RECEIVED

JAN 28 2013

SC Court of Appeals

MOTION TO DISMISS MATTHEW H. HENERIKSON AS APPELLANT

Appellants move pursuant to Rule 240 SCACR to dismiss Matthew H. Henrikson as party to the within appeal, so that the appeal continues with Draper as the sole appellant. The dismissal is based on a determination that Henrikson is not a necessary party to the appeal. Appellants believe that the dismissal of Henrikson as an Appellant will not prejudice the Respondent. Counsel for Respondent was consulted and does not consent to the dismissal.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Matthew H. Henrikson', is written over a horizontal line.
