MOTION FOR ACCEPTANCE OF  
AMENDED RECORD ON APPEAL

I, Jeanette Vinson, hereby moves the court for acceptance of the Amended Record on Appeal in this case. This motion is made at the direction of the clerk of court, as is more fully explained in the attached memorandum.

Dated: March \_\_\_\_\_, 2019.

**MEMORANDUM**

As requested by the clerk of court, on January 28, 2019 appellant sent this court an Amended Record on Appeal correcting several errors in the original. On or about March 7, 2019 the clerk of court sent appellant another letter requesting that appellant file a second amended record on appeal, citing errors in the caption and in numbering of the original.

However, appellant submits that the amended caption is in compliance with SCACR Rule 267 (a) specifically where the name, address, and phone number of both the appellant and the only counsel of record for the respondent appear thereon. A copy of the amended caption is attached hereto.

Second, where errors in page numbering were cited by the clerk, appellant submits that the page numbers of the amended record are consecutively numbered except for the redacted pages at the end. The court is reminded that, in accordance with SCALC Rule 36 A & B, the record on appeal herein was prepared by respondents. Appellant was not given any explanation for the redactions and the Administrative Law Court accepted it in its redacted form.

Therefore appellant moves the court to accept the amended Record on Appeal.

Respectfully submitted,
