alliance Agreement is amended by removing the words "(but not consequential damages, lost profits or other similar types of damages)", by placing a period after "proximately caused by Seller's default hereunder" and removing the remainder of that sentence.
- (xiv) Subparagraph 18.b.iv of the Alliance Agreement is deleted.
- (xv) The second sentence of Section 33 of the Alliance Agreement is hereby amended to read as follows:

"This Agreement may not be assigned by either party without the prior written consent of the other party thereto until issuance of the building permit for the acute care hospital on the Kingsley Tract as contemplated under subsection 4.a(i) of the First Amendment. After the building permit has been issued for the acute care hospital on the Kingsley Tract, this Agreement may be assigned by either party without the written consent of the other party hereto, provided that the assigning party shall give notice to the other party within fifteen (15) days of such assignment."

d. If the Option to Purchase is exercised, then in addition to the approval of the construction conditions of Section 7 of the Alliance Agreement, the Required Construction Commencement Date and Projected Completion Date conditions set forth in Exhibit G attached hereto, and the repurchase option for construction default as set forth in paragraph d of Section 18 of the Alliance Agreement, the Kingsley Tract and Piedmont's obligations with respect thereto shall be subject to the following additional conditions (the "Kingsley Tract Special Conditions"):

- (i) In the event Piedmont does not meet its obligation to begin construction of the acute care hospital, *i.e.*, by performing preliminary site work, installing a construction trailer, connecting electricity to the work site, and otherwise being mobilized to begin and continuously prosecute construction, within ninety (90) days after the closing of the Kingsley Tract pursuant to the Option to Purchase (subject to *force majeure* as set forth in Section 25 of the Alliance Agreement), which is the Construction Commencement Date for the Required Improvements on the Kingsley Tract subject to modification pursuant to paragraph f of Section 4 and Exhibit G of the Alliance Agreement, or if there is any other Construction Default, then the Limited Exclusivity Rights of Piedmont will terminate immediately and in addition CSDC shall be entitled to exercise its Repurchase Option with respect to the Kingsley Tract, including the Old Peach Stand Parcel,

pursuant to paragraph d of Section 18 of the Alliance Agreement, except that the unadjusted Repurchase Price for the Kingsley Tract, as determined by subparagraph 18.d.iii(1)(A) of the Alliance Agreement, shall be adjusted by deducting therefrom One Million Dollars and No/100 (\$1,000,000.00), rather than applying the adjustments to the Repurchase Price provided in paragraph d of Section 18 of the Alliance Agreement, and CSDC shall not be obligated to pay Piedmont anything for the improvements installed on the Old Peach Stand Parcel.

- (ii) Prior to commencement of construction of the acute care hospital pursuant to Exhibit G of the Alliance Agreement, Piedmont shall furnish to CSDC a completion bond for the full amount of the projected construction and other development costs thereof, issued by a surety reasonably acceptable to CSDC, guaranteeing completion of the Required Improvements within the time frame as set forth on Exhibit G and the applicable provisions of Section 7 of the Alliance Agreement; provided, however, that notwithstanding anything to the contrary stated herein, CSDC is not waiving its right to exercise its Repurchase Option for a Construction Default as set forth in the applicable provisions of Sections 7 and 8 and in paragraph d of Section 18 of the Alliance Agreement.

5. **Limited Exclusivity Rights of Piedmont to Continue in the Absence of a Default.**

- a. So long as the Option to Purchase has not been terminated, and thereafter upon Piedmont's exercise of the Option to Purchase and its purchase of the Kingsley Tract, then so long as Piedmont continues to perform its obligations under the Alliance Agreement, as amended by this First Amendment, Piedmont shall be entitled to Limited Exclusivity Rights with respect to all of the Clear Springs Developments, provided, however, that (i) from now until commencement of construction of the acute care hospital as set forth in subsection 4.d(i) above, the expiration of Piedmont's Limited Exclusivity Rights shall be controlled by Subsection 5.d of the Alliance Agreement; and (ii) after commencement of construction of the acute care hospital as set forth in subsection 4.d(i) above, Subsection 5.d of the Alliance Agreement shall no longer control and the period of Piedmont's Limited Exclusivity Rights shall be extended from that date until ten (10) years from the date a certificate of occupancy is issued for the acute care hospital contemplated by Exhibit G hereto. The parties agree that for either such period, any sale or lease of any portion of the Clear Springs Developments by CSDC or its successor in title to any portion thereof, shall bar the use of such property for any of the Permitted Uses specified on Exhibits C, D, E and G (which such restrictions shall be included in any purchaser's deed) except that such property may be used for Physician or Dentist Leased Office Space (provided that none of the Permitted Uses specified on Exhibits C, D, E and G shall be permitted within such office space) and those uses set forth in paragraph c of Section 5 of the Alliance Agreement. The provisions of paragraphs a, b, and c

of Section 5 of the Alliance Agreement shall have no force and effect and shall be specifically superseded by this subsection 5.a.

- b. A new paragraph g is added to Section 5 of the Alliance Agreement:
 - g. After the Effective Date of this First Amendment, any deed of conveyance of the Kingsley Tract by Kingsley to Piedmont or its permitted assignee hereunder shall contain the following restrictive covenant: No portion of the Kingsley Tract, less the Old Peach Stand Parcel, shall be put to any use other than medical and related healthcare purposes, and uses ancillary thereto, without the prior written consent of CSDC or Kingsley.
 - c. In the event Piedmont terminates the Option to Purchase as provided in Section 9.f thereof, then this First Amendment shall have no further force and effect but Piedmont's Limited Exclusivity Rights, subject to the conditions of Section 5 of the Alliance Agreement, shall continue in full force and effect as existed prior to this First Amendment.
6. Naming of Facilities and Roads on Kingsley Tract. CSDC will retain the right to approve the names of all Buildings and roads to be constructed on the Kingsley Tract.
7. Ratification of Alliance Agreement. Except as modified by this First Amendment, the CSDC and Piedmont hereby ratify and reaffirm all provisions of the Alliance Agreement.
8. Effective Date of this First Amendment. The Effective Date of this First Amendment is the date handwritten by or at the direction of the parties in the appropriate blank in the first part of the First Amendment.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties have caused this First Amendment to be executed by a duly authorized representative, as of the date first above written.

Referrals to CMHA Facilities. As a condition to the receipt of consideration provided for in this Agreement, Physician agrees to refer all patients in need of hospitalization, diagnosis or treatment on an outpatient or an inpatient basis to a facility owned, operated or managed, directly or indirectly, by CMHA and/or to a practitioner who is a member of the medical staff of any such facility (or any such practitioner's group practice) unless: (a) the patient expresses a preference for a different facility or practitioner; (b) the patient's insurer determines the facility or practitioner; or (c) the referral is not in the patient's best medical interests according to Physician's judgment. The above requirement shall not apply with respect to any ambulatory surgery center owned in part, directly or indirectly, by CMHA and in part by practitioners or group practices.

RECORD 005013

SUMMARY OF ADMISSIONS AND REFERRAL DATA

Admissions by employed physicians are based on IDX Admission codes. (List in IDX IP Billing Codes tab)

Referrals to other employed physicians-2009-2012 only. Selection of employed physicians was by manually reviewing list as the referred to name is free text.

York County zip codes exclude 29707, which is included in the market share data for York County.

Some York County Zip codes bleed into other counties.

The patient's zip code is as of the most current date. Data will exclude patients who have moved out of York County since service date and include patients who were not in York County at the time of the service.

Any practice that was not on IDX during this time frame will be excluded from the data.

All data specific to the York County practices are a subset of the overall data.

REGULATION NO. 61-15

**CERTIFICATION OF NEED FOR
HEALTH FACILITIES AND SERVICES**

Promulgated pursuant to Sections 44-7-110 et seq. of the Code of Laws of South Carolina, as amended.

CHAPTER 1 - PURPOSE, APPLICABILITY AND DEFINITIONS

Section 101. Purpose:

The purpose of these Regulations is to promote cost containment, prevent unnecessary duplication of health care facilities and services, guide the establishment of health facilities and services which will best serve public needs, and ensure that high quality services are provided in health facilities in this State.

Section 102. Applicability:

1. A person or health care facility as defined in this Regulation is required to obtain a Certificate of Need from the Department of Health and Environmental Control before undertaking any of the following:

- a. The construction or other establishment of a new healthcare facility;
- b. A change in the existing bed complement of a health care facility through the addition of one or more beds or change in the classification of licensure of one or more beds;
- c. An expenditure by or on behalf of a health care facility in excess of two million dollars (\$2,000,000) which, under generally acceptable accounting principles consistently applied, is considered a capital expenditure except those expenditures exempted in Section 104. The cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the development, acquisition, improvement, expansion, or replacement of any plant or equipment must be included in determining if the expenditure exceeds the prescribed amount;
- d. A capital expenditure by or on behalf of a health care facility which is associated with the addition or substantial expansion of a health service for which specific standards or criteria are prescribed in the South Carolina Health Plan;
- e. If no capital expenditure is made, the offering of any health service by or on behalf of a health care facility which has not been offered by the facility in the preceding twelve months and for which specific standards or criteria are prescribed in the South Carolina Health Plan. For purposes of this section, operating costs include expenditures incurred by the health care facility and any person or other

entity on behalf of the health care facility to establish a new service. A person or other entity shall not be allowed to incur costs thereby attempting to enable a health care facility to avoid Certificate of Need review and establish a new service as described above;

f. The acquisition of medical equipment which is to be used for diagnosis or treatment if the total project cost is in excess of six hundred thousand dollars (\$600,000);

2. An applicant may not split or combine one expenditure into two or more expenditures for the purpose of avoiding Certificate of Need review, nor may the Department be allowed to lump projects together arbitrarily to bring them under Certificate of Need review.

3. When any question exists, a potential applicant shall forward a letter requesting a formal determination by the Department as to the applicability of the Certificate of Need requirements to a particular project. Such a letter shall contain a detailed description of the project including the extent of modifications, changes in services and total costs. Additional information may be requested as may be reasonably necessary to make such applicability determination. The Department shall respond within sixty (60) calendar days of receipt of the necessary information.

4. These provisions do not apply to acquisitions or changes of ownership of health care facilities, services, and equipment that are already in existence, operational, and providing services in a particular service area, and which have undergone the review and obtained the approval that was appropriate under the law at the time they first entered the relevant service area, so long as the facility or service is not being relocated. For facilities, services, and equipment which have previously undergone Certificate of Need review, the Certificate of Need must be fulfilled prior to a change of ownership.

Section 103. Definitions:

1. Affected person means the applicant, a person residing within the geographic area served or to be served by the applicant, persons located in the health service area in which the project is to be located and who provide similar services to the proposed project, persons who before receipt by the Department of the proposal being reviewed have formally indicated an intention to provide similar services in the future, persons who pay for health services in the health service area in which the project is to be located and who have notified the Department in writing of their interest in Certificate of Need applications, the State Consumer Advocate and the State Ombudsman. Persons from another state who would otherwise be considered "affected persons" are not included unless that state provides for similar involvement of persons from South Carolina in its Certificate of Need process. A person may not file a request for final review in opposition to the staff decision on a Certificate of Need unless the person provided written notice to the Department during the staff review that he is an affected person and specifically states his opposition to the application under review. Affected persons may request in writing to be notified of a Department decision by regular mail or electronic mail in lieu of certified mail.

2. Ambulatory surgical facility means a distinct, free-standing, self-contained entity that is

organized, administered, equipped and operated exclusively for the purpose of performing surgical procedures or related care, treatment, procedures and/or services for which patients are scheduled to arrive, receive surgery, or related care, treatment, procedures and/or services and be discharged on the same day. The owner or operator makes the facility available to other providers who comprise an organized professional staff.

3. Arrangement for financing means a financial commitment, i.e. enforceable contract.

4. Board means the State Board of Health and Environmental Control.

5. Children and adolescents in need of mental health treatment in a residential treatment facility means a child or adolescent under age eighteen who manifests a substantial disorder of cognitive or emotional process, which lessens or impairs to a marked degree that child's capacity either to develop or to exercise age-appropriate or age-adequate behavior. The behavior includes, but is not limited to, marked disorders of mood or thought processes, severe difficulties with self-control and judgment including behavior dangerous to self or other, and serious disturbance in the ability to care for and relate to others.

6. Competing applicants means two or more persons and/or health care facilities as defined in this regulation who apply for Certificates of Need to provide similar services and/or facilities in the same service area and whose applications if approved would exceed the need for this facility or service. An application shall be considered competing if it is received by the Department no later than fifteen (15) calendar days after a Notice of Affected Persons is published in the State Register for one or more applications for similar services and/or facilities in the same service area. All applications received by the Department within fifteen (15) calendar days of publication of the Notice of Affected Persons in the State Register for the first application(s) will be considered to be competing. Any applications received by the Department later than the fifteenth day following publication of the Notice of Affected Persons in the State Register for the first application(s) will not be considered to be competing with the (se) application(s).

7. Department means the Department of Health and Environmental Control.

8. Facility for chemically dependent or addicted persons means a facility organized to provide outpatient or residential services to chemically dependent or addicted persons and their families based on an individual treatment plan including diagnostic treatment, individual and group counseling, family therapy, vocational and educational development counseling, and referral services.

9. Fees mean the Department may charge and collect fees to cover the cost of operating the program. The fees for review of certificate of need projects include: (a) initial filing fee; (b) application fee; and (c) issuance fee.

a. Initial filing fee is five hundred dollars (\$500), which must be submitted as a non-refundable initial payment at the time the application is submitted.

b. Application fee is one half of one percent (.5%,.005) of the total project cost (as

defined in Section 103.24) which is payable when the application is deemed complete under Section 303. The application fee shall not exceed seven thousand dollars (\$7,000).

c. Issuance fee is seven thousand five hundred dollars (\$7,500) payable upon the granting of a Certificate of Need to any project whose total project cost (as defined in Section 103.24) is greater than one million four hundred thousand dollars (\$1,400,000). Should the project not be approved, the issuance fee will not be assessed.

10. Freestanding or Mobile technology means medical equipment owned or operated by a person other than a health care facility for which the total cost is in excess of that prescribed in these regulations and for which specific standards or criteria are prescribed in the South Carolina Health Plan.

11. Good cause is defined as:

a. presentation of significant and relevant information not previously considered by the Department;

b. demonstration that there have been significant changes in factors or circumstances relied upon by the Department in reaching its decision;

c. demonstration that the Department has materially failed to follow its adopted procedures in reaching its decision; or

d. such other basis for a public hearing as the Department determines constitutes good cause.

12. Health care facility for the purposes of Certificate of Need means acute care hospitals, psychiatric hospitals, alcohol and substance abuse hospitals, nursing homes, ambulatory surgical facilities, rehabilitation facilities, residential treatment facilities for children and adolescents, intermediate care for the mentally retarded, inpatient hospice facilities, radiation therapy facilities and any other facility for which Certificate of Need review is required by state law.

13. Health service means clinically related, diagnostic, treatment, or rehabilitative services, and includes alcohol, drug abuse, and mental health services for which specific standards or criteria are prescribed in the South Carolina Health Plan.

14. Hospital means a facility organized and administered to provide services to accommodate two or more non-related persons for the diagnosis, treatment and care of such persons over a period exceeding 24 hours and provides medical or surgical care or nursing care of illness, injury, or infirmity and may provide obstetrical care, and in which all diagnoses, treatment, or care is administered by or under the direction of persons currently licensed to practice medicine, surgery, or osteopathy.

15. Institutional health services means health services provided in or through health care facilities and includes the entities in or through which such services are provided.
16. Like equipment with similar capabilities means medical equipment in which functional and technological capabilities are identical to the equipment to be replaced; and the replacement equipment is to be used for the same or similar diagnostic, therapeutic, or treatment purposes as currently in use; and does not constitute a material change in service or a new service.
17. Nursing home means a facility with an organized nursing staff to maintain and operate organized facilities and services to accommodate two or more unrelated persons over a period exceeding twenty-four hours which is operated either in connection with a hospital or as a freestanding facility for the express or implied purpose of providing nursing care for persons who are not in need of hospital care:
18. Person means an individual, a trust or estate, a partnership, a corporation including an association, joint stock company, insurance company, and a health maintenance organization, health care facility, a state, a political subdivision or an instrumentality including a municipal corporation of a state, or any legal entity recognized by the State.
19. Psychiatric Hospital means an institution which is primarily engaged in providing to inpatients, by or under the supervision of a physician, psychiatric services for the diagnosis and treatment of mentally ill persons.
20. Residential treatment facility for children and adolescents means a facility operated for the assessment, diagnosis, treatment, and care of two or more children and adolescents in need of mental health treatment which provides:
- a. a special education program with a minimum program defined by the South Carolina Department of Education.
 - b. recreational facilities with an organized youth development program; and
 - c. residential treatment for a child or adolescent in need of mental health treatment.
21. Solely for research means a service, procedure, or equipment which has not been approved by the Food and Drug Administration (FDA) but which is currently undergoing review by the FDA as an investigational device. FDA research protocol and any applicable Investigational Device Exemption (IDE) policies and regulations must be followed by a facility proposing a project solely for research.
22. To develop when used in connection with health services, means to undertake those activities which on their completion will result in the offering of a new institutional health services or the incurring of a financial obligation in relation to the offering of such a service.
23. To offer when used in connection with health services means that the health care facility holds itself out as capable of providing or as having the means for the provision of, specified health

services.

24. Total project cost is the estimated total capital cost of a project including land cost, construction, fixed and moveable equipment, architect's fee, financing cost, and other capital costs properly charged under generally accepted accounting principals as a capital cost. The determination of project costs involving leased equipment or buildings will be calculated based on the total value (purchase price) of the equipment or building being leased.

Section 104. Exemption Determinations

1. The following are exempt from Certificate of Need review, but prior to undertaking these projects, a written determination from the Department is required:

a. The replacement of like equipment for which a Certificate of Need has been issued and the replacement does not result in a material change in service or a new service.

b. The acquisition by a health care facility of medical equipment to be used solely for research, the offering of an institutional health service by a health care facility solely for research, or the obligation of a capital expenditure by a health care facility to be made solely for research if it does not: (a) affect the charges of the facility for the provision of medical or other patient care services other than the services which are included in the research; (b) change the bed capacity of the facility; or (c) substantially change the medical or other patient care service of the facility. FDA research protocol and any applicable Investigational Device Exemption (IDE) policies and regulations must be followed by the facility. A written description of the proposed research project must be submitted to the department in order for the department to determine if the above conditions are met. A Certificate of Need is required to continue use of the equipment or service after the equipment or service is no longer being used solely for research;

c. The permanent reduction in bed capacity, including the permanent closure of a health care facility.

