Jenny Abbott Kitchens, Clerk

P.O. Box 11629

Columbia S.C. 29211

Dear Ms Kitchens,

I would like for the court to look at the solicitor's opening statement about my charge. The judge give him a little latitude, but he went right back to the same even after my lawyer objected. Also states exhibit 24, the picture with the deputy in the white suite was in my shed. The judge allowed that but there was no mention of any toxic materials being found. It just made it look as though something was there that wasn't.
