Pursuant to the Plaintiff's motion for reconsideration and after careful consideration of the filings of Counsel and review of the record, the Court amends its previous order to award judgment in favor of the Plaintiff to \$1,500.00. The Court makes this amendment due to the \$300.00 paid by Jim Sullivan to the Defendants for the purchase of the scrap cars belonging to the Plaintiff not being included in the original judgment amount. Except as noted herein, all other provisions of this Court's Order dated January 14, 2019 remain in full force and effect. The Court is otherwise unable to discover any other material fact or principle of law that either has been overlooked or disregarded and further finds no other error of law or fact not appropriately considered. Accordingly, the Defendants's Motion, pursuant to Rule 59, SCRCP, <sup>1</sup> is granted only as set forth herein.