2. In order to request an exemption, the following information must be provided to the Department in writing at a minimum:

a. A complete description of the proposed project, including, but not limited to, location of the project, and total project costs,

b. Other documentation requested by the Department in order to determine compliance with these regulations;

c. Additional information as may be reasonably necessary for the Department to make a determination.

3. If an exemption is granted, it is valid for a period of twelve (12) months from the date of issuance. If the proposal is not implemented within this twelve-month period, the exemption

becomes void and another exemption must be requested in order for the applicant to undertake the proposal.

4. The following projects are exempt from Certificate of Need review but do not require a written determination from the Department: the offices of a licensed private practitioner whether for individual or group practice. This exemption shall not apply to: (1) the construction or other establishment of a new health care facility, as in Section 102.1.a; or (2) the acquisition of medical equipment which is to be used for diagnosis or treatment if the total project cost is in excess of six hundred thousand dollars (\$600,000), as in Section 102.1.f.

Section 105. Determinations of Non-Applicability

1. Certificate of Need review is not applicable to the following, but prior to undertaking the proposed project, a written determination of non-applicability from the Department is required:

a. Replacement of like equipment with similar capabilities as defined by the Department in Section 103.16.

b. Acquisition of medical equipment which is to be used for diagnosis or treatment if the total project cost is not in excess of six hundred thousand dollars (\$600,000). A written determination of non-applicability is only required when any question exists as to whether or not the total project cost is below the six hundred thousand dollars (\$600,000) threshold.

2. The following information must be provided to the Department in writing at a minimum:

a. A complete description of the proposed project, including, but not limited to, location of the project, total project costs, capital and/or operational cost;

b. Other documentation requested by the Department in order to determine compliance with these regulations;

c. Additional information as may be reasonably necessary to make a determination.

3. If a determination of non-applicability is granted, it is valid for a period of twelve (12) months from the date of issuance. If the proposal is not implemented within this twelve (12) month period, the non-applicability determination becomes void and another determination must be requested in order to undertake the proposal.

4. Certificate of Need review is not applicable to the following projects and a written non-applicability determination from the Department is not required prior to undertaking these projects:

a. Health care facilities owned and operated by the federal government;

b. Any federal health care facility sponsored and operated by this State;

c. Educational and penal institutions maintaining infirmaries for the exclusive use of their respective student bodies and inmate populations;

d. Facilities owned and operated by the South Carolina Department of Mental Health and the South Carolina Department of Disabilities and Special Needs, except an addition of one or more beds to the total number of beds of the departments' health care facilities existing on July 1, 1988;

5. Certificate of Need review is not applicable to the following projects and a written non-applicability determination from the Department is not required. However, written notification shall be provided to DHEC Division of Health Facilities Construction prior to undertaking the following projects:

a. An expenditure by or on behalf of a health care facility for non-medical projects, such as refinancing existing debt, parking garages, laundries, roof replacement, computer systems, telephone systems, and heating and air conditioning systems;

b. The upgrading of medical facilities, which do not involve additional square feet to the facility or additional health services;

Section 106. South Carolina Health Plan

1. With the advice of the health planning committee, the Department shall prepare a South Carolina Health Plan for use in the administration of the Certificate of Need Program. The plan at a minimum must include:

a. an inventory of existing health care facilities, beds, specified health, services, and equipment.

b. projections of need for additional health care facilities, beds, health services, and equipment;

c. standards for distribution of health care facilities, beds, specified health services, and equipment including scope of services to be provided, utilization, and occupancy rates, travel time, regionalization, other factors relating to proper placement of service, and proper planning of health care facilities; and

d. a general statement as to the project review criteria considered most important in evaluating Certificate of Need applications for each type of facility, service and equipment, including a finding as to whether the benefits of improved accessibility to each such type of facility, service and equipment, may outweigh the adverse affects caused by the duplication of any existing facility, service or equipment.

2. The South Carolina Health Plan must address and include projections and standards for specified health services and equipment which have a potential to substantially impact health care cost and accessibility. Nothing in this provision shall be construed as requiring the

Department to approve any project which is inconsistent with the South Carolina Health Plan.

3. Upon approval by the health planning committee, the South Carolina Health Plan must be submitted at least once every two years to the Board for final revision and adoption. Once adopted by the Board, the Plan may later be revised through the same planning and approval process, public review and comment, including four regional public hearings before adoption or revision of the Plan. Prior to revising the plan, the Department will publish a notice in the State Register, announcing a period for public comments and scheduling public hearings to receive public comments.

CHAPTER 2 - APPLICATION PROCEDURES

Section 201. Public Notification:

Within twenty days prior to submission of an application, the applicant shall publish notification that an application is to be submitted to the Department in the legal section of a daily newspaper serving the area where the project is to be located for three consecutive days. The notification must contain at least the following information: 1) that a Certificate of Need is being applied for; 2) a description of the scope and nature of the project; and 3) the estimated project capital cost. No application may be accepted for filing by the department unless accompanied by documentation from the newspaper that publication has been made for three consecutive days within the prior twenty-day period.

Section 202. Application:

1. Two copies of the application shall be forwarded to the Department in the following format and shall contain the following information as applicable. The application will be on 8-1/2 X 11-inch paper, one side only, and 3-hole punched on the left side.

2. Application

a. Proposal Page and Part A. Questionnaire (See Appendix)

b. Part B. Additional Information

(1) Document that the applicant has published notification of this project in a local newspaper as required by Section 201 of these Regulations.

(2) Describe the project setting forth the proposed change in services or facilities in as much detail as possible. State whether the project will change the existing licensed or survey bed capacity, will encompass the development of a new service, or result in the discontinuance of an existing service. If a new facility is proposed, list all services to be provided.

(3) Provide the total cost of the project, indicating design fees, land cost, interest cost, construction cost, equipment cost, and any other cost involved in the project.

Provide an estimate of the construction cost from a licensed architect or engineer; in the case of equipment, valid/current estimate from a vendor is acceptable.

(4) State the specific location of the facility or service and/or equipment, including, where applicable, specific areas of an existing facility to be affected by the project. Provide room numbers of all patient rooms affected. Sufficient detail should be provided to allow the Department to visually inspect the site. The number of private and semi-private patient rooms shall be identified.

(5) Provide details regarding any proposed construction and/or renovations. Discuss alternatives to new construction and why these alternatives were rejected. For a multi-floor project, construction and/or renovation must be described, by floor, to include any additions and/or deletions made to each floor. Provide evidence that the applicant has adequately planned for any temporary move or relocation of any department, facility, or services, which may be necessary during the construction period. Document that plans exist to assure adequate protection (from fire, noise, dust, etc.) and continuation of all services during the proposed construction period.

(6) If a replacement facility or ancillary service is being constructed, describe plans for disposition of the existing facility or ancillary service area upon completion of the project.

(7) Provide a timetable for development and completion of the project to include, at a minimum, the date of site acquisition, date of architectural contract, architectural design schedule, date of closing for financing, date of valid construction contract, date that all necessary permits (grading, building, sewer, etc.) will be obtained, and date of start of construction. The timetable shall be presented in one-month increments commencing with the month following receipt of the Certificate of Need and ending with the execution of a contract or purchase order for equipment only projects.

(8) Provide the following ownership information:

(a) Proposed name of facility;

(b) Name and address of licensee or prospective licensee. (Note: The licensee is defined as the legal entity who, or whose governing body, has the ultimate responsibility and authority for the conduct of the facility or service; the owner of the business. The licensee must be the entity to whom the Certificate of Need is issued.)

(c) Complete title of the licensee's governing body.

(d) Name, title and mailing address of presiding officer of the governing body.

(e) Name and mailing address of all persons and/or legal entities having any ownership interest or owner's equity of the licensee to include a schedule of percent and type ownership claim of each.

(f) Name and mailing address of all persons and/or legal entities claiming liabilities of the licensee or of the facility or service for which this Certificate of Need is requested to include a schedule of percent and type of claim of each.

(g) Provide a listing which identifies all officers of the licensee.

(h) Is the land and/or building on/in which the proposed facility or service is to be conducted owned by the applicant. YES NO. If no, provide information on the land and building similar to that required in (b) through (g) above.

(i) Has the licensee engaged an entity other than an employee of the licensee to manage or operate the facility or service? YES NO. If yes, provide information similar to that required in (b) through (g) above.

(j) Is there any agreement, contract, option, understanding, intent or other arrangement that will effect a change in any of the information requested and/or provided in (b) through (g) above. YES NO. If yes, provide information similar to that required in (b) through (g) above.

(k) Provide a complete listing of all existing licensed health care facilities and/or services and Certificates of Need in which the proposed licensee currently has an ownership interest, to include names and addresses of each facility or service. In the cases of Certificates of Need for undeveloped facilities and services, provide the name, address, and telephone number of a contact person representing the authority which issued the Certificate of Need.

(l) Should the licensee be a subsidiary corporation, provide a diagram of the licensee's relationship to the parent corporation and list the name and address of the parent corporation as well as the corporation which has ultimate control. In addition, please provide the name and mailing address of all persons and/or legal entities having ownership interest of five percent or more or any person with any agreement, contract, option, arrangement, or intent to acquire ownership interest of five percent or more, of all corporations in the corporate organizational structure which have ultimate control of the licensee.

(9) Provide documentation that the applicant has sought cooperative agreements such as transfer agreements with other facilities, as applicable.

(10) Indicate the means by which a person will have access to the facility's services (i.e. physician referral, self admission, etc). Identify the specific facilities or agencies the applicant expects to receive referrals from (i.e. hospitals, home health agencies, etc). Describe any limitations placed on admissions.

(11) Demonstrate that the proposed project is needed or projected as necessary to meet an identified need of the public. This shall address at a minimum: identification of the target population; the degree of unmet need; projected utilization of the proposed facility or service; utilization of existing facilities and services; past utilization of existing similar services within the facility; and justification that the proposed project will not unnecessarily duplicate existing entities. The applicant must show all assumptions, data sources, and methodologies used. The applicant must use population statistics consistent with those generated by the State Demographer, State Budget and Control Board.

(12) Discuss alternative facilities and/or services considered including the advantages and disadvantages of each alternative. Include a statement as to why this project alternative was adopted.

(13) Discuss any serious problems, such as costs, availability, or accessibility in obtaining care of the type proposed, experienced by patients in the absence of this project.

(14) Where a project affects an increase or decrease in bed capacity, provide annual occupancy rates for the facility based on licensed beds, for the past three years by category (i.e. general acute, psychiatric, obstetric, nursing home, etc.).

(15) Identify the method of financing the cost of the project, including the start-up costs. Provide documentation that the applicant can obtain such financing. Alternative sources and/or methods of financing must be identified and the method chosen demonstrated to be the most feasible option.

(16) For an addition to an existing facility or service, provide a current annual budget and at least a three fiscal year projected budget for both the overall facility and the proposed project. The projections must be developed by an accountant. For a new facility or service, provide a projected annual budget for not less than three fiscal years following the completion of the proposed project. The projections must be attested to by an accountant. These budgets must at a minimum include how proposed charges, proposed cost of service, utilization, depreciation, reimbursement rates and contractual adjustments were calculated. Any assumptions made in the application must be specifically noted shown.

(17) Provide a list of proposed charges for the project. The charges provided may be used for comparison with the average charges in the final completion report as required in Section 607.3.b.

(18) Document that the proposed project is economically feasible, both immediately and long-term. In the case of existing facilities, indicate what impact the proposed project will have on patient charges and cost per unit of service.

(19) State how the project will foster cost containment and improve quality of care through the promotion of such services as ambulatory and home health care, preventive health care, promotion of shared services, economies of scale, and design and construction economies.

(20) In the case of projects involving additional long-term care beds, discuss how the plans of other agencies, organizations, or programs responsible for providing and financing long-term care have been considered.

(21) Provide a three-year projected manpower budget in full-time equivalents (FTE's) detailing the existing and proposed nursing, other professional, and non-professional personnel required for the staffing of the new project.

(22) Provide the number of existing and proposed medical staff by specialty, to include physicians employed by, or with admission privileges to, the facility. Include the name of the Chief of the Medical Staff, if available.

(23) Indicate those physicians who have expressed a willingness to utilize the proposed services or to refer patients to the facility for the provision of services.

(24) Discuss the availability of health manpower resources for the provision of the proposed services, including the contemplated program and plan for recruiting and training personnel.

(25) Describe the previous experience of the applicant in the proposed health care field. If the applicant has no prior experience, specify the anticipated sources of technical assistance, either from specific individuals or organizations.

(26) Discuss the impact of the project on the clinical training programs of health professional schools, particularly the extent to which these schools will have access to the services for training.

(27) Provide documentation of policies and procedures to assure the quality of healthcare services by addressing patient safety and quality indicators, as applicable. Documents may include, but are not limited to, measures of patient care, patient safety, healthcare-acquired infections and the following of best practices established by recognized organizations. Applicable quality standards in the South Carolina Health Plan must be addressed.

(28) Provide any additional information that would assist the department in evaluating this project.

c. Part C. Programmatic Documents

Provide adequate programmatic documents in support of the various elements of the proposed project. These documents will include as appropriate:

(1) An Indigent Care Plan as required by the Board of Health and Environmental Control. It shall address at a minimum, the following:

(a) The existing and proposed admission and treatment policies of the facility or agency with regard to race, sex, creed, national origin, and ability to pay.

(b) The proposed admission and treatment policies of the facility or agency with respect to admission and care of indigent patients including those patients unable to pay at the time of admission and those whose benefits expire while in the care of the facility or agency.

(c) In existing facilities or agencies, provide the amount, in dollars and percent of gross revenues, that the facility or agency provided in indigent care during the past three fiscal years. NOTE: Indigent care does not include bad debt; contractual adjustments; or care which is reimbursed by a governmental program (Medicare, Medicaid, county indigent program), church, or philanthropic organization.

(d) Provide the proposed amount of indigent care the facility or agency projects to provide during the existing fiscal year and next fiscal year. This projection should be expressed in both dollars and a percent of gross revenues.

(e) A discussion of why the above figures are adequate or inadequate for the needs of the community; the need of indigent care within the proposed service area; and any solutions, remedial plans or proposals by the facility or agency to better address the indigent care problem in the service area. Include any initiatives or undertakings the facility or agency has begun to address the indigent care problem in the proposed service area.

(f) Describe any Board or Advisory Board established to implement or control the indigent problem at the facility or agency. Include the Board's functions, responsibilities, and limitations.

(2) A map of sufficiently large scale to be meaningful, indicating the location of the project site and its geographical area.

(3) A plot plan of the project site showing existing buildings, roads, parking areas, walks, service and entrance courts, existing utilities (electricity, telephone, water, railroads, sewer, gas, etc.) and other natural land features necessary for adequate

analysis of site conditions.

(4) A legal description of the project site indicating its physical characteristics and existing easements.

(5) A square foot program of space and/or equipment elements, and scale drawings describing the existing space and proposed alterations and additions.

(6) Documentation from the appropriate zoning authorities that the proposed site is or can be zoned for the intended use.

(7) Documentation from appropriate sources that utilities supplied to the site are adequate for the project to include electricity, gas, water, and sewerage.

(8) Endorsement from the community that the project is desirable. This may include but is not limited to members of the medical community, citizen's groups, governmental elected officials and other health and social service disciplines in the community.

(9) Documentation that the proposed project has been approved by the health facility's planning committee and governing body.

(10) For the facilities or services not licensed by the Department of Health and Environmental Control, provide documentation of coordination and support from the appropriate licensing agency.

d. Part D. Assurances

The applicant must furnish written assurance of each of the following where applicable:

(1) That the applicant has or will have a fee simple title or such other estate or interest in the site including necessary easements and rights-of-way, sufficient to assure use and possession for the purpose of the construction and operation of the facility.

(2) That approval by the department of the final drawings and specifications, which will be prepared by an architect and/or engineer legally registered under the laws of the State of South Carolina, will be obtained.

(3) That the applicant will submit to the Department for prior approval, changes that substantially alter the scope of work, function, utilities, major items of equipment, safety or cost of the facility during construction.

(4) That the applicant will cause the project to be completed in accordance with the Certificate of Need application.

(5) That the applicant will cause the project to be completed in accordance with approved plans and specifications by maintaining competent and adequate architectural and engineering services throughout the construction administration phase of the project. That, at the completion of the project, the architect of record shall be required to issue a statement that to the best of his knowledge and belief, based upon available records, supplemental documents, and periodic observation of the work, the project was constructed according to those documents approved by the Department.

(6) That the facility will be operated and maintained in accordance with the standards prescribed by law and regulations for the maintenance and operation of such facilities.

(7) That the applicant understands that the Certificate of Need shall become void at the end of the specified time period from the date of issuance unless otherwise extended under Chapter 6 of these regulations.

(8) That the Department or its authorized representatives may at any time during the course of construction and upon the completion of the project make an on-site inspection of the construction and equipment to check for compliance of the construction in accordance with the application for which the Certificate of Need was issued.

(9) That the controlling interest in any health care facility shall not be sold or leased or otherwise disposed of unless the Certificate of Need has been fulfilled.

(10) That the applicant will notify the Department in writing that the contractual agreement has been completed. For a construction project, the letter shall indicate that a construction contract specifying the beginning and completion dates of the project, has been signed by both parties. For services projects, the letter must indicate that equipment purchase orders with estimated delivery dates have been properly negotiated.

(11) That the applicant will notify the Department in writing of the date that a new or expanded service has been implemented, completed or terminated.

(12) That the applicant will provide monthly progress reports and a final completion report which contain the information required by Section 607 of these regulations.

CHAPTER 3 - DISPOSITION OF APPLICATION

Section 301. Submission of Application:

Two copies of the application along with a non-refundable filing fee of five hundred dollars (\$500) shall be forwarded to the Bureau of Health Facilities and Services Development, S.C. Department of Health and Environmental Control, 2600 Bull Street, SC, 29201. Applicants are encouraged to

involve the Department in the development of proposed projects prior to the submission of an application.

