Ridgeville S.C. 29472

Petitioner (Pro Se)

March 25, 2019

Pursuant to the S.C.A.C.R., 241
Petitioner contends that the Court of
Appeals may have overlooked the following
particulars of the case;

1. That the State's suppression of the Grand Jury information, resulted in a denial of Petitioner's right to make contemporaneous objections to illegal Grand Jury proceedings and void indictment.
2. The State willfully printing false and misleading information in its indictment constitutes the act of Perjury on behalf of the State.
3. When the Attorney General, the Grand Jury Foreman, Judge Alison R. Lee, and other Judicial officials all signed indictment 2015-GS-47-07 they presented upon their oath that the Grand Jury proceedings were overseen by the Court of General Sessions. Judge Lee was in fact the Chief Administrative Judge over the Court of Common Pleas. Not only did they conspire to cover their acts of Perjury. They committed criminal conspiracy against public policy and public justice

To protect the Petitioner's State and Federal Due Process rights, Petitioner respectfully request permission to file Writ of Certiorari in the South Carolina Supreme Court.

Respectfully Submitted,
