Re: The State v. Sidney Mooror  
Appellate Case No. 2017-001876

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed February 25, 2019. However, due to an on-going medical issue and a heavy workload, I am requesting a 30-day extension. This is a first extension request in this case following a ruling by this court on a motion, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for the Appellant, Susan B. Hackett, Esquire, of this extension request.

Sincerely,

Deborah R.J. Shupe