Section 302. Additional Information:

1. After receipt of an application with proof of publication in a local newspaper and the five hundred dollars (\$500) non-refundable filing fee, the Department shall publish in the State Register a notice that an application has been accepted for filing. The Department shall notify the applicant in writing when the application is not acceptable for filing.
2. Within thirty (30) calendar days from acceptance of an application, the Department will request any additional information pertinent to the project as may be deemed necessary to make the application complete. Should additional information be required for an application to be considered complete, the applicant will have thirty (30) calendar days from the date of the request to submit the requested information. If the applicant does not submit the requested information within thirty (30) calendar days, the application will be deemed to have been withdrawn.
3. Should the applicant within such thirty (30) calendar day period submit incomplete additional information, the Department will have thirty (30) calendar days in which to request further information. If the information requested is not received by the Department within thirty (30) calendar days of this second request, the application will be deemed to have been withdrawn.
4. If any deadline provided for in this section falls on a weekend or State holiday, the deadline will be extended until the next calendar day that is not a weekend or State holiday.

Section 303. Payment of Filing and Application Fees:

1. When the application is determined to be complete, the Department shall invoice the applicant, by certified mail, for the certificate of need application fee. The applicant shall have fifteen (15) calendar days from the date of receipt of the invoice to pay the fee by valid check made payable to the S.C. Department of Health and Environmental Control. Should the application fee not be received within fifteen (15) calendar days from receipt of the Department's invoice by the applicant, the application will be considered withdrawn.
2. If any deadline provided for in this section falls on a weekend or State holiday, the deadline must be extended until the next calendar day that is not a weekend or State holiday.

Section 304. Relative Importance Criteria:

1. Upon determination by the Department that an application is complete, the Department shall notify the applicant, by certified mail, of the relative importance of the project review criteria to be used in reviewing the application. The applicant will have thirty (30) calendar days from the date of receipt of this notice to submit any additional information. If, subsequent to this notice, the Department determines that the relative importance of the review criteria has changed, the Department must again notify the applicant by certified mail. The applicant will have thirty (30) calendar days from receipt of the revised notice to submit any additional information.

2. The staff may reorder the relative importance of the project review criteria no more than one time during the review period. The staff's reordering of the relative importance of the project review criteria does not extend the review period.

3. When an application has been appealed, the Department may not change the weight of the importance of the project review criteria.

Section 305. Review Time Frames:

1. Upon determination by the Department that the application is complete, and receipt of the application fee, the Department shall publish in the State Register a notice that the review cycle for the project has begun. Any affected person who has notified the Department in writing that they desire to be notified of the beginning of the review period be sent a copy of the notification.

2. The Department will make a decision on the complete application no earlier than thirty (30) calendar days but no later than 120 calendar days of the date of publication in the State Register unless a public hearing is held. Notice of a Department decision must be sent by certified mail, return receipt requested to the applicant and affected persons who have requested in writing to be notified.

a. If a public hearing is held pursuant to Section 306, the Department will render its decision no later than 150 calendar days from the date the affected persons are notified that the application is complete.

b. [Reserved]

Section 306. Public Hearing:

A public hearing must be requested in writing by an "affected person" as defined in these regulations within thirty (30) calendar days of the notification of the beginning of a review. Where such a hearing is requested, prior notice of the hearing will be provided to "affected persons". The written notification of the hearing shall include the proposed schedule for the review, time, date, and place of such hearing. The public hearing shall provide an opportunity for any person to present information relevant to the application.

Section 307. Department Review:

1. The Department may not issue a Certificate of Need unless an application is in compliance with the South Carolina Health Plan as described in this regulation, project review criteria, and other regulations which must be identified by the Department. The Department may refuse to issue a Certificate of Need even if an application is in compliance with the South Carolina Health Plan but is inconsistent with project review criteria or departmental regulations. The Department must identify any regulation that is used as a basis for denying an application that is in compliance with the South Carolina Plan.

2. In the case of competing applications, the Department shall award a Certificate of Need, if appropriate, on the basis of which, if any, most fully complies with the requirements, goals, and purposes of the Certificate of Need program, South Carolina Health Plan, project review criteria, and any regulations developed by the Department.

Section 308. Department Decision:

On the basis of staff review of the record established by the Department, including but not limited to, the application, comments from affected persons and other persons concerning the application, data, studies, literature and other information available to the Department, the staff of the Department shall make a proposed decision to grant or deny the Certificate of Need.

Section 309. Certificate of Need Issuance Fee:

Projects with a total project cost greater than one million four hundred thousand dollars (\$1,400,000) will require payment of a Certificate of Need issuance fee of seven thousand five hundred dollars (\$7,500) upon the granting of the certificate of need. An invoice will be enclosed with the certificate which will be sent by certified mail. The Department must receive payment within fifteen (15) calendar days from receipt of the certificate by the applicant for the certificate of need to remain valid.

Section 310. Project Changes During Review Period:

If an applicant amends his application during the review process, the Department will determine whether or not the amendment is substantial and constitutes a new application. If the change results in an increase in cost, the fees will be adjusted accordingly.

Section 311. Validity of Certificate of Need Issued:

The Certificate of Need, if issued, is valid only for the project described in the application including location, beds and services to be offered, physical plant, capital or operating costs, or other factors as set forth in the application, except as may be modified in accordance with these regulations. Implementation of the project or operation of the facility or medical equipment that is not in accordance with the Certificate of Need application or conditions subsequently agreed to by the applicant and the Department may be considered a violation of this Regulation.

Section 312. Prohibited Contact:

1. After a Certificate of Need application has been filed with the Department, state and federal elected officials are prohibited from communicating with the Department with regard to the Certificate of Need application at any time. This prohibition does not include written communication of support or opposition to an application. Such written communication must be included in the administrative record.

2. From the date of publication of notice in the local newspaper that an application is being filed and until the date a final review is requested under Section 401 of these regulations:

a. members of the Board and persons appointed by the Board to hold a final review conference on staff decisions may not communicate directly or indirectly with any person in connection with the application; and

b. no person shall communicate, or cause another to communicate, as to the merits of the application with members of the Board and persons appointed by the Board to hold a final review conference on staff decisions.

CHAPTER 4 - APPEALS

Section 401. Notification of Decision:

1. A Department decision involving the issuance, denial, or revocation of a certificate of need may be appealed by an affected person with standing pursuant to applicable law, including S.C. Code Title 44, Chapter 1; Title 1, Chapter 23; and Title 44, Chapter 7.

2. Any person to whom an order is issued may appeal it pursuant to applicable law, including S.C. Code Title 44, Chapter 1; Title 1, Chapter 23; and Title 44, Chapter 7.

Section 402. Reserved

CHAPTER 5 - GENERAL PROVISIONS

Section 501. Findings of the Department:

In the case of any proposed new institutional health service for the provision of health services to inpatients, the Department shall not grant a Certificate of Need, or otherwise make a finding that such proposed new institutional health service is needed, unless:

1. The capital and operating costs of the proposal and their potential impact on patient charges are reasonable;
2. Superior alternatives to such services in terms of cost, efficiency, or appropriateness do not exist and that the development of such alternatives is not practicable;
3. In the case of new construction, alternatives to new construction (e.g., modernization or sharing arrangements) have been considered;
4. Patients will experience serious problems in terms of costs, availability or accessibility, or such other problems as may be identified by the Department, in obtaining care of the type proposed in the absence of the project; and
5. In the case of a proposed addition of beds for the provision of nursing care service, the addition is consistent with the plans of other State agencies responsible for provision and financing of long-term care (including home health) services.

Section 502. Periodic Reports:

For the purpose of health planning, health care facilities and others who provide services that requires a Certificate of Need or who have been exempted, shall on an annual basis submit information requested on the applicable Joint Annual Report.

Section 503. Distribution of Procedures Criteria:

The Department shall distribute copies of its proposed and adopted review procedures and criteria, and proposed revisions to statewide health agencies and organizations, any agency which establishes rates for health care facilities in the state, and other persons upon request.

Section 504. Review Under Applicable Plan:

All decisions on Certificate of Need applications shall be made based on the currently approved South Carolina Health Plan in effect at the time such application is accepted. Should a new plan be adopted during any phase of the review or appeals process, the applicant shall have the option of withdrawing the application and resubmitting under the newly adopted plan or continuing the review or appeal process under the plan in use when the application was submitted. In cases where applications are withdrawn and resubmitted under the newly adopted South Carolina Health Plan within forty-five (45) calendar days of the date of withdrawal, no additional filing fee shall be required.

CHAPTER 6 - VOIDANCE AND EXTENSION OF CERTIFICATES OF NEED

Section 601. Voidance and Extension Procedures:

1. The Certificate of Need shall become void twelve months (one year) from the date of issuance. The Department may void a Certificate of Need if requested by the applicant, or if the Department determines that the Certificate of Need has not fully implemented within one year from the date issued. Implementation may be evidenced by, but not limited to, a properly negotiated valid construction contract or appropriate purchase order for service projects.
2. A Certificate of Need must be issued with a timetable submitted by the applicant, and approved by the Department, to be followed for completion of the project. The holder of the Certificate of Need must submit quarterly progress reports documenting compliance with the aforementioned timetable. Failure to meet the timetable results in the revocation of the Certificate of Need by the Department unless the Department determines that extenuating circumstances beyond the control of the holder of the Certificate of Need are the cause of the delay. If the applicant has not met the approved timetable, documented evidence that extenuating circumstances beyond the control of the holder of the Certificate of Need should be provided to the Department. This information can also be included in a request for an extension as provided in Section 602.
3. The Department may grant up to two extensions of up to nine months each. In order to obtain an extension, the applicant must have demonstrated substantial progress and must either be complying with the approved timetable or have submitted documentation satisfactory to the Department that

extenuating circumstances beyond the control of the applicant have prevented compliance with the timetable. After nine month extension period, the Certificate of Need will expire and become void.

4. However, the Board may grant further extensions of the Certificate of Need of up to nine months each if it determines that substantial progress has been made. A request to the Board must be made at least three months prior to the expiration of the Certificate of Need and must contain justification for such extension.

Section 602. Extension Request:

1. A Certificate of Need extension shall be requested by the applicant at least thirty (30) days before the expiration date and shall contain such information as the Department may reasonably require.

2. This information shall include at least the following:

- a. A detailed description of any changes in the configuration, costs, services, or scope of the project.
- b. A detailed description and documentation of any progress on the project including preparation of construction drawings, the securing of necessary funds and building permits, and commencement of any construction.
- c. An estimated timetable for commencement and completion of all remaining components of the project.
- d. Documentation of compliance with the approved timetable or documented evidence that extenuating circumstance beyond the control of the applicant if the timetable was not met.

Section 603. Criteria for Extension:

The following criteria shall be used to determine whether substantial progress has been made by the applicant:

1. **Site procurement:** The applicant should have made definitive progress toward permanent acquisition of the intended site. Such progress may include purchase of property previously under option or consummation of long-term lease agreements.
2. **Architectural Progress:** The facility architect should have been employed and definitive progress should be made toward development of final drawings.
3. **Financial Status:** The applicant should document definitive progress toward finalizing any necessary loans or lease-purchase arrangements.
4. The applicant should provide reasonable assurance that the project will be under construction or implemented within the requested extension time frame.

Section 604. Non-Transferability of Certificate of Need:

A Certificate of Need is nontransferable. A Certificate of Need or rights there under may not be sold, assigned, leased, transferred, mortgaged, pledged, or hypothecated, and any actual transfer or attempt to make a transfer of this sort results in the immediate voidance of the Certificate of Need. Any of the aforementioned transactions involving an entity directly or indirectly holding a Certificate of Need before fulfillment of the Certificate of Need results in the transfer and the subsequent voidance of the Certificate of Need. Fulfillment of the Certificate of Need occurs, although not limited to, the submission of an adequate final completion report as determined by the Department. Anyone having their Certificate of Need voided shall not be eligible to apply for a new Certificate for a period of one (1) year without Board approval.

Section 605. Project Changes After Receipt of Certificate of Need:

If an applicant amends or alters his project after receipt of a Certificate of Need, the Department will decide whether or not the amendment is substantial and thereby constitutes a new project.

Section 606. Total Project Cost:

In issuing a Certificate of Need, the Department shall specify the approved total project cost. A project is only approved for the amount specified in the Certificate of Need. The Department will review overruns on an individual basis.

Section 607. Periodic Reporting of Certificate of Need Implementation:

1. The applicant is required to submit a quarterly progress report that corresponds with the timetable included in the Certificate of Need application beginning ninety (90) calendar days after receipt of the Certificate of Need. Failure to meet the timetable results in the revocation of the Certificate of Need by the Department unless a determination is made by the Department that circumstances beyond the control of the holder of the Certificate of Need are the cause of the delay.

2. The applicant shall report on, if applicable: (1) costs incurred on the project; (2) construction activity; (3) program or service activity; and (4) any deviations from the submitted application with supporting documentation.

3. After the project has been fully implemented, the applicant shall provide the Department with a final completion report that contains, at a minimum:

- a. An audited cost report that shows all expenditures on the approved project;
- b. A list of average charges and costs for the services approved in the application and documented by affidavit, certification or other proof;
- c. A registered architect's or engineer's signed statement of final construction costs;
- d. An equipment listing and inventory for the project;

- e. A program and/or service narrative describing the final project configuration; and
- f. An explanation of any deviation from the approved application with justification, or a signed statement from the applicant that the project was implemented as outlined in the application.

4. Records relating to the project shall be maintained by the applicant for seven (7) years following the completion of the project and these records shall be made available to the Department's auditors for inspection as needed.

5. The Department may audit any project for consistency with the information provided in the Certificate of Need application. Undertaking a project that is not in accordance with the approved application or conditions or amendments subsequently agreed to by the applicant and the Department may be considered a violation of this article.

CHAPTER 7 - PENALTIES FOR NON-COMPLIANCE

Section 701. Penalties:

Undertaking any activity requiring certificate of need review, as defined in Section 102 of these regulations, without prior approval of the Department or failing to comply with any of the above stated regulations shall be grounds for the denial, suspension, or revocation of the Certificate of Need, or other penalties, under the provisions of Sections 44-7-320 through 44-7-340 of the Code of Laws of South Carolina, as amended. Any violation of this regulation is subject to provisions set forth in the statute.

Section 702. [Reserved]

CHAPTER 8 - PROJECT REVIEW CRITERIA

Section 801. Applicability and Weighting:

1. The criteria listed in Section 802 are to be used in reviewing all projects under the Certification of Need program. These criteria have been grouped under the following general categories:

Need for the Proposed Project	(Section 802.1 through 802.4)
Economic Consideration	(Section 802.5 through 802.19)
Health System Resources	(Section 802.20 through 802.25)
Site Suitability	(Section 802.26 through 802.30)
Special Consideration	(Section 802.31 through 802.33)

2. The Department shall notify the applicant of the relative importance of the project review criteria to be used in reviewing the application. The relative importance assigned to each specific criterion is established by the Department depending upon the importance of the criterion applied to the specific project. The relative importance must be consistent for competing projects.

3. A project does not have to satisfy every criterion in order to be approved, but no project may be approved unless it is consistent with the South Carolina Health Plan. A project may be denied if the Department determines that the project does not sufficiently meet one or more of the criteria.

Section 802. Criteria for Project Review:

1. Need:

The proposal shall not be approved unless it is in compliance with the South Carolina Health Plan.

2. Community Need Documentation:

a. The target population should be clearly identified as to the size, location, distribution, and socioeconomic status (if applicable).

b. Projections of anticipated population changes should be reasonable and based upon accepted demographic or statistical methodologies, with assumptions and methodologies clearly presented in the application. The applicant must use population statistics consistent with those generated by the State Demographer, State Budget and Control Board.

c. The proposed project should provide services that meet an identified (documented) need of the target population. The assumptions and methods used to determine the level of need should be specified in the application and based on a reasonable approach as judged by the reviewing body. Any deviation from the population projection used in the South Carolina Health Plan should be explained.

d. In the case of a reduction, relocation, or elimination of a facility or service, the applicant should address the need that the population presently has for the service, the extent to which that need will be met by the proposed relocation or by alternative arrangements, and the effect of the reduction, elimination, or relocation of the service on the ability of low income persons, racial and ethnic minorities, women, the elderly, handicapped persons, and other underserved groups, to obtain needed health care.

e. Current and/or projected utilization should be sufficient to justify the expansion or implementation of the proposed service.

3. Distribution (Accessibility):

a. Duplication and modernization of services must be justified. Unnecessary duplication of services and unnecessary modernization of services will not be approved.

- b. The proposed service should be located so that it may serve medically underserved areas (or an underserved population segment) and should not unnecessarily duplicate existing services or facilities in the proposed service area.
- c. The location of the proposed service should allow for the delivery of necessary support services in an acceptable period of time and at a reasonable cost.
- d. The proposed facility should not restrict admissions. If any restrictions are applied, their nature should be clearly explained.
- e. The applicant must document the means by which a person will have access to its services (e.g. outpatient services, admission by house staff, admission by personal physician)
- f. The applicant should address the extent to which all residents of the area, and in particular low income persons, racial and ethnic minorities, women, the elderly, handicapped persons, and other medically underserved groups, are likely to have access to those services being proposed.
- g. The facility providing the proposed services should establish provisions to insure that individuals in need of treatment as determined by a physician have access to the appropriate service, regardless of ability to pay.
- h. Potential negative impact of the proposed project upon the ability and/or resources of existing providers to serve medically underserved groups must be considered.

4. Acceptability:

- a. The proposal and applicant should have the support of "affected persons" (including local providers and the target population). The lack of opposition should not be considered support for the purposes of these criteria.
- b. Where documented opposition exists to a proposal, such opposition will be considered along with the application.
- c. Possible transfer agreements should be confirmed and an intent to negotiate these arrangements should be documented by all parties.
- d. The applicant should document the initiation of any other required reviews or agency check-offs.

5. Financial Entries and Assumptions:

All financial entries and assumptions contained in the application must be provided by an

accountant who stands behind the reliability of this financial information.

6. Projected Revenues:

- a. The proposed charges should be comparable to those charges established by other facilities for similar services within the service area or state. The applicant should document how the proposed charges were calculated.
- b. The projected levels of utilization should be reasonably consistent with those experienced by similar facilities in the service area and/or state. In addition, projected levels of utilization should be consistent with the need level of the target population.
- c. The projected collection and reimbursement rates should be reasonably consistent with those experienced/utilized by similar facilities.
- d. Failure to provide contingency plans for any known factor which would jeopardize the stability of the revenue projections shall be grounds for rejection of the budget.

