SC Court of Appeals

Motion For An
Extension Of Time

The above named Appellant, respectfully move this Honorable Court for an "Extension of Time" within which to comply with the Court's "Instruction" granting Appellant forty-five (45) days to file a "Pro Se" Brief.

Appellant's Brief is due to be filed and served on or before March 22, 2019. Applicant moves that the time for his pro se Brief be extended by thirty (30) days up to and including April 24, 2019.

No other deadlines are affected by this request. This motion is made for the following reasons:

1. Appellant is a pro se litigant and lacks the skills necessary to research, prepare, photocopy, file and serve a brief in the allotted time, such as skilled counsel (e.g. State Attorney General, or Appellate Counsel), would be able to do; and

2. Appellant's Brief presents him (a layperson) with the enormous task of dissecting the transcripts in preparation of preparing his "pro se Brief" in the aforementioned allotted time; and,

3. Due to his extensive institutional lockdown status (Mont.) as well as other security related issues; and

4. The Limited time he is allowed (1hr per week) in the Institutional Law Library to research, prepare, photocopy, file and serve his brief upon the Court and all parties.

This request is made in good faith, and not for the purpose of delay.

Wherefore, premises considered, Appellant hereby respectfully request a thirty (30) day extention of time to file and serve his Pro SE Brief.

Appellant Forever Prays.