7. Projected Expenses:

Projections of construction costs, start-up costs, operating costs, debt service, depreciation, manpower costs, etc. should be consistent with those experienced by similar facilities offering a similar level and scope of services (with proper consideration given to such factors as inflation, cost of capital, etc.).

8. Beginning Cash Flow:

The applicant must have documented the availability of resources or sources of funds sufficient to cover capital requirements and start-up costs. The schedule of utilization and net revenues must be detailed with assumptions explicitly present.

9. Net Income:

The project should show an improvement in its net revenue position over time, especially the first three years, until a steady, positive net income trend is attained. Any projected deviations from this pattern should be explained.

10. Debt Service:

- a. Debt service (interest cost plus payment toward principal) should not be so large as to cause a negative net income.
- b. Characteristics of the debt (interest, prepayment arrangements, etc.) should be consistent with those arrangements used by other health service entities in the

State and consistent with accepted good business practices in terms of assumption and retirement of debt.

c. The applicant must document the impact the project will have on the facility's proposed level of patient charges.

11. Methods of Financing:

a. Possible alternatives should be identified.

b. Reasons for the selection of the proposed funding method should be stated and reasonable.

12. The applicant should demonstrate an ability to obtain the desired capital. The applicant must provide at least conditional commitment from an appropriate institution.

13. Record of the Applicant (Owner and/or Administrator):

a. The applicant's record should be one of successful operation with adequate management experience.

b. The applicant should have a demonstrated ability to obtain necessary capital financing.

c. If the applicant has no prior experience, sources of assistance should be specified (i.e. technical assistance from specific individuals or organizations).

d. The applicant's record or his representative's record of cooperation and compliance with State and Federal regulatory programs will be considered.

14. Ability to Complete the Project:

a. The applicant should have demonstrated that the project can be initiated and completed within the proposed time frame specified in the application.

b. The financial schedules and time frames contained in the application should be consistent with those usually experienced in the development of similar facilities or services.

15. Financial Feasibility:

The applicant must have projected both the immediate and long-term financial feasibility of the proposal. Such projection should be reasonable and based upon accepted accounting procedures.

16. Cost Containment (Minimizing Costs):

- a. The applicant should have identified and sought alternative sources and/or methods of funding and demonstrated that the method chosen was the most feasible option.
- b. If the applicant had the option of lease or purchase, with all other factors being equal, he should demonstrate that his choice is the least costly in the long run.
- c. The impact of the project upon the applicant's cost to provide services and the applicant's patient charges should be reasonable. The impact of the project upon the cost and charges of other providers of similar services should be considered if the data are available.

17. Efficiency:

The proposed project should improve efficiency by avoiding duplication of services, promoting shared services, and fostering economies of scale or size.

18. Physical Design:

The proposed project should foster economies of design by use of design characteristics such as improved access and circulation within the facility, the relationship of services within the facility, and the use of shared space for centralized supply, storage, and common activities.

19. Alternative Methods:

- a. The applicant should have considered any available or more effective alternatives which exist to the proposed service such as the use of less costly alternatives, outpatient services, shared services, or extended hours of service.
- b. For new construction projects, modernization of existing facilities should be considered as an alternative, and the rejection of this alternative by the applicant should be justified.

20. Staff Resources:

- a. The applicant should have a reasonable plan for the provision of all required staff (physicians, nursing, allied health and support staff, etc.).
- b. The applicant should demonstrate that sufficient physicians are available to insure proper implementation (e.g. utilization and/or supervision) of the project.
- c. If the applicant presently owns existing facilities or services, he should demonstrate a satisfactory staffing "track record."
- d. Alternative uses of resources for the provision of other health services should be identified and considered.

21. Support Services and Equipment:

a. Support services and equipment necessary to implement and sustain the proposed service should be identified, accessible, and of sufficient capacity.

b. Where possible, projects should utilize equipment already available and accessible to the population to be served.

22. Distribution:

The existing distribution of the health service(s) should be identified and the effect of the proposed project upon that distribution should be carefully considered to functionally balance the distribution to the target population.

23. Adverse Effects on Other Facilities:

a. The impact on the current and projected occupancy rates or use rates of existing facilities and services should be weighed against the increased accessibility offered by the proposed services.

b. The staffing of the proposed service should be provided without unnecessarily depleting the staff of existing facilities or services or causing an excessive rise in staffing costs due to increased competition.

24. Adverse Effects on Training Programs:

The proposed delivery of health services should not adversely affect the ability of local health professional training programs to meet their clinical needs.

25. Access:

If the proposed health services are to be available in a limited number of facilities, the extent to which the health professions schools in the area will have access to the services for training purposes should be clearly delineated in the proposal.

26. Zoning:

The proposed site must comply with local zoning regulations. Documentation should be provided from the appropriate zoning authorities that the proposed site is or can be zoned for the intended use.

27. Utilities:

The utilities necessary for the facility to operate should be available on site or the application should state provisions made for bringing these utilities on site or providing alternatives such as wells or

sewage treatment plants. Applicants should document the availability of needed utilities. The cost of such provisions should be detailed in the financial section of the application.

28. Site Size:

Documentation should be provided that all of the property intended for use is available to the applicant. Consideration may also be given to the suitability of the proposed site for any expansion of services included in the applicant's long-range plans.

29. Environmental Hazard:

The proposed facility should not be located on a site where environmental conditions would either create a health hazard or aggravate an existing health condition in individuals served by the facility.

30. Square Footage:

Space allocations should conform to applicable local, state, and federal regulations or minimum standards. For all projects, state or other applicable licensing standards must be met by the proposal.

31. Medically Underserved Groups:

a. The applicant should address the contribution of the proposed service in meeting the health needs of members of medically underserved groups which have traditionally experienced difficulties in obtaining equal access to health services (e.g. low income persons, racial and ethnic minorities, women, the elderly, and handicapped persons), particularly those needs identified in the applicable South Carolina Health Plan as deserving of priority

b. The extent to which medically underserved populations currently use the applicant's services should be considered in comparison to the percentage of the population in the applicant's service area which is medically underserved, and the extent to which medically underserved populations are expected to use the proposed services if approved.

c. Consideration of the documented performance of the applicant in meeting its obligation, if any, under any applicable Federal regulations requiring provision of uncompensated care, indigent care plan, community service, or access by minorities and handicapped persons to programs receiving Federal financial assistance (including the existence of any civil rights access complaints against the applicant) should be given.

d. Consideration should be given to the extent to which Medicare, Medicaid, and medically indigent patients are served by the applicant.

32. Other Entities:

Consideration should be given to the special needs and circumstances of those entities which provide a substantial portion of their services or resources, or both, to individuals not residing in the health service areas in which the entities are located or in adjacent health service areas. These entities may include medical and other health professions schools, multidisciplinary clinics, and specialty centers.

33. Elimination of Safety Hazards:

The Department shall issue a Certificate of Need for a proposed capital expenditure if it is required to eliminate or prevent imminent safety hazards as defined by Federal, State, or local fire, building, or life safety codes or regulations; or to comply with State Licensure standards, or to comply with accreditation or certification standards which must be met to receive reimbursement under Title XVIII of the Social Security Act or payments under a State Plan for medical assistance approved under Title XIX of that Act, provided the Department has determined that the facility or service for which the capital expenditure is proposed is needed and the obligation of the capital expenditure is consistent with the South Carolina Health Plan. Those portions of a proposed project which are not required to eliminate or prevent safety hazards or to comply with licensure, certification, or accreditation standards shall be reviewed against each of the applicable criteria for project review.

APPENDIX:

**APPLICATION FOR CERTIFICATION OF NEED
FOR A HEALTH FACILITY OR SERVICE**

Proposal Prepared By:

Name: _____

Title: _____

Organization: _____

Address: _____

City: _____ State: _____

Zip Code: _____ Telephone Number: _____

Email: _____ Fax Number: _____

The Applicant hereby certifies that the information contained in this Application, including all assurances and attachments, are correct to the best of his knowledge and belief.

Applicants Signature: _____

Date: _____

S.C. Department of Health and Environmental Control
2600 Bull Street
Columbia, S.C. 29201**

APPLICATION FOR CERTIFICATION OF NEED FOR A HEALTH FACILITY OR SERVICE

NOTE: A "complete" application shall include a written narrative report by the applicant (Regulation 61-15, Section 202).

PART A - QUESTIONNAIRE	
1. Name of Facility	
2. Address, City, County, State, Zip Code	

3. Type of Facility (Circle)		
A. Hospital	B. Nursing Home	C. Psychiatric Facility
D. Rehabilitation Facility	E. Substance Abuse Facility	F. Ambulatory Surgery Facility
F. Other (Specify)		

4. Purpose of Review (Circle)		
A. New Facility	B. Change of Licensure	C. Addition to Existing Facility
D. Renovation of Existing Facility	E. Change of Services	
F. Other (Specify)		

5. Management		
A. Name of Administrator	B. Address, City, State, Zip Code	
C. Telephone:	D. Fax Number	E. Email

6. Licensee	
A. Name of Licensee	
B. Address, City, State, Zip Code	

7. Ownership or Control of the Facility (Attach a list of names and addresses of the owners of the facility, indicating percent of ownership of each owner, the person responsible for the proposal, and the attorney(s) representing the proposal). Circle the appropriate information regarding ownership.			
A. Individual	B. Partnership	C. Corporation	D. Proprietary
E. Non-Profit	F. Government (Specify)		
G. Other: (Specify)			

8. Proposed Site of the Property	
A. Owned	B. Leased
C. Length of Site Lease	
D. Option	E. Length of Option
F. Name and Address of Owner(s) of Real Property	

9. Total Bed Capacity for Which Application is Made				
	Existing Facilities			
	New Facility Only	Existing Beds	# Gained or Lost	Bed Total
Type of Beds				
A. Medical/Surgical				
B. Obstetrics				
C. Pediatrics				
D. Substance Abuse				
E. Psychiatric				
F. Rehabilitation				
G. Nursing Care				
H. RTFs				
I. ICU/CCU				
J. Other				
K. TOTAL				

10. Construction and Site	
A. Type of Construction	B. Number of Buildings Pertaining to Project
C. Number of Stories Pertaining to Project	D. Size of the Site in Acres
E. Size of the Project Site in Acres	F. Square Footage of the Project

G. Anticipated Date of Beginning Construction	H. Anticipated Date of Licensing or Project Completion
I. Anticipated Date for Submission of Final Completion Report	

11. Zoning of Construction Site

12. Costs (Provide Estimated Signed Cost Statement from Either the Architect or Engineer)	
A. Land Cost	B. Construction Cost
C. Architect's/Engineer's Fee	D. Equipment Costs (to include taxes) 1) Fixed Equipment 2) Movable Equipment
E. Financing Cost During Construction	F. Other Costs (Specify)
G. Total Project Cost	H. Construction and Equipment Cost 1) Per Square Foot 2) Per Bed

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please submit the Cumulative Totals and COPY and Submit a duplicate of pages 8 and 9 for each campus.

(Campus - If multiple sites: Consolidated)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared - Inpatient / Ambulatory Surgery	23
Total of Surgical Operating Rooms	25

Number of additional CON approved surgical operating rooms pending development: 2

CON Project ID Number(s) F7979-07

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: 5

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: 5

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s) _____

	Number of Cases	Number of Procedures*
GI Endoscopy	2889	3318
Non-GI Endoscopy	231	231
Totals	3120	3549

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please submit the Cumulative Totals and COPY and Submit a duplicate of pages 8 and 9 for each campus.

(Campus - If multiple sites: Pineville)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Service Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Outpatient and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared Inpatient/Ambulatory Surgery	8
Total of Surgical Operating Rooms	10

Number of additional CON approved surgical operating rooms pending development: 2

CON Project ID Number(s): F-7979-07

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: 2

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: 2

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s):

	Number of Cases	Number of Procedures*
GI Endoscopy	1474	1790
Non-GI Endoscopy	0	0
Totals	1474	1790

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: Consolidated)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	138	13
Open Heart Surgery (from 7.(b) 4.)	30	
General Surgery	1449	3024
Neurosurgery	91	92
Obstetrics and GYN (excluding C-Sections)	183	1121
Ophthalmology	0	118
Oral Surgery	16	265
Orthopedics	3008	3917
Otolaryngology	26	740
Plastic Surgery	38	356
Urology	70	426
Vascular	22	3
Other Surgeries (specify) <u>Pain Management</u>	4	79
Other Surgeries (specify) <u>Lung Center</u>	2	3
Number of C-Section's Performed in Dedicated C-Section ORs	757	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	5834	10,157

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	2481
Cystoscopy	94	822
Non-GI Endoscopies (not reported in 8. c)	0	0
GI Endoscopies (not reported in 8. c)	0	0
Other (specify) <u>Branches/TEE</u>	285	231
Other (specify) <u>Minor Procedures</u>	0	4
Other (specify) <u>Orthotripsy Procedures</u>	0	21
Other (specify) <u>Electro Convulsive Therapy Procedures</u>	0	579
Total Non-Surgical Cases	379	4138

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: Mercy)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	134	8
Open Heart Surgery (from 7.(b) 4.)	30	
General Surgery	719	1298
Neurosurgery	3	4
Obstetrics and GYN (excluding C-Sections)	7	3
Ophthalmology	0	0
Oral Surgery	12	235
Orthopedics	2474	3196
Otolaryngology	0	0
Plastic Surgery	12	81
Urology	42	54
Vascular	0	0
Other Surgeries (specify) <u>Pain Management</u>	2	37
Other Surgeries (specify) <u>Lung Center</u>	2	3
Number of C-Section's Performed in Dedicated C-Section ORs	0	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	3437	4919

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	1297
Cystoscopy	40	191
Non-GI Endoscopies (not reported in 8. c)	0	0
GI Endoscopies (not reported in 8. c)	0	0
VAG Laser <u>Bronchs</u>	85	139
Other (specify) <u>Minor Procedures</u>	0	4
Other (specify) <u>Orthotripsy Procedures</u>	0	21
Other (specify) <u>Electro Convulsive Therapy Procedures</u>	0	579
Total Non-Surgical Cases	125	2221

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: Pineville)

d) Surgical Cases by Specialty Area Table

Enter the number of **surgical cases** by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	4	5
Open Heart Surgery (from 7.(b) 4.)	0	
General Surgery	730	1726
Neurosurgery	88	88
Obstetrics and GYN (excluding C-Sections)	176	1118
Ophthalmology	0	118
Oral Surgery	4	30
Orthopedics	534	721
Otolaryngology	26	740
Plastic Surgery	26	275
Urology	28	372
Vascular	22	3
Other Surgeries (specify)	2	42
Other Surgeries (specify)	0	0
Number of C-Section's Performed in Dedicated C-Section ORs	157	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	2397	5238

e) Non-Surgical Cases by Category Table

Enter the number of **non-surgical cases** by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	1184
Cystoscopy	54	431
Non-GI Endoscopies (not reported in 8. c)	0	0
GI Endoscopies (not reported in 8. c)	0	0
YAG Laser	0	0
Other (specify) <u>Bronchs</u>	132	65
Other (specify) <u>TEE</u>	68	37
Other (specify)	0	0
Total Non-Surgical Cases	254	1917

All responses should pertain to October 1, 2009 through September 30, 2010.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1872 hours per OR per year.

The Operating Room Methodology also assumes 3 hours for each Inpatient Surgery and 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

Consolidated (excludes C-Section)

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
10.02	255	158.36	97.51

* Use only Hours per Day routinely scheduled when determining. Example: 2 rooms @ 8 hours per day plus 2 rooms @ 10 hours per day equals 36 hours per day; divided by 4 rooms equals an average of 9 hours / per room / per day.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure*

All responses should pertain to October 1, 2009 through September 30, 2010.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1872 hours per OR per year.

The Operating Room Methodology also assumes 3 hours for each Inpatient Surgery and 1.5 hours for each Outpatient Surgery.

Intermediate Treatment Delivery		
77407	Radiation treatment delivery (<=5 MeV)	
77408	Radiation treatment delivery (6-10 MeV)	
77409	Radiation treatment delivery (11-19 MeV)	
77411	Radiation treatment delivery (>=20 MeV)	
Complex Treatment Delivery		
77412	Radiation treatment delivery (<=5 MeV)	
77413	Radiation treatment delivery (6-10 MeV)	
77414	Radiation treatment delivery (11-19 MeV)	
77416	Radiation treatment delivery (>= 20 MeV)	
Other Treatment Delivery Not Included Above		
77418	Intensity modulated radiation treatment (IMRT) delivery	
77372	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; linear accelerator	
77373	Stereotactic body radiation therapy, treatment delivery, per fraction to 1 or more lesions, including image guidance, entire course not to exceed 5 fractions	
G0339	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery in one session or first fraction	
G0340	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery, fractionated treatment, 2nd-5th fraction	
	Intraoperative radiation therapy (conducted by bringing the anesthetized patient down to the linac)	
	Pediatric Patient under anesthesia	
	Neutron and proton radiation therapy	
	Limb salvage irradiation	
	Hemibody irradiation	
	Total body irradiation	
Imaging Procedures Not Included Above		
77417	Additional field check radiographs	
Total Procedures – Linear Accelerators		
Gamma Knife® Procedures		
77371	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; multisource Cobalt 60 based (Gamma Knife)	
Total Procedures – Gamma Knife®		

All responses should pertain to October 1, 2009 through September 30, 2010.

13. Additional Services: continued

c) Mental Health and Substance Abuse

1. If psychiatric care has a different name than the hospital, please indicate:

2. If address is different than the hospital, please indicate:

3. Director of the above services.

n/a

Indicate the program/unit location in the **Service Categories** chart below. If it is in the hospital, include the room number. If it is located at another site, include the building name, program/unit name and address.

Service Categories: All applicants must complete the following table for all mental health services which are to be provided by the facility. If the service is not offered, leave the spaces blank.

Rule 10A NCAC 27G Licensure Rules For Mental Health Facilities	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.1100 Partial hospitalization for individuals who are acutely mentally ill						
.1200 Psychosocial rehabilitation facilities for individuals with severe and persistent mental illness						
.1300 Residential treatment facilities for children and adolescents who are emotionally disturbed or have a mental illness						
.1400 Day treatment for children and adolescents with emotional or behavioral disturbances						
.1500 Intensive residential treatment facilities for children & adolescents who are emotionally disturbed or who have a mental illness						
.5000 Facility Based Crisis Center						

n/a

Rule 10A NCAC 13B Licensure Rules For Hospitals	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.5200 Dedicated inpatient unit for individuals who have mental disorders						

n/a

All responses should pertain to October 1, 2009 through September 30, 2010.

13. Additional Services: continued

Patient Origin – Ambulatory Surgical Cases

Facility County: Mecklenburg

In an effort to document patterns of Ambulatory utilization of Surgical Services in North Carolina hospitals, please provide the county of residence for each ambulatory surgery patient served in your facility. Count each ambulatory patient once regardless of the number of procedures performed while the patient was having surgery. However, each admission as an ambulatory surgery case should be reported separately.

The Total from this chart should match the Total Ambulatory Surgical Cases reported on the "Surgical Cases by Specialty Area" Table on page 9.

Patient Origin – Linear Accelerator Treatment

Facility County: **Mecklenburg**

In an effort to document patterns of utilization of linear accelerators in North Carolina, hospitals are asked to provide the county of residence for patients served on linear accelerators in your facility. Report the number of unduplicated patients who receive radiation oncology treatment on equipment (linear accelerators, CyberKnife®, but not Gamma Knife®) listed in Section 11 of this application. Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three. The number of patients reported here should match the number of patients reported in Section 11.a. of this application.

County	No. of Patients	County	No. of Patients	County	No. of Patients
1. Alamance		37. Gates		73. Person	
2. Alexander		38. Graham		74. Pitt	
3. Alleghany		39. Granville		75. Polk

Patient Origin – PET Scanner

Facility County: **Mecklenburg**

In an effort to document patterns of utilization of PET Scanner in North Carolina, hospitals are asked to provide county of residence for each patient served in your facility. This data should only reflect the number of patients, not number of scans and should not include other radiopharmaceutical or supply charge codes. Please count each patient only once. The number of patients in this table should match the number of PET procedures reported in Table 10d on page 14.

County	No. of Patients	County	No. of Patients	County	No. of Patients

4. Director of Planning:

Del Murphy

Facility Data

A. Reporting Period All responses should pertain to the period October 1, 2010 to September 30, 2011.

B. General Information (Please fill in any blanks and make changes where necessary.)

a. Admissions to Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	8594
b. Discharges from Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	8648
c. Average Daily Census: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	102.75
d. Was there a permanent change in the total number of licensed beds during the reporting period?	Yes X
	No
If 'Yes', what is the current number of licensed beds?	179
If 'Yes', please state reason(s) (such as additions, alterations, or conversions) which may have affected the change in bed complement:	Transfers to CMC-Pineville Campus
e. Observations: Number of patients in observation status and not admitted as inpatients, excluding Emergency Department patients.	3130

C. Designation and Accreditation

- Are you a designated trauma center? ___ Yes (___ Designated Level #) X No
- Are you a critical access hospital (CAH)? ___ Yes X No
- Are you a long term care hospital (LTCH)? ___ Yes X No
- Is this facility TJC accredited? X Yes ___ X No Expiration Date: 5/7/2014
- Is this facility DNV accredited? ___ Yes ___ X No Expiration Date: _____
- Is this facility AOA accredited? ___ Yes ___ X No Expiration Date: _____
- Are you a Medicare deemed provider? X Yes ___ No

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please copy pages 8 and 9 for each site. Submit the Cumulative Totals and submit a duplicate of pages 8 and 9 for each campus.

(Campus - If multiple sites: Consolidated)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared - Inpatient / Ambulatory Surgery	25
Total of Surgical Operating Rooms	27

Number of additional CON approved surgical operating rooms pending development: 0

CON Project ID Number(s) _____

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: 5

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: 5

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s) _____

	Number of Cases		Number of Procedures*	
	Inpatient	Outpatient	Inpatient	Outpatient
GI Endoscopy	941	2112	1209	2724
Non-GI Endoscopy	8	346	41	592
Totals	949	2458	1250	3316

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

Revised 08/2011

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

a) Surgical Operating Rooms

Report *Surgical Operating Rooms* built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared - Inpatient / Ambulatory Surgery	10
Total of Surgical Operating Rooms	12

Number of additional CON approved surgical operating rooms pending development: 0

CON Project ID Number(s) _____

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: 2

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: 2

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s) _____

	Number of Cases		Number of Procedures*	
	Inpatient	Outpatient	Inpatient	Outpatient
GI Endoscopy	555	980	653	1380
Non-GI Endoscopy	8	314	12	359
Totals	563	1302	665	1739

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

Revised 08/2011

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: Consolidated)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	88	11
Open Heart Surgery (from 7.(b) 4.)	120	
General Surgery	1475	3092
Neurosurgery	109	71
Obstetrics and GYN (excluding C-Sections)	167	1520
Ophthalmology	0	116
Oral Surgery	16	117
Orthopedics	3555	4284
Otolaryngology	35	651
Plastic Surgery	32	224
Urology	61	521
Vascular	38	4
Other Surgeries (specify) Pain Management	0	32
Other Surgeries (specify) Lung Center	3	3
Number of C-Section's Performed in Dedicated C-Section ORs	732	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	6431	10,594

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	2223
Cystoscopy	185	1066
Non-GI Endoscopies (not reported in 8. c)	0	5
GI Endoscopies (not reported in 8. c)	0	0
YAG Laser Bronchos	257	141
Other (specify) Minor Procedures / TEE	52	59
Other (specify) Orthopedic Procedures	0	23
Other (specify) Electro Convulsive Therapy	0	938
Total Non-Surgical Cases	494	4455

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: CMC-Mercy)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	86	8
Open Heart Surgery (from 7.(b) 4.)	120	
General Surgery	877	1397
Neurosurgery	0	0
Obstetrics and GYN (excluding C-Sections)	17	222
Ophthalmology	0	0
Oral Surgery	13	101
Orthopedics	3000	3400

Ophthalmology	0	116
Oral Surgery	3	16
Orthopedics	555	884
Otolaryngology	14	645
Plastic Surgery	16	175
Urology	33	408
Vascular	38	4
Other Surgeries (specify)	0	0
Other Surgeries (specify)	0	0
Number of C-Section's Performed in Dedicated C-Section ORs	732	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	2250	5315

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	1070
Cystoscopy	88	630
Non-GI Endoscopies (not reported in 8. c)	0	5
GI Endoscopies (not reported in 8. c)	0	0
YAG Laser	0	0
Other (specify) Branches	119	66
Other (specify) TEE	52	49
Other (specify)	0	0
Total Non-Surgical Cases	259	1820

All responses should pertain to October 1, 2010 through September 30, 2011.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1,872 hours per operating room per year.

The Operating Room Methodology also assumes an average of 3 hours for each Inpatient Surgery and an average of 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

Consolidated (excludes C-Sections)

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
9.60	255	172.55	104.05

* Use only Hours per Day routinely scheduled when determining the answer.

Example for determining average hours per day routinely scheduled for use:

A hospital has two operating rooms routinely scheduled for use for 8 hours per day, and two other operating rooms routinely scheduled for use for 10 hours per day.

2 rooms X 8 hours = 16 hours per day
 plus
 2 rooms X 10 hours = 20 hours per day
 equals 36 hours per day total

The average hours per day for the four operating rooms is calculated by dividing the total hours per day for all operating rooms by the total number of operating rooms. In this example, 36 hours divided by four operating rooms is 9 average hours per day for an operating room.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure.*

All responses should pertain to October 1, 2010 through September 30, 2011.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1,872 hours per operating room per year.

The Operating Room Methodology also assumes an average of 3 hours for each Inpatient Surgery and an average of 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

CMC-Mercy

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
9.6	255	183	117

* Use only Hours per Day routinely scheduled when determining the answer.

Example for determining average hours per day routinely scheduled for use:

A hospital has two operating rooms routinely scheduled for use for 8 hours per day, and two other operating rooms routinely scheduled for use for 10 hours per day.

2 rooms X 8 hours = 16 hours per day
 plus
 2 rooms X 10 hours = 20 hours per day
 equals 36 hours per day total

The average hours per day for the four operating rooms is calculated by dividing the total hours per day for all operating rooms by the total number of operating rooms. In this example, 36 hours divided by four operating rooms is 9 average hours per day for an operating room.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure.*

All responses should pertain to October 1, 2010 through September 30, 2011.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1,872 hours per operating room per year.

The Operating Room Methodology also assumes an average of 3 hours for each Inpatient Surgery and an average of 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

CMC- Pineville (excludes C-Sections)

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
9.6	255	143.75	91.18

* Use only Hours per Day routinely scheduled when determining the answer.

Example for determining average hours per day routinely scheduled for use:

A hospital has two operating rooms routinely scheduled for use for 8 hours per day, and two other operating rooms routinely scheduled for use for 10 hours per day.

2 rooms X 8 hours = 16 hours per day

plus

2 rooms X 10 hours = 20 hours per day

equals 36 hours per day total

The average hours per day for the four operating rooms is calculated by dividing the total hours per day for all operating rooms by the total number of operating rooms. In this example, 36 hours divided by four operating rooms is 9 average hours per day for an operating room.

Complex Treatment Delivery		
77412	Radiation treatment delivery (<=5 MeV)	
77413	Radiation treatment delivery (6-10 MeV)	
77414	Radiation treatment delivery (11-19 MeV)	
77416	Radiation treatment delivery (>= 20 MeV)	
Other Treatment Delivery Not Included Above		
77418	Intensity modulated radiation treatment (IMRT) delivery	
77372	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; linear accelerator	
77373	Stereotactic body radiation therapy, treatment delivery, per fraction to 1 or more lesions, including image guidance, entire course not to exceed 5 fractions	
G0339	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery in one session or first fraction	
G0340	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery, fractionated treatment, 2nd-5th fraction	
	Intraoperative radiation therapy (conducted by bringing the anesthetized patient down to the linac)	
	Pediatric Patient under anesthesia	
	Neutron and proton radiation therapy	
	Limb salvage irradiation	
	Hemibody irradiation	
	Total body irradiation	
Imaging Procedures Not Included Above		
77417	Additional field check radiographs	
Total Procedures - Linear Accelerators		
Gamma Knife® Procedures		
77371	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of one session; multisource Cobalt 60 based (Gamma Knife®)	
Total Procedures - Gamma Knife®		

All responses should pertain to October 1, 2010 through September 30, 2011.

Patient Origin – Ambulatory Surgical Cases

Facility County: Mecklenburg

In an effort to document patterns of Ambulatory utilization of Surgical Services in North Carolina hospitals, please provide the county of residence for each ambulatory surgery patient served in your facility. Count each ambulatory patient once regardless of the number of procedures performed while the patient was having surgery. However, each admission as an ambulatory surgery case should be reported separately.

The Total from this chart should match the Total Ambulatory Surgical Cases reported on the "Surgical Cases by Specialty Area" Table on page 9.

Patient Origin – Linear Accelerator Treatment

Facility County: **Mecklenburg**

In an effort to document patterns of utilization of linear accelerators in North Carolina, hospitals are asked to provide the county of residence for patients served on linear accelerators in your facility. Report the number of patients who receive radiation oncology treatment on equipment (linear accelerators, CyberKnife®, but not Gamma Knife®) listed in Section 11 of this application. Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three. The number of patients reported here should match the number of patients reported in Section 11.a. of this application.

County	No. of Patients	County	No. of Patients	County	No. of Patients
1. Alamance		37. Gates		73. Person

Patient Origin – PET Scanner

Facility County: Mecklenburg

In an effort to document patterns of utilization of PET Scanners in North Carolina, hospitals are asked to provide county of residence for each patient served in your facility. This data should only reflect the number of patients, not number of scans and should not include other radiopharmaceutical or supply charge codes. Please count each patient only once. The number of patients in this table should match the number of PET procedures reported in Table 10d on page 14.

Facility Data

A. Reporting Period All responses should pertain to the period **October 1, 2009 to September 30, 2010.**

B. General Information (Please fill in any blanks and make changes where necessary.)

a. Admissions to Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	8,625	
b. Discharges from Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	8,614	
c. Average Daily Census: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	97.26	
d. Was there a permanent change in the total number of licensed beds during the reporting period?	Yes	No
		X
If 'Yes', what is the current number of licensed beds?		
If 'Yes', please state reason(s) (such as additions, alterations, or conversions) which may have affected the change in bed complement:		
e. Observations: Number of patients in observation status and not admitted as inpatients, excluding Emergency Department patients.	3,198	

C. Designation and Accreditation

1. Are you a designated trauma center? ___ Yes (___ Designated Level #) X No
2. Are you a critical access hospital (CAH)? ___ Yes X No
3. Are you a long term care hospital (LTCH)? ___ Yes X No
4. Is this facility TJC accredited? X Yes X No Expiration Date: 2/1/2011
5. Is this facility DNV accredited? ___ Yes X No Expiration Date: _____
6. Is this facility AOA accredited? ___ Yes X No Expiration Date: _____
7. Are you a Medicare deemed provider? X Yes ___ No

All responses should pertain to October 1, 2009 through September 30, 2010.

D. Beds by Service (Inpatient – Do Not Include Observation Beds or Days of Care)

[Please provide a Beds by Service (p. 4) for each hospital campus (see G.S. 131E-176(2c))]

Please indicate below the number of beds usually assigned (set up and staffed for use) to each of the following services and the number of census inpatient days of care rendered in each unit. NOTE: If your facility has a designated unit(s) for chemical dependency treatment and/or detoxification, please complete the patient origin sheet pertaining to Psychiatric and Substance Abuse Services. If your facility has a Nursing Facility unit and/or Adult Care Bed unit please complete the supplemental packet for Skilled Nursing Facility beds.

TOTAL	35,500	48,350	65,306	1,883	5,309

F. Services and Facilities

1. Obstetrics

	Enter Number of Infants
a. Live births (Vaginal Deliveries)	926
b. Live births (Cesarean Section)	328
c. Stillbirths	10

d. Delivery Rooms - Delivery Only (not Cesarean Section)	
e. Delivery Rooms - Labor and Delivery, Recovery	6
f. Delivery Rooms - LDRP (include Item "m" on Page 4)	
g. Normal newborn bassinets (Level I Neonatal Services) Do not include with totals under the section entitled Beds by Service (Inpatient)	18

2. Abortion Services

Number of procedures per Year

N/A

All responses should pertain to October 1, 2009 through September 30, 2010.

3. Emergency Department Services (cases equal visits to ED)

- a. Total Number of ED Exam Rooms: 34
- a.1. #Trauma Rooms 2 a.2. #Fast Track Rooms 5
- b. Total Number of ED visits for reporting period: 48,350
- c. Total Number of admits from the ED for reporting period: 5,557
- d. Total Number of Urgent Care visits for reporting period: -0-
- e. Does your ED provide services 24 hours a day 7 days per week? Yes No
 If no, specify days/hours of operation:
- f. Is a physician on duty in your ED 24 hours a day 7 days per week? Yes No
 If no, specify days/hours physician is on duty:

4. Medical Air Transport: Owned or leased air ambulance service:

- a. Does the facility operate an air ambulance service? Yes No
- b. If "Yes", complete the following chart.

Type of Aircraft	Number of Aircraft	Number Owned	Number Leased	Number of Transports
Rotary				
Fixed Wing				

5. Pathology and Medical Lab (Check whether or not service is provided)

- a. Blood Bank/Transfusion Services Yes No
- b. Histopathology Laboratory Yes No
- c. HIV Laboratory Testing Yes No
- Number during reporting period
- HIV Serology 414
- HIV Culture _____
- d. Organ Bank Yes No
- e. Pap Smear Screening Yes No

6. Transplantation Services - Number of transplants

Type	Number	Type	Number	Type	Number
a. Bone Marrow-Allogeneic	N/A	i. Kidney/Liver		k. Lung	
b. Bone Marrow-Autologous		j. Liver		l. Pancreas	
c. Cornea		f. Heart/Liver		m. Pancreas/Kidney	
d. Heart		g. Heart/Kidney		n. Pancreas/Liver	
e. Heart/Lung		h. Kidney		o. Other	

Do you perform living donor transplants? Yes No

All responses should pertain to October 1, 2009 through September 30, 2010.

7. **Specialized Cardiac Services** (for questions, call 855-3865 [Medical Facilities Planning])

(a) Cardiac Catheterization	Diagnostic Cardiac Catheterization ICD-9 37.21, 37.22, 37.23, 37.25	Interventional Cardiac Catheterization- ICD-9 00.66, 99.10, 36.06, 36.07, 36.09; 35.52, 35.71, 35.96	Electro-physiology 37.26, 37.27, 37.34, 37.70, 37.71, 37.72, 37.73, 37.74, 37.75, 37.76, 37.77, 37.79, 37.80, 37.81, 37.82, 37.83, 37.85, 37.86, 37.87, 37.89, 37.94, 37.95, 37.96, 37.97, 37.98, 37.99, 00.50, 00.51, 00.52, 00.53, 00.54
1. Number of Units of Fixed Equipment			1
2. Number of Procedures* Performed in Fixed Units on Patients Age 14 and younger	-0-	-0-	-0-
3. Number of Procedures* Performed in Fixed Units on Patients Age 15 and older	489	29	87
4. Number of Procedures* Performed in Mobile Units	N/A	N/A	N/A

*A procedure is defined to be one visit or trip by a patient to a catheterization laboratory for a single or multiple catheterizations. Count each visit once, regardless of the number of diagnostic, interventional, and/or EP catheterizations performed within that visit.

Name of Mobile Vendor: _____ N/A

Number of 8-hour days per week the mobile unit is onsite: _____ 8-hour days per week.
 (Examples: Monday through Friday for 8 hours per day is 5 8-hour days per week. Monday, Wednesday, & Friday for 4 hours per day is 1.5 8-hour days per week)

(b) Open Heart Surgery	Number of Machines/Procedures
1. Number of Heart-Lung Bypass Machines	N/A
2. Total Annual Number of Open Heart Surgery Procedures Utilizing Heart-Lung Bypass Machine	N/A
3. Total Annual Number of Open Heart Surgery Procedures done without utilizing a Heart-Lung Bypass Machine	N/A
4. Total Open Heart Surgery Procedures (2. + 3.)	N/A
Procedures on Patients Age 14 and younger	
5. Of total in #2, Number of Procedures on Patients Age 14 & younger	N/A
6. Of total in #3, Number of Procedures on Patients Age 14 & younger	NA/

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please submit the Cumulative Totals and COPY and Submit a duplicate of pages 8 and 9 for each campus.

(Campus – If multiple sites: _____)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared - Inpatient / Ambulatory Surgery	7
Total of Surgical Operating Rooms	9

Number of additional CON approved surgical operating rooms pending development: _____ -0-

CON Project ID Number(s) _____

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: _____ 2

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: _____ 2

Number of additional CON approved GI Endoscopy Rooms pending development: _____ -0-

CON Project ID Number(s) _____

	Number of Cases	Number of Procedures*
GI Endoscopy	1,680	1,928
Non-GI Endoscopy	239	239
Totals	1,919	2,167

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: _____)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	-0-	-0-
Open Heart Surgery (from 7.(b) 4.)	-0-	
General Surgery	637	1,012
Neurosurgery	-0-	-0-
Obstetrics and GYN (excluding C-Sections)	110	476
Ophthalmology	2	1,566
Oral Surgery	2	29
Orthopedics	562	1,221
Otolaryngology	36	495
Plastic Surgery	-0-	1
Urology	110	249
Vascular	39	118
Other Surgeries (specify) PODIATRY	26	95
Other Surgeries (specify) DENTAL/PAIN	31	47
Number of C-Section's Performed in Dedicated C-Section ORs	328	
Number of C-Section's Performed in Other ORs	-0-	
Total Surgical Cases	1,883	5,309

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	4	219
Cystoscopy		
Non-GI Endoscopies (not reported in 8. c)	3	-0-
GI Endoscopies (not reported in 8. c)		
YAG Laser		
Other (specify) MINOR	15	150
Other (specify)		
Other (specify)		
Total Non-Surgical Cases	22	369

All responses should pertain to October 1, 2009 through September 30, 2010.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1872 hours per OR per year.

The Operating Room Methodology also assumes 3 hours for each Inpatient Surgery and 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
9	258	112.9	57.0

* Use only Hours per Day **routinely** scheduled when determining. Example: 2 rooms @ 8 hours per day plus 2 rooms @ 10 hours per day equals 36 hours per day; divided by 4 rooms equals an average of 9 hours / per room / per day.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure*

All responses should pertain to October 1, 2009 through September 30, 2010.

10a. Magnetic Resonance Imaging (MRI)

Indicate the number of MRI scanners (units) and the number of procedures performed during the 12-month reporting period at your facility. For hospitals that operate medical equipment at multiple sites/ campuses, please copy the MRI pages and provide separate data for each site/campus.

Number of fixed MRI scanners-closed (do not include any Policy AC-3 scanners)	# Units	Inpatient Procedures*			Outpatient Procedures*			TOTAL Procedures
	1							
# of fixed MRI scanners-open (do not include any Policy AC-3 scanners)	0	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Inpatient	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Outpatient	
Number of Policy AC-3 MRI scanners used for general clinical purposes	0							
Total Fixed MRI Scanners	1	177	921	1,098	827	2,497	3,324	4,422
Procedures performed on mobile MRI scanners only at this site								
Name(s) of Mobile MRI Provider(s):								
The total number of procedures performed on the MRI scanners listed above should be equal to or more than the total number of patients reported on the MRI Patient-Origin Table on page 25 of this application. Patients served on units listed in the next two rows should not be included in the MRI Patient Origin Table on page 25 of this application.								
Policy AC-3 scanners used for dedicated or non-clinical purposes								
Other Human Research MRI scanners								

* An MRI procedure is defined as a single discrete MRI study of one patient (single CPT coded procedure). An MRI study means one or more scans relative to a single diagnosis or symptom.

10b. MRI Procedures by CPT Codes

CPT Code	CPT Description	Number of Procedures
70336	MRI Temporomandibular Joint(s)	
70540	MRI Orbit/Face/Neck w/o	1

10c. Computed Tomography (CT)

How many fixed CT scanners does the hospital have? 3
 Does the hospital contract for mobile CT scanner services? Yes No
 If yes, identify the mobile CT vendor _____

Complete the following tables (one for fixed CT scanners; one for mobile CT scanners).

Scans Performed on Fixed CT Scanners (*Multiply # scans by Conversion Factor to get HECT Units*)

	Type of CT Scan	# of Scans		Conversion Factor		HECT Units
1	Head without contrast	5,675	X	1.00	=	5,675.00
2	Head with contrast	306	X	1.25	=	382.50
3	Head without and with contrast	92	X	1.75	=	161.00
4	Body without contrast	9,480	X	1.50	=	14,220.00
5	Body with contrast	7,383	X	1.75	=	12,920.25
6	Body without contrast and with contrast	831	X	2.75	=	2,285.25
7	Biopsy in addition to body scan with or without contrast	60	X	2.75	=	165.00
8	Abscess drainage in addition to body scan with or without contrast	8	X	4.00	=	32.00

All responses should pertain to October 1, 2009 through September 30, 2010.

Scans Performed on Mobile CT Scanners (Multiply # scans by Conversion Factor to get HECT Units)

	Type of CT Scan	# of Scans		Conversion Factor		HECT Units
1	Head without contrast	N/A	X	1.00	=	
2	Head with contrast	N/A	X	1.25	=	
3	Head without and with contrast	N/A	X	1.75	=	
4	Body without contrast	N/A	X	1.50	=	
5	Body with contrast	N/A	X	1.75	=	
6	Body without contrast and with contrast	N/A	X	2.75	=	
7	Biopsy in addition to body scan with or without contrast	N/A	X	2.75	=	
8	Abscess drainage in addition to body scan with or without contrast	N/A	X	4.00	=	

10d. Other Imaging Equipment

	Number of Units	Number of Procedures		
		Inpatient	Outpatient	Total
Dedicated Fixed PET Scanner	1	13	272	285
Mobile PET Scanner

Mobile Gamma Camera				
Vendor:				

* PET procedure means a single discrete study of one patient involving one or more PET scans. PET scan means an image-scanning sequence derived from a single administration of a PET radiopharmaceutical, equated with a single injection of the tracer. One or more PET scans comprise a PET procedure. The number of PET procedures in this table should match the number of patients reported on the PET Patient Origin Table on page 27.

10e. Lithotripsy

	Number of Units	Number of Procedures		
		Inpatient	Outpatient	Total
Fixed				
Mobile	1	-0-	135	135

Lithotripsy Vendor/Owner:

STONE INSTITUTE

All responses should pertain to October 1, 2009 through September 30, 2010.

11. Linear Accelerator Treatment Data (including Cyberknife® & Similar Equipment)

CPT Code	Description	# of Procedures
Simple Treatment Delivery		
77401	Radiation treatment delivery	
77402	Radiation treatment delivery (<=5 MeV)	111
77403	Radiation treatment delivery (6-10 MeV)	69
77404	Radiation treatment delivery (11-19 MeV)	
77406	Radiation treatment delivery (>=20 MeV)	
Intermediate Treatment Delivery		
77407	Radiation treatment delivery (<=5 MeV)	
77408	Radiation treatment delivery (6-10 MeV)	
77409	Radiation treatment delivery (11-19 MeV)	11
77411	Radiation treatment delivery (>=20 MeV)	
Complex Treatment Delivery		
77412	Radiation treatment delivery (<=5 MeV)	
77413	Radiation treatment delivery (6-10 MeV)	811
77414	Radiation treatment delivery (11-19 MeV)	3,721
77416	Radiation treatment delivery (>= 20 MeV)	
Other Treatment Delivery Not Included Above		
77418	Intensity modulated radiation treatment (IMRT) delivery	1,912
77372	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; linear accelerator	
77373	Stereotactic body radiation therapy, treatment delivery, per fraction to 1 or more lesions, including image guidance, entire course not to exceed 5 fractions	
G0339	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery in one session or first fraction	
G0340	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery, fractionated treatment, 2nd-5th fraction	
	Intraoperative radiation therapy (conducted by bringing the anesthetized patient down to the linac)	
	Pediatric Patient under anesthesia	
	Neutron and proton radiation therapy	
	Limb salvage irradiation	
	Hemibody irradiation	
	Total body irradiation	
Imaging Procedures Not Included Above		
*** 77417	Additional field check radiographs	800
Total Procedures – Linear Accelerators		7,435
Gamma Knife® Procedures

Total Procedures – Gamma Knife®		
*** 77421	STEREOSCOPIC X-RAY GUIDANCE	1,361

All responses should pertain to October 1, 2009 through September 30, 2010.

13. Additional Services: continued

c) Mental Health and Substance Abuse

1. If psychiatric care has a different name than the hospital, please indicate:

2. If address is different than the hospital, please indicate:

3. Director of the above services.

Indicate the program/unit location in the **Service Categories** chart below. If it is in the hospital, include the room number. If it is located at another site, include the building name, program/unit name and address.

Service Categories: All applicants must complete the following table for all mental health services which are to be provided by the facility. If the service is not offered, leave the spaces blank.

Rule 10A NCAC 27G Licensure Rules For Mental Health Facilities	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.1100 Partial hospitalization for individuals who are acutely mentally ill.						
.1200 Psychosocial rehabilitation facilities for individuals with severe and persistent mental illness						
.1300 Residential treatment facilities for children and adolescents who are emotionally disturbed or have a mental illness						
.1400 Day treatment for children and adolescents with emotional or behavioral disturbances						
.1500 Intensive residential treatment facilities for children & adolescents who are emotionally disturbed or who have a mental illness						
.5000 Facility Based Crisis Center						

Rule 10A NCAC 13B Licensure Rules For Hospitals	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.5200 Dedicated inpatient unit for individuals who have mental disorders						

All responses should pertain to October 1, 2009 through September 30, 2010.

13. Additional Services: *continued*

c) Mental Health and Substance Abuse *continued*

Rule 10A NCAC 27G Licensure Rules for Substance Abuse Facilities	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.3100 Nonhospital medical detoxification for individuals who are substance abusers						
.3200 Social setting detoxification for substance abusers						
.3300 Outpatient detoxification for substance abusers						
.3400 Residential treatment/ rehabilitation for individuals with substance abuse disorders						
.3500 Outpatient facilities for individuals with substance abuse disorders						
.3600 Outpatient narcotic addiction treatment						
.3700 Day treatment facilities for individuals with substance abuse disorders						

Rule 10A NCAC 13B Licensure Rules For Hospitals	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.5200 Dedicated inpatient hospital unit for individuals who have substance abuse disorders (specify type) # of Treatment beds _____ # of Medical Detox beds _____						

All responses should pertain to October 1, 2009 through September 30, 2010.

Patient Origin -General Acute Care Inpatient Services

Facility County: Union

In an effort to document patterns of utilization of General Acute Care Inpatient Services in North Carolina hospitals, please provide the county of residence for each patient admitted to your facility.

County	No. of Admissions	County	No. of Admissions	County	No. of Admissions

Patient Origin – Gastrointestinal Endoscopy (GI) Cases

Facility County: Union

In an effort to document patterns of utilization of Gastrointestinal Endoscopy Services in North Carolina hospitals, please provide the county of residence for each GI Endoscopy patient served in your facility. Count each patient once regardless of the number of procedures performed while the patient was receiving GI Endoscopy Services. However, each admission for GI Endoscopy services should be reported separately.

The Total from this chart should match the Total GI Endoscopy cases reported on the "Gastrointestinal Endoscopy Rooms, Cases and Procedures" Table on page 8 plus the total Inpatient and Ambulatory GI Endoscopy cases from the "Non-Surgical Cases by Category" Table on page 9.

Are mobile MRI services currently provided at your hospital? yes _____ no X

All responses should pertain to October 1, 2009 through September 30, 2010.

Patient Origin – Linear Accelerator Treatment

Facility County: **Union**

In an effort to document patterns of utilization of linear accelerators in North Carolina, hospitals are asked to provide the county of residence for patients served on linear accelerators in your facility. Report the number of unduplicated patients who receive radiation oncology treatment on equipment (linear accelerators, CyberKnife®, but not Gamma Knife®) listed in Section 11 of this application. Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three. The number of patients reported here should match the number of patients reported in Section 11.a. of this application.

County	No. of Patients	County	No. of Patients	County	No. of Patients
1. Alamance		37. Gates		73. Person	
2. Alexander		38. Graham		74. Pitt

All responses should pertain to October 1, 2009 through September 30, 2010.

Patient Origin – PET Scanner

Facility County: Union

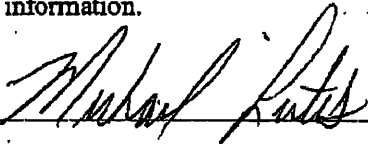

In an effort to document patterns of utilization of PET Scanner in North Carolina, hospitals are asked to provide county of residence for each patient served in your facility. This data should only reflect the number of patients, not number of scans and should not include other radiopharmaceutical or supply charge codes. Please count each patient only once. The number of patients in this table should match the number of PET procedures reported in Table 10d on page 14.

- e. Does your ED provide services 24 hours a day 7 days per week? Yes No
 If no, specify days/hours of operation:
- f. Is a physician on duty in your ED 24 hours a day 7 days per week? Yes No
 If no, specify days/hours physician is on duty:

4. Medical Air Transport: Owned or leased air ambulance service:

- a. Does the facility operate an air ambulance service? Yes No
- b. If "Yes", complete the following chart.

Type of Aircraft	Number of Aircraft	Number Owned	Number Leased	Number of Transports
Rotary				
Fixed Wing				

5. Pathology and Medical Lab (Check whether or not service is provided)

- a. Blood Bank/Transfusion Services Yes No
- b. Histopathology Laboratory Yes No
- c. HIV Laboratory Testing Yes No
 Number during reporting period
 HIV Serology 489
 HIV Culture _____
- d. Organ Bank Yes No
- e. Pap Smear Screening Yes No

6. Transplantation Services - Number of transplants

Type	Number	Type	Number	Type	Number
a. Bone Marrow-Allogeneic	N/A	f. Heart/Liver		k. Lung	
b. Bone Marrow-Autologous		g. Heart/Kidney		l. Pancreas	
c. Cornea		h. Kidney		m. Pancreas/Kidney	
d. Heart		i. Kidney/Liver		n. Pancreas/Liver	
e. Heart/Lung		j. Liver		o. Other	

Do you perform living donor transplants? Yes No.

All responses should pertain to October 1, 2010 through September 30, 2011.

7. **Specialized Cardiac Services** (for questions, call 855-3865 [Medical Facilities Planning])

(a) Cardiac Catheterization	Diagnostic Cardiac Catheterization ICD-9 37.21, 37.22, 37.23, 37.25	Interventional Cardiac Catheterization- ICD-9 00.66, 99.10, 36.06, 36.07, 36.09; 35.52, 35.71, 35.96	Electro-physiology 37.26, 37.27, 37.34, 37.70, 37.71, 37.72, 37.73, 37.74, 37.75, 37.76, 37.77, 37.79, 37.80, 37.81, 37.82, 37.83, 37.85, 37.86, 37.87, 37.89, 37.94, 37.95, 37.96, 37.97, 37.98, 37.99, 00.50, 00.51, 00.52, 00.53, 00.54
1. Number of Units of Fixed Equipment			1
2. Number of Procedures* Performed in Fixed Units on Patients Age 14 and younger	-0-	-0-	-0-
3. Number of Procedures* Performed in Fixed Units on Patients Age 15 and older	462	42	65
4. Number of Procedures* Performed in Mobile Units	N/A	N/A	N/A

*A procedure is defined to be one visit or trip by a patient to a catheterization laboratory for a single or multiple catheterizations. Count each visit once, regardless of the number of diagnostic, interventional, and/or EP catheterizations performed within that visit.

Name of Mobile Vendor: _____ N/A

Number of 8-hour days per week the mobile unit is onsite: _____ 8-hour days per week.
 (Examples: Monday through Friday for 8 hours per day is 5 8-hour days per week. Monday, Wednesday, & Friday for 4 hours per day is 1.5 8-hour days per week)

(b) Open Heart Surgery	Number of Machines/Procedures
1. Number of Heart-Lung Bypass Machines	N/A
2. Total Annual Number of Open Heart Surgery Procedures Utilizing Heart-Lung Bypass Machine	N/A
3. Total Annual Number of Open Heart Surgery Procedures done without utilizing a Heart-Lung Bypass Machine	N/A
4. Total Open Heart Surgery Procedures (2. + 3.)	N/A
Procedures on Patients Age 14 and younger	
5. Of total in #2, Number of Procedures on Patients Age 14 & younger	N/A
6. Of total in #3, Number of Procedures on Patients Age 14 & younger	N/A

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please copy pages 8 and 9 for each site. Submit the Cumulative Totals and submit a duplicate of pages 8 and 9 for each campus.

(Campus – If multiple sites: _____)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	2
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	0
Shared - Inpatient / Ambulatory Surgery	6
Total of Surgical Operating Rooms	8

Number of additional CON approved surgical operating rooms pending development: _____ -0-

CON Project ID Number(s) _____

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: _____ 2

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: _____ 2

Number of additional CON approved GI Endoscopy Rooms pending development: _____ -0-

CON Project ID Number(s) _____

	Number of Cases		Number of Procedures*	
	Inpatient	Outpatient	Inpatient	Outpatient
GI Endoscopy	375	1,127	392	1,306
Non-GI Endoscopy	76	119	76	119
Totals	451	1,246	468	1,425

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

Revised 08/2011

Page 8

PMC.2013.00016089

PET-EX037B.0008

All responses should pertain to October 1, 2010 through September 30, 2011.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus – If multiple sites: _____)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area – the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	0	0
Open Heart Surgery (from 7.(b) 4.)	0	
General Surgery	605	932
Neurosurgery	0	0
Obstetrics and GYN (excluding C-Sections)	106	439
Ophthalmology	0	1,439
Oral Surgery	1	28
Orthopedics	612	1,341
Otolaryngology	27	639
Plastic Surgery	0	3
Urology	123	288
Vascular	53	154
Other Surgeries (specify) Podiatry	0	28
Other Surgeries (specify) Dental/Pain	37	74
Number of C-Section's Performed in Dedicated C-Section ORs	332	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	1,896	5,365

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category – the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases, including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	3	198
Cystoscopy		
Non-GI Endoscopies (not reported in 8. c)		
GI Endoscopies (not reported in 8. c)		
YAG Laser		
Other (specify) Minor	5	172
Other (specify)		
Other (specify)		
Total Non-Surgical Cases	8	370

All responses should pertain to October 1, 2010 through September 30, 2011.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1,872 hours per operating room per year.

The Operating Room Methodology also assumes an average of 3 hours for each Inpatient Surgery and an average of 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
9	258	112.2	57.7

* Use only Hours per Day routinely scheduled when determining the answer.

Example for determining average hours per day routinely scheduled for use:

A hospital has two operating rooms routinely scheduled for use for 8 hours per day, and two other operating rooms routinely scheduled for use for 10 hours per day.

2 rooms X 8 hours = 16 hours per day

plus

2 rooms X 10 hours = 20 hours per day

equals 36 hours per day total

The average hours per day for the four operating rooms is calculated by dividing the total hours per day for all operating rooms by the total number of operating rooms. In this example, 36 hours divided by four operating rooms is 9 average hours per day for an operating room.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure*

All responses should pertain to October 1, 2010 through September 30, 2011.

10a. Magnetic Resonance Imaging (MRI)

Indicate the number of MRI scanners (units) and the number of procedures performed during the 12-month reporting period at your facility. For hospitals that operate medical equipment at multiple sites/ campuses, please copy the MRI pages and provide separate data for each site/campus. Campus – if multiple sites:

Number of fixed MRI scanners-closed (do not include any Policy AC-3 scanners)	# Units	Inpatient Procedures*			Outpatient Procedures*			TOTAL Procedures
	1							
# of fixed MRI scanners-open (do not include any Policy AC-3 scanners)	0	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Inpatient	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Outpatient	
Number of Policy AC-3 MRI scanners used for general clinical purposes	0							
Total Fixed MRI Scanners/Procedures	1	181	986	1,167	768	2,446	3,214	4,381
Procedures performed on mobile MRI scanners only at this site								
Name(s) of Mobile MRI Provider(s):								
The total number of procedures performed on the MRI scanners listed above should be equal to or more than the total number of patients reported on the MRI Patient Origin Table on page 25 of this application. Patients served on units listed in the next two rows should not be included in the MRI Patient Origin Table on page 25 of this application.								
Policy AC-3 scanners used for dedicated or non-clinical purposes								
Other Human Research MRI scanners								

* An MRI procedure is defined as a single discrete MRI study of one patient (single CPT coded procedure). An MRI study means one or more scans relative to a single diagnosis or symptom.

10b. MRI Procedures by CPT Codes

CPT Code	CPT Description	Number of Procedures
70336	MRI Temporomandibular Joint(s)	
70540	MRI Orbit/Face/Neck w/o	1
70542	MRI Orbit/Face/Neck with contrast

10c. Computed Tomography (CT)

How many fixed CT scanners does the hospital have? 3
 Does the hospital contract for mobile CT scanner services? Yes No
 If yes, identify the mobile CT vendor _____

Complete the following tables (one for fixed CT scanners; one for mobile CT scanners).

Scans Performed on Fixed CT Scanners (*Multiply # scans by Conversion Factor to get HECT Units*)

	Type of CT Scan	# of Scans		Conversion Factor		HECT Units
1	Head without contrast	5,460	X	1.00	=	5460.00
2	Head with contrast	291	X	1.25	=	363.75
3	Head without and with contrast	59	X	1.75	=	103.75
4	Body without contrast	7,202	X	1.50	=	10803.00
5	Body with contrast	5,719	X	1.75	=	10008.25
6	Body without contrast and with contrast	512	X	2.75	=	1408.00
7	Biopsy in addition to body scan with or without contrast	83	X	2.75	=	228.25
8	Abscess drainage in addition to body scan with or without contrast	11	X	4.00	=	44.00

All responses should pertain to October 1, 2010 through September 30, 2011.

Scans Performed on Mobile CT Scanners (Multiply # scans by Conversion Factor to get HECT Units)

	Type of CT Scan	# of Scans		Conversion Factor		HECT Units
1	Head without contrast	N/A	X	1.00	=	N/A
2	Head with contrast		X	1.25	=	
3	Head without and with contrast		X	1.75	=	
4	Body without contrast		X	1.50	=	
5	Body with contrast		X	1.75	=	
6	Body without contrast and with contrast		X	2.75	=	
7	Biopsy in addition to body scan with or without contrast		X	2.75	=	
8	Abscess drainage in addition to body scan with or without contrast		X	4.00	=	

10d. Other Imaging Equipment

	Number of Units	Number of Procedures		
		Inpatient	Outpatient	Total
Dedicated Fixed PET Scanner	1	20	290	310
Mobile PET Scanner				
PET pursuant to Policy AC-3				
Other Human Research PET Scanner				
Ultrasound equipment	6	2,471	8,059	10,530
Mammography equipment				
Bone Density Equipment

Mobile Gamma Camera				
Vendor:				

* PET procedure means a single discrete study of one patient involving one or more PET scans. PET scan means an image-scanning sequence derived from a single administration of a PET radiopharmaceutical, equated with a single injection of the tracer. One or more PET scans comprise a PET procedure. The number of PET procedures in this table should match the number of patients reported on the PET Patient Origin Table on page 27.

10e. Lithotripsy

	Number of Units	Number of Procedures		
		Inpatient	Outpatient	Total
Fixed				
Mobile	1	0	157	157

Lithotripsy Vendor/Owner:
Stone Institute

All responses should pertain to October 1, 2010 through September 30, 2011.

11. Linear Accelerator Treatment Data (including Cyberknife® & Similar Equipment)

CPT Code	Description	# of Procedures
Simple Treatment Delivery		
77401	Radiation treatment delivery	
77402	Radiation treatment delivery (<=5 MeV)	
77403	Radiation treatment delivery (6-10 MeV)	70
77404	Radiation treatment delivery (11-19 MeV)	88
77406	Radiation treatment delivery (>=20 MeV)	
Intermediate Treatment Delivery		
77407	Radiation treatment delivery (<=5 MeV)	
77408	Radiation treatment delivery (6-10 MeV)	
77409	Radiation treatment delivery (11-19 MeV)	
77411	Radiation treatment delivery (>=20 MeV)	
Complex Treatment Delivery		
77412	Radiation treatment delivery (<=5 MeV)	
77413	Radiation treatment delivery (6-10 MeV)	1,005
77414	Radiation treatment delivery (11-19 MeV)	3,939
77416	Radiation treatment delivery (>= 20 MeV)	
Other Treatment Delivery Not Included Above		
77418	Intensity modulated radiation treatment (IMRT) delivery	1,851
77372	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; linear accelerator	
77373	Stereotactic body radiation therapy, treatment delivery, per fraction to 1 or more lesions, including image guidance, entire course not to exceed 5 fractions	
G0339	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery in one session or first fraction	
G0340	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery, fractionated treatment, 2nd-5th fraction	
	Intraoperative radiation therapy (conducted by bringing the anesthetized patient down to the linac)	
	Pediatric Patient under anesthesia	
	Neutron and proton radiation therapy	
	Limb salvage irradiation	
	Hemibody irradiation	
	Total body irradiation	
Imaging Procedures Not Included Above		
77417	Additional field check radiographs	969
Total Procedures – Linear Accelerators		7,922
Gamma Knife® Procedures		
77371	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of one session; multisource Cobalt 60 based (Gamma Knife®)	
Total Procedures – Gamma Knife®		

** 77421 Steroscopic X-Ray Guidance
 Revised 08/2011

1,041

Page 15

All responses should pertain to October 1, 2010 through September 30, 2011.

11. Linear Accelerator Treatment Data *continued*

a. Number of patients who received a course of radiation oncology treatments on linear accelerators (not the Gamma Knife®). Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three.
 # Patients 431 (This number should match the number of patients reported in the Linear Accelerator Patient Origin Table on page 26.)

b. Total number of Linear Accelerator(s) 1

c. Number of Linear Accelerators configured for stereotactic radiosurgery 0

d. Number of simulators ("machine that produces high quality diagnostic radiographs and precisely reproduces the geometric relationships of megavoltage radiation therapy equipment to the patient."(GS 131E-176(24b))) 1

e. Number of CyberKnife® Systems: _____ Gamma Knife®: _____
 Other specialized linear accelerators _____ Identify Manufacturer of Equipment _____

12. Telemedicine

- a. Does your facility utilize telemedicine to have images read at another facility? yes
- b. Does your facility read telemedicine images? no

13. Additional Services:

a) Check if Service(s) is provided: (for dialysis stations, show number of stations)

	Check		Check
1. Cardiac Rehab Program (Outpatient)	<input checked="" type="checkbox"/>	5. Rehabilitation Outpatient Unit	<input checked="" type="checkbox"/>
2. Chemotherapy	<input checked="" type="checkbox"/>	6. Podiatric Services	<input checked="" type="checkbox"/>
3. Clinical Psychology Services	<input type="checkbox"/>	7. Genetic Counseling Service	<input type="checkbox"/>
4. Dental Services	<input type="checkbox"/>	8. Number of Acute Dialysis Stations	<input type="checkbox"/>

b) Hospice Inpatient Unit Data:

Hospital-based hospice units with licensed hospice beds. List each county served and report all patients by county of residence. Use each patient's age on the admission day to the Licensed Hospice Inpatient Facility. For age categories count each inpatient client only once.

County of Residence	Age 0-17	Age 18-40	Age 41-59	Age 60-64	Age 65-74	Age 75-84	Age 85+	Total Patients Served	Total Days of Care	Deaths
N/A										
Out of State										
Total All Ages										

All responses should pertain to October 1, 2010 through September 30, 2011.

13. Additional Services: *continued*

c) Mental Health and Substance Abuse

1. If psychiatric care has a different name than the hospital, please indicate:

2. If address is different than the hospital, please indicate:

3. Director of the above services.

Indicate the program/unit location in the **Service Categories** chart below. If it is in the hospital, include the room number. If it is located at another site, include the building name, program/unit name and address.

Service Categories: All applicants must complete the following table for all mental health services which are to be provided by the facility. If the service is not offered, leave the spaces blank.

Rule 10A NCAC 27G Licensure Rules For Mental Health Facilities	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.1100 Partial hospitalization for individuals who are acutely mentally ill.						
.1200 Psychosocial rehabilitation facilities for individuals with severe and persistent mental illness						
.1300 Residential treatment facilities for children and adolescents who are emotionally disturbed or have a mental illness						
.1400 Day treatment for children and adolescents with emotional or behavioral disturbances						
.1500 Intensive residential treatment facilities for children & adolescents who are emotionally disturbed or who have a mental illness						
.5000 Facility Based Crisis Center

Patient Origin – Inpatient Surgical Cases

Facility County: Union

In an effort to document patterns of Inpatient utilization of Surgical Services in North Carolina hospitals, please provide the county of residence for each inpatient surgical patient served in your facility. Count each inpatient surgical patient once regardless of the number of surgical procedures performed while the patient was having surgery. However, each admission as an inpatient surgical case should be reported separately.

The Total from this chart should match the Total Inpatient Surgical Cases reported on the “Surgical Cases by Specialty Area” Table on page 9.

Are mobile MRI services currently provided at your hospital? yes _____ no x

All responses should pertain to October 1, 2010 through September 30, 2011.

Patient Origin – Linear Accelerator Treatment

Facility County: Union

In an effort to document patterns of utilization of linear accelerators in North Carolina, hospitals are asked to provide the county of residence for patients served on linear accelerators in your facility. Report the number of patients who receive radiation oncology treatment on equipment (linear accelerators, CyberKnife®, but not Gamma Knife®) listed in Section 11 of this application. Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three. The number of patients reported here should match the number of patients reported in Section 11.a. of this application.

County	No. of Patients	County	No. of Patients	County	No. of Patients
1. Alamance		37. Gates		73. Person	
2. Alexander		38. Graham		74. Pitt	
3. Alleghany		39. Granville		75. Polk

All responses should pertain to October 1, 2010 through September 30, 2011.

Patient Origin – PET Scanner

Facility County: Union

In an effort to document patterns of utilization of PET Scanners in North Carolina, hospitals are asked to provide county of residence for each patient served in your facility. This data should only reflect the number of patients, not number of scans and should not include other radiopharmaceutical or supply charge codes. Please count each patient only once. The number of patients in this table should match the number of PET procedures reported in Table 10d on page 14.

1. What is the name of the legal entity with ownership responsibility and liability?

Owner: Charlotte-Mecklenburg Hospital Authority
 Federal Employer ID# 56-1429508
 Street/Box: P O Box 560727
 City: Charlotte State: NC Zip: 28256
 Telephone: (704)863-6000 Fax: (704) 863-6236
 CEO: Michael C. Tarwater

d/b/a
 Carolinas Medical
 Center - University

Is your facility part of a Health System? [i.e., are there other hospitals, offsite emergency departments, ambulatory surgical facilities, nursing homes, home health agencies, etc. owned by your hospital, a parent company or a related entity?] Yes No

If 'Yes', name of Health System*: The Charlotte-Mecklenburg Hospital Authority

* (please attach a list of NC facilities that are part of your Health System) d/b/a Carolinas HealthCare System
 If 'Yes', name of CEO: Michael C. Tarwater

- a. Legal entity is: For Profit Not For Profit
- b. Legal entity is: Corporation LLP Partnership
 Proprietorship LLC Government Unit
- c. Does the above entity (partnership, corporation, etc.) LEASE the building from which services are offered? Yes No

If "YES", name of building owner:

2. Is the business operated under a management contract? Yes No

If 'Yes', name and address of the management company.

Name: _____
 Street/Box: _____
 City: _____ State: _____ Zip: _____
 Telephone: () _____

PMC.2013.00015885

PET-EX038A.0003

All responses should pertain to October 1, 2009 through September 30, 2010.

Ownership Disclosure continued . . .

3. Vice President of Nursing and Patient Care Services:
Rose Brandau, Vice President/Chief Nurse Executive.
4. Director of Planning: Del Murphy

Facility Data

A. Reporting Period All responses should pertain to the period October 1, 2009 to September 30, 2010.

B. General Information (Please fill in any blanks and make changes where necessary.)

a. Admissions to Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	6048	
b. Discharges from Licensed Acute Care Beds: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	6069	
c. Average Daily Census: include responses to "a - q" on page 4; exclude responses to "2-9" on page 4; and exclude normal newborn bassinets.	59.35	
d. Was there a permanent change in the total number of licensed beds during the reporting period?	Yes	No
		X
If 'Yes', what is the current number of licensed beds?		
If 'Yes', please state reason(s) (such as additions, alterations, or conversions) which may have affected the change in bed complement:		
e. Observations: Number of patients in observation status and not admitted as inpatients, excluding Emergency Department patients.	3234	

C. Designation and Accreditation

1. Are you a designated trauma center? ___ Yes (___ Designated Level #) X No
2. Are you a critical access hospital (CAH)? ___ Yes X No
3. Are you a long term care hospital (LTCH)? ___ Yes X No
4. Is this facility TJC accredited? X Yes ~~___~~ No Expiration Date: 10/09/2012
5. Is this facility DNV accredited? ___ Yes X No Expiration Date: _____
6. Is this facility AOA accredited? ___ Yes X No Expiration Date: _____
7. Are you a Medicare deemed provider? X Yes ___ No

All responses should pertain to October 1, 2009 through September 30, 2010.

D. Beds by Service (Inpatient – Do Not Include Observation Beds or Days of Care)

[Please provide a Beds by Service (p. 4) for each hospital campus (see G.S. 131E-176(2c))]

Please indicate below the number of beds usually assigned (set up and staffed for use) to each of the following services and the number of census inpatient days of care rendered in each unit. NOTE: If your facility has a designated unit(s) for chemical dependency treatment and/or detoxification, please complete the patient origin sheet pertaining to Psychiatric and Substance Abuse Services. If your facility has a Nursing Facility unit and/or Adult Care Bed unit please complete the supplemental packet for Skilled Nursing Facility beds.

Licensed Acute Care (provide details below)	Licensed Beds as of September 30, 2010	Staffed Beds as of September 30, 2010	Annual Census Inpt. Days of Care

F. Services and Facilities

1. Obstetrics

	Enter Number of Infants
a. Live births (Vaginal Deliveries)	1043
b. Live births (Cesarean Section)	503
c. Stillbirths	21

d. Delivery Rooms - Delivery Only (not Cesarean Section)	0
e. Delivery Rooms - Labor and Delivery, Recovery	0
f. Delivery Rooms - LDRP (include Item "m" on Page 4)	28
g. Normal newborn bassinets (Level I Neonatal Services) Do not include with totals under the section entitled Beds by Service (Inpatient)	28

2. Abortion Services

Number of procedures per Year 2

All responses should pertain to October 1, 2009 through September 30, 2010.

3. Emergency Department Services (cases equal visits to ED)

- a. Total Number of ED Exam Rooms: 35
- a.1. #Trauma Rooms 19 a.2. #Fast Track Rooms 0 Other 16
- b. Total Number of ED visits for reporting period: 70,486
- c. Total Number of admits from the ED for reporting period: 3594
- d. Total Number of Urgent Care visits for reporting period: Not Applicable
- e. Does your ED provide services 24 hours a day 7 days per week? Yes No
 If no, specify days/hours of operation:
- f. Is a physician on duty in your ED 24 hours a day 7 days per week? Yes No
 If no, specify days/hours physician is on duty:

4. Medical Air Transport: Owned or leased air ambulance service:

- a. Does the facility operate an air ambulance service? Yes No
- b. If "Yes", complete the following chart.

Type of Aircraft	Number of Aircraft	Number Owned	Number Leased	Number of Transports
Rotary				
Fixed Wing				

5. Pathology and Medical Lab (Check whether or not service is provided)

- a. Blood Bank/Transfusion Services Yes No
- b. Histopathology Laboratory Yes No
- c. HIV Laboratory Testing Yes No
 Number during reporting period
 HIV Serology 222
 HIV Culture 0
- d. Organ Bank Yes No
- e. Pap Smear Screening Yes No

6. Transplantation Services - Number of transplants

Type	Number	Type	Number	Type	Number
a. Bone Marrow-Allogeneic	<u>n/a</u>	i. Kidney/Liver	<u>n/a</u>	k. Lung	<u>n/a</u>
b. Bone Marrow-Autologous	↓	j. Liver	↓	l. Pancreas	↓
c. Cornea	↓	f. Heart/Liver	↓	m. Pancreas/Kidney	↓
d. Heart	↓	g. Heart/Kidney	↓	n. Pancreas/Liver	↓
e. Heart/Lung	↓	h. Kidney	↓	o. Other	↓

Do you perform living donor transplants? Yes No.

All responses should pertain to October 1, 2009 through September 30, 2010.

7. Specialized Cardiac Services (for questions, call 855-3865 [Medical Facilities Planning])

(a) Cardiac Catheterization	Diagnostic Cardiac Catheterization ICD-9 37.21, 37.22, 37.23, 37.25	Interventional Cardiac Catheterization- ICD-9 00.66, 99.10, 36.06, 36.07, 36.09; 35.52, 35.71, 35.96	Electro-physiology 37.26, 37.27, 37.34, 37.70, 37.71, 37.72, 37.73, 37.74, 37.75, 37.76, 37.77, 37.79, 37.80, 37.81, 37.82, 37.83, 37.85, 37.86, 37.87, 37.89, 37.94, 37.95, 37.96, 37.97, 37.98, 37.99, 00.50, 00.51, 00.52, 00.53, 00.54
1. Number of Units of Fixed Equipment		1	Ø
2. Number of Procedures* Performed in Fixed Units on Patients Age 14 and younger	Ø	Ø	Ø
3. Number of Procedures* Performed in Fixed Units on Patients Age 15 and older	121	Ø	1
4. Number of Procedures* Performed in Mobile Units	Ø	Ø	Ø

*A procedure is defined to be one visit or trip by a patient to a catheterization laboratory for a single or multiple catheterizations. Count each visit once, regardless of the number of diagnostic, interventional, and/or EP catheterizations performed within that visit.

Name of Mobile Vendor: _____

Number of 8-hour days per week the mobile unit is onsite: _____ 8-hour days per week.

(Examples: Monday through Friday for 8 hours per day is 5 8-hour days per week. Monday, Wednesday, & Friday for 4 hours per day is 1.5 8-hour days per week)

(b) Open Heart Surgery	Number of Machines/Procedures
1. Number of Heart-Lung Bypass Machines	n/a
2. Total Annual Number of Open Heart Surgery Procedures Utilizing Heart-Lung Bypass Machine	n/a
3. Total Annual Number of Open Heart Surgery Procedures done without utilizing a Heart-Lung Bypass Machine	n/a
4. Total Open Heart Surgery Procedures (2. + 3.)	n/a
Procedures on Patients Age 14 and younger	
5. Of total in #2, Number of Procedures on Patients Age 14 & younger	n/a
6. Of total in #3, Number of Procedures on Patients Age 14 & younger	n/a

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please submit the Cumulative Totals and COPY and Submit a duplicate of pages 8 and 9 for each campus.

(Campus - If multiple sites: Consolidated)

a) Surgical Operating Rooms

Report Surgical Operating Rooms built to meet the specifications and standards for operating rooms required by the Construction Section of the Division of Health Services Regulation, and which are fully equipped to perform surgical procedures. These surgical operating rooms include rooms located in Obstetrics and surgical suites.

Type of Room	Number of Rooms
Dedicated Open Heart Surgery	0
Dedicated C-Section	1
Other Dedicated Inpatient Surgery	0
Dedicated Ambulatory Surgery	2
Shared - Inpatient / Ambulatory Surgery	9
Total of Surgical Operating Rooms	12

Number of additional CON approved surgical operating rooms pending development: 0

CON Project ID Number(s) _____

b) Procedure Rooms (Excluding Operating Rooms and Gastrointestinal Endoscopy Rooms)

Report rooms, which are not equipped for or do not meet all the specifications for an operating room, that are used for performance of procedures other than Gastrointestinal Endoscopy procedures.

Total Number of Procedure Rooms: 5

c) Gastrointestinal Endoscopy Rooms, Cases and Procedures:

Report the number of Gastrointestinal Endoscopy rooms and the Endoscopy cases and procedures performed in these rooms during the reporting period.

Total Number of existing Gastrointestinal Endoscopy Rooms: 1

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s) _____

	Number of Cases	Number of Procedures*
GI Endoscopy	1842	2295
Non-GI Endoscopy	416	416
Totals	2258	2711

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures

NOTE: If this License includes more than one campus, please submit the Cumulative Totals and COPY and Submit a duplicate of pages 8 and 9 for each campus.

(Campus – If multiple sites: University)

Number of additional CON approved GI Endoscopy Rooms pending development: 0

CON Project ID Number(s) _____

	Number of Cases	Number of Procedures*
GI Endoscopy	0	0
Non-GI Endoscopy	0	0
Totals	0	0

Count each patient as one case regardless of the number of procedures performed while the patient was in the GI endoscopy room.

*As defined in 10A NCAC 14C .3901 "Gastrointestinal (GI) endoscopy procedure" means a single procedure, identified by CPT code or ICD-9-CM procedure code, performed on a patient during a single visit to the facility for diagnostic or therapeutic purposes.

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (Continued)

(Campus - If multiple sites: Consolidated)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area - the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	1	0
Open Heart Surgery (from 7.(b) 4.)	0	
General Surgery	476	941
Neurosurgery	0	0
Obstetrics and GYN (excluding C-Sections)	230	1502
Ophthalmology	1	284
Oral Surgery	52	183
Orthopedics	200	1361
Otolaryngology	12	1622
Plastic Surgery	5	320
Urology	100	308
Vascular	0	0
Other Surgeries (specify) <u>Dental</u>	0	23
Other Surgeries (specify)	0	0
Number of C-Section's Performed in Dedicated C-Section ORs	503	
Number of C-Section's Performed in Other ORs	0	
Total Surgical Cases	1580	6752

e) Non-Surgical Cases by Category Table

Enter the number of non-surgical cases by category in the table below. Count each patient undergoing a procedure or procedures as one case regardless of the number of non-surgical procedures performed. Categorize each case into one non-surgical category - the total number of non-surgical cases is an unduplicated count of non-surgical cases. Count all non-surgical cases including cases receiving services in operating rooms or in any other location, *except* do not count cases having endoscopies in GI Endoscopy rooms. Report cases having endoscopies in GI Endoscopy Rooms on page 8.

Non-Surgical Category	Inpatient Cases	Ambulatory Cases
Pain Management	0	1298
Cystoscopy	70	493
Non-GI Endoscopies (not reported in 8. c)	0	0
GI Endoscopies (not reported in 8. c)	0	0
YAG Laser	0	0
Other (specify) <u>TEE/ Cardioversions</u>	54	36
Other (specify) <u>Bronchoscopy/ Pulmonary</u>	50	92
Other (specify) <u>Bone Marrow Biopsy</u>	2	4
Total Non-Surgical Cases	176	1923

All responses should pertain to October 1, 2009 through September 30, 2010.

8. Surgical Operating Rooms, Procedure Rooms, Gastrointestinal Endoscopy Rooms, Surgical and Non-Surgical Cases and Procedures (continued)

(Campus - If multiple sites: University)

d) Surgical Cases by Specialty Area Table

Enter the number of surgical cases by surgical specialty area in the table below. Count each patient undergoing surgery as one case regardless of the number of surgical procedures performed while the patient was having surgery. Categorize each case into one specialty area - the total number of surgical cases is an unduplicated count of surgical cases. Count all surgical cases, including surgical cases operated on in procedure rooms or in any other location.

Surgical Specialty Area	Inpatient Cases	Ambulatory Cases
Cardiothoracic (excluding Open Heart Surgery)	1	0
Open Heart Surgery (from 7.(b) 4.)	0

Other (specify)	0	0
Other (specify)	0	0
Other (specify)	0	0
Total Non-Surgical Cases	0	656

All responses should pertain to October 1, 2009 through September 30, 2010.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1872 hours per OR per year.

The Operating Room Methodology also assumes 3 hours for each Inpatient Surgery and 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

Consolidated (excludes C-Sections)

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
8.41	255	133.65	91.99

* Use only Hours per Day **routinely** scheduled when determining. Example: 2 rooms @ 8 hours per day plus 2 rooms @ 10 hours per day equals 36 hours per day; divided by 4 rooms equals an average of 9 hours / per room / per day.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AACD, as approved by ASA, ACS, and AORN. NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure

All responses should pertain to October 1, 2009 through September 30, 2010.

9. Average Operating Room Availability and Average Case Times:

The Operating Room Methodology assumes that the average operating room is staffed 9 hours a day, for 260 days per year, and utilized at least 80% of the available time. This results in 1872 hours per OR per year.

The Operating Room Methodology also assumes 3 hours for each Inpatient Surgery and 1.5 hours for each Outpatient Surgery.

Based on your hospital's experience, please complete the table below by showing the assumptions for the average operating room in your hospital.

University (excludes C-Sections)

Average Hours per Day Routinely Scheduled for Use *	Average Number of Days per Year Routinely Scheduled for Use	Average "Case Time" ** in Minutes for Inpatient Cases	Average "Case Time" ** in Minutes for Ambulatory Cases
8.5	255	133.65	98.13

* Use only Hours per Day routinely scheduled when determining. Example: 2 rooms @ 8 hours per day plus 2 rooms @ 10 hours per day equals 36 hours per day; divided by 4 rooms equals an average of 9 hours / per room / per day.

** "Case Time" = Time from Room Set-up Start to Room Clean-up Finish. Definition 2.4 from the "Procedural Times Glossary" of the AAGD, as approved by ASA, ACS, and AORN. *NOTE: This definition includes all of the time for which a given procedure requires an OR/PR. It allows for the different duration of Room Set-up and Room Clean-up Times that occur because of the varying supply and equipment needs for a particular procedure.*

All responses should pertain to October 1, 2009 through September 30, 2010.

10a. Magnetic Resonance Imaging (MRI)

Indicate the number of scanners (units) and the number of procedures performed during the 12-month reporting period at your facility. For hospitals that operate medical equipment at multiple sites/campuses, please copy the MRI pages and provide separate data for each site/campus.

Number of fixed MRI scanners-closed (do not include any Policy AC-3 scanners)	# Units 1	Inpatient Procedures*			Outpatient Procedures*			
# of fixed MRI scanners-open (do not include any Policy AC-3 scanners)	0	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Inpatient	With Contrast or Sedation	Without Contrast or Sedation	TOTAL Outpatient	TOTAL Procedures
Number of Policy AC-3 MRI scanners used for general clinical purposes	0							
Total Fixed MRI Scanners	1	393	309	702	1581	2059	3640	4342
Procedures performed on mobile MRI scanners only at this site								
Name(s) of Mobile MRI Provider(s):								
The total number of procedures performed on the MRI scanners listed above should be equal to or more than the total number of patients reported on the MRI Patient Origin Table on page 25 of this application. Patients served on units listed in the next two rows should not be included in the MRI Patient Origin Table on page 25 of this application.								
Policy AC-3 scanners used for dedicated or non-clinical purposes	0							
Other Human Research MRI scanners	0							

* An MRI procedure is defined as a single discrete MRI study of one patient (single CPT coded procedure). An MRI study means one or more scans relative to a single diagnosis or symptom.

10b. MRI Procedures by CPT Codes

CPT Code	CPT Description	Number of Procedures
70336	MRI Temporomandibular Joint(s)	0
70540	MRI Orbit/Face/Neck w/o	6

10c. Computed Tomography (CT)

How many fixed CT scanners does the hospital have? 2
 Does the hospital contract for mobile CT scanner services? Yes No
 If yes, identify the mobile CT vendor _____

Complete the following tables (one for fixed CT scanners; one for mobile CT scanners).

Scans Performed on Fixed CT Scanners (*Multiply # scans by Conversion Factor to get HECT Units*)

	Type of CT Scan	# of Scans		Conversion Factor		HECT Units
1	Head without contrast	5813	X	1.00	=	5813.00
2	Head with contrast	153	X	1.25	=	191.25
3	Head without and with contrast	75	X	1.75	=	131.25
4	Body without contrast	6140	X	1.50	=	9210.00
5	Body with contrast	9885	X	1.75	=	17,298.75
6	Body without contrast and with contrast	3107	X	2.75	=	8544.25
7	Biopsy in addition to body scan with or without contrast	47	X	2.75	=	129.25
8	Abscess drainage in addition to body scan with or without contrast	20	X	4.00	=	80.00

All responses should pertain to October 1, 2009 through September 30, 2010.

Scans Performed on Mobile CT Scanners (Multiply # scans by Conversion Factor to get HECT Units)

	Type of CT Scan	# of Scans		Conversion Factor	=	HECT Units
1	Head without contrast	∅	X	1.00	=	∅
2	Head with contrast		X	1.25	=	
3	Head without and with contrast		X	1.75	=	
4	Body without contrast		X	1.50	=	
5	Body with contrast		X	1.75	=	
6	Body without contrast and with contrast		X	2.75	=	
7	Biopsy in addition to body scan with or without contrast		X	2.75	=	
8	Abscess drainage in addition to body scan with or without contrast		X	4.00	=

Vendor:				

* PET procedure means a single discrete study of one patient involving one or more PET scans. PET scan means an image-scanning sequence derived from a single administration of a PET radiopharmaceutical, equated with a single injection of the tracer. One or more PET scans comprise a PET procedure. The number of PET procedures in this table should match the number of patients reported on the PET Patient Origin Table on page 27.

10e. Lithotripsy

	Number of Units	Number of Procedures		
		Inpatient	Outpatient	Total
Fixed	∅	∅	∅	∅
Mobile	1	1	208	209

Lithotripsy Vendor/Owner:
The Stone Institute

All responses should pertain to October 1, 2009 through September 30, 2010.

11. Linear Accelerator Treatment Data (including Cyberknife® & Similar Equipment)

CPT Code	Description	# of Procedures
Simple Treatment Delivery		
77401	Radiation treatment delivery	
77402	Radiation treatment delivery (<=5 MeV)	
77403	Radiation treatment delivery (6-10 MeV)	
77404	Radiation treatment delivery (11-19 MeV)	
77406	Radiation treatment delivery (>=20 MeV)	
Intermediate Treatment Delivery		
77407	Radiation treatment delivery (<=5 MeV)	
77408	Radiation treatment delivery (6-10 MeV)	
77409	Radiation treatment delivery (11-19 MeV)	
77411	Radiation treatment delivery (>=20 MeV)	
Complex Treatment Delivery		
77412	Radiation treatment delivery (<=5 MeV)	
77413	Radiation treatment delivery (6-10 MeV)	
77414	Radiation treatment delivery (11-19 MeV)	
77416	Radiation treatment delivery (>= 20 MeV)	
Other Treatment Delivery Not Included Above		
77418	Intensity modulated radiation treatment (IMRT) delivery	
77372	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; linear accelerator	
77373	Stereotactic body radiation therapy, treatment delivery, per fraction to 1 or more lesions, including image guidance, entire course not to exceed 5 fractions	
G0339	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery in one session or first fraction	
G0340	(Image-guided) robotic linear accelerator-based stereotactic radiosurgery, fractionated treatment, 2nd-5th fraction	
	Intraoperative radiation therapy (conducted by bringing the anesthetized patient down to the linac)	
	Pediatric Patient under anesthesia	
	Neutron and proton radiation therapy	
	Limb salvage irradiation	
	Hemibody irradiation	
	Total body irradiation	
Imaging Procedures Not Included Above		
77417	Additional field check radiographs	
Total Procedures – Linear Accelerators		
Gamma Knife® Procedures		
77371	Radiation treatment delivery, stereotactic radiosurgery (SRS), complete course of treatment of cranial lesion(s) consisting of 1 session; multisource Cobalt 60 based (Gamma Knife)	
Total Procedures – Gamma Knife®		

All responses should pertain to October 1, 2009 through September 30, 2010.

13. Additional Services: *continued*

c) Mental Health and Substance Abuse

1. If psychiatric care has a different name than the hospital, please indicate:

2. If address is different than the hospital, please indicate:

3. Director of the above services.

Indicate the program/unit location in the **Service Categories** chart below. If it is in the hospital, include the room number. If it is located at another site, include the building name, program/unit name and address.

Service Categories: All applicants must complete the following table for all mental health services which are to be provided by the facility. If the service is not offered, leave the spaces blank.

n/a

Rule 10A NCAC 27G Licensure Rules For Mental Health Facilities	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.1100 Partial hospitalization for individuals who are acutely mentally ill.						
.1200 Psychosocial rehabilitation facilities for individuals with severe and persistent mental illness						
.1300 Residential treatment facilities for children and adolescents who are emotionally disturbed or have a mental illness						
.1400 Day treatment for children and adolescents with emotional or behavioral disturbances						
.1500 Intensive residential treatment facilities for children & adolescents who are emotionally disturbed or who have a mental illness						
.5000 Facility Based Crisis Center						

Rule 10A NCAC 13B Licensure Rules For Hospitals	Location of Services	Beds Assigned by Age				
		0-12	13-17	Subtotal 0-17	18 & up	Total Beds
.5200 Dedicated inpatient unit for individuals who have mental disorders						

All responses should pertain to October 1, 2009 through September 30, 2010.

Patient Origin – Gastrointestinal Endoscopy (GI) Cases

Facility County: Mecklenburg

In an effort to document patterns of utilization of Gastrointestinal Endoscopy Services in North Carolina hospitals, please provide the county of residence for each GI Endoscopy patient served in your facility. Count each patient once regardless of the number of procedures performed while the patient was receiving GI Endoscopy Services. However, each admission for GI Endoscopy services should be reported separately.

The Total from this chart should match the Total GI Endoscopy cases reported on the "Gastrointestinal Endoscopy Rooms, Cases and Procedures" Table on page 8 plus the total Inpatient and Ambulatory GI Endoscopy cases from the "Non-Surgical Cases by Category" Table on page 9.

Patient Origin - Linear Accelerator Treatment

Facility County: **Mecklenburg**

In an effort to document patterns of utilization of linear accelerators in North Carolina, hospitals are asked to provide the county of residence for patients served on linear accelerators in your facility. Report the number of unduplicated patients who receive radiation oncology treatment on equipment (linear accelerators, CyberKnife®, but not Gamma Knife®) listed in Section 11 of this application. Patients shall be counted once if they receive one course of treatment and more if they receive additional courses of treatment. For example, one patient who receives one course of treatment counts as one, and one patient who receives three courses of treatment counts as three. The number of patients reported here should match the number of patients reported in Section 11.a. of this application.

County	No. of Patients	County	No. of Patients	County	No. of Patients
1. Alamance		37. Gates		73. Person	
2. Alexander		38. Graham		74. Pitt	
3. Alleghany		39. Granville		75. Polk

Patient Origin – PET Scanner

Facility County: **Mecklenburg**

In an effort to document patterns of utilization of PET Scanner in North Carolina, hospitals are asked to provide county of residence for each patient served in your facility. This data should only reflect the number of patients, not number of scans and should not include other radiopharmaceutical or supply charge codes. Please count each patient only once. The number of patients in this table should match the number of PET procedures reported in Table 10d on page 14.
